Dear Mr. Zafft:

SUBJECT: State Concurrence with Lincoln MPO Administrative Modification No. 5 to the FY2018-2019 Transportation Improvement Program (TIP)

The Nebraska Department of Transportation has reviewed the attached request for an Administrative Modification to the FY2019 to FY2022 Lincoln MPO Transportation Improvement Program (TIP) for the two US-77 projects. The modification will move the funds for these projects from the current year 2018-19 to the Prior Fiscal Years due to the fact that both projects were let earlier than expected.

Lincoln MPO TIP is included in Nebraska's STIP by reference. Administrative Modifications get included in Nebraska's STIP when we notify FHWA.

If you have any questions, please contact me at 402-479-4623.

Sincerely,

Craig Wacker AICP,
Planning Manager

RE: FY 2019-2022 TIP – Administrative Modification No. 5

In accordance with the Lincoln Metropolitan Planning Organization (MPO) “Guidelines for Modifying the Transportation Improvement Program”, minor revisions can be made by the Lincoln MPO staff to a project already included in the Transportation Improvement Program (TIP). Administrative revisions are subject to approval by the Planning Director and do not require committee review or approval.

To process administrative modifications, MPO staff will:

- Enter the requested modifications into the project database and map as necessary.
- Prepare and publish an updated TIP project listing.
- Notify the Nebraska Department of Transportation and request that modifications be included in the State Transportation Improvement Program (STIP).
- A summary of administrative modification activity report will be prepared for the MPO Technical and Officials Committees and posted on the MPO web page.

Summary Report

The Nebraska Department of Transportation (NDOT) is requesting to move programmed funds from FY 2018-19 to Prior Fiscal Years for the below NDOT projects. The project funding has not changed for both projects, and the TIP remains fiscally constrained. This revision will affect the FY 2019-2022 TIP.

Project: Princeton - South of Warlick Blvd.
CN 13237 NH-77-2 (162)

Location: US-77 from approximately 0.4 mi south of Princeton to just north of the Lincoln city limits
Description: Concrete repair, mill/resurface roadway segments, bridge repair, crack & joint seal, fog seal

Project: Ceresco South
CN 13286 NH-77-2 (164)

Location: US-77 from approximately 0.9 mi north Davey Spur (S55E) to approximately 0.6 mi north of Ceresco
Description: Concrete repair, diamond grinding, joint/crack sealing, retrofit granular subdrains

Attached is a TIP project page for the above projects, and it shows the revisions in red.

The Lincoln MPO is requesting NDOT's concurrence for this administrative modification to its FY 2019-2022 TIP.

Please contact me if you have questions.
