MAYOR'S AWARD OF EXCELLENCE

Mayor Don Wesely came forward to present the August, 2000 Mayor's
Award of Excellence to two individuals, Bill Hergott & John Harbeson.
Bill & John were nominated by their supervisors for the Mayor's Award of
Excellence in the category of customer relations because of their ability
to work cooperatively with the public. Bill's an Arborist & John is an
Equipment Operator for the Dept. of Parks & Recreation. Much of their
work occurs in parks neighborhoods where they have ample opportunity to
interact with the public. The nomination refers to a specific incident
where they assisted City Arborist Steve Schwab & Assistant City Arborist
Bob Weyhrich in planting trees with citizen volunteers from the Antelope
Park & Tierra Neighborhood Assocs. And this is a quote, "On Sat., April
1st, Bill augered 70 planting holes in the Antelope Park Neighborhood &
assisted 17 volunteers in planting street trees to beautify their area.
On Sat., April 15th, John augered 82 planting holes & also assisted
volunteers in planting street trees in the Tierra Neighborhood area." Positive written & verbal comments were made by citizens from both
organizations as a result of Bill & John's dedication & hard work. So,
please join me in recognizing Bill & John on their achievements.
Congratulations!

Bill Hergott, Parks & Rec.: I'd just say if the award went to
anybody it should've went to that neighborhood association. Eighteen
years of doing tree planting with them, I'd say that's one of the most
organized neighborhood associations I ever worked with. They made the job
easy.

Steve Schwab, City Arborist: I'd just like to add that Bill & John,
day in & day out, do an outstanding job for the Parks Dept. They're
dedicated employees with many years of service. They definitely make my
job easier & I really would like to congratulate them for a job well done
not only in this situation but day in & day out. They really do a great
job for the citizens of Lincoln.

APP. OF HOLIDAY INN DOWNTOWN FOR A SPECIAL DESIGNATED LICENSE TO COVER AN AREA MEASURING 145' BY 300' AT AMERITAS INVESTMENT CORP., 5900 "O" ST., ON SEPT. 30, 2000 FROM 8:00 A.M. CHANGE OF ZONE 3268 - APP. OF GARNER INDUSTRIES FOR A CHANGE FROM I-2 INDUSTRIAL PARK TO I-2 INDUSTRIAL PARK PLANNED UNIT DEVELOPMENT ON PROPERTY GENERALLY LOCATED AT N. 98TH ST. & CORNHUSKER HWY. - Mark Hunzeker, 530 S. 13th St., Suite B, representing applicant: We still have a few items that we need to get ironed out, a few details as among the property owner, the County & the City. And I think within the last part of last weeks we got an arrangement tentatively put together that will solve our problems. We just don't have it reduced to writing & I spoke with Rick Peo this morning. I think it would just be...we'd probably be back here in two weeks trying to amend what we did today if we tried to do it today so we just request that it be placed on next week's agenda again for public hearing & 3rd Reading.

Deputy Clerk: Next week, the 25th?
Mr. Hunzeker: Yeah.
Coleen Seng, Council Member: So moved.
Seconded by Camp & carried by the following vote: AYES: Camp, Cook, Fortenberry, Johnson, McRoy, Seng, Shoecraft; NAYS: None.

This matter was taken under advisement.

ACCEPTING & APPROVING THE PRE. PLAT OF SAGE PRAIRIE ADD., INCLUDING WAIVERS OF THE REQUIREMENTS FOR SIDEWALKS, ST. LIGHTS, LANDSCAPE SCREENS, ST. TREES, & BLOCK LENGTH, ON PROPERTY GENERALLY LOCATED AT 124TH & HOLDREGE STS.; SPECIAL PERMIT 1835 - APP. OF PAMELA A. MANSKE TO DEVELOP SAGE PRAIRIE COMMUNITY UNIT PLAN CONSISTING OF 6 DWELLING UNITS ON PROPERTY GENERALLY LOCATED AT 124TH & HOLDREGE STS. - Brian Carstens, 5815 S. 58th St., Suite D: This is an AG C.U.P., about 129th & Holdrege. All we're asking for is 6 single-family lots. We haven't asked for any density bonuses. We're providing another access into an existing subdivision to our west. We'll be paving our road. We have Cass County rural water. Each lot will have it's own septic system & it's set up for future urbanization in the event in the Stevens Creek Study they find that this would be a perfect place to do some further residential development. We also did show on our plan, the east middle beltway location if that would be one of the preferred routes that's discovered this spring. As we can see our lots are clear on the other side so the beltway if it would drop, it would not impact these lots. We are waiving the standard street trees, street lights, sidewalks, landscape screening & block lengths. But Planning Commission unanimously approved it the second time.

This matter was taken under advisement.

APPROVING AN EXCEPTION TO THE GUIDELINES & REGULATIONS FOR DRIVEWAY DESIGN & LOCATION REQUIREMENTS OF VEHICLE STACKING FOR FARMERS BANK AT 5931 LINCOLN TRADE CENTER, SUITE G - Tom Huston, 233 S. 13th St., Suite 1900, representing Farmers Bank: Also with me today is Joyce Douglas, the Executive Vice President. The Farmers Bank's been within the Lincoln Trade Center for a number of years. They recently moved locations which gave them the possibility of opening up a drive-thru facility. It's a small bank within the Lincoln Trade Center & they really focus on smaller areas. We had requested an administrative amendment to the existing special use permit for the Lincoln Trade Center. We found out this discrepancy because of the space planning restraints that we're living under so we're asking for a waiver of that stacking requirement under the guidelines for drive-thru tellers & I'd be more than happy to answer any questions if you have any.

Jeff Fortenberry, Council Member: Well, we dealt with this once before recently & my recommendation was to them just get faster tellers.
Mr. Huston: We work on it. The pneumatic tubes only work so fast.

This matter was taken under advisement.

USE PERMIT 129 - APP. OF R. C. KRUEGER DEVELOPMENT CO. TO CONSTRUCT 115,000 SQ. FT. OF COMMERCIAL SPACE ON PROPERTY GENERALLY LOCATED AT S. 14TH ST., ¼ MILE SOUTH OF PINE LAKE RD. - Rick Krueger, Krueger Development Co., 2929
Pine Lake Rd.: We're seeking a generic use permit on this B-2 ground. The B-2 zoning is existing so we have conformed with the setbacks that went through the Planning Commission & so we're seeking your approval at this time. This matter was taken under advisement.

DIRECTING THAT THE INITIATIVE PETITION CONCERNING THE CREATION OF AN EMERGENCY MEDICAL AUTHORITY KNOWN AS THE EMERGENCY MEDICAL AUTHORITY WHICH SHALL PROVIDE FOR INDEPENDENT MEDICAL DIRECTION & CONTROL OF PRE-HOSPITAL EMERGENCY MEDICAL PROVIDERS, & SELECT & REGULATE GROUND AMBULANCE TRANSPORT PROVIDERS FOR THE CITY, BE PLACED ON THE BALLOT FOR THE GENERAL ELECTION TO BE HELD NOV. 7, 2000 - Ron Ecklund, 5944 Vandervoort Dr.: I would like to encourage you to adopt this resolution & to do so expeditiously because the election is not that far away & I would like to comment that this is not just the result of the work of the 5 people of the SAVE Committee but it's the result of a lot of work by a lot of people. I think if we stopped to figure it out, we probably had over 5 minutes per person involved in getting a signature on the petition just because of the education process & walking the streets & not having people at home when you knocked on the door. It took a long time to get these petitions signed not because people didn't sign them but it just takes a long time sometimes to get the signatures signed that we needed. And so the initiative process has worked. It's taken a lot of work to get it this far. But on behalf of the SAVE Committee, we would ask you to please put this on the...pass this resolution & put it on the ballot as quickly as you can. Thank you.

Bob Nefsky, 1201 Lincoln Mall, Ste. 102: I'm here on behalf of American Medical Response, the largest ambulance service provider in the nation. We would urge the Council to look at this item very carefully because our review of the matter which we've passed along to the City Attorney indicates that there are serious questions as to the legality & validity of the ballot questions that are put forward. And so, because the result of this ballot initiative, if it's passed, will have the effect of keeping all other bidders for ambulance service out of the market for the next two years. Our client has an interest in providing non-emergency ambulance services to the City & this ballot initiative would prevent that. Questions that are raised & you all, I think, have a copy of a letter that I provided to the City Attorney, this issue number one, there's a question of whether there is more than one ballot question here & that means if there is more than one ballot question, it violates the State Constitution. Second, there is a question as to whether this is a proper or an improper delegation of the power & authority of the Mayor & the City Council. And, third, there are some questions as to the timing of putting it on the November ballot. That's all I have. Thank you very much.

Jerry Shoecraft, Council Chair: Thank you for coming. Joe Hampton, 3418 Cape Charlen Rd. West: I'm here appearing today encouraging you to place this issue on the ballot. The State of Nebraska provides a legal process for the election of officials for elected officials to act in an orderly manner on governmental business. It also provides another safeguard for citizen action when they feel that they need something to be accomplished over & above what a business that the City Council, in this case, has conducted. It's called the Initiative or Referendum Process. Now the citizens chose to use this process & to do anything other than place it on the ballot at this time I think would be ignoring the wishes of an adequate number of citizens, i.e. 4600, that expressed a desire for the total citizenry to act upon this request. So, please don't create more cynicism about the elected official process than we have today. Allow...you've expressed your opinions, now allow the voters to express their opinion. You had a question of legality raised. I think the State provides the legal process, it's been used for many years; it's an orderly process, it's a responsible process. So get out & try to get 4600 citizens to sign a petition. It takes a lot of work. But it had more time, we could've doubled it very easily. I believe the City Attorney has informed you that it is your responsibility to place it on the ballot. You had an opinion expressed that takes. For two years, it takes the process out of the market, i.e. it puts Rural Metro in place with a 2-yr. extension. I think most any attorney will tell you that a legal document can be extended & it's not...we're not asking you to do it, we're asking the citizens to do it. And for you to ignore this, please don't. We got enough cynicism as it is. Thank you.

This matter was taken under advisement.
