APPLICATION OF CONNOT ENTERPRISES, INC. DBA "JACK POT" FOR A CLASS D LIQUOR LICENSE AT 501 WEST A STREET;

MANAGER APPLICATION OF WILLIAM E. CONNOT FOR CONNOT ENTERPRISES, INC. DBA "JACK POT" AT 501 WEST A STREET - William E. Connot, 5820 Elkcrest Drive, came forward, took the oath and was available for questions from the Council.

This matter was taken under advisement.

APPROVING A SUBLEASE AGREEMENT BETWEEN THE CITY AND DYNAMIC EDUCATIONAL SYSTEMS, INC. REPRESENTING JOB CORPS FOR A SUBLEASE OF SPACE AT THE ONE STOP CENTER, 1010 N STREET, TO PROVIDE JOB TRAINING AND EMPLOYMENT SERVICES UNDER THE WORKFORCE INVESTMENT ACT - Marc Wullschleger, Director of Urban Development, came forward to explain the lease renewal and recommended to Council that this be approved.

This matter was taken under advisement.

ESTABLISHING THE ANNUAL SALARY OF THE MAYOR FOR THE YEARS 2003, 2004, 2005, AND 2006 - Bob Van Valkenburg, 7921 Reno Rd., came forward to express his opinion about the fairness of the Council voting on this matter, when some of the members may be running for the position of Mayor.

Dana Roper, City Attorney, came forward to explain that by the City Charter it is the Council's job to set the salary for the next four years. He stated that according to the Accountability and Disclosure committee, this matter is too speculative that anyone setting this salary is not a sure thing that they indeed may become mayor.

Georgia Glass, Director of Personnel Dept., came forward to clarify the issue of the dates that were covered in the resolution.

Mr. Roper again clarified that the resolution presented today would supercede the old resolution about the base salary changing in May of 2003. The present resolution has a base salary of \$74,909 throughout the four year term of office.

Councilman Werner asked Ms. Glass if she had done salary comparisons in cities similar in size to that of Lincoln. Ms. Glass reported she had and the midpoint range was \$68,617 to \$92,882. Mr. Werner suggested that the Mayor does not make enough money and that several of his directors make more than he does. Ms. Glass stated that the Mayor felt that in trying to control costs and setting an example, he did not want to see an increase in his salary. Mr. Roper reminded Council that this resolution needed to be voted on before January 1, 2003.

Craig Groat, 4935 Huntington St., came forward and suggested that a committee should be formed to select a City Manager and not have a

paid Mayoral position.

Danny Walker, 437 E St., came forward in opposition to an increase in the Mayor's salary. Council Chair Cook explained to Mr. Walker that the resolution before Council today would set the salary for the next Mayor, whoever that may be.

This matter was taken under advisement.

APPOINTING KELLY "K.B." TURNER, PH.D. TO THE CITIZEN POLICE ADVISORY BOARD FOR A THREE-YEAR TERM EXPIRING NOVEMBER 17, 2005 - Bob Van Valkenburg, 7921 Reno Rd., came forward to suggest that the people that are appointed for these various committees should come before Council and be available for questions. Councilwoman McRoy explained that the credentials of each candidate are given to the Council in advance and it would not be professional to ask these people to appear for their appointments. Councilman Friendt added that these are citizen who are serving voluntarily and the public has directed the City Council, by electing them as officials, to make such decisions. Council Chair Cook stated that the information regarding each appointee is available on the internet as well.

Mike Morosin, 2055 "S" St., came forward and stated that he felt the public would like to be able to identify that person by seeing them at the Council meeting or on the 5 CITY TV and that for them to come forward would be beneficial.

Danny Walker, 437 E St., came forward to say that some of the appointments that come out of the Mayor's office are often times questionable.

Council Chair Cook reminded the audience that there are hundreds of appointments made and that the Council takes actions on those by resolution only.

This matter was taken under advisement.

#### MISCELLANEOUS BUSINESS

Craig Groat, 4935 Huntington Street, came forward to discuss complaints regarding lawn mowing and gave examples of what length grass needs to be before being mowed.

Danny Walker, 437 E St., came forward to read from a letter regarding flood hazards for older neighborhoods.

Bob Van Valkenburg, 7921 Reno Rd., came forward to complain about his encounter with Dana Roper, City Attorney. He also wanted the public and Council to be aware of the Lancaster Event Center and that they are going to be re-electing a new board. He feels the taxpayers are due an investigation into the accounting practices. Council Chair Cook advised Mr. Van Valkenburg that this is a matter he needs to address with the County Commissioners.

John Ways, Owner of Mataya's Baby Dolls, came forward to complain about the City police officers that had vandalized the interior of his club. He reported he would be able to provide a video tape. On another matter he is opposed to the listing of young women's names on the internet when they have been arrested. He feels it is not safe for them and for the public to know their names and home addresses.

Ms. Fawn Herndon (address not given) came forward to complain about her name being published on the internet for the Police records. She feels that her privacy has been invaded and her name has been slandered.

Clifford Jones, 5600 Cornhusker Highway, came forward and stated that he worked as security at Mataya's Baby Dolls and questioned if the police were running random compliance checks all over the city or just at the place where he works.

Russ Fosler, Lincoln Police Dept. Investigator, came forward to explain that 100 - 150 compliance checks are routinely made monthly throughout the City.

These matters were taken under advisement.
