Mr. Slusky returned for rebuttal and stated they have no objection to not making South 22nd a connecting road, and preferred not to wait on a waiver at this point in time.

This matter was taken under advisement.

AMENDING SECTION 4.24.070 OF THE LINCOLN MUNICIPAL CODE RELATING TO THE POWERS AND DUTIES OF THE LINCOLN ELECTRIC SYSTEM ADMINISTRATIVE BOARD TO AUTHORIZE THE LINCOLN ELECTRIC SYSTEM TO PROVIDE TELECOMMUNICATIONS SERVICES - Terry Bundy, CEO of Lincoln Electric System and stated the LES already uses a fiber based communication system around the city and would like to begin offering telecommunication services to the community as well to enhance economic development.

Bill Austin, 301 South 13th Street, Suite 400, Attorney representing Lincoln Electric System, came forward to explain the City of Lincoln is a Limitations of Power Charter City. LES applied to the Nebraska Public Service Commission to become a become a contract carrier service and it was found that LES still had to show under Dillon’s Rule that there was an express grant of power. That was appealed to the Nebraska Supreme Court and in the interim the Legislature passed LB827. This legislation had a provision that stated "no agency or political subdivision shall provide telecommunication services for a fee" and specifically prohibited under 86-128 the Public Service Commission from issuing a certificate to operate. Two things that were posed to the Nebraska Supreme Court was that the statute was unconstitutional because it was pre-empted by the Telecommunications Act of 1996 and specifically 47 USC 253A which says that no state or local statute or regulation of other state or local legal requirement may prohibit or have the effect of prohibiting the ability of any entity to provide interstate or intrastate telecommunication services. The definitive statement from the Nebraska Supreme Court says that LES can engage in the activity of telecommunications but needs the express delegation of authority from the City Council and thus we are seeking that through this ordinance.

Discussion ensued among Council members.

Craig Groat, 4935 Huntington St., came forward in favor.
Glenn Cekal, 1420 C St., came forward in favor.
Danny Walker, 437 E St., came forward in favor.

Leo Perreault, Market Area President of Alltel, came forward in opposition.
Beth Scarborough, President of Time Warner Cable, came forward in opposition.
Alan Hersch, Aquila, came forward in opposition.
Charlie Claus, LIBA, came forward in opposition.
Jim Fram, President of Lincoln Chamber of Commerce, came forward in opposition.

8:00 P.M. BREAK 8:16 P.M. RECONVENED

Mr. Bundy returned for rebuttal and explained that LES is not funded by tax dollars, but by revenue. A gross revenue tax is paid to the City and County. He stated that LES does not intend to be in the cable television business, because that would take a franchise agreement. He also stated that LB827 does allow LES to lease the dark fibers, but to date, no one has been asking for that service.

Mr. Austin returned for rebuttal asking that the City needs to make use of LES' assets.

Discussion among council members ensued.

This matter was taken under advisement.

AMENDING SECTION 5.04.066(C) OF THE LINCOLN MUNICIPAL CODE TO ALLOW SPECIAL DESIGNATED LICENSES (SDLs) FOR GOLF-RELATED EVENTS AT THE FOUR 18-HOLE CITY GOLF COURSES AND AUTHORIZING THE CITY CLERK TO APPROVE SUCH SPECIAL DESIGNATED LICENSES - Lynn Johnson, Director of Parks & Recreation, came forward to explain the reasons for the request of Special Designated
Liquor licenses.
Corey Fletcher, 5110 Knox, Golf Pro at Mahoney Golf Course, came forward in favor.
Councilman Svoboda stated we have some of the best golf courses in Lincoln compared to those around the nation.
Councilwoman McRoy asked how the SDLs were allocated. Mr. Fletcher responded that he pre-sells the SDLs for tournaments where possible.
Councilman Werner asked if the city would profit as well from the alcohol sales if allowed to sell out on the course. Mr. Fletcher reported that his name is on the liquor license, so he would benefit from the sale of alcohol. He was sure that the increase in amount of league fees would benefit the city.
John Craw, 3600 Holmes Park Rd., Holmes Park Golf Course, came forward in favor.
Council Chair Cook asked if the rates charged at the municipal courses are competitive with the private courses. Mr. Craw stated they were very competitive.
Councilman Werner asked about other than the Jr. Golf Course where we could have a non-alcoholic environment for families.
Councilwoman Seng asked about the age limit at the Junior Golf Courses.
Bob Van Valkenburg, 7921 Reno Rd., came forward in favor.
Tim Rowland, 3403 W. Van Dorn, Golf Pro at Pioneers Golf Course, came forward in favor.
Denis Vontz, 7514 Brummond, Golf Pro at Highlands Golf Course, came forward in favor.
Councilman Svoboda reported on the taxes that are paid by the private golf courses.
Bruce Jacoby, 6020 NW 4th Street, President of Lincoln Municipal Golfers Association, came forward in favor.
Jeff Crandon, 4006 S. 33rd Street, came forward in favor.
Danny Walker, 437 E St., came forward in opposition.
Glenn Cekal, 1420 C St., came forward in favor.
Craig Groat, 4935 Huntington St., came forward in opposition.
Bob Valentine, 2660 Park Ave., came forward in opposition.
Council Chair Cook reminded the audience that this ordinance is about the special designated liquor licenses issued to the municipal golf courses, not about serving liquor out on the courses for 365 days a year.
Lynn Johnson, Director of Parks & Recreation, returned for rebuttal on the issue. He answered questions posed by Council Chair Cook regarding the Enterprise Fund. Mr. Johnson reported that the City has seen, over the last twelve years, a 74% increase in the number of holes of golf in Lincoln. With that a decrease in the number of rounds that are played at the public courses. The number of tournament and special events on city courses have declined by two-thirds in that amount of time. The support for the public courses comes from the greens fees and the cart revenue. Councilman Cook asked if there had been police calls or concerns related to alcohol sales. Mr. Johnson reported that Police Chief Casady did not have concerns with this and that there had not been reports of abuse.
Councilman Werner asked about the liability issues on the city golf courses.
Dana Roper, City Attorney, came forward to report that there are a number of cases where the courses have been held responsible.
This matter was taken under advisement.
APPROVING AN ADJUSTMENT OF REQUIRED PARKING ASSOCIATED WITH A CHANGE OF USE FROM A RESTAURANT TO AN OFFICE BUILDING ON PROPERTY GENERALLY LOCATED AT 2130 S. 17TH STREET - Darren Horst, 827 West Burnham, came forward to explain the adjustment needed for the required parking.
Danny Walker, 437 E St., came forward in opposition.
Glenn Cekal, 1420 C St., came forward in opposition.
Mr. Horst returned for rebuttal and answered questions.
This matter was taken under advisement.
AMENDING THE CORPORATE LIMITS OF THE CITY BY ANNEXING APPROXIMATELY 39.9 ACRES OF PROPERTY GENERALLY LOCATED AT NORTHWEST OF THE INTERSECTION OF SOUTH 84TH STREET AND HIGHWAY 2. (In connection w/03-22, 03R-25, 03R-26, 03R-27);
CHANGE OF ZONE 3373 - APPLICATION OF PINE LAKE DEVELOPMENT, L.L.C. FOR A CHANGE OF ZONE FROM AGR AGRICULTURAL RESIDENTIAL TO R-3 RESIDENTIAL AND
0-3 Office Park on property generally located northwest of the intersection of south 84th street and Highway 2. (In connection w/03-21, 03-25, 03R-26, 03R-27);

Approving an annexation agreement between Pine Lake Development L.L.C., Stanley L. Portsche and Grace A. Portsche, Mid-American Union Conference Association of Seventh Day Adventists, and the City of Lincoln Outlining certain conditions and understandings with regards to the annexation of approximately 41 acres of property generally located west of 84th street and north of Highway 2. (In connection w/03-21, 03-22, 03R-26, 03R-27);

Accepting and approving the preliminary plat of Pine Lake Plaza for Nine Residential Lots, 12 Lots for office/commercial and three outlots, with waivers to the required intersection platforms, non-radial or perpendicular side lot lines, reconstruction of Pine Lake Road to urban section, turning lane depth, sewer system running opposite street grades and deeper than standards, sidewalks, maximum block length, and pedestrian way easement, on property generally located northwest of the intersection of south 84th street and Highway 2. (In connection w/03-21, 03-22, 03R-26, 03R-27);

Use permit 145 - application of Pine Lake Development L.L.C. to develop 192,900 square feet of office and commercial floor space, with a waiver of on property generally located northwest of the intersection of south 84th street and Highway 2. (In connection w/03-21, 03-22, 03R-25, 03R-26) - Bob Hampton, President of Hampton Development Services, 3600 Village Drive, came forward and stated he has been working on this project for four years. He has a written agreement with the City of Lincoln and the property owners. He also has an agreement with the Pine Lake Plaza Combine, a group of three property owners consisting of Seventh Day Adventist Church, Stan and Grace Portsche, and Hampton Development Services. Agreements have been reached on several of the items, however the issue of access for Stan and Grace Portsche remains and we are offering an amendment to such. The traffic signal at 84th & Eiger Drive is another potential problem and we feel it is too much to pay for half of that cost. He submitted another amendment regarding the cost of the traffic signal. Mr. Hunzeker has recommended to his clients not to sign the annexation agreement. He offered an additional amendment to the annexation agreement.

Councilman Friendt asked if this project had a written agreement. Mr. Hunzeker advised that because of the date of June 1, 2002, it had not been.

Councilwoman Seng asked if there had been negotiations on this project and if there were objections to impact fees being written into the contract. Mr. Hunzeker said there had been negotiations and that they are willing to make the improvements that have been agreed to, but that they are not responsible to pay for impact fees.

Councilman Werner asked about the Eiger Drive and access to 84th Street. He stressed the importance of the sidewalks to the area. Mr. Werner also asked about how much impact fees this property would be paying. Mr. Hunzeker stated they had agreed to sidewalks and that approximately $300,000 in impact fees would be assessed, but if building was done in the fifth year it would probably come to approximately $400,000 in impact fees.

Councilman Friendt asked if it was a matter of the impact fees, just saying that you pay them, and if declared illegal, you still have to pay them.

Council Chair Cook asked if this could be negotiated. Mr. Hunzeker said that to the extent that a rational nexus is proven between this project and the amount of those fees and the object of the improvements for which they are paid.

Council Chair Cook stated that it was common place previously that agreements would have an amount for offsite improvements that were agreed upon and in this case there is no such collection other than for a small number of improvements which are not improvements that would have been paid by impact fees. Mr. Hunzeker explained that they are improvements which would have been the subject of those prior negotiated agreements and that was what we were working with until February 3rd. Bob Hampton stated he was paying a lot of money to bring the sanitary sewer up to serve Pine Lake area.

Charlie Humble, 301 S. 13th Street, Suite 400, Attorney for Mid America Conference of Seventh Day Adventists, came forward in favor of this project. He read a statement into the record from the residents of Pine Lake.

Craig Groat, 4935 Huntington Street, came forward and suggested land appraisals be made before and after development.
Nicole Fleck-Tooze, Public Works & Utilities, came forward to review the four amendments that have been presented. Councilman Cook asked if there was a cost amount for the traffic signal.

Dennis Bartels, Public Works & Utilities, came forward to answer the question regarding the cost of the signal being approximately $115,000 to $120,000. He stated that the cost to the developer would be about $57,000.

Councilwoman Seng asked if those who are not covered by impact fees have been negotiated. Ms. Fleck-Tooze stated that they were except for the cost of the signal.

Councilman Svoboda asked about the Brinkman property and the access at Eiger Drive. Ms. Fleck-Tooze advised it was in the new amendment which has been agreed upon by both parties.

Council Chair Cook asked about the traffic study done by Hampton Development. Mr. Bartels explained that the City was in agreement with that due to the fact that the major intersection of 84th street was being handled by the City. Mr. Bartels stated they dropped some of the negotiations on some items because at that time impact fees were going to be implemented and it was assumed this would take care of part of the offsite improvements.

Rick Peo, Assistant City Attorney, came forward and stated you have to go back in history to come up with how we negotiate the cost of the growth of the city. Once we adopted a methodology and came up with a figure of what growth costs are then the idea of negotiating on annexation agreements changes. We have to realize that people are asking to be brought into the city limits, they are asking to avail themselves of city facilities and we have determined that there is a cost to the city to provide those services and the city ought to be compensated for that.

Discussion ensued among Council members and Mr. Peo regarding the legalities of the impact fee ordinance and how it affected this project. Mr. Hunzeker returned for rebuttal. He feels this is the worst exercise of power that the City has demonstrated in 25 years. He is recommending that his clients not sign the agreement.

This matter was taken under advisement.

11:22 P.M. BREAK 11:29 P.M. RECONVENED

MISCELLANEOUS BUSINESS

Craig Groat, 4935 Huntington Street, came forward to discuss the Charter of the City Council requiring that weekly meetings be held.

Dana Roper, City Attorney, advised Mr. Groat that during the last session of the State Legislature, action was taken that allowed a city the size of Lincoln, to not have a meeting in which the week had a holiday.

This matter was taken under advisement.
