AUTHORIZING AN AGREEMENT BETWEEN THE CITY AND RIDGE DEVELOPMENT CO. AND SOUTHVIEW INC. FOR AN EXCHANGE OF THREE CITY OWNED RESIDENTIAL LOTS (LOTS 16, 17, AND 18, OLYMPIC HEIGHTS 1ST ADDITION) FOR A ONE-ACRE OUTLOT (OUTLOT “A”, BLOCK 5, HIGHLANDS WEST 1ST ADDITION) - Lynn Johnson, Director of Parks & Recreation Dept., stated that the three lots will be transferred to Nebraska Housing Resources and affordable housing would be developed on those lots. The neighbors are interested in acquiring a narrow strip of land around the west and south sides of this lot to enlarge their backyards. The one acre outlot would be an addition to Highlands South Park. Discussion followed.

Tom Reisher, 5438 N.W. Fairway Drive, came forward to strongly support the one acre piece being adjoined to the park.

DaNay Kaikowski, 1111 Lincoln Mall, Suite 350, came forward representing Ridge Development and Southview Inc. to state they are in support of the exchange.

This matter was taken under advisement.

AMENDING SECTION 12.08.070 OF THE LINCOLN MUNICIPAL CODE TO CHANGE THE REGULAR HOURS PARKS ARE OPEN TO THE PUBLIC FROM 6:00 A.M. TO MIDNIGHT, TO 5:00 A.M. TO 11:00 P.M., AND ESTABLISHING HOURS OF OPERATION FOR PIONEERS PARK AND FOR COMMUTER/RECREATION TRAILS - Lynn Johnson, Director of Parks and Recreation Dept., stated the change of park hours is requested to address the vandalism happening late at night and to accommodate those who like to exercise early in the morning. Activities officially sanctioned by the Parks & Recreation Dept. would be allowed to continue as long as they conclude by midnight. Pioneers Park would be open from 6:00 a.m. to 11:00 p.m. during daylight savings time and from 7:00 a.m. to sunset during evening hours because the gates are closed. Discussion followed.

Bob Valentine, 2660 Park Avenue, stated changing the hours of the parks is not going to solve the vandalism problem. He feels hiring more Police officers is what's needed.

Mike Morosin, Past President Malone Neighborhood Assoc., 2055 S St., suggested the Parks Department talk to the Neighborhood Watch to set up a park watch.

Craig Groat, 4935 Huntington Avenue, stated that the best way to reduce vandalism in the parks is to encourage the use by other people including up to midnight. He suggested a bicycle patrol. Further discussion followed.

This matter was taken under advisement.

CHANGE OF ZONE 3386 - APPLICATION OF GARY AND CAROLYN CHRISTENSEN AND DELISI
BROTHERS, INC. FOR A CHANGE OF ZONE FROM H-3 HIGHWAY COMMERCIAL TO I-1 INDUSTRIAL ON PROPERTY GENERALLY LOCATED SOUTHWEST OF S. CODDINGTON AVE. AND W. O STREET.(IN CONNECTION W/03R-50);

Seconded by McRoy & carried by the following vote:  AYES:  Camp, Cook, Friendt, McRoy, Seng, Svoboda, Werner; NAYS: None.

APPROVING AN AGREEMENT BETWEEN THE CITY, COUNTY, AND UNITED WAY FOR THE IMPLEMENTATION OF THE COMMUNITY BASED HUMAN NEEDS ASSESSMENT IN CONNECTION WITH THE UNIVERSITY OF NEBRASKA PUBLIC POLICY CENTER – Bob Valentine, 2660 Park Avenue, asked how much this agreement would cost the City.

Chairman Cook stated it would be $35,000.00.

This matter was taken under advisement.

APPOINTING ROB D. HACKWITH TO THE CABLE ADVISORY BOARD TO FILL AN UNEXPIRED TERM EXPIRING JULY 1, 2003 – Bob Valentine, 2660 Park Avenue, suggested the appointee's resume be attached to the agenda for the public to view.

Carol Brown, 2201 Elba Circle, came forward in support of Rob D. Hackwith's appointment.

This matter was taken under advisement.

APPROVING A RESOLUTION DIRECTING THE SUBMISSION OF A PROPOSED GENERAL OBLIGATION BOND ISSUE, NOT MORE THAN TEN MILLION DOLLARS, FOR EXTENSION OF IMPROVEMENTS TO THE CITY'S STORM SEWER AND DRAINAGE SYSTEM AT THE MAY 6, 2003, CITY GENERAL ELECTION – Loren Wismier, Gilmore and Bell, came forward to answer any questions and stated that the resolution needs to be filed with the Election Commission 50 days prior to the election being called.

Jon Camp, Council Member, asked if these bonds could be done less frequently since there is a fee assessed each time they are put on the ballot.

Mr. Wismier stated that the only limitation is in the City Charter. If a bond election is approved by the voters that authorization is good for a period of six years. If the bonds are not issued by the end of the six year period the authorization expires.

Chairman Cook asked what the interest would be on these and is there any advantage to waiting.

Mr. Wismier stated that the interest rate is extremely low so it is a good time for the City to borrow money.

Don Herz, Finance Director, stated the last bond issue was 2002 and the all inclusive rate was about 4.8%. At this point it is expected to be in the range of 4%. It will be determined at the time the debt is issued. There will be additional expense only if there's a special election.

Dana Roper, City Attorney, stated that the City has to pay for their space on the ballot and the cost depends on how much space is taken and typically a ballpark figure would be $20,000.00.

Bob Valentine, 2660 Park Avenue, asked if outside non-governmental firms are used to prepare bond issues how are they selected and is it a competitive process?

Bob Van Valkenburg, 7921 Reno Rd., asked who the bond underwriter was? Is this impacted by impact fees?

Chairman Cook stated that impact fees do not cover storm sewers.

Mr. Herz answered that it will be a competitive sale in which case the underwriter will be selected through a competitive process. In fact they are strongly considering using an internet sale. Additional costs involve our financial advisor which is Ameritas.

Nicole Fleck-Tooze, Public Works Department, stated that the only method of financing capital improvements for storm water are the storm water bond issues. The plan for financing storm water improvements is shown in the C.I.P. and it is a bond issue on a bi-annual basis.

Discussion followed.

This matter was taken under advisement.

ORDERING SIDEWALK IMPROVEMENT DISTRICT 94 CONSTRUCTED IN THE AREA BOUNDED ON THE NORTH BY FLETCHER AVE., ON THE EAST BY 84TH STREET, ON THE SOUTH BY...
YANKEE HILL ROAD, AND ON THE WEST BY N.W. 27TH STREET - Harry Kroos, Public Works & Utilities, stated that the construction of the sidewalks were included in the Sidewalk District brought forward a month ago and this allows them to get the contract out and get the work underway this spring.

This matter was taken under advisement.

AUTHORIZING NADER SEPAHPUR DBA OSOBURRITO TO OCCUPY A PORTION OF THE PUBLIC RIGHT-OF-WAY AT 1451 O STREET FOR USE AS A SIDEWALK CAFÉ - Nader Sepahur, 1351 O Street, came forward to answer questions and stated he heard that there was an amendment to change the time of closing down the sidewalk café at 10:00 p.m. instead of 11:00 p.m. and he feels that will not accomplish anything. The only time he has problems on that block is when the bars close at 12:30 or 1:00 in the morning. The fencing is such that it can be torn down within 10 minutes after closing.

Bob Van Valkenburg, 7921 Reno Rd., asked if there were going to be people drinking beer on Lincoln's downtown sidewalks?

Jeff Cole, Urban Development Department & Facilitator for the Sidewalk Café Committee, stated the reason for the 10:00 p.m. time was determined by the Police Department because they feel it is important to clear the sidewalk from additional intrusion for the high volume of pedestrian activity that takes place on closing of the bars. Discussion followed.

Bob Valentine, 2660 Park Avenue, again stated he is in favor of spending money on more Police protection. He would like to see a return to fundamental issues of government which are education, roads and protection.

Mr. Sepahpur said he doesn't feel the need for delay since this was done in the spirit of cooperation that he would have a nice heavy fence that could be dismantled in a matter of minutes and that has been submitted and approved. He stated that between the hours of 10:00 to 12:30 there's no congestion of people at this site. On football Saturdays there certainly is a problem of overcrowding.

Mr. Werner is in support of the delay because of the larger issue of changing the policy of sidewalk cafés.

Mr. Sepahpur suggested that the sidewalk cafés should have to serve food to be able to serve alcohol which is not on the permit now. Chairman Cook stated that there was a motion on the floor to continue public hearing with action for one week?

Coleen Seng moved to continue public hearing & delay action for one week to March 10, 2003.

Bob Valentine, 2660 Park Avenue, again stated he is in favor of spending money on more Police protection. He would like to see a return to fundamental issues of government which are education, roads and protection.

Chairman Cook stated that there was a motion on the floor to continue public hearing with action for one week?

Seconded by Camp & carried by the following vote: AYES: Camp, Cook, Friendt, McRoy, Seng, Svoboda, Werner; NAYS: None.

This matter was taken under advisement.

SPECIAL PERMIT 1968 - APPLICATION OF THE CARROL C. KETELHUT IRREVOCABLE TRUST TO DEVELOP PIONEER RIDGE COMMUNITY UNIT PLAN CONSISTING OF 7 SINGLE FAMILY ACREAGES ON PROPERTY GENERALLY LOCATED AT S. 112TH STREET AND
PIONEER BLVD. (IN CONNECTION W/03R-52) (CONT. PUBLIC HEARING & DELAYED ACTION TO 3/10/03, 7-0);

ACCEPTING AND APPROVING THE PRELIMINARY PLAT OF PIONEER RIDGE CONSISTING OF 7 LOTS AND 3 OUTLOTS, WITH WAIVERS OF THE REQUIRED STREET TREES, STREET LIGHTING, LANDSCAPE SCREENS, SIDEWALKS AND BLOCK LENGTH, ON PROPERTY GENERALLY LOCATED AT S. 112TH STREET AND PIONEER BLVD. (IN CONNECTION W/03R-51) - Brian Carstens, 2935 Pine Lake Rd., Suite H, appearing on behalf of Carrol C. Ketelhut Irrevocable Trust came forward to ask for waivers of the sidewalks, street trees and landscape screens which are permitted since these are lots larger than one acre and is not being annexed into the City at this time. They are also asking for a block length waiver along 112th & Pioneer and then the southern tip of the project because it's clustering it up in the western portion. They are not asking for any bonuses. Discussion followed.

Mike DeKalb, Planning Department, stated that this subdivision partially meets your goals of build through because it will pump up the standard several levels above what you've got. The fact that we've got the connections for future growth to the east and the west, we don't have the bonus and don't have the outlot tied up so it can be easily replatted at a later time. Further discussion followed.

Bob Van Valkenburg, 7921 Reno Rd., stated that if requirements are going to be waived why not take them off the books.

Craig Groat, 4935 Huntington Avenue, stated that aesthetics are the primary element of the City. It sets the lifestyle, the behavior of people.

Glen Cekal, 1420 C St., came forward against the waivers. He is in favor of trees.

Mike DeKalb, Planning Department, stated that on acreage subdivision there's always a list of request for waivers. The City & County subdivision codes specifically provides that waivers may be granted for several of the requirements of subdivisions. These include streets, sidewalks, street trees, street lights where they're over one acre in size and will not be annexed into the City limits. The reason the waiver provisions are in the code is that basically they're a rural cross section, they're going to be in the ditch. They will be reconstructing that road when it's urban standard at a later date. When those three acre lots are later subdivided in the City limits subdivision regulations apply, that waiver provision no longer applies and we will get sidewalks, street trees, paving, curb and gutter, storm sewer, the whole nine yards.

Mr. Werner asked if there was any way to require and agree to urbanize the entire project when annexed. Mike DeKalb answered that it is on the table, part of the package for bills written is how do we get those folks to agree ahead of time to what's going to happen when it gets annexed. Further discussion followed.

Mr. Werner moved to continue public hearing w/action for one week. Seconded by Seng & carried by the following vote: AYES: Camp, Cook, Friendt, McRoy, Seng, Svoboda, Werner; NAYS: None.

This matter was taken under advisement.

SPECIAL PERMIT 1971 - APPLICATION OF VALCOM WIRELESS CORP. TO INSTALL A 143' WIRELESS COMMUNICATIONS FACILITY WITH FIVE CARRIERS, WITH WAIVERS OF THE FALL ZONE AND LANDSCAPING, ON PROPERTY GENERALLY LOCATED SOUTHWEST OF THE INTERSECTION OF HAVELOCK AVE. AND CORNHUSKER HWY. - Terry Jones, representing Valcom Wireless Corporation, Malcolm, Nebraska, came forward to answer questions.

Mr. Friendt asked why these waivers should be granted. Mr. Jones answered that there really isn't any place to put trees. An AEI structure, which to LES is an approved electrical structure, is being proposed in the fall zone. Bob Van Valkenburg, 7921 Reno Rd., asked that safety be a consideration & how will it be guaranteed.

Carol Brown, 2201 Elba Circle, would like to see a letter from LES and the Railroad stating they don't want trees in this area. She would like to have this area buffered.

Craig Groat, 4935 Huntington Avenue, feels that trees should never be waived.

Glen Cekal, 1420 C St., stated this area is a concrete jungle and needs to be softened up.

Brian Will, Planning Department, stated it would be very difficult to put in landscaping and coupled with the fact there's existing utility
poles in close proximity also. It looks like it would be very difficult
to get trees that would survive. Some of the concrete or driveways
would have to be removed. Discussion followed.
Terry Bundy, Lincoln Electric System, was not familiar with this
area to comment. Discussion followed.
Mr. Werner moved to continue public hearing with action for one
week to see if there's a place for landscaping that would help.
Mr. Jones said they really did study the area and checked all
avenues for putting in trees. There's a billboard located on this site
at the front. Anything put in will have to be lower than the billboard
or change the billboard. That would be the most accessible area to be
able to plant any vegetation. Discussion followed.
Mr. Wills stated that if the waiver is not granted to the design
standard they will have to come forward with some alternative that meets
the intent of the ordinance of the design standard.
Chairman Cook stated the motion is before us to continue public
hearing with action next week. If there's no further discussion we'll
vote on that motion to delay.
Seconded by Seng & LOST by the following vote: AYES: Cook,
Seng, Werner; NAYS: Camp, Friendt, McRoy, Svoboda.
This matter was taken under advisement.

ACCEPTING THE REPORT OF NEW AND PENDING CLAIMS AGAINST THE CITY AND APPROVING
DISPOSITION OF CLAIMS SET FORTH THEREIN FOR THE PERIOD OF FEBRUARY 1 -
15, 2003 - Bob Van Valkenburg, 7921 Reno Rd., suggested the construction
company be required to indemnify & hold harmless the City of Lincoln
from any damages that might occur to people or property if the tower
discussed in the previous item falls over and the waiver is granted.
This matter was taken under advisement.

APPROVING THE BROOM FACTORY REDEVELOPMENT AGREEMENT BETWEEN THE CITY AND B&J
PARTNERSHIP FOR THE REDEVELOPMENT OF PROPERTY GENERALLY LOCATED AT 1025
AND 1017 N. 27TH STREET - Wynn Hjermstad, Urban Development Department,
explained the contents of this agreement.
Joel Pedersen, Assistant City Attorney, brought forth a substitute
right-of-entry agreement, an attachment to the redevelopment agreement.
This allows access to the property. Exhibit "D" will be substituted
with the right-of-entry agreement. The two slight changes deal with
insurance provisions so that's correlated.
Mike Morosin, Past President Malone Neighborhood Assoc., 2055 S
St., asked if this substitution "D" was advertised to the public prior
to the meeting?
Mr. Pedersen answered that the substitution itself was not
advertised, however, the changes are not substitute. They have to deal
with and they're on two paragraphs. One was in the original agreement,
it is understood and agreed that the City shall not be liable for
trespass or any other damage or taking of any kind arising out of
entering on the property. The request was to add, "except to the extent
it was caused by the negligence or willful misconduct of the City". The
second change says we're requiring insurance to the extent it's
practical or feasible to name B & J as a property owner for their
improvements as additional insured. And, then correspondingly waiving
claims against each other for subrogation in the event of an insurance
claim under that additional insured policy. They don't affect any of
the uses or sources. They are not substantive in nature, merely
technical.
Bob Van Valkenburg, 7921 Reno Rd., feels that the people of
Lincoln should have a chance to see it, read it and digest it and see if
they go along with any substitutions before it is voted on.
This matter was taken under advisement.

Steve Kiene, 7201 N 7th Street, owner of CEO Accelerate, stated that he
is the largest user of internet bandwidth in the City. He stated if Lincoln wants to attract high tech companies and bring in high paying, high tech jobs to town then they should pass this ordinance. Discussion followed.

Kimberly Remington, Director of Member Services and Administration for the Nebraska Telecommunications Association, came forward to read two letters. The first letter is from Charles G. Simino, Sprint's Manager-Government Affairs for Nebraska and Wyoming and the second letter is from the Technology Park of the University of Nebraska. They are in opposition. Discussion followed.
