**AMENDING CHAPTER 8.32 OF THE LINCOLN MUNICIPAL CODE TO ESTABLISH AN OCCUPATION TAX OF $7.00 PER TON ON REFUSE AND SPECIAL WASTE COLLECTED WITHIN THE**
CITY AND $7.00 PER TON OCCUPATION TAX ON REFUSE AND SPECIAL WASTE COLLECTED OUTSIDE THE CORPORATE LIMITS OF THE CITY AND WITHIN LANCASTER COUNTY THAT IS DEPOSITED IN THE CITY’S SANITARY LANDFILL; AMENDING RESOLUTION NO. A-79667 TO REDUCE THE LANDFILL TIPPING FEE FOR REFUSE AND SPECIAL WASTES CHARGED AT THE BLUFF ROAD LANDFILL FROM $17.00 PER TON TO $10.00 PER TON; TO REDUCE THE CUBIC YARD FEES IN THE SAME PROPORTION AND TO CHANGE MINIMUM FEES CHARGED AT THE BLUFF ROAD LANDFILL, AS A RESULT OF IMPLEMENTING AN OCCUPATION TAX TO FUND THE CITY’S VARIOUS INTEGRATED SOLID WASTE PROGRAMS — Steve Masters, Public Utilities Administrator, came forward to explain the change in taxes and the revenue for the collateral waste programs related to it.

Jake Harder, 711 Hazelwood Drive, President of Solid Waste Association, came forward in favor. Councilwoman McRoy asked if this new tax would impact the customers on their bills. Mr. Harder indicated it would not.

Steve Hatton, 7400 Stevens Ridge Road, came forward in favor. Bill Austin, 301 S. 13th St., Suite 400, representing the Lincoln Solid Waste Association, came forward in favor.

Mike Foster, 3232 R Street, General Manager of Midland Recycling came forward in favor.

Phil Revard, Regional Vice President for Waste Connections based out of Denver, CO, came forward in opposition. He stated that his company was the only one that didn't use the Bluff Road landfill. Councilman Werner asked Mr. Revard if his company was profitable and where the headquarters were located. Mr. Revard stated they are based out of Folsom, California and they have a total of 38 employees here in the Lincoln area.

Bob Valentine, 2660 Park Ave., came forward in opposition. He asked if his rates would be going up. Council Chair Cook advise Mr. Valentine that the Council does not set the rates. Councilwoman McRoy stated that she had already been advised that there wouldn't be an increase in rates.

Mr. Masters returned for rebuttal. The intent of the garbage haulers is to not have the creation of an occupation tax have any effect in changing their rates. In answer to a question posed earlier, there is an annual audit on the landfill operation.

Councilman Werner asked at pre-council how much the recycling programs saved in years at the landfill and in the last decade the report was to have saved 2.87 years due to the recycling.

Gene Hanlon, Recycling Coordinator for the City, came forward and stated the annual operating costs for the disposal in the landfill is a little over $2M.

Councilman Friendt asked about Mr. Revard's comment regarding operating funds being in the hole and last year we had a surplus. Mr. Hanlon stated they have looked at cash flows and expenses and we see a need for the program that is being presented. Councilman Friendt asked about the planned closing of a landfills. Mr. Hanlon responded that closure costs are part of that operation on North 48th Street location and are factored into the $10 per ton tipping fee.

Councilwoman McRoy asked about the outstanding contracts for Mr. Revard. Mr. Masters advised that this contract was with City Parks and the Purchasing Agent would be the best one to answer that question.

Councilman Camp asked about the potential increases in those fee levels that are split between the $7.00 and $10.00. Mr. Masters stated they believe a the proposed fees will stand on their own for some time.

Councilman Svoboda stated he expressed concerns about the need for the 48th Street Transfer station being lumped into this set of programs. He stated he was in support of the occupation tax. He asked what the split would be between the tipping fee and the occupation tax if the landfill or transfer station were within the general fund of the landfill operations and not in this particular program. Mr. Masters could quote the cost of the operational transfer station is. There is not an adequate dollar amount generated from dollars collected from users of the transfer site to operate that facility. Previously Public Works tried to bring forward fee increases to make the transfer station more self-supporting and the response from the public was “we don't want to see that happen”. He felt that the fees were at an adequate level.

Council Chair Cook reminded everyone that the Council does not have the power to set the fees that the haulers charge. Mr. Masters affirmed that.

This matter was taken under advisement.
CHANGE OF ZONE 3393 - APPLICATION OF B&J PARTNERSHIP FOR A CHANGE OF ZONE FROM I-1 INDUSTRIAL DISTRICT TO B-3 COMMERCIAL DISTRICT ON PROPERTY GENERALLY LOCATED AT 1019 NORTH 27TH STREET - Kent Seacrest, Seacrest & Kalkowski, 1111 Lincoln Mall, Suite 350, representing B & J Partnership came forward in favor of this item.

AUTHORIZING NADER SEPAHPUR DBA OSOBURRITO TO OCCUPY A PORTION OF THE PUBLIC RIGHT-OF-WAY AT 1451 O STREET FOR USE AS A SIDEWALK CAFÉ - Nader Sepahpur, (no address given), came forward to further discuss the agreements that have been made in the amendments presented.

Councilman Camp asked if Mr. Sepahpur still plans to use a removable fence and furniture. He affirmed he was willing to do this each evening and was willing to cooperate with the Police Dept. when there are big events in the downtown area.

Polly McMullen, Downtown Lincoln Association, came forward in favor. She suggested it may be time to review the sidewalk café policies and make some changes.

Councilman Svoboda asked Ms. McMullen if people who express interest in the downtown area feel like the City of Lincoln doesn't treat everybody fairly. Ms. McMullen stated she felt that they are treated fairly but the processes are more cumbersome than other downtowns may have. She feels that are many steps and departments to go through to get approval.

This matter was taken under advisement.

SPECIAL PERMIT 1971 - APPLICATION OF VALCOM WIRELESS CORP. TO INSTALL A 143' WIRELESS COMMUNICATIONS FACILITY WITH FIVE CARRIERS, WITH WAIVERS OF THE FALL ZONE AND LANDSCAPING, ON PROPERTY GENERALLY LOCATED SOUTHWEST OF THE INTERSECTION OF HAVELOCK AVE. AND CORNHUSKER HWY. - Terry Johnson, representing VALCOM Wireless Corp. came forward to review the potential landscaping he intends to put into place. He showed photos of various other locations in Lincoln where trees were not thriving, after having been planted as screening.

Craig Groat, 4935 Huntington St., came forward in opposition. He suggested that VALCOM should be required to plant more than one tree.

Mike Morosin, 2055 "S" St., came forward and suggested that letters need to be sent to those tower owners who have not kept up their end of the contract with the landscape screening.

Ed Patterson, Malone Neighborhood Association, came forward and suggested another possible landscaping screen done with fencing.

Council Chair Cook asked Ray Hill of the Planning Dept. how the city could enforce these previous Special Permits. Mr. Hill suggested it would be done by Building and Safety inspectors and then a show/cause hearing could be held if necessary. The inspectors go out on calls, based on complaints they receive. Chairman Cook asked Mr. Hill if we wanted to approve this, but require landscaping, what type of amendment would be needed. Mr. Hill stated you could use his testimony given and he would be required to submit a landscape plan to Planning Dept. for approval.

Dana Roper, City Attorney, came forward to offer suggestions on how to amend this special permit to provide for the landscaping.

Councilman Camp commented that we need to look at the northeast entryway corridor of Lincoln and consider improving specific areas.

Discussion ensued among Council members and staff.

Councilwoman Seng stated that Mr. Portenberry (a previous Council member) was looking for a model that could be applied to the entryways. Mr. Hill affirmed that a study was done.

Councilman Werner wanted a clarification that it is the responsibility of the tower owner to maintain the trees. Mr. Hill stated he wasn't sure if it was the land owner or the cell tower owner.

Mr. Johnson returned for rebuttal.

This matter was taken under advisement.

SPECIAL PERMIT NO. 2000 - APPLICATION OF JANET CROSBY FOR AUTHORITY TO SELL ALCOHOLIC BEVERAGES FOR CONSUMPTION ON THE PREMISES, INCLUDING A REQUEST TO WAIVE THE PARKING LOT PAVING REQUIREMENTS, ON PROPERTY GENERALLY LOCATED AT 3235 NORTH 35TH STREET - Janet Crosby, 5014 Valley Forge Road, came forward in favor of this item.

Councilman Werner asked if she planned to pave the parking lot in a couple of years. Ms. Crosby stated she has plans to do it in the
future.
Councilman Friendt asked how long she had owned this property. Ms. Crosby replied she just purchased the property last November. This matter was taken under advisement.

SPECIAL PERMIT NO. 2001 - APPLICATION OF FB NORTHSTAR, L.L.C. FOR AUTHORITY TO SELL ALCOHOLIC BEVERAGES FOR CONSUMPTION OFF THE PREMISES ON PROPERTY GENERALLY LOCATED EAST OF THE INTERSECTION OF NORTH 33RD STREET AND NORTH 33RD CIRCLE - Chuck Salem, 2825 Stratford Ave., came forward in favor of this special permit. This matter was taken under advisement.

AUTHORIZING APPROVAL OF A REDEVELOPMENT AGREEMENT UNDER THE NEBRASKA COMMUNITY DEVELOPMENT LAW FOR A DOWNTOWN ENTERTAINMENT CENTER ON A PORTION OF THE CITY BLOCK FROM 11TH TO 12TH AND O TO P STREETS; AUTHORIZING ACQUISITION OF THE NECESSARY PROPERTY FOR THE PROJECT, INCLUDING CONDEMNATION IF NECESSARY; AND APPROVING A TRANSFER OF FUNDS FOR THE RE-ALIGNMENT OF 12TH STREET FROM O TO P STREETS FROM DOWNTOWN REDEVELOPMENT FUND 425 TO STREET CONSTRUCTION FUND PROJECT NO. 541002 - Dallas McGee, Urban Development, came forward to explain the funding involved with this project.
Joel Pederson, City Attorney's Office, came forward to explain the agreements that requires the investment of the developer first before the Tax Increment Financing funds are available.
David Livingston, President of Douglas Theatre Company, came forward to explain the layout of the 14 auditorium complex and what would be offered to the public in their new facility. One of the theater rooms will be available for birthday parties or for corporations to use with e-ready, video and audio capacity for potential corporate conventions.
Councilman Camp if there were any future considerations for tying into the skywalk systems. Mr. Livingston stated he would welcome the opportunity.
Councilman Svoboda asked for comments on the game room. Mr. Livingston stated there will be administration of the game room and it will be in a visible area.
Council Chair Cook asked about the number of seats available and if digital projection would be included. Mr. Livingston stated it will be the largest theater in terms of aggregate and a total of 456 seats.
He said the theater will be built to handle digital equipment, however the industry is not there yet.
Linda Green, General Manager of Embassy Suites, came forward in favor.
Bill Crawford, 105 N. 8th, came forward in favor.
Mike Morosin, 2055 "S" Street, came forward in favor.
Ed Patterson, Malone Neighborhood Association, came forward in favor.
Bob Valentine, 2660 Park Ave., came forward in opposition.
Mike Grieger, 2645 Van Dorn Street, came forward in opposition.
Joel Pedersen, returned for rebuttal stating that there is no money for this project without the redeveloper investments. A public bidding process for this project took place. The tax increment financing itself is authorized by law. We are trying to marry a project that has public improvement and redevelopment goals with private redevelopment. In addition to having an entertainment center, we are removing blight in concert with a redevelopment plan that the City Council has approved. In response to Mr. Grieger’s question about his building, it does not fall in the Old Federal/Entertainment Center District. Also we are not taking this property off the tax roles.
Discussion ensued among Council members and staff.
David Livingston returned for rebuttal and to answer questions.
The new theater will offer between 2,800 and 3,200 seats. Parking is a huge concern for us and we will use the Energy Square Parking facility. We offer customers reduced price tickets when they present parking tickets from any garage. There are plans to expand the food served as well. The first movies to be shown in the new theaters could be as early as May, 2004.

This matter was taken under advisement.
CHANGE OF ZONE 3386 - APPLICATION OF GARY AND CAROLYN CHRISTENSEN AND DELISI BROTHERS, INC. FOR A CHANGE OF ZONE FROM H-3 HIGHWAY COMMERCIAL TO I-1 INDUSTRIAL ON PROPERTY GENERALLY LOCATED SOUTHWEST OF S. CODDINGTON AVE. AND W. O STREET;

ACCEPTING AND APPROVING THE PRELIMINARY PLAT OF G & C ADDITION FOR 15 LOTS AND 1 OUTLOT, WITH WAIVERS OF THE REQUIRED STREET FRONTAGE, STREET PAVING, CURB AND GUTTER, SIDEWALKS, STREET TREES, AND TURNAROUND AT DEAD-END STREETS, ON PROPERTY GENERALLY LOCATED SOUTHWEST OF S. CODDINGTON AVE. AND W. O STREET - Mark Hunzeker, 530 S. 13th St., Suite B, representing Gary and Carolyn Christensen, came forward to explain this Change of Zone and preliminary plat. There are several items in the preliminary plat which his clients would like amended, such as the street frontage, street paving, sidewalks, street trees and the turnaround at dead-end.

Ed Patterson, 2108 "O" Street, came forward in opposition.
Mike Morosin, 2055 "S" St., came forward in opposition.
Craig Groat, 4935 Huntington St., came forward in opposition.

Councilman Werner asked Nicole Fleck-Tooze of Public Works & Utilities if SW 20th and M Street had just been before Council. Ms. Fleck-Tooze advised that the Council had denied the waiver request for the subdivision to the South. We are trying to look at the improvements that are needed along South Coddington with each of the plats in an effort to get the urban standard that we would have with any other new subdivision. Public works is requesting that sidewalk be constructed along the subdivision and to pave the entire street with curb and gutter.

Councilman Friendt asked if this requirement holds the development hostage, since they don't control whether that vacation of "N" Street. Ms. Fleck-Tooze responded that the requirement of the subdivision ordinance to provide a turn-around does not hold them hostage at all. They have chosen to take an alternative route which requires them to go through a process of getting petitions.

Mr. Hunzeker returned for rebuttal. He explained that if we don't connect to "N" Street, that there be some sort of permanent turn around constructed in "N" Street. "N" Street has never been built in this area. We ask that you not condition this final plat on the condition of "N" Street.

Discussion ensued among Council members and staff.

This matter was taken under advisement.
