A-82030  WHEREAS, the Local Government Miscellaneous Expenditure Act authorizes the City Council to reimburse expenses incurred by elected and appointed officials, employees, or volunteers; and
WHEREAS, the City Council adopted a formal policy in Resolution No. A-77093 passed November 27, 1995, which resolution was amended by Resolution No. A-78287 passed August 18, 1997 and Resolution No. A-80161 passed May 1, 2000; and
WHEREAS, this policy governs educational workshops, conferences, training programs, official functions, hearings and meetings, registration fees, mileage, meals and lodging, travel expenditures, recognition dinners, plaques, certificates of achievement, and other miscellaneous expenditures; and
WHEREAS, this policy recognizes the various budget limitations, job assignments, and training needs of departments; and
WHEREAS, this policy needs to be updated to reflect current conditions.
NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Lincoln, Nebraska:
That it hereby adopts the following policy governing the expenditure of public funds for payment or reimbursement of actual and necessary expenses incurred by elected and appointed officials, employees, or volunteers.

I. EXPENSES FOR EDUCATION, TRAINING, OR TRAVEL
Payment or reimbursement of actual and necessary expenses incurred by elected and appointed officials, employees, or volunteers at educational workshops, conferences, training programs, official functions, hearings, job duties, or meetings whether incurred within or outside of City limits may be reimbursed as herein authorized.

Travel expenses, which are defined as those costs a traveler must pay for conducting City business and which are necessary for the purpose of travel, may be approved by the department head. It is understood that not all expenses are automatically reimbursable even if they are addressed in this resolution. Rather, the reimbursement of expenses may vary between departments and employees within a department as determined by the department head. Nothing herein shall be construed as requiring reimbursement of any meal. Under no circumstances will expenses be reimbursed in excess of those identified in this resolution.

Anyone authorized to travel for the benefit of the City has a responsibility to keep accurate, substantiated cost records, except for meals and tips, and to submit expense statements in accordance with this resolution.

A. TRANSPORTATION EXPENSES
The maximum payable transportation allowance for any motor transportation shall not exceed the actual round-trip cost of coach air fares for that particular trip.

1. Air Travel. The latest rates for air travel from the City of Lincoln will be used in calculating all transportation expenses and allowances. Coach fare shall be used. A traveler shall make reservations through a travel agency and charge the tickets to the City of Lincoln; provided, however, a traveler who wishes to take advantage of electronic tickets, shop for the lowest fare on the Internet, or call airlines directly, will be required to personally pay for the tickets and request reimbursement from the City by submitting proper documentation. The City will not advance money for the purchase of airline tickets.
2. **Motor Vehicles - Privately Owned.** When the use of a private motor vehicle has been authorized, the owner of the vehicle shall be reimbursed at a mileage rate established by the Mayor in Administrative Regulation No. 4 and as the same may be amended from time to time, for the most direct round-trip route between Lincoln and the place visited. This amount shall not exceed the coach round-trip fare to and from that point and shall be documented by a City mileage reimbursement form. When more than one eligible employee performs such travel in an authorized private motor vehicle, only one eligible employee may obtain reimbursement for transportation. Lodging, meals, and other expenses for employees other than the employee receiving mileage are allowable en route to the destination if the cost does not exceed coach airfare.

3. **Local Transportation.** Local transportation costs, including such costs as airport limousine and taxi fare (including reasonable tips) may be reimbursed. Expenses for rental cars may be reimbursed when the employee's department head has decided that such rental will serve the best interests of the City. Requests for a rental car must be approved in writing in advance of the trip. Car rentals may be authorized when such rental will be cheaper than taxi fares or when the use of the car permits the traveler to accomplish the purpose of the trip in a more efficient manner.

4. **Travel by City Owned Vehicle.** A traveler may use a City owned vehicle if the employee's department head has decided that such use will serve the best interests of the City. The traveler may be reimbursed for out-of-pocket expenses, such as gasoline, etc. Receipts must be obtained for all out-of-pocket expenses incurred for a City owned vehicle. Use of the City vehicle shall be restricted to City of Lincoln purposes only, and no private passengers shall be authorized.

**B. LIVING EXPENSES**

1. **Lodging.** Hotel and/or motel lodging should be selected well in advance and should be within a reasonable distance from or at the site of the official meeting place. Reimbursement shall be for a single occupancy rate. Detailed receipts for all lodging costs must be secured.

2. **Meals.** Individuals traveling on City business will be allowed a daily per diem to cover the cost of meals and tips. The daily per diem amount shall not exceed thirty dollars ($30.00 - $7.00 breakfast, $7.00 lunch, $16.00 dinner) for most areas in the United States. Other areas in the United States are designated as high-cost areas, qualifying for a daily per diem not to exceed thirty-eight dollars ($38.00 - $9.00 breakfast, $9.00 lunch, $20.00 dinner). A list of these high-cost areas will be maintained and made available by the City Auditor. The Director will determine whether any reimbursement shall be made and the amount of the reimbursement to be made (not to exceed the maximums set above). The City will not reimburse employees for any meal provided by the conference or airline.

3. **Registration Costs.** The City will pay in advance, or reimburse an eligible traveler for, the registration fee paid when a receipt for the registration fee is obtained and is included with the travel expense statement. The proper procedure for advance payment of registration is to submit a payment voucher with a copy of the completed registration form or an invoice, payable to the conference, to the Auditor’s Office in sufficient time to allow a warrant to be drawn and mailed to the conference prior to the deadline for registration.

4. **Miscellaneous Expenses.** Telephone expenses will be allowed only when necessary for City purposes. Expenses for tips should be included with the transportation and meal per diem.

5. **Disallowance of Expenses.** All major expenses including transportation (excluding taxi fares), lodging, and registration fees that are not supported by receipts attached to the travel expense statement may be disallowed.
for reimbursement at the discretion of the City Auditor.

C. TRAVEL APPROVAL
When a department head decides that a trip for an employee is essential for City business, the department head may approve such travel. When the trip is to be taken by the department head, approval of the Mayor shall be obtained. Department heads shall be required to submit to the Mayor's Office a semi-annual report outlining travel requests which have been approved for department employees during that semi-annual time period. The semi-annual report shall list the department employees who were approved for travel; the purpose of the travel; and the budget impact resulting from the travel approvals.

D. TRAVEL ADVANCE
Travel advance for expenses will be granted to approved travelers. When a traveler desires an advance of funds, the department shall submit to the City Auditor, a standard claim form itemizing estimated expenses. No travel advance may be considered prior to approval as set out in Section C. No advance may be considered prior to reconciliation of any prior travel advance.

E. REIMBURSEMENT PROCEDURES

1. Traveler's Processing of Expenditure Statements
   a. Within ten (10) working days after completion of the authorized travel, the traveler shall complete an itemized travel expense statement, attaching all necessary supporting receipts, and other documentation (noncompliance may result in denial of future advances to an employee). Attached documentation should include at least the following: lodging receipt, auto rental receipt (when authorized by department head), and airline itinerary.
   b. When arrangements are made for airline travel on weekends/Saturdays for purposes of securing lower ticket rates, payment for the hotel and meal costs incurred on the weekend are also authorized as long as the total of the lower airline ticket rate and the weekend hotel/meal costs do not exceed the Sunday/weekday airline ticket costs. It is expected that employees will exercise reasonable judgment to acquire all travel necessities at the lowest reasonable cost to the City. This may include scheduling travel in a way that results in a lower net cost to the City, such as group travel by auto, weekend travel for discount air fares, early ordering of airline tickets for the best discount fares, etc.

2. Departmental Processing of Travel Statement of Expenditures
   Department heads or their designees shall examine the traveler's expense statements for proper accounting and documentation. They should insure that all necessary supporting documents and/or statements of explanation are attached before signing the travel expense statement.

3. Finance Department Audit and Payment
   Upon receipt of the request for funds, the Auditor shall perform an audit to insure compliance with this resolution. The City Auditor is authorized to request and receive additional information on any and all expenses.
   a. No Travel Advance Drawn. When no travel advance has been made, upon verification of an expense statement submitted, the City Auditor shall process the payment of funds reimbursing the traveler.
   b. Travel Advance Drawn. When a travel advance has been made and the cost of the trip is less than the amount advanced, the traveler shall return the balance of the funds to the City Auditor within ten (10) working days after completion of travel. Upon verification of the expense statement by the Auditor, a Treasurer's receipt shall be processed to deposit the balance of funds back to the fund from which the original advance was drawn.
   c. Actual Expenses are Equal to Travel Advance. When a travel advance has been made and the actual cost of the trip is equal to the amount of the advance, the procedure outlined in the preceding paragraph (b) shall be followed with the exception that no funds
shall be returned by the traveler.

d. **Actual Expenses are More Than Travel Advance.** When the travel advance has been made and the actual cost of the trip is more than the amount advanced, then upon approval of the expense statement by the department head and verification by the City Auditor, a warrant shall be issued to the traveler.
