AMENDING CHAPTER 10.26 OF THE LINCOLN MUNICIPAL CODE TO REFLECT THE CHANGES TO
THE TRANSPORTATION PLAN OF THE LINCOLN-LANCASTER COUNTY COMPREHENSIVE
PLAN - Nicole Fleck-Tooze, Public Works and Utilities came forward to
explain the intent was to amend Title 10 of the arterial streets that
are listed in there to match and be consistent with what was approved
with the Comprehensive Plan in the amendment this year. There were some
questions that related to specific streets or portions of streets that
were missing in here and I would like to point out that the only
sections that are included in your ordinance are those that are being
amended.

This matter was taken under advisement.

AUTHORIZING MONICA MCCLENAHAN DBA DISH TO OCCUPY A PORTION OF THE PUBLIC
RIGHT-OF-WAY AT 1100 O STREET FOR USE AS A SIDEWALK CAFÉ - Councilman
Friendt asked Joan Ross, City Clerk, if Ms. McClenahan had received a
copy of the memo written by Teresa Meier, Deputy Clerk. Ms. Ross
indicated that she would check this out and be sure one has been sent.

Investigator Russ Fosler, came forward to explain that the applicant has not yet met all of the requirements to complete getting her sidewalk café permit. He suggested that it needed to be placed on pending for two weeks. He explained that the measurements diagram for this sidewalk café are incorrect for the first applicant and it has simply carried over to this owner. Councilwoman McRoy asked if she is currently using the sidewalk café and is she not in violation of Liquor Commission laws. Officer Fosler indicated he would recommend that she not use it until this is corrected. Council Chair Camp asked Officer Fosler to explain the inconsistencies. Officer Fosler indicated that actual dimensions of the area that she wished to be licensed are different from what the actual sidewalk café is presently. Other areas that are included in the license, are not fenced. Council Chair Camp stated that the Council would recommend Officer Fosler giving her notice of these recommendations.

Councilman Werner asked if there is a reason to discontinue her service, since it has been going on for such a long time. Officer Fosler stated the legal reasons would be that it doesn’t fall within the Liquor Control Act as far as alcohol consumption is concerned. He also asked if we as a city, are liable for what occurs in that area? Councilman Svoboda asked how long they have been working on this problem. Ms. Ross indicated that July of 2002 was when this first started.

Jeff Cole, Urban Development, came forward to answer questions posed by Council members. He stated that the first application we
received to review with the applicant was on July 1st, 2003 with the full committee, the request for the new sidewalk café permit. Ms. Ross stated that the application was returned to the applicant because it was deficient and there was no response and in June of 2003, we found she was not licensed and another letter was sent reminding her of the permit she needed. Councilman Werner asked who makes up the committee members. Mr. Cole stated it was defined by the Ordinance, it has representation from Building and Safety, Police, Planning, Urban Development, Health and a DLA representative. Councilman Werner asked if the applicant is willing to work on this. Mr. Cole stated it has been difficult to clarify the issues and there was a misunderstanding on the applicant’s part that the license carried over to the new ownership. Councilman Werner asked if from the committee’s opinion, should we ask her to discontinue service. Mr. Cole stated the committee is very supportive of the sidewalk café in that location. Councilman Cook asked about the violations and operating a sidewalk café for one year without a permit and the insurance was not in place. Mr. Cook stated it does say that she was advised if the changes were not made after this had been placed on the Council Agenda, there would be a request to put it on pending. Mr. Cole replied that she was in the City Clerk’s office just prior to this meeting.

Dana Roper, City Attorney, came forward and asked Ms. Ross what kind of insurance is on file. Ms. Ross said that it was received June 18th, that will expire July 1st, 2004. Prior to that there was no insurance. Mr. Roper explained that not having the permit puts the city at risk and we cannot authorize the permit if it doesn’t comply with the ordinance. Councilman Cook asked Ms. Ross about the insurance. Ms. Ross replied that the applicants are required to keep their insurance on file with us, put prior to this she hadn’t filed with our office.

Councilman Svoboda asked if the applicant was given notice of this hearing to appear today. Ms. Ross indicated she had been notified, however, Ms. Meier, Deputy Clerk had told the applicant it was not necessary to attend the meeting today if it was just going to be placed on pending. Capt. Joy Citta, Lincoln Police Dept. came forward to answer questions posed by Councilwoman McRoy. Ms. McRoy was asked if she could be ordered not to serve liquor in the outdoor area, since she technically doesn’t have a permit and that would be a violation of the State Liquor Commission. Capt. Citta replied that the Liquor Commission requires there be a lease agreement to issue a license. She didn’t have a lease agreement at the time she applied for the liquor license. We have notified the Liquor Commission about that omission and she will need to correct that. She will need a license that covers both areas. The City of Lincoln would be the owner of the property, so we don’t have a signed agreement and technically she can’t sell alcohol in that area. Capt. Citta indicated that we would prefer she did not. Ms. McRoy asked how fast can the event team get this resolved, so we can get her back in business. She was to submit her paperwork by July 3rd for the diagrams. We received them on July 17th, so Chuck Schweitzer and I went to her location to measure to get this done and found these discrepancies, the areas not covered, the lease agreement and there is no gate. We gave her the list of what needs to be done. Councilman Friendt said he didn’t think this owner is trying to be uncooperative. The owner has been serving food and alcohol in this space since last summer. It is possible that not allowing service would put some urgency into a resolution of these issues. Councilman Werner asked if she had paid the lease of $122.00 last year? Ms. Ross indicated that we do not bill that from the City Clerk’s office. He asked who will make the decision to discontinue service? Capt. Citta stated we have indicated to her that she should stop until we have a chance to get this corrected. She has an easy quick fix on this. Councilman Werner asked about the gate requirement. Capt. Citta stated that we have recently been to the Liquor Commission on another matter and they choose to do that on a case by case basis. Councilman Werner asked we were requiring gates. Officer Fosler came forward that the liquor laws at the current time require them to have a gate. They can request an exemption from the Commission. The Attorney General’s office gave the legal opinion on the gates.

Council Chair Camp said that there has been an evolution of discovery. Officer Fosler replied that we are trying to get that amended from the Liquor Commission and it is being rewritten by the

Liquor Control Commission and the Attorney General’s office and until that time, my place is to enforce the law that is there. Councilman Svoboda commented that they should not be using our city sidewalks until they have a permit. So they should cease and desist selling liquor.

Councilman Werner asked Mr. Roper if it could be appropriate to request the Police Dept. not shut them down. Mr. Roper indicated that it would be. Mr. Werner also inquired if the Police Dept. can ask them to stop serving in the entire area. Mr. Roper replied they could and it is because they don’t have a sidewalk permit. He also indicated that Teresa Meier from the City Clerk’s office reported the applicant had not paid the lease for the past year.

This matter was taken under advisement.

SPECIAL PERMIT 2021 - APPLICATION OF TRUAX HOMES TO OPERATE AN EARLY CHILDHOOD CENTER FOR 100 CHILDREN IN AN R-T TRANSITION DISTRICT, WITH A WAIVER TO THE REQUIREMENT THAT FACILITIES WITH 31 OR MORE CHILDREN HAVE FRONTAGE ON AN ARTERIAL STREET, ON PROPERTY GENERALLY LOCATED AT SOUTH 56TH STREET AND WALTZ ROAD - Brian Carstens, 601 Old Cheney Rd., Suite C, representing Truax Homes, came forward in support of this special permit.

Councilman Friendt asked for clarification on the map. Ray Hill, Planning Dept. came forward and said the Planning Dept. accepts the revised plans.

This matter was taken under advisement.

DECLARING AN AREA GENERALLY BOUNDED BY C STREET ON THE SOUTH, 17TH STREET ON THE WEST, THE BURLINGTON NORTHERN RAILROAD ON THE NORTH, AND 28TH STREET ON THE EAST AND ALSO INCLUDING AN AREA GENERALLY BOUNDED BY THE BURLINGTON RAILROAD ON THE SOUTH, INTERSTATE 180 ON THE WEST, SALT CREEK ON THE NORTH, AND 14TH STREET ON THE EAST (THE ANTELOPE VALLEY PROJECT AREA), AS BLIGHTED AND SUBSTANDARD - Wynn Hjermstad, Urban Development, came forward to explain that the community revitalization is really the first step in this Antelope Valley Project. Councilman Friendt asked for explanation of this process. Ms. Hjermstad explained the area is first determined as blighted by the State Statutes and then Urban Development is able to do a re-development plan and then funding dollars are available. We are able to create TIF (Tax Increment Funding) districts, which gives us funding to put back into making improvements. Councilman Friendt asked if there were ramifications for property owners. Ms. Hjermstad indicated there are not any. Councilwoman Newman asked how the boundaries were determined. Ms. Hjermstad stated they actually drove the area to make that determination.

Mike Morosin, 2055 “S” St., came forward in opposition to this item.

This matter was taken under advisement.

Glen Cekal, 1420 C St., came forward to suggest that all apartment complexes should have smoke detectors hot wired in them. He also commented about the bind weed that is out of control in various locations in the city. Councilwoman McRoy suggested that the Fire Department will go out and check building and install smoke detectors.

Craig Groat, 4935 Huntington Avenue, came forward to address the ICMA Code of Ethics. Council Chair Camp ruled Mr. Groat out of order due to the fact that an item relating to the Code of Ethics was already on the Council’s agenda.

These matters were taken under advisement.
