This matter was taken under advisement.

M BY CREATING THE JOB CLASSIFICATION OF WORKERS’ COMPENSATION
COORDINATOR;
AMENDING THE PAY SCHEDULE FOR A CERTAIN EMPLOYEE GROUP PREFIXED BY THE LETTER
A BY CREATING THE JOB CLASSIFICATION OF LEARNING CENTER SUPERVISOR -
Georgia Glass, Personnel Director, explained that item 5 is an upgrade
of an existing position. On Item 6 this position was originally
performed by an employee of Crawford & Company, but paid for by the
City. It was determined that it would save the city about $10,000 or
$15,000 to create a city position of Workers’ Compensation Coordinator.
Item 7 is a grant funded position which funds the Community Learning
Center at the Rec Centers. The position was previously referred to as
Grant Coordinators. This new classification describes what that
position actually does. Discussion followed.

This matter was taken under advisement.

CHANGE OF ZONE 3417 - APP. OF CARLOS LAKE L.L.C. FOR A CHANGE FROM R-2
RESIDENTIAL DISTRICT TO R-T RESIDENTIAL TRANSITION DIST., ON PROPERTY
GENERALLY LOCATED AT S. 55TH ST. & SOUTH ST. (IN CONNECTION W/03R-239,

LOT IN A RESIDENTIAL DISTRICT ON PROPERTY GENERALLY LOCATED AT S. 55TH
ST. & SOUTH ST. (IN CONNECTION W/03-142, 03R-240);
USE PERMIT 153 - APP. OF CARLOS LAKE L.L.C. TO DEVELOP MIDTOWN BUSINESS PARK
CONSISTING OF TWO 5,000 SQ. FT. OFFICE/MEDICAL BUILDINGS, WITH REQUESTED
WAIVERS TO THE ALLOW LOTS THAT DO NOT HAVE FRONTAGE OR DIRECT ACCESS TO
A PUBLIC OR PRIVATE ROADWAY, ON PROPERTY GENERALLY LOCATED AT S. 55TH
ST. & SOUTH ST. (IN CONNECTION W/03-142, 03R-239) - Brian Carstens, 2935
Pine Lake Rd., Suite H, representing Carlos Lake LLC who will be totally
remodeling this building inside and out. They are requesting a waiver
for a private roadway or public street frontage. The parking lots will
be brought up to the current design standards.

Ms. Newman asked if there will be sufficient parking?

Mr. Carstens stated that on the RT buildings they could not not be
occupied as all medical. There has to be some ratio there. One could
be all medical. Carlos Lake LLC has sold their properties to another
one of their partnerships, West Point LLC.

Jonathan Cook, Council Member, asked how many parking spots will
be lost and how many are being added?

Tom Cajka, Planning Department, stated the north parking lot will
have more spaces than what exists today. On the western part of the
property where the two proposed office buildings are being built it will
have less parking than what there is today. The site plan has a note to
compensate for any changes in building uses as to the parking ratios.

Further discussion followed.

Glen Cekal, 1420 C St., asked if there will be a deed restriction?
Michael Vestecka, 1952 S 53rd Street, came forward to ask that the developers follow the requirement for parking or reduce the size of the buildings. He stated that there is property to the north that could be purchased for additional property.

Craig Groat, 4935 Huntington Avenue, came forward in opposition. Discussion continued.

Ray Hill, Planning Department, stated the owner would be filing a letter of acceptance agreeing to the conditions of the site plan. The development is to be in strict compliance with the site plan. The change of use from general office to medical office is not uncommon. Further discussion followed.

This matter was taken under advisement.

AMENDING SECTIONS 26.19.020 & 26.31.010 OF THE LINCOLN MUNICIPAL CODE TO MODIFY THE PROCEDURE FOR GRANTING MODIFICATIONS OF SUBDIVISION REQUIREMENTS & PROVIDING AN APPEAL PROCESS THEREFOR - Mr. Cook asked if the waivers were just being moved around?

Ray Hill, Planning Department, answered no not entirely. The change here is to allow those waivers that are agreeable to the staff to be approved by the Planning Commission with the appeal process to the City Council.

Craig Groat, 4935 Huntington Avenue, stated that according to the State Statutes the Planning Commission is strictly an advisory body. He read from the Lincoln City Charter Article IX-B, City Planning Dept. Mr. Cook asked if there were a number of items in the code already that are final action by Planning Commission? The applicant can appeal the decision of the Planning Commission and then it comes to the City Council.

Ray Hill, Planning Department, answered yes. Special Permits, Use Permits, those that have no waivers the Planning Commission has that authority. He stated that part of what was read deals with the adoption of the zoning ordinance. The City Council makes the decisions on the change of zones or any ordinances that come before them. Discussion followed.

This matter was taken under advisement.

APPROVING THE LICENSE AGREEMENT BETWEEN THE CITY & ALLTEL COMMUNICATIONS TO LOCATE TELECOMMUNICATIONS FACILITIES ON A CITY WATER TOWER ON PROPERTY LOCATED AT AIR PARK - Jeff Dale, Alltel Representative, came forward to answer any questions.

The south end of this project is located in the floodway of Beal Slough and he presented a letter proposing that they dedicate a conservation easement to the city over that area to assure that for as long as the city wants it that way that area will not be developed for any buildable purpose. They will also, relinquish access to Pioneer Blvd. Discussion followed.

Glen Cekal stated he thinks there should be detention pond where Sutherlands used to be. Craig Groat stated that ponds are not detention ponds they are water treatment ponds. He is against this waiver.

Mike Morosin, 2055 S St., stated that the flood plain in his neighborhood was 40 inches in the 1960's. At the present date the flood plain is over 70 inches caused by developers not being checked for runoff of water during their developments. Discussion followed.

Nicole Fleck-Tooze, Public Works & Utilities Department, explained that since this area is entirely within the 100 year flood plain and the function is just accommodating runoff from that individual site it’s actually better to get it out and away from the site before you get the peak flows from Salt Creek and Beal Slough because they’re not designed to accommodate those peak flows. In terms of water quantity there is a benefit to not having a detention there in these kind of circumstances. Discussion followed.

Mr. Hunzeker came forward for rebuttal. This matter was taken under advisement.
AMENDING CHAPTER 1, SECTION 2, OF THE LINCOLN DESIGN STANDARDS TO MODIFY THE PROCEDURE FOR GRANTING MODIFICATIONS TO DESIGN STANDARD REQUIREMENTS & PROVIDING AN APPEAL PROCESS THEREFOR - Craig Groat read from the Nebraska State Statute, Cities of the Primary Class, Section 15-1105, Planning Director Duties, Commission Hearings.

This matter was taken under advisement.

The ponds are designed to release the water over a two or three day period.

This matter was taken under advisement.

MISCELLANEOUS BUSINESS

Craig Groat, 4935 Huntington Avenue, read the Lincoln Police Department General Orders Policy. He also read the Constitution of the State of Nebraska, Freedom of Speech and Press.

This matter was taken under advisement.

Terry Hinkle, 1842 West Burnham, came forward to express his feelings on the comment made by Chief Casady about the labor pool being limited in the towing business. He stated that criminal records are a big part of who is hired and who isn’t hired for towing companies. The State Patrol requires them to have a background check on all employees. If they have an employee who has a criminal record they have to be removed otherwise the State Patrol will not do any business with them.

This matter was taken under advisement.

Randy Korbelik, 2921 Loveland Dr., LTR Towing, presented a letter for the record on the towing issue.

This matter was taken under advisement.

This matter was taken under advisement.

Glen Cekal, 1420 C St., stated he was mortified by there not being an outside audit of the city in the last 5 or 6 years.

Glenn Friendt, Council Member, stated the city does have an outside audit every year.

This matter was taken under advisement.

Mike Morosin, 2055 S St., questioned funds being transferred from one project to another not having been appropriated for.

This matter was taken under advisement.

Chief Casady apologized for remarks he made referring to hiring
tow truck employees for the night jobs that may have sounded like he was stereotyping.

This matter was taken under advisement.

Terry Ernisse, no address given, came forward to request that the non-smoking ordinance be presented at a 5:30 p.m. Council Meeting. He would really like the City to let the state deal with this issue so they can lobby the State.

Ken Svoboda, Council Member, stated that the Board of Health is having a hearing on the ordinance at the Eisely Branch Library, at 14th and Superior on Thursday, September 18, 2003.
