COUNCIL ACTION

LIQUOR RESOLUTIONS

APPLICATION OF HARRIS-FRALEY VFW 131 FOR A CLASS C LIQUOR LICENSE AT 5721 JOHANNA ROAD - CLERK read the following resolution, introduced by Glenn Friendt, who moved its adoption for denial:

A-82413 BE IT RESOLVED by the City Council of the City of Lincoln, Nebraska:

That after hearing duly had as required by law, consideration of
the facts of this application, the Nebraska Liquor Control Act, and the pertinent City ordinances, the City Council recommends that the application of Harris-Fraley VFW 131 dba “VFW Club” for a Class “C” liquor license for the license period ending October 31, 2003, at 5721 Johanna Road, Lincoln, Nebraska, be refused for the following reasons:

1. The City Council has determined that the existing population of the City of Lincoln and the projected population growth of the City of Lincoln and within the area to be served are inadequate to support the proposed license.

2. The City Council has determined that the existing licenses are adequately serving the area.

3. The City Council has determined that issuance of the license would not be compatible with the nature of the neighborhood.

4. The applicant has not demonstrated the propriety of the issuance of such license.

5. The issuance of the license will not be required by the present or future public convenience and necessity.

6. The applicant has failed to obtain a special permit under applicable provisions of the City’s zoning restrictions.

BE IT FURTHER RESOLVED that the City Clerk is directed to transmit a copy of this resolution to the Nebraska Liquor Control Commission.

Introduced by Glenn Friendt
Seconded by Svoboda & LOST by the following vote: AYES: Cook, Friendt, McRoy, Newman, Svoboda, Werner; NAYS: None; ABSENT: Camp.

That the application of Olsson Associates on behalf of the property owners, hereinafter referred to as "Permittee", to develop Grandview Heights Community Unit Plan, on the property legally described above, be and the same is hereby granted under the provisions of Section 27.63.320 and Chapter 27.65 of the Lincoln Municipal Code upon condition that construction and operation of said plan be in strict compliance with said application, the site plan, and the following additional express terms, conditions, and requirements:

1. This permit approves 52 dwelling units.
2. This permit approves an exception to the design standards for community unit plans to eliminate the requirement that adequate and appropriate recreational area be provided to serve the needs of the development.
3. Before receiving building permits:
   a. The Permittee must submit an acceptable, revised and reproducible final plan including six copies.
   b. The construction plans must conform to the approved plans.
   c. Final plats within the area of this community unit plan must be approved by the City.
4. Before occupying the dwelling units all development and construction must be completed in conformance with the approved plans.
5. All privately-owned improvements must be permanently
maintained by the owner or an appropriately established homeowners association approved by the City Attorney.

7. The terms, conditions, and requirements of this resolution shall be binding and obligatory upon the Permittee, their successors, and assigns. The building official shall report violations to the City Council which may revoke the special permit or take such other action as may be necessary to gain compliance.

8. The Permittee shall sign and return the City’s letter of acceptance to the City Clerk within 30 days following approval of the special permit, provided, however, said 30-day period may be extended up to six months by administrative amendment. The City Clerk shall file a copy of the resolution approving the special permit and the letter of acceptance with the Register of Deeds, filing fees therefor to be paid in advance by the Permittee.

CLERK read the following resolution, introduced by Ken Svoboda for Terry Werner who is acting chairperson, who moved its adoption:

WHEREAS, Olsson Associates, on behalf of the property owners listed on the Exhibit "A" attached hereto, has submitted the preliminary plat of GRANDVIEW HEIGHTS for acceptance and approval; and

WHEREAS, the Lincoln City - Lancaster County Planning Commission has reviewed said preliminary plat and made recommendations as contained in the letter dated December 2, 2002, which is attached hereto as Exhibit "B".

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Lincoln, Nebraska:

That the preliminary plat of GRANDVIEW HEIGHTS, located generally on the northwest corner of N. 14th Street and Superior Street as submitted by Olsson Associates on behalf of the property owners, is hereby accepted and approved, subject to the terms and conditions set forth in Exhibit "B", which is attached hereto and made a part of this resolution as though fully set forth verbatim.

BE IT FURTHER RESOLVED that the City Council finds that the tract
to be subdivided is surrounded by such development or unusual conditions that strict application of the subdivision requirements would result in actual difficulties or substantial hardship and the following modifications to the subdivision requirements are therefore approved:

1. The requirement of Section 26.23.140(c) of the Lincoln Municipal Code that side lines of any lot be at right angles to the street, or radial if the street is curved, is waived to allow lots which do not meet this standard as shown on the preliminary plat.

2. The requirement of the Sanitary Sewer Design Standards that sanitary sewers be constructed parallel to the horizontal alignment of the roadway is waived.

3. The requirement of the Street Lighting Design Standards that mid-block normal intervals have a spacing of 240' is waived to allow 500' spacing.

4. The requirement of Section 26.27.020 of the Lincoln Municipal Code that sidewalks be constructed on both sides of all streets is waived to allow sidewalks only on one side.

5. The requirement of the Water Main Design Standards and the requirement of the Sanitary Sewer Design Standards that water mains and sewer mains be constructed parallel to the centerline of the street are waived.

6. The requirement of 26.23.130 of the Lincoln Municipal Code that block lengths shall not exceed 1,320' is waived to allow longer block lengths.

7. The requirement of Section 26.23.080 of the Lincoln Municipal Code that dead end streets not exceed 1000' in maximum length is waived.

8. The requirement of the Urban Public Street Design Standards regarding tangent lengths are waived to allow greater tangent lengths.

9. The requirement of Section 26.23.140(a) that no lot shall exceed a maximum depth of three times its width is waived.

10. The requirement of Section 26.27.090 of the Lincoln Municipal Code that street trees be planted along both sides of all streets is waived.

11. The requirement of the Urban Public Street Design Standards that street intersection platforms not exceed 3% is waived to allow intersection platforms which exceed 3%.

12. The requirement of Section 26.23.140(e) of the Lincoln Municipal Code that prohibits double frontage lots is waived to allow double frontage lots.

WHEREAS, Pearle F. Finigan has submitted an application designated as Special Permit No. 2030 for authority to develop Finigan View Community Unit Plan consisting of eight dwelling units on property located northeast of the intersection of North 84th Street and Bluff Road, and legally described to wit:

Lot 4 I.T. located in the Southwest Quarter and Northwest Quarter of the Southwest Quarter of Section 14, Township 11 North, Range 7 East; and the Northeast Quarter of the Southwest Quarter of Section 14, Township 11 North, Range 7 East; and Lot 11 I.T., located in the Southwest Quarter of Section 14, Township 11 North, Range 7 East of the 6th P.M., Lancaster County, Nebraska;
WHEREAS, the real property adjacent to the area included within the site plan for this community unit plan will not be adversely affected; and

WHEREAS, said site plan together with the terms and conditions hereinafter set forth are consistent with the intent and purpose of Title 27 of the Lincoln Municipal Code to promote the public health, safety, and general welfare.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Lincoln, Nebraska:

That the application of Pearle F. Finigan, hereinafter referred to as "Permittee", to develop Finigan View Community Unit Plan consisting of eight dwelling units, on the property legally described above, be and the same is hereby granted under the provisions of Section 27.63.320 and Chapter 27.65 of the Lincoln Municipal Code upon condition that construction and operation of said community unit plan be in strict compliance with said application, the site plan, and the following additional express terms, conditions, and requirements:

1. This permit approves eight dwelling units.

2. The following modifications and waivers to the Land Subdivision Ordinance and the Zoning Code are hereby approved:
   a. Minimum lot area.
   b. Yard setbacks.
   c. Ornamental lighting.
   d. Sidewalks.
   e. Street trees.
   f. Landscape screens.
   g. Requirement to submit preliminary plat.
   h. Requirement that final plats be based upon preliminary plats.
   i. Requirement that final plats accepting the dedication of public access over private roadways be approved by the Planning Commission.
   j. Block length.

3. This permit grants authority to the Planning Director to approve an administrative final plat based upon the approved CUP.

4. This permit grants authority to the Planning Director to approve an administrative final plat accepting the dedication of private roadways.

5. The waiver of the preliminary plat shall only be effective for a period of ten years from the date of the city's approval, and shall be of no force or effect thereafter. If any final plat on all or a portion of the approved community unit plan is submitted five years or more after the effective date of the community unit plan, the city may require that a new community unit plan be submitted, pursuant to all the provisions of Section 26.31.015. A new community unit plan may be required if the subdivision ordinance, the design standards, or the required improvements have been amended by the city; and as a result, the community unit plan as originally approved does not comply with the amended rules and regulations.

6. Administrative Final Plats will be approved by the Planning Director after:
   a. The subdivider has completed or posted a surety to guarantee the completion of the private roadway improvements, drainage facilities, land preparation and grading, sediment and erosion control measures, drainageway improvements, temporary turnaround and barricades, and street name signs.
   b. The subdivider has signed an agreement that binds the subdivider, its successors and assigns:
      i. To submit to the Director of Public Works a plan showing proposed measures to control sedimentation and erosion and the proposed method to temporarily stabilize all graded land for approval.
      ii. To complete the private improvements shown on the Community Unit Plan.
      iii. To maintain the outlots and private improvements on a permanent and continuous basis and to recognize that there may be additional maintenance issues or costs associated with providing for the proper functioning of storm water detention/retention facilities as they
were designed and constructed within the development. However, the subdivider may be relieved and discharged of this maintenance obligation upon creating in writing a permanent and continuous association of property owners who would be responsible for said permanent and continuous maintenance. The subdivider shall not be relieved of such maintenance obligation until the document or documents creating said property owners association have been reviewed and approved by the City Attorney and filed of record with the Register of Deeds.

iv. To submit to the lot buyers and home builders a copy of the soil analysis and water study.

v. To pay all improvement costs.

vi. To comply with the provisions of the Land Preparation and Grading requirements of the Land Subdivision Ordinance.

vii. To protect the trees that are indicated to remain during construction and development.

viii. To relinquish the right of direct vehicular access to 84th Street except for the street on Outlot B and a farm access to Outlot A and to Bluff Road except for a farm access to Outlot A.

7. Before receiving building permits:
   a. The Permittee must submit a revised and reproducible final plan including six copies.
   b. The construction plans must conform to the approved plans.
   c. Administrative Final Plats within the area of this special permit shall be approved by the Planning Director.

8. Before occupying the dwelling units, all development and construction must be completed in conformance with the approved plans.

9. Before occupying this community unit plan, the City/County Health Department must approve the water and waste water systems.

10. The site plan approved by this permit shall be the basis for all interpretations of setbacks, yards, locations of buildings, location of parking and circulation elements, and similar matters.

11. The terms, conditions, and requirements of this resolution shall be binding and obligatory upon the Permittee, successors, and assigns. The building official shall report violations to the City Council which may revoke the special permit or take such other action as may be necessary to gain compliance.

12. The Permittee shall sign and return the City’s letter of acceptance to the City Clerk within 30 days following approval of the special permit, provided, however, said 30-day period may be extended up to six months by administrative amendment. The City Clerk shall file a copy of the resolution approving the special permit and the letter of acceptance with the Register of Deeds, filing fees therefor to be paid in advance by the Permittee.
