   b. The Permittee has signed an agreement that binds the subdivider, its successors and assigns:
      i. To submit to the Director of Public Works a plan showing proposed measures to control sedimentation and erosion and the proposed method to temporarily stabilize all graded land for approval.
      ii. To complete the private improvements shown on the Community Unit Plan.
      iii. To maintain the outlots and private improvements on a permanent and continuous basis. However, the Permittee may be relieved and discharged of this maintenance obligation upon creating in writing a permanent and continuous association of property owners who would be responsible for said permanent and continuous maintenance. The Permittee shall not be relieved of such maintenance obligation until the document or
iv. To continuously and regularly maintain the street trees along the private roadways and landscape screens.

v. To submit to the lot buyers and home builders a copy of the soil analysis.

vi. To pay all improvement costs.

vii. To comply with the provisions of the Land Preparation and Grading requirements of the Land Subdivision Ordinance.

viii. To protect the trees that are indicated to remain during construction and development.

ix. To properly and continuously maintain and supervise the private facilities which have common use or benefit, and to recognize that there may be additional maintenance issues or costs associated with providing for the proper functioning of storm water detention/retention facilities as they were designed and constructed within the development, and that these are the responsibility of the land owner.

tax. To relinquish the right of direct vehicular access to Holdrege Street except as shown.

5. Before occupying the dwelling units all development and construction must be completed in conformance with the approved plans.

6. All privately-owned improvements must be permanently maintained by the Permittee or an appropriately established homeowners association approved by the City Attorney.

7. The site plan approved by this permit shall be the basis for all interpretations of setbacks, yards, locations of buildings, location of parking and circulation elements, and similar matters.

8. The terms, conditions, and requirements of this resolution shall be binding and obligatory upon the Permittee, its successors, and assigns. The building official shall report violations to the City Council which may revoke the special permit or take such other action as may be necessary to gain compliance.

9. The Permittee shall sign and return the City’s letter of acceptance to the City Clerk within 30 days following approval of the special permit, provided, however, said 30-day period may be extended up to six months by administrative amendment. The City Clerk shall file a copy of the resolution approving the special permit and the letter of acceptance with the Register of Deeds, filing fees therefor to be paid in advance by the Permittee.

10. The site plan approved with this resolution voids and supersedes all previously approved site plans, however all resolutions approving previous permits remain in force unless specifically amended by this resolution.
