COMP. PLAN AMENDMENT 03007 - AMENDING THE 2025 LINCOLN CITY - LANCASTER COUNTY COMPREHENSIVE PLAN TO REMOVE REFERENCE TO THE DETERMINATION OF COUNTY IMPACT FEES - PRIOR to reading:

CAMP 
Moved to Amend No. 1. On page 1, line 21, delete the words “study’s conclusions and subsequent public dialogue suggest the”. On page 1, line 22, after the word “City” insert the word “shall”.

CLERK 
Read the following resolution, introduced by Annette McRoy, who moved its adoption:

A-82761 WHEREAS, the Planning Director has made application to amend the 2025 Lincoln-Lancaster County Comprehensive Plan by revising the Guiding Principles for Rural Areas to remove the determination of county impact fees.

   WHEREAS, the Lincoln City - Lancaster County Planning Commission has recommended approval of said proposed amendment.

   NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Lincoln, Nebraska that the 2025 Lincoln-Lancaster County Comprehensive Plan be amended as follows:

   1. Amend the Guiding Principles for Rural Areas deleting the entire last paragraph on page F71 and inserting a new paragraph as follows:

      When the independent study to quantify and qualify the positive and negative economics of acreage development is completed, the county should determine if an impact fee or other development exactions are needed to be sure acreage development is paying its “fair share” of costs. The study should include a review of policy issues and options such as the build through concept, lot size, acreage standards, acreages and town relationships, acreages and sensitive areas, agriculture, acreage clusters, desired acreage population, acreage, size and land use consumption and AG zoning.

      As called for in the adopted Comprehensive Plan, an independent study to quantify the economic impacts of acreage development has been completed. The study’s conclusions and the subsequent public dialogue suggests the County and City continue to look at ways to contain public costs and coordinate public resource allocation, especially in the area of road construction. A variety of management techniques could be used, including the shared engineering and funding of road projects that aid urban expansion and adoption of rural land use policies that minimize future capital and operating costs.

      BE IT FURTHER RESOLVED that any other references in said plan which may be affected by the above-specified amendment be, and they hereby are amended to conform with such specific amendment.

   Introduced by Annette McRoy
   Seconded by Friendt & carried by the following vote: AYES: Camp, Cook, Friendt, McRoy, Newman, Svoboda, Werner; NAYS: None.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Lincoln, Nebraska:

That the application of Stone Bridge Creek, LLC, hereinafter referred to as "Permittee", to develop Stone Bridge Creek Community Unit Plan for 759 dwelling units on the property legally described above, be and the same is hereby granted under the provisions of Section 27.63.320 and Chapter 27.65 of the Lincoln Municipal Code upon condition that construction and operation of said community unit plan be in strict compliance with said application, the site plan, and the following additional express terms, conditions, and requirements:

1. This permit approves:

   a. 759 dwelling units and the following variances to the Land Subdivision Ordinance and Design Standards:

      i. A waiver of the maximum 3 to 1 lot depth to width ratio as shown on the site plan.

      ii. A waiver of the prohibition against double frontage lots to allow double frontage lots along Alvo Road.

      iii. A waiver of the requirement that a use permit accompany the filing of the preliminary plat for the property zoned B-2 Neighborhood Business District to allow the use permit to be filed later.
b. A waiver of the requirement that the Permittee submit a preliminary plat is waived, except that this waiver of the preliminary plat shall only be effective for a period of ten years from the date of the this approval, and shall be of no force or effect thereafter. If any final plat on all or a portion of the approved community unit plan is submitted five years or more after the effective date of the community unit plan, the City may require that a new community unit plan be submitted, pursuant to all the provisions of Section 26.31.015. A new community unit plan may be required if the subdivision ordinance, the design standards, or the required improvements have been amended by the city; and as a result, the community unit plan as originally approved does not comply with the amended rules and regulations.

2. Before receiving building permits:
   a. The Permittee must submit an acceptable, revised and reproducible final plan including seven copies.
   b. The construction plans must conform to the approved plans.
   c. Final plats within this community unit plan must be approved by the Planning Director.

3. Final Plats will be approved by the Planning Director after:
   a. The Permittee has completed or posted a surety to guarantee the completion of the sidewalks, streets, drainage facilities, street lighting, landscape screens, street trees, temporary turnarounds and barricades, and street name signs.
   b. The Permittee has signed an agreement that binds the subdivider, its successors and assigns:
      i. To complete the street paving of all streets shown on the final plat within two years following the approval of the final plat.
      ii. To complete the installation of sidewalks along both sides of all streets, along the south side of Alvo Road, and along the east side of N. 14th Street as shown on the final plat within four years following the approval of the final plat.
      iii. To complete the installation of sidewalks in the pedestrian way easements shown on the final plat at the same time as adjacent streets are completed.
      iv. To complete the public water distribution system to serve this plat within two years following the approval of the final plat.
      v. To complete the public wastewater collection system to serve this plat within two years following the approval of the final plat.
      vi. To complete the enclosed drainage facilities shown on the approved drainage study to serve this plat within two years following the approval of the final plat.
      vii. To complete land preparation including storm water detention/retention facilities and open drainage way improvements to serve this plat prior to the installation of utilities and improvements but not more than two years following the approval of the final plat.
      viii. To complete the installation of public street lights within this plat within two years following the approval of the final plat.
      ix. To complete the planting of street trees within this plat within four years following the approval of the final plat.
      x. To complete the planting of the landscape screen within this plat within two years following the approval of the final plat.
      xi. To complete the installation of the street name signs within two years following the approval of the final plat.
xii. To submit to the Director of Public Works a plan showing proposed measures to control sedimentation and erosion and the proposed method to temporarily stabilize all graded land for approval.

xiii. To complete the public and private improvements shown on the Community Unit Plan.

xiv. To retain ownership of or the right of entry to the outlots in order to maintain the outlots and private improvements on a permanent and continuous basis and to maintain the plants in the medians and islands on a permanent and continuous basis. However, the Subdivider may be relieved and discharged of this maintenance obligation upon creating, in writing, a permanent and continuous association of property owners who would be responsible for said permanent and continuous maintenance. The Subdivider shall not be relieved of such maintenance obligation until the private improvements have been satisfactorily installed and the documents creating the association have been reviewed and approved by the City Attorney and filed of record with the Register of Deeds.

xv. To submit to the lot buyers and home builders a copy of the soil analysis.

xvi. To pay all design, engineering, labor, material, inspection, and other improvement costs.

xvii. To comply with the provisions of the Land Preparation and Grading requirements of the Land Subdivision Ordinance.

xviii. To construct the sidewalk in the pedestrian way easements in block 2, 3, 7, 11, at the same time as adjacent streets are paved and to agree that no building permit shall be issued for construction on Lots 18, 19, 28 and 29, Block 2, Lots 21, 22, 34 and 35, Block 3, Lots 10, 11, 28 and 29, Block 7, and Lots 13 and 14, Block 11, until such time as the sidewalk in the pedestrian way easement is constructed.

xix. To perpetually maintain the sidewalks in the pedestrian way easements at their own cost and expense.

xx. To protect the trees that are indicated to remain during construction and development.

xxi. To properly and continuously maintain and supervise the private facilities which have common use or benefit, and to recognize that there may be additional maintenance issues or costs associated with providing for the proper functioning of storm water detention/retention facilities as they were designed and constructed within the development, and that these are the responsibility of the Permittee.

xxii. To relinquish the right of direct vehicular access from Lots 7-36, Block 1, Lots 1-19, Block 2, and Outlot E, to N. 134th Street and Lots 19-29, and Lot 48, Block 2,Lots 1, 25-27 and 53-55, Block 12, Outlots A, B, and J, to Alvo Road.

xxiii. To timely complete the public and private improvements and facilities required by Chapter 26.23 of the Land Subdivision Ordinance which have not been waived including but not limited to the list of improvements described above.

xxiv. To post the required security to guarantee completion of the required improvements if the improvements are not completed prior to approval of the final plat.
4. Before occupying the dwelling units all development and construction must be completed in conformance with the approved plans.

5. All privately-owned improvements must be permanently maintained by the Permittee or an appropriately established association of property owners approved by the City Attorney.

6. The site plan approved by this permit shall be the basis for all interpretations of setbacks, yards, locations of buildings, location of parking and circulation elements, and similar matters.

7. The terms, conditions, and requirements of this resolution shall be binding and obligatory upon the Permittee, its successors, and assigns. The building official shall report violations to the City Council which may revoke the special permit or take such other action as may be necessary to gain compliance.

8. The Permittee shall sign and return the City's letter of acceptance to the City Clerk within 30 days following approval of the special permit, provided, however, said 30-day period may be extended up to six months by administrative amendment. The City Clerk shall file a copy of the resolution approving the special permit and the letter of acceptance with the Register of Deeds, filing fees therefor to be paid in advance by the Permittee.

9. The site plan approved with this resolution voids and supersedes all previously approved site plans, however all resolutions approving previous permits remain in force unless specifically amended by this resolution.
