affected; and

WHEREAS, the area included within the site plan for this
community unit plan is surrounded by such development or unusual
conditions that strict application of the design standards and
subdivision requirements would result in actual difficulties or
substantial hardship; and

WHEREAS, said site plan together with the terms and
conditions hereinafter set forth are consistent with the intent and
purpose of Title 27 of the Lincoln Municipal Code to promote the public
health, safety, and general welfare.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the
City of Lincoln, Nebraska:

That the application of Rose Investments, Inc., hereinafter
referred to as "Permittee", to develop Flat Iron Crossing Community Unit
Plan consisting of 34 dwelling units, on the property legally described
above, be and the same is hereby granted under the provisions of Section
27.63.320 and Chapter 27.65 of the Lincoln Municipal Code upon condition
that construction and operation of said community unit plan be in strict
compliance with said application, the site plan, and the following
additional express terms, conditions, and requirements:

1. This permit approves 34 dwelling units and waives
design standards and subdivision requirements regarding filing a
preliminary plat, minimum lot area, maximum block length, pedestrian way
easement, lot depth to width ratio, providing a recreational facility,
installing sidewalks on the north side of the private roadway, and
location of sanitary sewer and water mains.

2. The waiver of the preliminary plat process shall only
be effective for a period of ten years from the date of the City’s
approval, and shall be of no force or effect thereafter. If any final
plat on all or a portion of the approved community unit plan is
submitted five years or more after the approval of the community unit
plan, the City may require that a new community unit plan be submitted,
pursuant to all the provisions of § 26.31.015. A new community unit
plan may be required if the subdivision ordinance, the design standards,
or the required improvements have been amended by the City; and as a
result, the community unit plan as originally approved does not comply
with the amended rules and regulations.

3. Before receiving building permits:
   a. The Permittee must submit an acceptable, revised
      and reproducible final plan including six
      copies.
   b. The construction plans must conform to the
      approved plans.
   c. Final plats will be approved by the Planning
      Director after:
         i. The Permittee completes or posts a surety
            to guarantee the completion of the public
            streets, private roadway improvements,
            sidewalks, sanitary sewer system, water
            system, drainage facilities, land
            preparation and grading, sediment and
            erosion control measures, storm water

detention/retention facilities, drainageway improvements, street lights, landscaping screens, street trees, temporary turnaround and barricades, and street name signs.

ii. The Subdivider signs an agreement that binds the Subdivider, its successors and assigns:

1. To complete the street paving of O’Carroll Street (to be renamed) shown on the final plat within two years following the approval of the final plat.
2. To complete the installation of sidewalks along the north side of O’Carroll Street (to be renamed) and along N. 30th and N. 33rd Streets as shown on the final plat within four years following the approval of the final plat.
3. To complete the public water distribution system to serve this plat within two years following the approval of the final plat.
4. To complete the public wastewater collection system to serve this plat within two years following the approval of the final plat.
5. To complete the enclosed drainage facilities shown on the approved drainage study to serve this plat within two years following the approval of the final plat.
6. To complete land preparation including storm water detention/retention facilities and open drainageway improvements to serve this plat prior to the installation of utilities and improvements but not more than two years following the approval of the final plat.
7. To complete the installation of private street lights along streets within this plat within two years following the approval of the final plat.
8. To complete the planting of the street trees along streets within this plat within two years following the approval of the final plat.
9. To complete the installation of the street name signs within two years following the approval of the final plat.
10. To complete any other public or private improvement or facility required by Chapter 26.23 (Development Standards) of the Land Subdivision Ordinance in a timely manner which inadvertently may have been omitted from the above list of required improvements.
11. To Submit to the Director of Public Works a plan shown proposed measures to control sedimentation and erosion and the proposed method to temporarily stabilize all graded land for approval.
12. To complete the public and private improvements shown on the Community Unit Plan.
(13) To retain ownership of or the right of entry to the outlots in order to maintain the outlots and private improvements on a permanent and continuous basis and to maintain the plants in the medians and islands on a permanent and continuous basis. However, the subdivider may be relieved and discharged of this maintenance obligation upon creating, in writing, a permanent and continuous association of property owners who would be responsible for said permanent and continuous maintenance. The subdivider shall not be relieved of such maintenance obligation until the private improvements have been satisfactorily installed and the documents creating the association have been reviewed and approved by the City Attorney and filed of record with the Register of Deeds.

(14) To continuously and regularly maintain the street trees along the private roadways.

(15) To submit to the lot buyers and home builders a copy of the soil analysis.

(16) To pay all design, engineering, labor, material, inspection, and other improvement costs.

(17) To disclose to the lot buyers that the Lincoln Lancaster County Health Department is concerned about potential risks associated with residential near an I-1 Industrial District.

(18) To comply with the provisions of the Land Preparation and Grading requirements of the Land Subdivision Ordinance.

(19) To properly and continuously maintain and supervise the private facilities which have common use or benefit, and to recognize that there may be additional maintenance issues or costs associated with providing for the proper functioning of storm water detention/retention facilities as they were designed and constructed within the development, and that these are the responsibility of the land owner.

(20) To post the required security to guarantee completion of the required improvements if the improvements are not completed prior to approval of the final plat.

4. Before occupying the dwelling units all development and construction must be completed in conformance with the approved plans.

5. All privately-owned improvements must be permanently maintained by the Permittee or an appropriately established homeowners association approved by the City Attorney.

6. The site plan approved by this permit shall be the basis for all interpretations of setbacks, yards, locations of buildings, location of parking and circulation elements, and similar matters.
7. The terms, conditions, and requirements of this resolution shall be binding and obligatory upon the Permittee and its successors, and assigns. The building official shall report violations to the City Council which may revoke the special permit or take such other action as may be necessary to gain compliance.

8. The Permittee shall sign and return the City’s letter of acceptance to the City Clerk within 30 days following approval of the special permit, provided, however, said 30-day period may be extended up to six months by administrative amendment. The City Clerk shall file a copy of the resolution approving the special permit and the letter of acceptance with the Register of Deeds, filing fees therefor to be paid in advance by the Permittee.
