## **VIII. ADJOURNMENT**

**\*HELD OVER FROM MAY 23, 2005.**  
**\*\*HELD OVER FROM MAY 30, 2005.**

MINUTES  
CITY COUNCIL MEMBERS' "NOON" MEETING  
MONDAY, JUNE 6, 2005  
CONFERENCE ROOM 113

*Council Members Present:* Ken Svoboda, Chair; Patte Newman, Vice-Chair; Jon Camp, Jonathan Cook, Robin Eschliman, Dan Marvin, Annette McRoy; *ABSENT:* None

*Others Present:* Mark Bowen, Ann Harrell, Rick Hoppe, Mayor's Office; Rick Peo, City Attorney's Office; Lynn Johnson, Parks & Recreation Department; Frank Delgado, Citizen; Joan Ray, Council Staff; Shyann Forney, Senior student at Rising City High School - 'shadowing' Councilwoman Annette McRoy

## I. MINUTES

- \*1. Minutes from Directors' Meeting of May 16, 2005.
- \*2. Minutes from Council Members' "Noon" Meeting of May 16, 2005.

Chair Ken Svoboda, initiating a new format for minutes approval through acclamation by the Chair - unless a Council Member has an objection, approved the minutes. No objections were offered, thus the minutes were approved as presented.

## II. COUNCIL REPORTS ON BOARDS, COMMITTEES, COMMISSIONS AND CONFERENCES -

1. PARKS & RECREATION ADVISORY BOARD COMMITTEE (Cook) Mr. Cook reported that Council had already heard one of his concerns, noting that he wanted to explain some further detail at this time. They want to buy green space for a trail along the South Beltway. The total would be approx 1.2 or 1.4 [million dollars]. One way to help raise money for that is to sell the land that is surrounding the corner property at West Van Dorn and Coddington. He did not feel this was a good idea. He did not believe the City should be selling the land in order to provide money for this alternative. When there was discussion of that land being traded for some other when we were looking for locations for the Salvation Army Center, the Parks Board was adamantly against giving up this land because it is an important area. There is also concern about the view of the Capitol along the Bison Trail corridor.

Mr. Cook was not sure where the Board would go on that issue, but it brought up the discussion of the trees and maintaining an easement for planting trees and whether or not we could do it ahead of time. He hoped some kind of conclusion could be reached on the corner tree planting just so that we know that we will have a new [buffer] screen in there after the trees are lost to the road project.

Mr. Cook reported that playground prioritization had been discussed. The list is not finalized yet, but they are working on the ten-year plan for City Playgrounds. There is a summer tour coming up July 7<sup>th</sup> at 4:00 p.m. If a Council Member would like to join in, they'd be welcome to go along...touring the City parks. The Martin Prairie acquisition cost the city \$30,000. The City's

portion was *cheap* - for a fantastic addition to Pioneers Park. Ms. McRoy asked how much the buffalo & elk cost. Mr. Cook reported that those costs had not been discussed.

Mr. Cook noted that the McAdams Park (43<sup>rd</sup> & "Y" Streets) dedication would be at 5:00 p.m. on Thursday, June 23<sup>rd</sup>. Ms. Newman noted regretfully that she would be unable to attend because of a conflict with her Citizens' Meeting at that time on that date. Mr. Cook further noted that the Sprayground was dedicated; there will be a Sunken Gardens Artist Recognition on Wednesday, July 6<sup>th</sup> at 5:00 p.m.

OTHER MEETINGS: Ms. McRoy updated the Council on the Skate Board Park meeting which she had held with some constituents. She had received an e-mail from a young man wanting a skate board park in Northwest Lincoln. Ms. McRoy had sent the e-mail on as an RFI to Lynn Johnson. Instead of having Lynn send a response, it was decided to meet with the young men involved, their parents and other concerned citizens for discussion. We met last Thursday night and the Belmont Rec Center and discussed the possibility of creating a skate park in the area.

It was an interesting group that showed up to discuss the possibility of creating something such as was done at Tierra and at Peter Pan Parks. We have another meeting set for July 13<sup>th</sup> to get more input and see if they're committed to help with the fund raising. As Council knows, the Southeast High Student Council helped raise \$25,000 to assist with their share of the skate park at Tierra. The City contributed about \$26,000 on that project, after they had scaled the plans down considerably. The City will have to have a commitment from this group for similar fund raising before we can move forward. Ms. McRoy told the group that it was important that they be organized and make that commitment so as we start the City's budget process, Lynn and she could be looking at funds -not for next year- but planning & designing with money being added to CIP so that it could become a reality within two-three years. Ms. McRoy explained that she would need to know in July so money could begin being ear-marked for the project.

There is a need in Northwest Lincoln for a skate park since it is a long trip from that area to the existing skate parks. Parks & Recreation Department has always said they would like to put such a park in each quadrant of the City, but have not had the interest until now.

Ms. McRoy also reported that she had attended a meeting with the proprietors of Cycle Works. Ms. Newman reported that Chris had a recreational opportunity offer for all of the Council Members. He suggested that he would outfit each of the Council Members with a bike, a helmet, and riding shorts if they would so desire, and go for a ride through Wilderness Park. [Laughter]

Some discussion followed, with a final decision made by Council that perhaps in the Fall, it would be something that they would be interested in doing. Mr. Svoboda stated that Ms. Newman could set up the schedule and Council Members could determine at that time if they would wish to participate.

**III. APPOINTMENTS/REAPPOINTMENTS** - Mr. Hoppe handed out the attached material [Attachment "A"] on upcoming appointments. He noted that nine people were appointed to the Mayor's International Friendship Committee. They re-defined their goals and commitments. Mr. Hoppe noted that those who had wished to continue serving were re-appointed, as he reviewed the appointment list for Council.

Ms. McRoy offered a concern regarding the loss of experience on the current Community Development Task Force and wanted Council to begin thinking about replacements who would be familiar with the Task Force's concern. Mr. Hoppe noted that he had been meeting with Urban Development on that very issue, stating that part of the prohibition here is that four of these folks have to represent mixed-income neighborhoods. That isn't very clearly defined by neighborhood lines, but is generally considered to be the heart of Lincoln. Ms. McRoy reiterated her concern regarding the loss of experience to the Task Force, noting that it is critical to the Action Plans and HUD requirements. She wanted Council to be aware of those concerns.

**IV. REQUESTS OF COUNCIL FROM MAYOR** - Mr. Bowen reported that on the 27<sup>th</sup> of June will be the date of the Mayor's State of the City message. That will also be the date that the City Budget is officially presented. Steve Hubka will do a budget presentation after the State of the City Message. He stated that last year, the Mayor did the State of the City presentation at three o'clock, which worked out fairly well. Mr. Hubka followed immediately with the Budget presentation. And we're asking if the 3:00 o'clock time slot would be fine with Council again this year?

Mr. Svoboda asked if there were any comments or concerns with that time schedule? Ms. Ray asked if Mr. Svoboda would want to move the Staff meeting to another time or date or cancel the meeting for the month of June? Mr. Svoboda stated that cancelling would be appropriate and noted that the ILC meeting would also be cancelled and may not be meeting on a monthly basis. He noted that the ILC members will continue to discuss that. So, regarding the schedule presented by Mr. Bowen, hearing no objections, Mr. Svoboda stated that the schedule could stand as proposed.

Mr. Bowen also noted that the Mayor would, following the State of the City and the Budget presentation, have some budget work sessions with the Council during that week...which would be Friday, July 1<sup>st</sup>. Mr. Bowen noted that Mr. Svoboda had mentioned that at those work sessions, Council could decide which departments should come before them for budget sessions.

Mr. Svoboda explained to Council members that when he and Ms. Newman had talked with the Mayor discussing the budget, they had talked about possibly restructuring the budget process. Instead of having all the departments come in and give their presentation to us and our asking questions, that we would meet in a work session and request those departments that we would want to have in for budget discussion. If a department doesn't have anything that Council wants to discuss, we could focus on those departments we really have questions of. We would try to provide them with questions in advance so they would have information at the budget meeting. as opposed to them having to get back to us - this would shorten the time-line.

Discussion ensued in determining the dates Council would prefer to have such work sessions. The dates available would be Tuesday, June 28<sup>th</sup>; Wednesday, June 29<sup>th</sup>; Thursday, June 30<sup>th</sup>; Friday, June 1<sup>st</sup>. The date Council chose would be Wednesday, June 29<sup>th</sup> from 2:00 - 4:00 p.m. in the Mayor's Conference Room.

The group that the Mayor announced she would be organizing for the Event Facility will be organizing and will be meeting this month. We don't have a time or date set yet, but it will be sometime this summer. We'll let you know when that is coming together.

The final issue for presentation was by Ms. Harrell who announced that the Antelope Valley (JAVA) partners were organizing Tours of the construction project for sometime this month. She noted that it has been about five years since there had been an organized bus tour of the area.. Dates and times for consideration: Tuesday, June 21 at 6:30 p.m.; Wednesday, June 22<sup>nd</sup>, 7:30 a.m.; Thursday, June 23<sup>rd</sup>, 4:00 p.m. Council will receive a letter sometime within the next week inviting Council Members to choose one of the three times and dates each Council Member might be available. We hope that Council Members can make at least one of those tours.

Mr. Svoboda had asked if they might be able to get out of the bus and walk to get a closer look at the construction sites. Ms. Harrell stated that this had been discussed at some length noting that there were two sides to that issue, pro and con. We'll try to accommodate everyone's wishes.

Mr. Cook noted that Mr. Lynn Johnson of the Parks & Recreation Department was in attendance, He requested that Mr. Johnson be allowed to address the issue of the "easement deal". [At Van Dorn Plaza and Lee's Place] Mr. Johnson noted that he had talked with the developers and they are comfortable with a week delay. We'll sit down and schedule a meeting and work out final landscaping with them. Lee's Place is where Krueger's project is also tied to this....and Rick is okay with a week delay as well. Mr. Svoboda noted that the delay would involve action only with no further public input. Mr. Cook noted that he would be out of town next week and would just trust that Lynn will come up with something that will protect the City.

## V. MISCELLANEOUS -

\*\*1 Payment of Council Member Camp's Federal Fly-In Expenses (Council Staff)  
Mr. Svoboda asked if Mr. Camp's submitted expenses were the only request received in the Council office. It was noted that Mr. Werner had been reimbursed through another Council Member's discretionary funds. Mr. Svoboda asked that the reimbursement to Mr. Camp of the \$1541.00 expenses submitted be brought forward for discussion.

The discussion included the consensus of Council that there should be one designated Council Member appointed each year to attend this annual event so that only one reimbursement would be required, with the final decision that that duty would fall to the Chair.

The motion for reimbursement was made by Robin Eschliman and seconded by Annette McRoy. Mr. Marvin Amended the Motion to have the reimbursement done up to the limit of the travel budget - half and half to reimburse both parties. Mr. Marvin stated that the principal he was trying to defend was that same expenses for every Council Member be paid for from the same budget line item. He felt this was the equitable position to insure fairness for all. It was noted that Mr. Werner had been reimbursed through Discretionary Funds, but Mr. Marvin felt if it is a legitimate tax payer expense, then it should be paid for through this line-item budget item. Mr. Cook and Ms. Newman felt, with the increase in Council salary, there should be no need for further taxpayer funds being used to pay for Council Members trips to Schools and Conferences.

Discussion continued ending with a final vote being taken on the Motion, as Amended, to: reimburse Jon Camp personally and Annette McRoy's Discretionary Fund with exactly half of what is in the travel fund at this point...(unless half would be more than the amount). The motion, as amended, carried by the following vote: AYES: Robin Eschliman, Ken Svoboda, Dan Marvin, Jon Camp, Annette McRoy; NAYS: Jonathan Cook, Patte Newman.

2. Discussion regarding the 'Ride For Five' Report (Requested by Ken Svoboda) It was agreed that Ms. Newman would send an RFI regarding the Brokerage Service to StarTran Director Larry Worth - with no Pre-Council meeting on the issue to be scheduled. Mr. Camp requested an update from Ms. Boesch within the next several months as more statistics come in. Ms. Kit Boesch was so notified on June 6, 2005.

3. Discussion on Council Members' Committee Assignments: See Attachment "B"
4. Budget Schedule - Steve Hubka. Mr. Hubka was not in attendance. Mr. Bowen stated that the Budget Agenda had not changed.

## VI. CITY COUNCIL MEMBERS

JON CAMP - No Further Comments

JONATHAN COOK - Mr. Cook announced to Council that he would be out of town for the next two Council Meetings. He noted that he hoped his colleagues would take care of the Pioneers Park Easement issue in that time. [Laughter]

Mr. Cook also stated that he would be missing the RTSD meeting next week. Public Works has been advised of this in order to help them determine the quorum issue. He noted that the PBC would be discussing the eating & drinking in the Chamber at their next meeting, which he would also miss. Mr. Cook felt the individual bodies meeting in the Chamber should make the decision regarding food & drink during meetings they held there. In agreement, the general consensus of Council Members was to leave the policy up to the meeting bodies. Mr. Camp's concern, it was felt, could be addressed by the Chair during long Council meetings. Mr. Camp will take the Council's thoughts back to the PBC for consideration when the policy is discussed.

ROBIN ESCHLIMAN - No Further Comments

DAN MARVIN - No Further Comments

ANNETTE McROY - No Further Comments

PATTE NEWMAN - No Further Comments

KEN SVOBODA - No Further Comments

MARK BOWEN - No Further Comments

ANN HARRELL - No Further Comments

RICK HOPPE - No Further Comment

RICK PEO - No Further Comments

VII. MEETINGS/INVITATIONS - Noted Without Significant Comment

VIII. ADJOURNMENT - Council adjourned at approximately 12:35 p.m.

cm060605/jvr

## MEMO

**TO:** City Council

**FROM:** Richard D. Hoppe  
Aide to the Mayor

**DATE:** June 6, 2005

**RE:** Boards and Commissions Upcoming Appointments

\*\*\*\*\*

The following appointments will expire in May, June, July & August of 2005.
