Bio Solids transport		

DETAILS

POSITIONS/RECOMMENDATIONS

<p>This proposal was originally bid in 2004. A contract with Merrell Bros. Inc. was entered into on November 19, 2004. That contract was identical to the contract now before Council. The original contract provided for a two year contract with two 2 year extensions. That contract was signed by the Mayor. Merrell Bros purchased equipment to perform the contract with the expectation and the assurance from City staff that they would have this contract for 6 years. The Executive Order and contract were not reviewed by the Law Department. The City Charter requires a contract of this length to be approved by the City Council. This is a request to ratify the contract previously entered into.</p>	Sponsor	Purchasing
