

PUBLIC MARKET CONTRACT

THIS CONTRACT is made and entered into on this _____ day of _____, 2006, by and between the City of Lincoln, Nebraska, a municipal corporation, hereinafter referred to as "City", and Lincoln Haymarket Development Corporation, hereinafter referred to as "Contractor".

WHEREAS, it is in the public interest to promote the commercial use of the Haymarket area with innovative and unique attractions; and

WHEREAS, Article VIII, Section 13 of the Charter of the City of Lincoln empowers the City Council to contract with any person or persons to conduct and regulate a public market.

NOW, THEREFORE, in consideration of the mutual covenants herein contained, it is agreed by and between the parties as follows:

1. City hereby authorizes the contractor to establish, supervise and maintain the Haymarket public marketplace on a non-exclusive basis. It is understood and agreed that Contractor may subcontract with other parties for the actual operation of said public market, but shall at all times be primarily responsible to the City for the proper operation for said public market.

2. Contractor is granted the exclusive right to use 7th Street and also "P" Street beginning at the southeast corner of 7th and "Q" Streets thence south along the east line of 7th Street to the northeast corner of 7th and "P" Streets then easterly along the north side of "P" Street to the west line of 8th Street thence south across 8th Street to the south line of "P" Street thence westerly along "P" Street to the west line of 7th Street thence north along the west line of 7th Street to the southwest corner of 7th and "Q" Streets then across 7th Street on a southeasterly line to the southeast corner of 7th and "Q" Streets, to which this line shall not encroach more than eighteen feet north of the north curb face, of the south median nose of 7th Street at "Q" Street, for the location of a public market, as contemplated hereunder, between the hours of 6:30 a.m. and 1:00 p.m. on Saturdays from May 6, 2006 through and including October 28, 2006. Barricades, fences and signs required for closure will be subcontracted out by Contractor and placed on location by others to conform to the standards outlined in the MUTCD for roadway closures, and depicted in Attachment "D".

3. Stalls shall be assigned only when a completed form is sent with payment. Spaces will be assigned by the Market Supervisor. First right of refusal will be given to those vendors who have sold in previous years. Nebraska producers will be given priority over non-Nebraska producers. Daily and seasonal permits may be issued for the use of said stalls by sellers. Stall rental fees shall be established by the Contractor and shall be approved by executive order of the Mayor. A copy of the stall plan to be used for the Haymarket location is attached hereto, marked as Attachment "D", and made a part hereof by reference.

4. Sellers shall be allowed to sell home-grown fruit, vegetables, eggs, honey, plants, flowers and similar produce. Meat, sausage and cheese may be sold; provided, however, such products shall be processed in a licensed plant, shall be prepackaged, and kept in temperatures of 45 degrees Fahrenheit or below. Contractor may also permit a

maximum of fifty percent (50%) of the stalls to be utilized for the sale of prepared foods items or crafts; provided, however, that the percentage provided herein may be revised by the Mayor in the event that insufficient produce is available for sale in the market area (See Attachment "C").

5. The Contractor shall appoint, or shall cause to be appointed, an individual to serve as Market Supervisor, who shall generally supervise the market during the hours of operations, and who shall be responsible to see that the terms and conditions of this Contract are being complied with. Contractor may also promulgate such rules and regulations as it shall deem necessary to govern the operation of said market.

6. The market shall be run in strict compliance with all pertinent health and regulatory codes of the City of Lincoln, the State of Nebraska, and United States of America. The Director of the County-City Health Department, or his authorized representative, shall be entitled to make inspections of any goods offered for sale in the public market area. If the Director, or his authorized representative, find any violations of any pertinent health codes or any of the requirements of this contract relating to the handling of products, the Market Supervisor shall be notified and it shall be the duty of the Market Supervisor to revoke the permit of the seller found to be in violation until such violations are satisfactorily corrected.

7. All stalls shall be so operated and so conducted as not to interfere with the free flow of pedestrian traffic on sidewalks, pedestrian crossings and handicapped ramps within the public right-of-way and while maintaining a minimum eight (8) foot wide pedestrian corridor throughout the market area. In the Haymarket public market, vehicles shall be parked on-street roadway surfacing only and in stalls marked on Attachment "B". Stalls shall be operated and so conducted as not to encroach within three feet of City fire hydrants, bike racks, trash receptacles, street light poles, benches, kiosks and sign posts.

8. Contractor shall be responsible for continuously maintaining the market area in a neat and clean condition during the operation of the public market. Upon the termination of each day's business, Contractor shall be responsible for ensuring that the market area is clear of accumulated garbage, trash and litter, and all structures, tables, stands and other obstructions erected during the operation of the market. Contractor shall make such arrangements as may be necessary for the use of sanitary facilities for the general public and producers, either by permission with area property owners or by obtaining portable units at Contractor's expense.

9. Contractor agrees that any time on a market day that market operations cease for lack of additional goods and produce, or for any other reason, the Contractor's exclusive right to use the public space shall terminate, and the public right-of-way shall immediately be returned to public use.

10. Prior to commencing any operations under this Contract, Contractor shall:
