**LINCOLN**  
The Community of Opportunity

The Lincoln and Greater Omaha Chambers of Commerce are joining forces for a Fly-In to Washington, D.C. September 12-13, 2006. Leaders already are working together and consulting on state legislative issues of mutual interest. Our Lincoln/Omaha Fly-In will carryover the habit to the federal level, where our communities have common interests in transportation & infrastructure funding, research funding, and regional economic development issues.

While the federal budget is under debate, Chamber members will be in the nation's capital, meeting with policymakers and protecting the interests of the Lincoln business community. This is a great opportunity to impact local legislative decisions at a federal level.

All members are welcome to participate in this opportunity, which includes discussions with the Departments of Transportation, Agriculture, Commerce, Education and Defense. Throughout the trip, delegates will address the Chamber's priorities with federal officials. Issues will include roads/transportation funding and infrastructure.

### Package includes:

- Round-trip airfare from Eppley to Washington, D.C.
- One night at the J.W. Marriott hotel
- Transportation to all group events
- Nebraska Breakfast at the U.S. Capitol
- All delegation meetings, luncheons and group social events

**only \$1099**

There has already been a significant amount of interest in the trip from Chamber members. Delegates will represent a wide variety of companies and levels of management.

Limited space is still available for this crucial opportunity. Deadline for reservations is June 19.

You don't want to miss this great event.
