APPLICATION OF WIYUAL RUACH DBA JOHNNY DISCO FOR A CLASS I LIQUOR LICENSE AT 5800 CORNHUSKER HIGHWAY - Wiyual Ruach, 5800 Cornhusker Highway, came forward to take oath and answer questions. He explained that his Sudanese community would benefit from an establishment in which to socialize with friends & family and host parties & wedding receptions.

Russ Fosler, LPD Investigator, came forward to answer questions regarding the sequence of events and the requirement of a special permit at this location. Because of time constraints, he requested Council to deny the liquor license application at this time.

Steve Henrichsen, Planning Department, came forward to report that Mr. Ruach has not applied for the special permit yet. The real concern is to make sure he has enough parking spaces in the shared lot with other businesses in order to meet the code. If it is determined that insufficient parking exists, the applicant would need to look at a different location.

ANNEXATION NO. 08009 - AMENDING THE LINCOLN CORPORATE LIMITS MAP BY ANNEXING APPROXIMATELY 105.4 ACRES OF PROPERTY GENERALLY LOCATED AT NORTH 84TH STREET AND CORNHUSKER HIGHWAY - Steve Henrichsen, Planning Department, came forward to make general remarks as a result of the annexation study and to answer any questions the Council may have on this item as well as the following eight annexations. He said public-house forums were held and mailings were sent to property owners. He said the current economic status was taken into consideration which delayed annexation from 2008 to 2009, thereby delaying property tax implication to the year 2010. He explained that annexation does not require immediate costly installation of sidewalks or switching to City water/sewer. However, once annexed, various residential permits & licensing would apply. Mr. Henrichsen further recounted two important benefits as being first-class police protection and emergency response from Lincoln Fire & Rescue. In response to questions, Henrichsen said Council may recommend subtractions from proposed areas but because of legal advertising, additions and expansions would require a return to the Planning Commission. In answer to Council's suggestion to delay for another year, Henrichsen stated this is the first annexation study done in 8 years and even though these are difficult economic times, he said many of these properties could have been annexed within the last five years.

This matter was taken under advisement.

ANNEXATION NO. 08010 - AMENDING THE LINCOLN CORPORATE LIMITS MAP BY ANNEXING APPROXIMATELY 443 ACRES OF PROPERTY GENERALLY LOCATED FROM SOUTH 66TH STREET TO SOUTH 84TH STREET, FROM PINE LAKE ROAD TO THE RAILROAD TRACKS NORTH OF YANKER HILL ROAD - Steve Henrichsen, Planning Department, came forward to clarify the annexation area as comprised mostly of 3-acre lots currently zoned AGR.

Tom Olson, 7500 Boone Trail, came forward expressing concerns of fire protection services. He suggested locating a fire station near 84th & Pine Lake Road.

Tom Gapp, 7501 S. 70th St., came forward as a 32-acre homeowner in a neutral position to state he is not ready to develop his property and hopes to remain rural for several more years.

Peter Katt, 600 Wells Fargo Center, 1248 O St., came forward on behalf of his client who owns property in this area and is opposed to annexation. He said before going forward, a plan should be in place to access City services.

Norman Hunt, 7201 Pine Lake Rd., came forward in opposition to the annexation due to the poor economic times.

Mr. Henrichsen, came forward to clarify the rural water district and estimated real estate tax income for the City. He said land has been purchased in the Thompson Creek Subdivision for the purpose of a fire station.

Roger Figard, Public Works & Utilities City Engineer, came forward to clarify expenses incurred with properties that have large frontages.

This matter was taken under advisement.
ANNEXATION NO. 08012 - AMENDING THE LINCOLN CORPORATE LIMITS MAP BY ANNEXING APPROXIMATELY 22.2 ACRES OF PROPERTY GENERALLY LOCATED SOUTHWEST OF THE INTERSECTION OF SOUTH 27TH STREET AND ROKEBY ROAD AND NORTHEAST OF THE INTERSECTION OF SOUTH 27TH STREET AND ROKEBY ROAD - Steve Henrichsen, Planning Department, came forward to state no property owners came before the Planning Commission in opposition to this annexation. This matter was taken under advisement.

Dirk Johnson, 4501 SW 12th St., came forward as the President of the Yankee Hill Association stating for the record that the association and its members are against the proposed annexation at this time. He asked that it be postponed for a later date so that once planned amenities are in place, costs can be spread out. It was clarified that this area is comprised of 101 homes. Mr. Johnson said 20-30 property owners were present. This matter was taken under advisement.

ANNEXATION NO. 08016 - AMENDING THE LINCOLN CORPORATE LIMITS MAP BY ANNEXING APPROXIMATELY 243.1 ACRES OF PROPERTY GENERALLY LOCATED AT N.W. 48TH STREET AND INTERSTATE 80 - Steve Henrichsen, Planning Department, came forward to clarify the property area. Duane Dowd, 220 N. 85th St., Omaha, representing the Dowd Grain Company. He came forward in opposition stating his company’s 25 acres could not be considered urban as it is farmland only, nonresidential, taxed under the Greenbelt provision and has restricted access. He feels the farm ground does not produce enough to pay an estimated $5,000 tax annually. Peter Katt, 600 Wells Fargo Center, 1248 O St., came forward as an invested property owner stating he feels it is not the right time to annex the property and currently the State of Nebraska controls access points on NW 48th Street. This matter was taken under advisement.

ANNEXATION NO. 08018 - AMENDING THE LINCOLN CORPORATE LIMITS MAP BY ANNEXING APPROXIMATELY 6.8 ACRES OF PROPERTY GENERALLY LOCATED AT N.W. 12TH STREET AND U.S. HIGHWAY 34 - Steve Henrichsen, Planning Department, came forward to state that NEBCO owns the property and is not opposed to annexation. This matter was taken under advisement.
ANNEXATION NO. 08021 - AMENDING THR LINCOLN CORPORATE LIMITS MAP BY ANNEXING APPROXIMATELY 133.8 ACRES OF PROPERTY GENERALLY LOCATED AT NORTH 44TH STREET AND SUPERIOR STREET - Steve Henrichsen, Planning Department, came forward to state no one came to speak in opposition to the Planning Commission hearing. He noted that this annexation will supercede Item #49 (Bill No. 08-63) Annexation No. 08003 on the Pending List. He informed council up passage of one ordinance, motion for withdrawal may be made on the other.

This matter was taken under advisement.

VACATION 08012 - APPLICATION OF HUNG T. NGUYEN AND THUY LE NGUYEN TO VACATE THAT PORTION OF THE EAST-WEST ALLEY IN BLOCK 8, TRESTERS ADDITION, FROM THE EAST LINE OF NORTH 26TH STREET TO THE WEST LINE OF THE VACATED NORTH-SOUTH ALLEY (EXTENDED) IN SAID BLOCK 8, TRESTERS ADDITION, GENERALLY LOCATED BETWEEN N. 26TH STREET AND N. 27TH STREET, NORTH OF W STREET - Wynn Hjemstad, Urban Development, came forward to answer questions. She said the expanded building is 8,400 sq. ft. with plans for a restaurant and five bays for economic opportunities.

This matter was taken under advisement.

Council Chair Eschliman said she received a lengthy e-mail from a university student regarding his denied claim but perceived he was not present to testify.

This matter was taken under advisement.

MISC. NO. 08015 - DECLARING THE SOUTH CAPITOL REDEVELOPMENT AREA AS BLIGHTED AND SUBSTANDARD CONSISTING OF APPROXIMATELY 287 ACRES GENERALLY BOUNDED BY 8TH STREET TO 18TH STREET, BETWEEN EUCLID AVENUE AND 6 STREET - David Landis, Director of Urban Development, came forward to answer questions about the study comprising 1,014 parcels of land, 990 structures, 117 of which were used as a sample to determine what the nature of the property was. While he said state law requires 1 of 4 criteria for substandard urban development be evinced; 3 of 4 were found present. He said 43% of the residential structures were discovered to be in a dilapidated state; furthermore, due to age, 80% of the buildings had masonry elements in need of repair or older wood structures were susceptible to fire. Substandard 75-90 year-old underground utilities included four-inch water mains which are inconsistent with today’s standards of 6-8 inches for water protection. Mr. Landis said state law also requires one of 12 blighted criteria be found, but the Hanna:Keelan Associates, P.C. Blight Study (financially funded by NeighborWorks, NIFA and private donations) found 10 of the 12 criteria in some form in this area: dilapidation, inadequate street layout, faulty lot line layouts, and obsolete planning to name a few. This urban renewal project would encourage developers to come into the area, expand and create a positive domino effect that would strategically effect the neighborhood around it. Mr. Landis said while not every building is considered blighted, the obligation is to follow state law and redevelop the neighborhood.

Jon Carlson, Mayoral Aide for Stronger Safer Neighborhoods, came forward to offer support for the blight study. He said there are 125 people on residential action teams involved in cleaning up this focus area, landlords who are improving properties & screening tenants, removing problem tenants, City increasing fines, business leaders donating time & materials all in an area close to downtown and the University. He said community organizers are doing property assessments for 1,100 properties in need followed up by analysis with direction to specific limited resources. In answer to Council questions, Carlson said the only negative feedback is the designation of “blight” which is neither an insurance nor mortgage issue. He said through the help of the
Unicameral, discussion with senators suggested the name be changed to the "Revitalization Study". He said upon explanation of the plan process and its advantages, neighbors are excited to be on board. LPD Southwest Team Capt. Mike Woolman, came forward in support of the blight study and present the area that the police department is focusing on to take care of crime and disturbances in these fragile neighborhoods. He encouraged citizens to continue making service calls be suspicious activity. Council applauded LPD’s hard-working efforts to eliminate crime in the area.

Scott Baird, 1932 S. 24th St., came forward representing the Near South Neighborhood Association in support of revitalization and preservation of historic landmarks.

Corwin Frey, 2521 Coventry Ct., came forward in support stating his company, Century Sales & Management, manages 2,000 units across Lincoln, of which 25 buildings are in this revitalization area. He expressed appreciation to the Lincoln Police Department for their hard work.

Scott Baird, 1932 S. 24th St., came forward representing the Everett Neighborhood Association in support of revitalization and preservation of historic landmarks.

Corwin Frey, 2521 Coventry Ct., came forward in support stating his company, Century Sales & Management, manages 2,000 units across Lincoln, of which 25 buildings are in this revitalization area. He expressed appreciation to the Lincoln Police Department for their hard work.

Paula Rhian, 2002 S. 11th St., came forward representing the Everett Neighborhood Association in support as the designation will rejuvenate the area and bring architecturally-interesting buildings back to their former glory. Council expressed appreciation to the Everett Neighborhood for their hard-working efforts.

Peter Katt, 600 Wells Fargo Center, 1248 O St., came forward as an owner of rental property in the neighborhood study in support of a plan which puts a tool in place to reinvest in an important area of Lincoln.

Bob Beecham, 2925 O'Reilly Dr., came forward as a Near South area property owner in support. He stated for the record that 9% of the entire land-use area in the study zone are alleys and requested that the redevelopment team address the issue of those in disrepair. In answer to questioning, Mr. Beecham said his 12- & 6-plex rentals will remain in the area as their ongoing family business.

Pat Anderson-Sifuentes, 1500 S. 11th St., came forward representing NeighborWorks, Inc. who relates to first-time home buyers. She said the mixed diversity makes the area exciting and an attractive investment tool.

Jacob Colling, 821 Goodhue Blvd., Apt 2, came forward as a Near South Neighborhood resident as well as his capacity as a member of the Government Liaison Committee of the Association of Students at the University of Nebraska - Lincoln in support of the study. He presented positive factors that encourage students to live off campus in this area as being a close proximity to school/work and accessible key businesses; in contrast, negative factors listed low-home ownership, dilapidated housing, high poverty & high crime. Revitalization would help attract more students and retain them on their pursuit of professional careers. Erick Saavedra, 1615 G St., immigrant of Mexico, came forward in support of a study which will aid in the renovation of his neighborhood as his particular arts & crafts home was built in 1916.

Danny Walker, 427 "R" Street, came forward as a 60-year resident of the South Salt Creek Neighborhood in opposition. He claimed that not all of his neighborhood boundary was consulted about the blight study and he demanded a written explanation.

Mr. Carlson came forward to clarify the method of notification. He said not everyone in South Salt Creek was notified but every property owner in the blighted area of Near South and Everett Neighborhood Associations received both a mailing and a door flyer.

Mr. Landis came forward to answer Council questions about the study boundary. He said to cover an entire corridor, both sides of the street must be covered. In response to Mr. Walker, Landis responded while there was a legal obligation to meet 1 out of 12 blight standards; this study met 10 out of 12. Council Chair Eschliman advised Mr. Landis that his verbal explanation would suffice Mr. Walker’s demand for a written response.

This matter was taken under advisement.
SPECIAL PERMIT NO. 310D - APPLICATION OF THE AMBASSADOR LINCOLN TO ADJUST THE ALLOWED HEIGHT AND SIDE SETBACK REQUIREMENTS TO ALLOW FOR THE RENOVATION AND EXPANSION OF THE EXISTING HEALTH CARE FACILITY WHICH IS GENERALLY LOCATED SOUTH OF THE INTERSECTION OF SOUTH COTNER BOULEVARD AND NORMAL BOULEVARD - Anne Furguson, Executive Director of The Ambassador Lincoln, 4405 Normal Blvd., came forward to answer questions and request permission to build a 3-story addition and easement to the east to provide 141 private suites.

This matter was taken under advisement.

APPROVING AND RATIFYING THE LABOR CONTRACT BETWEEN THE CITY OF LINCOLN AND THE LINCOLN FIREFIGHTERS ASSOCIATION EFFECTIVE AUGUST 21, 2008 - Dave Engler, President of Firefighters Association came forward in support of the contract. He said when they went into negotiations the City offered the last best offer of 4% and they accepted it. He said the association would like to settle this contract and move on to the future.

Coby Mach, LIBA, came forward stating his organization is not opposed to the contract but one issue of concern is the addition of Article 36 - Daily Staffing. LIBA believes this addition takes control of the Lincoln Fire & Rescue away from the Fire Chief. Mr. Mach said requiring a certain number of employees should not be a concession that the City makes to the Fire Union. He said in contrast, the City does not allow the Police Union to determine the number of police officers, now is not the time to allow the Fire Union to take away control from the Fire Chief. He requested an amendment to the contract by removing Article 36.

Peter Katt, came forward representing LIBA to clarify their request to give thoughtful consideration to remove Article 36 from the contract. He said the provision takes away management discretion and Council budgetary discretion, and places it in a contract that has implications not only for this union but for others and the City. Mr. Katt said LIBA is not opposed to the balance of the contract.

Don Taute, Asst. City Attorney, came forward to answer questions. He said a good portion of Article 36 is language that was taken from the management policy which was adopted in July 2004. He said the terms/conditions of the existing contract continue until (1) a contract voted upon/adopted replaces it or (2) upon dissatisfaction of either party CIR establishes a contract for the parties.

This matter was taken under advisement.

APPROVING A TRANSFER OF APPROPRIATIONS IN THE AMOUNT OF $427,458 WITHIN THE 2008-2009 OPERATING BUDGET FROM GENERAL EXPENSE/SHARED SERVICES - CORRECTIONS TO VARIOUS ACCOUNTS IN THE LINCOLN FIRE AND RESCUE, BUILDING AND SAFETY DEPARTMENTS AND THE SOCIAL SECURITY BUDGETS TO COVER ADDITIONAL AMOUNTS NEEDED FOR THE 2008-2009 CONTRACT WITH THE INTERNATIONAL ASSOCIATION OF FIREFIGHTERS - Steve Hubka, Budget Officer, came forward to explain that when the 2008-09 budget was adopted for the Fire Department, it did not include enough appropriations to cover a 4% raise. He said the billed 1.7% was thought to ultimately end up in the pension fund for the COLA. It then was not adopted. Mr. Hubka said this resolution takes unused appropriations from the Corrections line item (funds not needed due to the Joint Public Agency creation) and transfers them to the Fire Department and the Building & Safety Department for fire inspectors in an amount adequate to cover a 4% raise.

This matter was taken under advisement.

APPROVING A CONSERVATION EASEMENT AGREEMENT BETWEEN DAVID C. LANGE AND THE CITY OF LINCOLN REGARDING DAVID C. LANGE'S CONVEYANCE OF A PERMANENT CONSERVATION EASEMENT TO THE CITY OF LINCOLN TO PRESERVE THE FLOOD STORAGE CAPACITY ON LOT 3, BLOCK 5, MECHANIC'S ADDITION, GENERALLY
LOCATED AT S.W. 1ST STREET AND WEST E STREET - Ben Higgins, Public Works & Utilities, came forward to state that there will be no adverse impact to the amount of storage so no fill is needed on this property. This matter was taken under advisement.

5. That the Antelope Village Redevelopment Project would not be economically feasible without the use of tax-increment financing.

6. That the Antelope Village Redevelopment Project would not occur in the Redevelopment Area without the use of tax-increment financing.

7. That the costs and benefits of the redevelopment activities, including costs and benefits to other affected political subdivisions, the economy of the community, and the demand for public and private services have been analyzed by the City Council as the governing body for the City of Lincoln and have been found to be in the long-term best interest of the City of Lincoln.

Peter Katt, 600 Wells Fargo Center, 1248 O St., came forward representing his partner Mark Hunzeker to make a formal request for a Special Assessment District to be created in the Employment Center on North 56th & I-80. He said this will be a key component to be able to create the increment of value that would allow the tax district to fund oversized sewers. He said it has been a 15-year project for annexation and development. In response to Council questions, he stated that the location has been identified as a site for significant economic development opportunities which will be able to occur when sewer and water are in place.
