ARTICLE VIII

COVENANTS OF THE CITY

So long as the Bonds are outstanding and unpaid, the City will (through its proper officers, agents or employees) faithfully perform and abide by all of the covenants, undertakings and provisions contained in this Ordinance or in the Bonds, including the following covenants and agreements for the benefit of the Purchaser which are necessary, convenient and desirable to secure the Bond and will tend to make it more marketable; provided, however, that said covenants do not require the City to expend any money other than the Revenues nor violate the provisions of State law with respect to tax revenue allocation.

Section 8.1. Management and Operation of Properties. The City covenants and agrees that it will cause all properties owned by it and comprising any part of the Project to be managed and operated in a sound and businesslike manner.

Section 8.2. No Priority. The City covenants and agrees that it will not issue any obligations the principal of or interest on which is payable from the Revenues which have, or purport to have, any lien upon the Revenues prior or superior to or in parity with the lien of the Bonds and the interest thereon; provided, however, that nothing in this Ordinance shall prevent the City from issuing and selling bonds or other obligations which have, or purport to have, any lien upon the Revenues which is junior to the Bonds and the Debt Service thereon, or from issuing and selling bonds or other obligations which are payable in whole or in part from sources other than the Revenues.

Section 8.3. To Pay Principal of and Premium and Interest on Bonds. The City will duly and punctually pay or cause to be paid solely from the Revenues the principal of and interest on the Bonds on the dates and at the places and in the manner provided in the Bonds according to the true intent and meaning thereof and hereof, and will faithfully do and perform and fully observe and keep any and all covenants, undertakings, stipulations and provisions contained in the Bonds and in this Ordinance.

Section 8.4. Books of Account; Financial Statements. The City covenants and agrees that it will at all times keep, or cause to be kept, proper and current books of account (separate from all other records and accounts) in which complete and accurate entries shall be made of all transactions relating to the Project, the Revenues and other funds relating to the Project. Within 180 days after the close of each Fiscal Year, the City shall cause such books of account to be audited by an independent certified public accountant, which audit may be part of the annual audit of the accounts of the City. The audit report shall show in reasonable detail the income and expenses for such Fiscal Year relating to the Project, including the transactions relating to the Special Fund and the Redemption Fund, and a copy of the audit report shall be made available to the Purchaser upon written request. Each such audit report shall state therein that the auditor has examined and is familiar with the provisions of this Ordinance relating to the matters set forth above, and that as to such matters the City is in compliance therewith or, if not in compliance therewith, the details of such failure to comply and the action to be taken by the City to be in compliance therewith.

Section 8.5. Eminent Domain Proceeds. The City covenants and agrees that should all or any part of the Project be taken by eminent domain or other proceedings authorized by law for any public or other use under which the property will be exempt from ad valorem taxation, the net proceeds realized by the City therefrom shall constitute Project Revenues and shall be deposited into the Special Fund and used for the purposes and in the manner described in **Section 7.2**.

Section 8.6. Protection of Security. The City is duly authorized under all applicable laws to create and issue the Bonds and to adopt this Ordinance and to pledge the Revenues in the manner and to the extent provided in this Ordinance. The Revenues so pledged is and will be free and clear of any pledge, lien, charge, security interest or encumbrance thereon or with respect thereto prior to, or of equal rank with, the pledge created by this Ordinance, except as otherwise expressly provided herein, and all corporate action on the part of the City to that end has been duly and validly taken. The Bonds are and will be valid obligations of the City in accordance with its terms and the terms of this Ordinance. The City shall at all times, to the extent permitted by law, defend, preserve and protect the pledge of and security interest granted with respect to the Revenues pledged under this Ordinance and all the rights of the registered owners under this Ordinance against all claims and demands of all persons whomsoever.

Reference is hereby made to the Ordinance for the provisions, among others, with respect to the collection and disposition of certain tax and other revenues, the special funds charged with and pledged to the payment of the principal of and interest on this bond, the nature and extent of the security thereby created, the terms and conditions under which this bond has been issued, the rights and remedies of the Registered Purchaser of this bond, and the rights, duties, immunities and obligations of the City. By the acceptance of this bond, the Registered Purchaser assents to all of the provisions of the Ordinance.

This bond is a special limited obligation of the City payable as to principal and interest solely from and is secured solely by the Tax Revenues (as defined in the Ordinance) and certain other money, funds and securities pledged under the Ordinance, all on the terms and conditions set forth in the Ordinance. The Tax Revenues represent that portion of ad valorem taxes levied by public bodies of the State of Nebraska, including the City, on real property in the Project Area (as defined in this Ordinance) which is in excess of that portion of such ad valorem taxes produced by the levy at the rate fixed each year by or for each such public body upon the valuation of the Project Area as of a certain date and as has been certified by the County Assessor of Lancaster County, Nebraska to the City in accordance with law.

The principal of and interest hereon shall not be payable from the general funds of the City nor shall this bond constitute a legal or equitable pledge, charge, lien, security interest or encumbrance upon any of the property or upon any of the income, receipts, or money and securities of the City or of any other party other than those specifically pledged under the Ordinance. This bond is not a debt of the City within the meaning of any constitutional, statutory or charter limitation upon the creation of general obligation indebtedness of the City, and does not impose any general liability upon the City and the City shall not be liable for the payment hereof out of any funds of the City other than the Tax Revenues and other funds pledged under the Ordinance, which Tax Revenues and other funds have been and hereby are pledged to the punctual payment of the principal of and interest on this bond in accordance with the provisions of this Ordinance.

Reference is hereby made to the Ordinance for a description of the redemption procedures and the notice requirements pertaining thereto.

In the event this bond is called for prior redemption, notice of such redemption shall be given by first-class mail to the Registered Purchaser hereof at its address as shown on the registration books maintained by the Registrar not less than 10 days prior to the date fixed for redemption, unless waived by the Registered Purchaser hereof. DEFEASANCE; MONEY HELD FOR PAYMENT OF DEFEASED BONDS

Section 10.1. Discharge of Liens and Pledges; Bonds No Longer Outstanding Hereunder. The obligations of the City under this Ordinance, including any ordinances, resolutions or other proceedings supplemental hereto, and the liens, pledges, charges, trusts, assignments, covenants and agreements of the City herein or therein made or provided for, shall be fully discharged and satisfied as to the Bonds or any portion thereof, and the Bonds or any portion thereof shall no longer be deemed to be outstanding hereunder and thereunder,

(a) when such Bond or any portion thereof shall have been canceled, or shall have been surrendered for cancellation or is subject to cancellation, or shall have been purchased from money in any of the funds held under this Ordinance, or

(b) if any Bond or any portion thereof is not canceled or surrendered for cancellation or subject to cancellation or so purchased, when payment of the principal of such Bond or any portion thereof, plus interest on such principal to the due date thereof (whether such due date be by reason of maturity or upon redemption or prepayment, or otherwise), either (a) shall have been made or caused to be made in accordance with the terms thereof, or (b) shall have been provided by irrevocably depositing with the Registrar for such Bond, in trust and irrevocably set aside exclusively for such payment, (1) money sufficient to make such payment or (2) Escrow Obligations maturing as to principal and interest in such amount and at such times as will insure the availability of sufficient money to make such payment.

Provided that, with respect to any total redemption of any Bond, notice of redemption shall have been duly given or provision satisfactory to the Registrar shall have been made therefor, or waiver of such notice, satisfactory in form, shall have been filed with the Registrar.

At such time as the Bonds or any portion thereof shall no longer be outstanding hereunder, as provided, the Bonds or any portion thereof shall cease to draw interest from the due date thereof (whether such due date be by reason of maturity or upon redemption or prepayment or otherwise) and, except for the purposes of any such payment from such money or such Escrow Obligations, the Bond or any portion thereof shall no longer be secured by or entitled to the benefits of this Ordinance.

Any such money so deposited with the Registrar for the Bonds or any portion thereof as provided in this **Section 10.1** may at the direction of the Finance Director also be invested and reinvested in Escrow Obligations, maturing in the amounts and times as hereinbefore set forth. All income from all Escrow Obligations in the hands of the Registrar which is not required for the payment of the Bonds or any portion thereof and interest thereon with respect to which such money shall have been so deposited, shall be paid to the City and deposited in the Special Fund as and when realized and collected for use and application as is other money deposited in that fund.

Anything in this Ordinance to the contrary notwithstanding, if money or Escrow Obligations have been deposited or set aside with the Registrar pursuant to this **Section 10.1** for the payment of the Bonds and the Bonds shall not have in fact been actually paid in full, no amendment to the provisions of this **Section 10.1** shall be valid as to or binding upon the registered owner of the Bonds without the consent thereof.

Section 10.2. Certain Limitations After Due Date. If sufficient money or Escrow Obligations shall have been deposited in accordance with the terms hereof with the Registrar in trust for the purpose of paying the Bonds or any portion thereof and the accrued interest thereon when the same becomes due, whether at maturity or upon earlier redemption, all liability of the City for such payment shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Registrar to hold such money or Escrow Obligations, without liability to the registered owners of the Bonds for interest thereon, in trust for the benefit of the registered owners, who thereafter shall be restricted exclusively to such money or Escrow Obligations for any claim for such payment of whatsoever nature on his part.

Notwithstanding the provisions of the preceding paragraph of this **Section 10.2**, money or Escrow Obligations held by the Registrar in trust for the payment and discharge of the principal of and accrued interest on the Bonds which remain unclaimed for five years after the date on which such payment shall have become due and payable, either because the Bonds shall have reached their maturity date or because the entire principal balance of the Bonds shall have been called for redemption, if such money was held by the Registrar or such paying agent at such date, or for five years after the date of deposit of such money, if deposited with the Registrar after the said date when such Bond became due and payable, shall, at the written request of the City be repaid by the Registrar to the City as the City's property and free from the trust created by this Ordinance, and the Registrar shall thereupon be released and discharged with respect thereto, and the registered owners of the Bonds shall look only to the City for the payment of the Bond.

ARTICLE XI

AMENDING AND SUPPLEMENTING OF ORDINANCE

Section 11.1. Amending and Supplementing of Ordinance Without Consent of Registered Owners. The City may at any time without the consent or concurrence of the registered owners of Bonds adopt an ordinance amendatory hereof or supplemental hereto if the provisions of such supplemental ordinance do not materially adversely affect the rights of the registered owners of the Bonds, for any one or more of the following purposes:

- (a) To make any changes or corrections in this Ordinance as to which the City shall have been advised by counsel that the same are verbal corrections or changes or are required for the purpose of curing or correcting any ambiguity or defective or inconsistent provision or omission or mistake or manifest error contained in this Ordinance, or to insert in this Ordinance

such provisions clarifying matters or questions arising under this Ordinance as are necessary or desirable;

(b) To add additional covenants and agreements of the City for the purpose of further securing payment of the Bonds;

(c) To surrender any right, power or privilege reserved to or conferred upon the City by the terms of this Ordinance;

(d) To confirm as further assurance any lien, pledge or charge, or the subjection to any lien, pledge or charge, created or to be created by the provisions of this Ordinance; and

(e) To grant to or confer upon the registered owner of the Bonds any additional rights, remedies, powers, authority or security that lawfully may be granted to or conferred upon them.

The City shall not adopt any supplemental ordinance authorized by the foregoing provisions of this **Section 11.1** unless in the opinion of counsel the adoption of such supplemental ordinance is permitted by the foregoing provisions of this **Section 11.1** and the provisions of such supplemental ordinance do not materially and adversely affect the rights of the registered owners of the Bonds.

Section 11.2. Amending and Supplementing of Ordinance with Consent of Registered Owners. Nothing in this paragraph contained, however, shall be construed as making necessary the approval of the registered owners of the Bonds of the adoption of any supplemental ordinance authorized by the provisions of **Section 11.1** hereof.

It shall not be necessary that the consent of the registered owners of the Bonds approve the particular form of wording of the proposed amendment or supplement or of the proposed supplemental ordinance effecting such amendment or supplement, but it shall be sufficient if such consent approves the substance of the proposed amendment or supplement. After the registered owners of the Bonds shall have filed its consent to the amending or supplementing hereof pursuant to this **Section 11.2**, the City may adopt such supplemental ordinance.

Section 11.3. Effectiveness of Supplemental Ordinance. conditions of any such supplemental ordinance shall be a part of the terms and conditions of the Bond and of this Ordinance for any and all purposes.
