Discussion (Including Relationship to other Council Actions) Rates haven't been increased since 1988. Some users are requesting for more days than needed since \$3.00 is so inexpensive. This causes parking meters to be hooded, but not used by contractors, thus hindering downtown businesses that rely on revolving parking meter traffic. Our costs to issue and pick up meter bags far exceed our current rate. These revenues are special revenue funds and not general fund dollars. Questions on this ordinance revision may be directed to Chuck Zimmerman.	Opponents	Groups or Individuals Basis of Opposition
