The Public Works and Utilities Department has received a request for a use of public right-of-way for the installation of 1 - 4" HDPE conduit and 1 - 3" HDPE conduit under Vine Street (see attached map). The proposed conduits will provide telephone and fiber optic service to the new UNL parking structure currently under construction at 19th and Vine Streets. Right-of-way width is 115 feet at this location.

Public Works recommends approval of this request with the following conditions. The contractor must contact Diggers Hotline of Nebraska prior to commencing any construction activities.
