Dear Byron:

On behalf of the University of Nebraska, we are requesting permission from the City of Lincoln to directionally bore one (1) 4" HDPE conduit and one (1) 3" HDPE conduit below Vine Street, per the attached drawing. These conduits will be used for fiber optic and telephone services for the new parking structure that is currently under construction along 19<sup>th</sup> & Vine Streets, north of Sandoz Hall, in Lincoln, Nebraska.

Please respond at your earliest convenience. If there are any questions of if you need additional information, please do not hesitate to call.

Sincerely,

Gary W. Loop, PE
