Public Hearing

Authorizing the Sale of Surplus Property Described as Portions of Lots 11 and 12, Wesleyan Heights Addition, Generally Located Northwest of North 41st Street and Greenwood Street to B&J Partnership - Clint Thomas, Urban Development, Real Estate Division, stated this item came before the Council some time back and as instructed by the Council it was advertised in the newspaper and on the website, put up a sign and notified all the abutting property owners. An auction was held at Urban Development with only one bid of $17,000 which was accepted. The final bid was $500 less than the first bid received at which time the Council instructed Real Estate to go back and advertise. This matter was taken under advisement.

Approving the Amended and Restated Development and Conditional Zoning Agreement Between the City and B&J Partnership, Ltd. Relating to the Development of CVS Pharmacy on Property Generally Located at S. 15th Street and South Street; Change of Zone 10003 - Application of B&J Partnership for a Change of Zone from R-5 and R-2 Residential Districts to B-3 Commercial District and O-2 Suburban Office District on Property Generally Located Northwest of the Intersection of South 16th Street and South Street; Hearing on the Appeals by Brad Nelson and the Near South Neighborhood Association of the Planning Commission Approval of Special Permit No. 10008 Requested by B&J Partnership for Authority to Sell Alcoholic Beverages for Consumption Off the Premises on Property Generally Located Northwest of South 16th Street and South Street - Mark Hunzeker, 600 Wells Fargo Center, 1248 O Street, came forward representing B & J Partnership owner of most of the property involved in this project. This area has been designated as blighted and is also within a redevelopment plan. Everything has been done that the staff has asked them to do that can physically be accomplished on this site and were in 100% agreement with the planning staffs recommendations. A lease has been negotiated with CVS and no less than seven other agreements with owners and tenants of abutting properties. They have been approved by the Historic Preservation Commission to get the approval of the move of a landmark property to a site currently owned by the City. The South Street Business and Civic Association supports this project. This represents a good improvement for the neighborhood and provides needed services.

Brad Nelson, 1464 Plum Street, came forward in opposition because of the proposed alcohol sales at the CVS Pharmacy. He presented a petition from the neighborhood.

William Carver, 2202 Washington Street, President of the Near South Neighborhood Assn., came forward in opposition of the Change of Zone and the Special Permit of the project at 16th and South Street. They oppose the process of circumventing the 100 foot buffer to make it possible for CVS Pharmacy to sell alcohol. The two houses being rezoned commercial, but still being used as residential, will not have the protection of the 100 foot buffer from alcohol sales.

Susan Melcher, 2401 Garfield Street, came forward in opposition to the Change of Zone. The owners of the two houses did not come forward with a plan for their property to be a business, but they agreed to the change from residential to commercial so the sale of alcohol would fall within the 100 foot buffer. This could set a dangerous precedent in the City.

Rebecca Hasty, 1640 S. 24th Street, came forward in opposition to the change of zone. In her neighborhood at 25th and Sumner there is a barber shop, a printing shop, and across the street is a bookkeeper/accountant business. Her house, the neighbor next door, and behind her are zoned commercial. This means her house could be turned into a liquor store, Quik Shop, almost anything, but they won't do this so as to protect the neighborhood and keep it beautiful, quaint, mom and pop shops. If CVS Pharmacy was not selling alcohol she would be okay with this, but would really be okay if this was Wagey Drug or some mom and pop drug store.

Darrell Fisher, Executive Director of Lincoln Council on Alcoholism & Drugs, 914 L Street, came forward in opposition to the Change of Zone to meet the 100 foot spacing requirement and to continue to use the properties as residential. If this is approved it will put the 100 foot spacing at risk everywhere in the City of Lincoln. It is asked that the 100 foot loophole be closed to protect and preserve the neighborhoods.

The meeting adjourned at 4:21 p.m.
REGULAR MEETING
MAY 3, 2010
Page 440

Lynn Stokke, 1449 Mulberry Street, came forward in opposition to the sale of alcohol at the CVS Pharmacy with concerns that after buying alcohol people will be walking through her neighborhood littering. There are enough businesses selling alcohol in this area so don’t see how selling liquor improves the neighborhood. She expressed a concern with vehicles blocked on the crosswalk as they turn onto 15th Street turning south to go to South Street when exiting CVS Pharmacy.

Bob Van Valkenburg, 7921 Reno Road, came forward to suggest creating a new zoning category that is a commercial property with a built in alcohol sales provision.

Marvin Krout, Director of Planning, stated property that is rezoned, can continue to be used as it was first zoned being a nonconforming use. You find strips in older neighborhoods originally zoned residential have been rezoned commercial and have been developed into commercial use. The trend is to build neighborhoods where there is more permeability and more opportunity for mixed uses and to reduce the number of auto trips taken because you can walk to the businesses. Urban neighborhoods don’t find Council Bluffs. The problem with a mix in older neighborhoods in terms of incoming population is the concern of the potential for uses that in some other circumstances would be just fine to be a nuisance in that particular neighborhood. CVS is not a good example of New Urbanism and there is not a South Street Plan that calls for New Urbanism. If you want to encourage development of housing, build 14,000 sq ft. with a loading area & parking, then expansion needs to be looked at. South Street has too much traffic to have on-street parking. Zoning is there to protect surrounding property owners.

Mr. Hunzeker came forward for rebuttal. This is not a site that is nestled in the middle of a residential area. It is a site on the corner of two intersecting major streets with commercial development on three sides of it. The planning staff considered the Change of Zone to O-2 for those two houses without taking into account the fact that the 100 foot alcohol special permit is being accommodated by that Change of Zone. She stated that the Change of Zone to O-2 as if it were a stand alone application without considering the alcohol. This area has been designated specifically for redevelopment. This national chain talked to the Planning staff first about what they thought of this idea. They told them that changing the zoning on those two houses to O-2 would be necessary for this Special Permit to be approved and was encouraged to get approval from the two property owners to do so.

This matter was taken under advisement.

APPROVING A FUNDING AGREEMENT BETWEEN THE CITY, THE LINCOLN PARKS FOUNDATION AND ASSURITY LIFE INSURANCE COMPANY FOR FUNDING OF CONSTRUCTION AND ENDOWMENT OF THE SCENIC OVERLOOK FEATURE AT UNION PLAZA - Lynn Johnson, Director of Parks & Recreation, stated this is approving a funding agreement with Assurity Life Insurance Company providing $250,000 for the development and endowment of the scenic overlook feature located in Union Plaza that crosses 21st Street. Assurity will provide a proposed name for this facility and the Lincoln Parks Foundation will serve as a fiscal sponsor managing the funds. Mr. Johnson expressed his sincere appreciation to Assurity for their support and financial participation in the Union Plaza project. Across the road will be a trail center and an amphitheater.

This matter was taken under advisement.

APPROVING AMENDMENT NO. 2 TO THE MATT TALBOT KITCHEN AND OUTREACH PROJECT REDEVELOPMENT AGREEMENT BETWEEN THE CITY AND MATT TALBOT KITCHEN AND OUTREACH, INC. RELATING TO THE REDEVELOPMENT OF PROPERTY GENERALLY LOCATED AT 2121 N. 27TH STREET - David Landis, Director of Urban Development, told of the handsome new Antelope Valley Project they were pushed into a new facility sooner, therefore, the City will loan them $200,000 for 10 years from the TIF funds with three levels of payback interest for a total of $248,000. This will be based on the financial participation in the Union Plaza project. The City will loan them $200,000 for 10 years from the TIF funds with three levels of payback interest for a total of $248,000. This is based on the market based lending rate the City could get.

Bob Van Valkenburg, 7921 Reno Road, stated Matt Talbot is a great project. He suggested that the City solicit donations instead of using bonds for various projects.

This matter was taken under advisement.

WAIVER NO. 10008 - APPLICATION OF CAMP SONSHINE TO WAIVE THE PARKING LOT SURFACING REQUIREMENT ON PROPERTY GENERALLY LOCATED AT SOUTH 25TH STREET AND BENNET ROAD - Jeff Keiser, 13440 S. 25th Street, Roca, NE, Director of Camp Sonshine day camp requested approval of surfacing the parking lot. This area is surrounded by agricultural fields.

This matter was taken under advisement.

APPROVING THE EXTENSION OF THE TERMINATION DATE OF AN EXISTING INTER-GOVERNMENTAL AGREEMENT, PREVIOUSLY APPROVED BY RESOLUTION NO. A-85349, BETWEEN NEBRASKA DEPARTMENT OF ENVIRONMENTAL QUALITY AND THE CITY OF LINCOLN FROM MARCH 30, 2010 TO DECEMBER 31, 2019 - Marvin Krout, Director of Planning, stated property that is rezoned, can continue to be used as it was first zoned being a nonconforming use. You find strips in older neighborhoods originally zoned residential have been rezoned commercial and have been developed into commercial use. The trend is to build neighborhoods where there is more permeability and more opportunity for mixed uses and to reduce the number of auto trips taken because you can walk to the businesses. Tribe at 17th & E. This is the one the extension is needed for.

Jonathan Cook stated that in reference to Dan Marvin selling bonds in relation to the arena he is in no way involved with bond sales for the arena.

Rod Confer, City Attorney, stated “that is my understanding”. This matter was taken under advisement.

ADOPTING THE CITY OF LINCOLN TITLE VI CIVIL RIGHTS PLAN TO SATISFY FEDERAL COMPLIANCE REQUIREMENTS RELATED TO QUALIFICATION FOR THE RECEIPT OF FEDERAL-AID TRANSPORTATION PROJECT FUNDS;

ADOPTING THE CITY OF LINCOLN ADA/SECTION 504 REHABILITATION ACT POLICY TO SATISFY FEDERAL COMPLIANCE REQUIREMENTS RELATED TO QUALIFICATION FOR THE RECEIPT OF FEDERAL-AID TRANSPORTATION PROJECT FUNDS - Don Taute, Asst. City Attorney, came forward to request a one week delay on these items due to an oversight of not having the two plans before the Council. They are very standard documents tailored to what the requirements are for the new Public Agency Compliance Manual that the Nebraska Department of Roads has developed to comply with the Federal Highway Administration requirements of the stimulus funding. This County is adopting a similar plan. It is important this body have an opportunity to look at those documents.

This matter was taken under advisement.

APPROVING THE USE OF PUBLIC RIGHT-OF-WAY BY KINPORT CORP. FOR THE INSTALLATION OF AN EXTERIOR STAIR CASE IN THE ALLEY ADJACENT TO THE PROPERTY AT 211 NORTH 12TH STREET - Josh Berger, Kinport Corporation, 211 N. 12th Street, came forward to answer questions. This has been worked on for four months and it has been explored going across the building into an existing staircase and going across the building down into an existing corridor, but because of clearances and other various reasons exhausting all options this was the best alternative to make this happen. The Arbor Day Foundation will have an outdoor patio so this allows them to have a second means of an egress as well.

John Thompson, Kinport Corporation, 211 N. 12th Street, stated the Arbor Day Foundation is a neighbor on the corner of 12th and P and they have plans to have a rooftop garden as well. This just seemed to be the best route to pursue in the best interest of all parties involved. This project will cost close to $800,000 to do something very unique and he was at his limit to do otherwise.

This matter was taken under advisement.
