PUBLIC HEARING

APPLICATION OF WORLD EATS COMPANY DBA THE PANTRY FOR A CLASS CK LIQUOR LICENSE AT 2548 SOUTH 48TH STREET;

MANAGER APPLICATION OF DOUGLAS B. DAIZE FOR WORLD EATS COMPANY DBA THE PANTRY AT 2548 SOUTH 48TH STREET; Douglas B. Daize, 12950 North 1st Street, Raymond, NE 68428, came forward to take oath and answer questions. Mr. Daize thanked the Council for recognizing former owner, Howard Howser, and responded that he is seeking a new license as part of a plan to update and renovate The Pantry. There are no plans to have a full bar, only to serve beer and wine with food.

AUTHORIZING THE ISSUANCE, SALE AND DELIVERY OF WATER REVENUE REFUNDING BONDS OF THE CITY OF LINCOLN, NEBRASKA IN AN AMOUNT NOT TO EXCEED $13,000,000 TO REFUND OUTSTANDING WATER REVENUE BONDS OF THE CITY AND RELATED MATTERS;

AUTHORIZING THE ISSUANCE, SALE AND DELIVERY OF SANITARY SEWER REVENUE REFUNDING BONDS OF THE CITY OF LINCOLN, NEBRASKA IN AN AMOUNT NOT TO EXCEED $44,000,000 TO REFUND OUTSTANDING SANITARY SEWER REVENUE BONDS OF THE CITY AND RELATED MATTERS - Steve Hubka, City Finance Director, came forward to state that the City has an opportunity to take advantage of low interest rates and save a considerable amount of money.

Scott Keene, Ameritas Investment Corps, came forward to state that after a review of all outstanding debt, the City has six bond issues that are good candidates for refunding. The series 2003 sewer bonds were originally issued in July of 2003 and have a final maturity of June, 2028. They are currently outstanding in the amount of $42,115,000. The bonds are callable June 15th, 2013 at par, without any premium, and the average rate on those bonds is currently 4.94%. The current market allows the City to refund these bonds at a rate closer to 3.10%, which would provide annual savings of approximately $250,000 per year. Over the life of the issue, that equates to present value savings of approximately $3,125,000 or 7.7% of the outstanding principle amount of the bond, which is 2.5% above the target minimum level of savings. Because the City would be refunding the bonds more than 90 days prior to the call date, this is an advance refunding. This would use the single advance refunding allowed by the IRS. The series 2002 water bonds were issued in May 2002, with a final maturity of August 2022. They are currently outstanding in the amount of $12,870,000 and are callable August 2012. Because the City would be issuing these bonds within 90 days of the call date, the water revenue refunding bonds are considered current refunding. The 2002 water bonds are currently outstanding with an average rate of 4.94%. Refunding would result in average interest of 2.5% which provides about $150,000 per year of savings, or a total of $1,325,000 on a present value basis, which is over 10%. On a percentage basis, the water revenue refunding is more favorable than the sewer refunding, but in terms of pure dollars and benefits to the ratepayers, the sewer issue is the better candidate. Both of these issues should be sold on a negotiated basis with Ameritas Investment Corp. Refunding is traditionally done through a negotiated process to provide flexibility in timing the financing with the movements in interest rates in order to guarantee that the City will get the best rates and maximize savings. In answer to Council questions, Mr. Keene explained the discrepancy between the outstanding amounts and the requested amounts. The discrepancy is greater with the 2003 sewer bonds due to funding the costs of issuance and an escrow account. Because this is an advanced refunding and the bonds will not be called until 2013, the proceeds of this issue will be deposited into the escrow account in U.S. Government Treasury Securities and the income will be pulled off to make the payments on the old bonds. The City is only able to earn what the U.S. Government Treasuries will allow, so to make up that difference, more equity is required in the account. That is the reason the bond issue is sized up. It also provides for the possibility that the bonds might be sold with original issue discounts. An analysis showed that...
expected size of the issue likely going to be around 41 million dollars, not 44, but that flexibility must be built in. The 3.1 million dollars in present value savings reflects true savings to the City, after paying all of the costs of the issuance of the bonds and the payment of the negative carry in the escrow account. Administrative costs could be nearly 2%.

Mr. Hubka came forward to respond that the budget will be scrutinized and it is estimated that rates will increase approximately 1% less than they otherwise would have due to these savings.

This matter was taken under advisement.

AMENDING THE PAY SCHEDULE FOR A CERTAIN EMPLOYEE GROUP BY CREATING THE CLASSIFICATIONS OF "FIREFIGHTER PARAMEDIC," "FIREFIGHTER" AND "FIREF APPARATUS OPERATOR" - Doug McDaniel, Director of Personnel, came forward to explain the amendment to Article 38, which provides for reassignment to administration, training and maintenance divisions. Employees shift from a 56 hour work week to a 40 hour work week; therefore, it is necessary to create these classes and restate their pay ranges. In answer to council questions, Mr. McDaniel explained that there is no actual change in salary occurring. He stated that even though these employees are working fewer hours for the same rate of pay, this change would not be called a pay increase by the contractual obligations.

This matter was taken under advisement.

APPROVING AMENDMENT NO. 3 TO THE WOODLANDS AT YANKEE HILL CONDITIONAL ANNEXATION AND ZONING AGREEMENT BETWEEN LEWIS-STARSOSK, INC., JAP-SE, LLC, MIDWEST NET LEASE INVESTORS-SE, LLC, CALKURY, LLC, AND THE CITY OF LINCOLN, NEBRASKA TO DEFER THE TIMING OF CONSTRUCTION OF THE YANKEE HILL ROAD ARTERIAL STREET IMPACT FEE FACILITY, INITIAL PLANT DEVELOPMENT ON PROPERTY GENERALLY LOCATED SOUTH OF 84TH STREET AND YANKEE HILL ROAD FROM DECEMBER 31, 2012 TO DECEMBER 31,

ANNEXATION NO. 11005 - AMENDING THE LINCOLN CORPORATE LIMITS MAP BY ANNEXING APPROXIMATELY 36 ACRES GENERALLY LOCATED SOUTHEAST OF THE INTERSECTION OF SOUTH 70TH STREET AND YANKEE HILL ROAD;

CHANGE OF ZONE 05068B - APPLICATION OF R.C. KRUEGER DEVELOPMENT TO AMEND THE WOODLANDS AT YANKEE HILL PLANNED UNIT DEVELOPMENT TO ADD APPROXIMATELY 36 ACRES GENERALLY LOCATED SOUTHEAST OF THE INTERSECTION OF SOUTH 70TH STREET AND YANKEE HILL ROAD AND APPROVE A CHANGE OF ZONE OVER SAID 36 ACRES FROM AG AGRICULTURAL DISTRICT TO R-3 RESIDENTIAL DISTRICT UNDER A PLANNED UNIT DEVELOPMENT DESIGNATION IN ORDER TO ADD APPROXIMATELY 265,000 SQ. FT. OF COMMERCIAL FLOOR AREA UNDER THE PLANNED UNIT DEVELOPMENT - Mark Hunzeker, Baylor Evnen, 600 Wells Fargo Center, 1248 O St., representing Krueger Development Inc., came forward to explain that this is a continuation of the overall plan that was approved in 2006 for the Woodlands at Yankee Hill and to answer questions.

This matter was taken under advisement.

DESIGNATING KIMBERLY TAYLOR-RILEY, DIRECTOR, COMMISSION ON HUMAN RIGHTS AND EQUAL OPPORTUNITY OFFICE AS THE CITY'S ADA/SECTION 504 COORDINATOR FOR PURPOSES OF THE CITY'S ADA/SECTION 504 CIVIL RIGHTS POLICY;

DESIGNATING KIMBERLY TAYLOR-RILEY, DIRECTOR, COMMISSION ON HUMAN RIGHTS AND EQUAL OPPORTUNITY OFFICE AS THE CITY'S TITLE VI COORDINATOR FOR PURPOSES OF THE CITY'S TITLE VI CIVIL RIGHTS PLAN - Rod Confer, City Attorney, came forward to introduce Ms. Taylor-Riley. Council previously approved designation of an equal opportunity officer to comply with Federal and State rules on equal opportunity. Milo Mumgaard served in that capacity on an interim basis. Kimberly Taylor-Riley has been hired as the Director of Equity and Diversity and will now take on these duties.

Kimberly Taylor-Riley came forward to introduce herself, give her professional background as it pertains to her new position, and expressed excitement to begin working for the City.

This matter was taken under advisement.

APPROVING THE TAX-EXEMPT FINANCING COMPLIANCE PROCEDURE OF THE CITY - Steve Hubka came forward to briefly introduce this issue, which would establish and formalize procedures.

Lauren Wismer, Gilmore & Bell, 1248 O St., Ste. 710, stated that recently there has been more activity and scrutiny on the part of the Internal Revenue Service and the Securities and Exchange Commission with respect to municipal obligations. Form 8038G lets the IRS know every time the City does a tax exempt financing. At the end of last year, this form was revised. It now specifically asks if tax exempt financing compliance procedures are in place to state exactly what the City will do regarding outstanding tax exempt and otherwise tax advantaged bonds. The tax exempt financing compliance procedures have been prepared and need Council approval so that the requirements of regulatory agencies are met. In response to Council questions, Ms. Wismer explained that there is currently no formal requirement for a compliance officer.

Mr. Hubka stated that these procedures will place some additional burden on staff, especially in the first year, but it is not necessary to add more staff at this time.

This matter was taken under advisement.
AMENDING THE FY 11/12 CIP TO AUTHORIZE AND APPROPRIATE $183,569.00 IN TIF FUNDS FOR CONSTRUCTION OF SIDEWALKS, STREET REHAB AND STREET LIGHTS ON YOLANDE AVENUE AND 20TH STREET IN THE YOLANDE AVENUE REDEVELOPMENT AREA - David Landis, Director of Urban Development, came forward to state that this is the final step in a project with manufacturer PCE Incorporated, whose corporate headquarters were recently constructed on Yolande Street. Because they host Fortune 500 companies, they expressed concern over the rough condition of North 20th Street. Instead of using normal street funds, it was decided it would be best to use a small TIF to create the taxes on that manufacturing headquarters in order to assist in making the street repairs. Everything has been approved by the Council except for this change in the CIP budget. In response to Council questions, Mr. Landis stated that it is common to use TIF projects for sidewalks and streetscape and this project is within the context of the Community Redevelopment Law. The dollar amount covers the work plus a 15% contingency. The project is for public benefit and does not go to the bottom line of a private company. He added that there is a great deal of sensitivity on the part of the Council to keep Lincoln business friendly. The company has agreed not to protest the incremental increase in their valuation so there is an expectation that can be relied upon for that income stream for as long as it will be necessary. If the County Assessor did not increase its valuation, then the City would come up short, but that is a highly unlikely situation because this is a significant new building on a formerly empty lot. This matter was taken under advisement.
