control of a promotional association which has the support of all of those

owners.

Tonya Peters, Assistant City Attorney, came forward to explain how the

entertainment districts will work. Venues that allow consumption of alcohol,

entertainment and meet the 750 person indoor occupancy were identified because

anything smaller would be classified as a bar or restaurant, rather than a

venue. The entertainment district area is shared with other property owners,

promotional association must be created. The manager of this association must

available to respond to any complaints or issues within the district.

Additionally, a log will be kept of all issues in order to identify recurrng

problems. The application process is very detailed and the City retains more

control over these types of licenses. Each establishment that wishes to be

involved will be required to acquire a license so that each participant has

responsibility for the commons area; this all allows action to be taken against

a single participant if they are the source of problems. If necessary, the City

is able to pull an entertainment district permit. The Liquor Commission is also

able to revoke the entire commons area license. The area is at least 4,500 square feet. They will be open and shared and will allow patrons to

leave one business with alcohol and walk into another, but within the boundaries

of the designated area. They will have shorter operating hours which end at 1:00 a.m. of favor of this concept, he disagrees with the limitations it places on

smaller establishments outside of the areas designated as potential

entertainment districts; too great of an advantage is given to those who are included.
Jo Tetherow, 3138 Shirley Ct., came forward to state that she disagrees with the single drink purchase limit.

Drew Filippini, 527 Elm St., Greenwood, NE, came forward to state that he and his family recently started a business called Group Therapy Bike Tours in direct response to the news of the development of entertainment districts. These ideas do attract new businesses and young professionals. This matter was taken under advisement.

AMENDING TITLE 9 OF THE LINCOLN MUNICIPAL CODE RELATING TO PUBLIC PEACE AND WELFARE TO ADD A NEW CHAPTER 9.30 ENTITLED "DONATION BOXES" BY ADDING SECTION 9.30.010 TO PROVIDE FOR DEFINITIONS USED IN THIS CHAPTER; ADDING SECTION 9.30.020 TO PROVIDE FOR THE LEGISLATIVE INTENT OF THE COUNCIL; ADDING SECTION 9.30.030 TO PROHIBIT DONATION BOXES FOR OTHER THAN CHARITABLE PURPOSES; ADDING SECTION 9.30.040 TO PROVIDE FOR ISSUANCE OF DONATION BOX PERMITS; ADDING SECTION 9.30.050 TO PROVIDE FOR NOTICE OF APPLICATION; ADDING SECTION 9.30.060 TO PROVIDE EXEMPTIONS FOR DONATION BOXES ON PROPERTY OWNED BY A CHARITABLE ORGANIZATION; AND ADDING SECTION 9.30.070 TO PROVIDE FOR SEVERABILITY OF THE PROVISIONS OF THIS CHAPTER - Rector of the Roman Catholic Cathedral Church of the Nativity in favor of this ordinance. His organization is a direct recipient of some of the donations that Goodwill receives and those donations help to fund their public safety mission.

Clayton Naff, 3310 S. 27th St., came forward in favor of the ordinance. He stated that a portion of the donations from the collection boxes goes to charitable organizations, local organizations still lose, and they directly and indirectly serve the vulnerable in this community.

Rod Confer, City Attorney, came forward to answer Council questions. He replied that although a large part of the funds do not go to the charity, it is paying a fund-raiser to raise funds. In answer to Council questions, Mr. Schultz replied that although a large part of the funds do not go to the charity, it is no different from the charity hiring employees to collect and sort through donations on their behalf.

JoAnn Pickrel, 2835 S. 14th St., came forward representing Goodwill Industries in support of this ordinance. Goodwill employs approximately 100 people in Lincoln; 38 are full-time positions. The Lincoln payroll in 2012 was 2.1 million and these jobs are 100% supported by the donated goods program. More than 99% of Lincoln Goodwill programs and operations are funded by donated goods. Last year, over 4,000 Lincoln residents were served; many of these individuals do not qualify for other employment programs or are difficult to serve for various reasons. Rather than duplicate services, other agencies operate programs that feed into and/or receive support from Goodwill. Anything that is generated from community donations stays in Lincoln.

Jack Schultz, P.O. Box 82028, came forward representing EZ Drop. EZ Drop Inc. is a local business that has been operating in Lincoln for over four years without a single complaint. The March of Dimes has an independent contractor who arranges for the locations of donation boxes. They then contract with EZ Drop for the provisions of the boxes, their maintenance, and they maintain, consolidate and liquidation of the goods. The March of Dimes receives approximately a third of the profits from this operation. No attempt is made to hide the identity of anyone involved. The situation is analogous to a politician paying a fund-raiser to raise funds. In answer to Council questions, Mr. Schultz replied that although a large part of the funds do not go to the charity, it is no different from the charity hiring employees to collect and sort through donations on behalf of the charity.

Rosemary Opbroek, State Director for the March of Dimes, came forward to state that the March of Dimes is not opposed to this idea and they think it is good corporate stewardship, but they hope to have a conversation about how to best make it work for all parties already involved. The mission of the March of Dimes is to give babies a healthy start in life by preventing prematurity, birth defects and infant mortality. They receive approximately 10% of their gross profits, which is a substantial donation; they have gotten over $160,000.00 over the past 3 years.

Michael Fleming, 1926 NW 53rd St., came forward as a local individual whose family was directly impacted by the March of Dimes. Both Neonatal Intensive Care Units in Lincoln use the tools and research of the March of Dimes.

Erik Younger, 3620 San Mateo Ln., came forward to share the story of how his family was impacted by the March of Dimes. The drop boxes increase awareness for the charity and their mission.

Clinton Collins, no address given, came forward to state he has concerns for smaller charitable organizations who do not have 501(c)(3) status. The help they provide stays within this community.

Rod Confer, City Attorney, came forward to answer Council questions. He stated that administrative costs for any charitable organization with 501(c)(3) status are considered part of their charitable uses. It would be possible to restructure the arrangement the March of Dimes has with EZ Drop to satisfy the ordinance. An amendment has been suggested that would refine the definition of donation boxes.

Pastor Tom Barber, People's City Mission, came forward to speak in favor of this ordinance. His organization is a direct recipient of some of the donations that Goodwill receives and those donations help to fund their public safety mission.
ACCEPTING THE REPORT OF NEW AND PENDING CLAIMS AGAINST THE CITY AND APPROVING DISPOSITION OF CLAIMS SET FORTH FOR THE PERIOD OF APRIL 1-15, 2013 - Rod Confer, City Attorney, came forward to explain the request for the removal of DuPont from the list of denied claims. Council Member Camp made motion to remove DuPont from the list of denied claims and Council voted.

APPROVING AN INTERLOCAL AGREEMENT BETWEEN THE CITY OF LINCOLN AND LANCASTER COUNTY SCHOOL DISTRICT 001 TO PROVIDE FOR MAINTENANCE AND OTHER OBLIGATIONS FOR HERITAGE SCHOOL LOCATED NEAR THE NATURE CENTER IN PIONEERS PARK - Terry Genrich, Lincoln Parks & Recreation Department, came forward to state that in 2009, Heritage School moved from State Fair Park to Pioneers Park. Lincoln Public Schools continues to use it as part of their 4th Grade curriculum. This agreement outlines some of the responsibilities for care of the facility and clarifies who pays for them. This matter was taken under advisement.

APPROVING A CONSTRUCTION ENGINEERING SERVICES AGREEMENT BETWEEN THE CITY OF LINCOLN AND THE NEBRASKA DEPT. OF ROADS FOR THE USE OF FEDERAL HIGHWAY SAFETY IMPROVEMENT PROGRAM FUNDS FOR THE SUPERIOR STREET AND I-180 EAST RAMP SAFETY PROJECT (PROJECT NO. HSIP-5254(8); CITY PROJECT NO. 7021) - Craig Aldridge, Public Works & Utilities Department, came forward to answer Council questions. The reason this project has come before Council in stages rather than as a single project is simply due to the timing of various aspects of the project. This matter was taken under advisement.
