AT THE STADIUM TERRACE OF PINNACLE BANK ARENA AT 400 PINNACLE ARENA DRIVE ON APRIL 25, 2014 FROM 10:00 A.M. TO 2:00 A.M. - Tom Lorenz, General Manager for Pinnacle Bank
Arena, 400 Pinnacle Arena Drive, came forward to answer questions. On April 25th it is for Larry The Cable Guy & the one’s on May 30, June 7, June 21, & Aug. 20 are all for concerts. There’s an area on the northeast corner of the Arena called Stadium Terrace & pre-event, we may have some opportunity to close that off & do some bands or things like that. The larger request is for May 3rd which is Beerfest and the reason we need to SDL the whole area is in order to resell back any extra beverages to the distributor. This matter was taken under advisement.

CHANGE OF ZONE 14003 - APPLICATION OF B&J PARTNERSHIP FOR A CHANGE OF ZONE FROM H-3 HIGHWAY COMMERCIAL DISTRICT TO I-1 INDUSTRIAL DISTRICT, ON PROPERTY GENERALLY LOCATED AT NORTH 31ST STREET CIRCLE AND CORNHUSKER HIGHWAY - Michael Rierden, Rierden Law, 645 M St Suite 200, attorney for applicant, came forward to state the reason behind this request is so the applicant can build some rental storage facilities. STREET NAME CHANGE 14001 – RENAMING TRANSFORMATION DRIVE AS NORTH 21ST STREET AND RENEWABLE DRIVE AS TRANSFORMATION DRIVE LOCATED IN NEBRASKA INNOVATION CAMPUS ADDITION - Tim Gergen, Clark Enersen Partners, representing owners/developers of Innovation Campus came forward. Just here today for a street name change changing Transformation Drive to N. 21st St. The purpose is to allow for better directions to be given to out-of-town guests to Innovation Campus to help them align better with the existing north-south streets of Lincoln all being numbered streets. This is also to change Renewable Drive to Transformation Drive. Discussion followed. This matter was taken under advisement.

APPROVING A COMMERCIAL NET GROUND LEASE FOR SITE NO. 2850 IN LINCOLN AIR PARK WEST BETWEEN THE CITY OF LINCOLN AND AIRPORT AUTHORITY OF THE CITY OF LINCOLN FOR THE LEASE OF 80 ACRES OF PROPERTY LOCATED IN AIR PARK WEST FOR A 30 YEAR TERM WITH THE OPTION TO RENEW FOR ONE ADDITIONAL 10 YEAR TERM - Jim Peschong, Chief of Police, came forward. This agreement is between the Police Department & the Airport Authority for a new shooting range for the Police Department. We are hoping this could become a regional safety training campus. The military has signed on with this project so we’ll have money to buy some supplies, targets, etc. but the military is going to do the majority of the work, build the berms for backstops, etc. There is some potential also to have the military use it for their 2 week annual training where, for example, we would have building supplies on hand to build a building & the military members would construct it.

Jon Camp, Council Member, inquired if there is any liability towards clean up after the term is up. Chief Peschong responded there would probably be some. We have that in our current contract with the Airport Authority & we are contracting with a firm from Colorado with a cost of approximately $125,000. Discussion followed.

Leiron Gaylor Baird, Council Member, stated they received some clarification on the lease cost in the pre-Council meeting. We saw on the Fact Sheet where there was a cost of $2720 per year but that there is a charge back to the Airport Authority. Chief Peschong stated the Airport Authority has to show there is some kind of fee being charged for the land. However, the Airport Authority has agreed to pay that amount of money to us for qualifying their officers for their State Firearms Certification. So, there are actually no dollars spent. Discussion followed.

Dave Wedin, 3434 S. 28th St., professor at UNL’s School of Natural Resources & Director of Nine Mile Prairie, came forward in support. This matter was taken under advisement.

APPROVING THE AMENDED AND RESTATED MANAGEMENT AND MAINTENANCE CONTRACT FOR WEST HAYMARKET AND DOWNTOWN BUSINESS IMPROVEMENT DISTRICTS BETWEEN THE CITY OF LINCOLN AND AIRPORT AUTHORITY OF THE CITY OF LINCOLN FOR THE LEASE OF 80 ACRES OF PROPERTY LOCATED IN AIR PARK WEST FOR A 30 YEAR TERM WITH THE OPTION TO RENEW FOR ONE ADDITIONAL 10 YEAR TERM - Dave Landis, Urban Development Director, came forward. In August, we set the budget for the Downtown BID. There are actually 3 BID’s...one in maintenance & two in management. In January, we added a new area to those BID’s, the West Haymarket area. Therefore, we have new area’s that need maintained and the budget set back in August does not allow for those extra costs. Our current maintenance budget for Downtown is $547,000. This adds $65,000 to that. However, the City’s portion is half that because DLA & their members provide the other half from the landowners in the area. So total cost is approximately $612,000 but this is just for 6 months so next year you’ll see different numbers. The management budgets have to be changed as well. Those numbers are totally born by landowners & nothing
at the cost of the City. That number is about $50,000. Under this proposal, that too will need to be altered in the next budget cycle. The money spent in the maintenance area includes planting beds, irrigation, weeding, removing garbage, cleaning sidewalks, fertilizer, flower care, snow removal, handicap ramps, & trimming of small trees & shrubs. If this wasn’t approved, we would still have these maintenance needs but they would fall solely on the City.

Terry Uland, Downtown Lincoln Association, 206 S. 13th St., came forward in support.

This matter was taken under advisement.
