On each date upon which a portion of the Cumulative Outstanding Principal Amount is paid to the Registered Owner pursuant to the redemption provisions of the Ordinance, the Registered Owner may enter the principal amount paid on this Bond under the column headed "Principal Amount Redeemed" on the Table and may enter Then outstanding principal amount of this Bond under the column headed "Cumulative Outstanding Principal Amount" on the Table. Notwithstanding the foregoing, the records maintained by the Trustee as to the principal amount issued and principal amounts paid on this Bond shall be the official records of the Cumulative Outstanding Principal Amount of this Bond for all purposes.

Reference is hereby made to the Ordinance, a copy of which is on file in the office of the City Clerk, and to all of the provisions of which each Owner of this Bond by its acceptance hereof hereby assents, for definitions of terms; the description of and the nature and extent of the security for this Bond; the [Occupation] Tax Revenue and other money and securities pledged to the payment of the principal of and interest on this Bond; the nature and extent and manner of enforcement of the pledge; the conditions upon which the Ordinance may be amended or supplemented with or without the consent of the Owner of this Bond; the rights, duties and obligations of the City and the Registrar thereunder; the terms and provisions upon which the liens, pledges, charges, trusts and covenants made therein may be discharged at or prior to the maturity or redemption of this Bond, and this Bond thereafter no longer be secured by the Ordinance or be deemed to be outstanding thereunder, if money or certain specified securities shall have been deposited with the Registrar sufficient and held in trust solely for the payment hereof; and for the other terms and provisions thereof.

This Bond is subject to redemption prior to maturity, at the option of the City, in whole or in part at any time at a redemption price equal to 100% of the principal amount being redeemed, plus accrued interest on such principal amount to the date fixed for redemption. Reference is hereby made to the Ordinance for a description of the redemption procedures and the notice requirements pertaining thereto.

In the event this Bond is called for prior redemption, notice of such redemption shall be given by first-class mail to the Registered Owner hereof at its address as shown on the registration books maintained by the Registrar not less than 10 days prior to the date fixed for redemption, unless waived by the Registered Owner hereof. If this Bond, or any portion thereof, shall have been duly called for redemption and notice of such redemption duly given as provided, then upon such redemption date the portion of this Bond so redeemed shall become due and payable and if money for the payment of the portion of the Bond so redeemed and the accrued interest thereon to the date fixed for redemption shall be held for the purpose of such payment by the Registrar, interest shall cease to accrue and become payable hereon from and after the redemption date.

This Bond is transferable by the Registered Owner hereof in person or by its attorney or legal representative duly authorized in writing at the principal office of the Registrar, but only in the manner, subject to the limitations and upon payment of the charges provided in the Ordinance, and upon surrender and cancellation of this Bond. Upon such transfer, a new Bond of the same series and maturity and for the

same principal amount will be issued to the transferee in exchange therefor. The City and the Registrar may deem and treat the Registered Owner hereof as the absolute owner hereof for the purpose of receiving payment of or on account of principal of and interest due hereon and for all other purposes.

This bond is being issued as fully a registered bond without coupons. This bond is subject to exchange as provided in the Ordinance.

It is hereby certified, recited and declared that all acts, conditions and things required to have happened, to exist and to have been performed precedent to and in the issuance of this Bond have happened, do exist and have been performed in regular and due time, form and manner; that this Bond does not exceed any constitutional, statutory or charter limitation on indebtedness; and that provision has been made for the payment of the principal of and interest on this Bond as provided in this Ordinance.

**DEFEASANCE; MONEY HELD FOR PAYMENT OF  
DEFEASED BONDS**

**Section 9.1. Discharge of Liens and Pledges; Bond No Longer Outstanding Hereunder.** The obligations of the City under this Ordinance, including any ordinances, resolutions or other proceedings supplemental hereto, and the liens, pledges, charges, trusts, assignments, covenants and agreements of the City herein or therein made or provided for, shall be fully discharged and satisfied as to the Bonds or any portion thereof, and the Bonds or any portion thereof shall no longer be deemed to be outstanding hereunder and thereunder,

- (a) when any Bond or portion thereof shall have been canceled, or shall have been surrendered for cancellation or is subject to cancellation, or shall have been purchased from money in any of the funds held under this Ordinance, or
- (b) if any Bond or portion thereof is not canceled or surrendered for cancellation or subject to cancellation or so purchased, when payment of the principal of such Bond or any portion thereof, plus interest on such principal to the due date thereof (whether such due date be by reason of maturity or upon redemption or prepayment, or otherwise), either (1) shall have been made or

caused to be made in accordance with the terms thereof, or (2) shall have been provided by irrevocably depositing with the Registrar for the Bonds, in trust and irrevocably set aside exclusively for such payment, (A) money sufficient to make such payment or (B) Escrow Obligations maturing as to principal and interest in such amount and at such times as will insure the availability of sufficient money to make such payment.

Provided that, with respect to any total redemption of any Bond, notice of redemption shall have been duly given or provision satisfactory to the Registrar shall have been made therefor, or waiver of such notice, satisfactory in form, shall have been filed with the Registrar.

At such time as any Bond or portion thereof shall no longer be outstanding hereunder, as provided, such Bond or portion thereof shall cease to draw interest from the due date thereof (whether such due date be by reason of maturity or upon redemption or prepayment or otherwise) and, except for the purposes of any such payment from such money or such Escrow Obligations, such Bond or portion thereof shall no longer be secured by or entitled to the benefits of this Ordinance.

Any such money so deposited with the Registrar for any Bond or portion thereof as provided in this **Section 9.1** may at the direction of the Finance Director also be invested and reinvested in Escrow Obligations, maturing in the amounts and times as hereinbefore set forth. All income from all Escrow Obligations in the hands of the Registrar which is not required for the payment of such Bond or portion thereof and interest thereon with respect to which such money shall have been so deposited, shall be paid to the City and deposited in the Special Fund as and when realized and collected for use and application as is other money deposited in that fund.

Anything in this Ordinance to the contrary notwithstanding, if money or Escrow Obligations have been deposited or set aside with the Registrar pursuant to this **Section 9.1** for the payment of any Bond and such Bond shall not have in fact been actually paid in full, no amendment to the provisions of this **Section 9.1** shall be valid as to or binding upon the Owner thereof without the consent of such Owner.

**Section 9.2. Certain Limitations After Due Date.** If sufficient money or Escrow Obligations shall have been deposited in accordance with the terms hereof with the Registrar in trust for the purpose of paying the Bonds or any portion thereof and the accrued interest thereon when the same becomes due, whether at maturity or upon earlier redemption, all liability of the City for such payment shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Registrar to hold such money or Escrow Obligations, without liability to the Owners for interest thereon, in trust for the benefit of the Owners, who thereafter shall be restricted exclusively to such money or Escrow Obligations for any claim for such payment of whatsoever nature on his part.

Notwithstanding the provisions of the preceding paragraph of this **Section 9.2**, money or Escrow Obligations held by the Registrar in trust for the payment and discharge of the principal of and accrued interest on any Bond which remain unclaimed for five years after the date on which such payment shall have become due and payable, either because the Bonds shall have reached their maturity date or because the entire principal balance of the Bonds shall have been called for redemption, if such money was held by the Registrar or such paying agent at such date, or for five years after the date of deposit of such money, if deposited with the Registrar after the date when such Bond became due and payable, shall, at the written request of the City be repaid by the Registrar to the City as the City's property and free from the trust created by this Ordinance, and the Registrar shall thereupon be released and discharged with respect thereto, and the Owner thereof shall look only to the City for the payment thereof.

## ARTICLE X

### AMENDING AND SUPPLEMENTING OF ORDINANCE

#### **Section 10.1. Amending and Supplementing of Ordinance Without Consent of Owners.**

The City may at any time without the consent or concurrence of the Owners of the Bonds adopt an ordinance amendatory hereof or supplemental hereto if the provisions of such supplemental ordinance do not materially adversely affect the rights of the Owners of the Bonds, for any one or more of the following purposes:

(a) To make any changes or corrections in this Ordinance as to which the City shall have been advised by counsel that the same are verbal corrections or changes or are required for the purpose of curing or correcting any ambiguity or defective or inconsistent provision or omission or mistake or manifest error contained in this Ordinance, or to insert in this Ordinance such provisions clarifying matters or questions arising under this Ordinance as are necessary or desirable;

(b) To add additional covenants and agreements of the City for the purpose of further securing payment of the Bonds;

(c) To surrender any right, power or privilege reserved to or conferred upon the City by the terms of this Ordinance;

(d) To confirm as further assurance any lien, pledge or charge, or the subjection to any lien, pledge or charge, created or to be created by the provisions of this Ordinance; and

(e) To grant to or confer upon the Owner of the Bonds any additional rights, remedies, powers, authority or security that lawfully may be granted to or conferred upon them.

The City shall not adopt any supplemental ordinance authorized by the foregoing provisions of this **Section 10.1** unless in the opinion of counsel the adoption of such supplemental ordinance is permitted by the foregoing provisions of this **Section 10.1** and the provisions of such supplemental ordinance do not materially and adversely affect the rights of the Owners of the Bonds.

**Section 10.2. Amending and Supplementing of Ordinance with Consent of Owners.** With the consent of the Owners of not less than a majority in principal amount of the Bonds then outstanding, the City from time to time and at any time may adopt an ordinance amendatory hereof or supplemental hereto for the purpose of adding any provisions to, or changing in any manner or eliminating any of the provisions of, this Ordinance, or modifying or amending the rights and obligations of the City under this Ordinance, or modifying or amending in any manner the rights of the Owners of the Bonds then outstanding; provided, however, that, without the specific consent of the Owner of each such Bond which would be affected thereby, no supplemental ordinance amending or supplementing the provisions hereof shall: (a) change the fixed maturity date for the payment of interest thereon or the terms of the redemption thereof, or reduce the principal amount of any Bond or the rate of interest thereon or the Redemption Price payable upon the redemption or prepayment thereof; (b) reduce the percentage of Bonds, the Owners of which are required to consent to any supplemental ordinance amending or supplementing the provisions of this Ordinance; (c) give to any Bond or Bonds any preference over any other Bond or Bonds secured hereby; (d) authorize the creation of any pledge of the Tax Revenues and other money and securities pledged hereunder, prior, superior or equal to the pledge of and lien and charge thereon created herein for the payment of the Bonds except to the extent provided in **Articles III** and **V**; or (e) deprive any Owner of the Bonds in any material respect of the security afforded by this Ordinance. Nothing in this paragraph contained, however, shall be

construed as making necessary the approval of the Owners of the Bonds of the adoption of any supplemental ordinance authorized by the provisions of **Section 10.1**.

It shall not be necessary that the consents of the Owners of the Bonds approve the particular form of wording of the proposed amendment or supplement or of the proposed supplemental ordinance effecting such amendment or supplement, but it shall be sufficient if such consents approve the substance of the proposed amendment or supplement. After the Owners of the required percentage of Bonds shall have filed their consents to the amending or supplementing hereof pursuant to this Section, the City may adopt such supplemental ordinance.

**Section 10.3. Effectiveness of Supplemental Ordinance.** Upon the adoption (pursuant to this **Article XI** and applicable law) by the City of any supplemental ordinance amending or supplementing the provisions of this Ordinance or upon such later date as may be specified in such supplemental ordinance, (a) this Ordinance and the Bonds shall be modified and amended in accordance with such supplemental ordinance, (b) the respective rights, limitations of rights, obligations, duties and immunities under this Ordinance and the Owners of the Bonds shall thereafter be determined, exercised and enforced under this Ordinance subject in all respects to such modifications and amendments, and (c) all of the terms and conditions of any such supplemental ordinance shall be a part of the terms and conditions of the Bonds and of this Ordinance for any and all purposes.

If any provisions of this Ordinance shall be held or deemed to be or shall, in fact, be inoperative or unenforceable or invalid as applied in any particular case in any jurisdiction or jurisdictions or in all jurisdictions, or in all cases because it conflicts with any constitution or statute or rule of public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable or invalid in any other case or circumstance, or of rendering any other provision or provisions herein contained inoperative or unenforceable or invalid to any extent whatever.
