AMENDING TITLE 1 OF THE LINCOLN MUNICIPAL CODE RELATING TO GENERAL PROVISIONS TO CREATE A NEW CHAPTER 1.30, SALE OF CITY REAL PROPERTY - Tim Sieh, City Attorney, came forward to answer any questions.
Carl Eskridge, Council Member, asked Mr. Sieh to explain the necessity for this, what problems are we trying to fix.
Mr. Sieh stated some of the problems that come up are found in the exceptions that you’ll see in the ordinance. The Charter allows for property to be sold upon an authorization by Council. And that has to be in the form of an ordinance. This is a delegation of the Council’s authority to the Mayor’s office so that for those properties that were never intended to be owned for the City’s ongoing purposes, such as for a park. This is only for property the City has never intended to hold on to. Discussion followed.
Coby Mach, Lincoln Independent Business Association, 620 N. 48th St., Suite 205, came forward in opposition. This may streamline the process, may save time, but it goes against the City Charter, stifles public comment, reduces public accountability, reduces transparency. Discussion followed.
This matter was taken under advisement.

COMP. PLAN CONFORMANCE 14014 - DECLARING APPROX. 545 SQUARE FEET OF PROPERTY GENERALLY LOCATED AT NORTH 70TH STREET AND CUMING STREET AS SURPLUS PROPERTY - Steve Werthman, Urban Development Department, came forward to state that this is for a triangular piece of property that is no longer needed for right-of-way. We will retain an easement for an existing sanitary sewer line.
Roy Christensen, Council Member, inquired as to how this property is being used now, who is using it?
Mr. Werthman responded that it was taken quite a while ago in a Sheriff’s sale. No one is using it at this time & they can’t build anything on it because there’s a sanitary sewer easement line. They neighbor may be interested in it to be added as part of their land. Discussion followed.
This matter was taken under advisement.
COMP. PLAN CONFORMANCE 14015 - DECLARING APPROX. 2.7 ACRES OF PROPERTY GENERALLY LOCATED AT THE NORTHWEST CORNER OF SOUTH 27TH STREET AND OLD CHENEY ROAD AS SURPLUS PROPERTY - Steve Werthman, Urban Development, came forward to answer questions.

Mr. Camp stated that he understands there are 2 very interested parties in this parcel. Discussion followed.

Tom Huston, 233 S. 13th Suite 1900, representing South Lincoln Apartments dba Old Cheney Apartments. My client has been trying to work with the City in trying to acquire this property for 8 to 10 years now. Prior to Administrative Reg. #2, the City had advertised the property for sale. My client had submitted an offer. They are certainly willing to buy this property. The adoption of Administrative Reg. #2 turns the process into a three step process. First, there’d be the declaration of surplus, which is in front of you today. Second, at some point, the selected proposal would come back before you in the form of a Real Estate Purchase Agreement, which would be 30-45 days from now. And the third step then would be the ultimate land use. No matter what happens to this property, the Change of Zone and/or Special Permit would come before Council as well. My client is willing to go thru that process. The adoption of the Access Management Policy, changes the rules. If a proposal is submitted to the City, I think any proposal would have to follow the Access Management Policy which does provide an avenue if someone requests a deviation from the policy, they can do so & they can work with Public Works on that request & that request can be appealed to the City Council. And that would be a fourth step. Discussion followed.

This matter was taken under advisement.

COMP. PLAN CONFORMANCE 14016 - DECLARING APPROX. 25.73 ACRES OF PROPERTY GENERALLY LOCATED SOUTHEAST OF SOUTH 84TH STREET AND YANKEE HILL ROAD AS SURPLUS PROPERTY - Lynn Johnson, Parks & Recreation Department, came forward to state this is a follow up to the Purchase & Sale Agreement that was approved by the City Council & the Lincoln Public Schools Board on July 21st. Planning Commission has approved it. Discussion followed.

This matter was taken under advisement.
Mr. Johnson stated Bison Witches has applied for a Sidewalk Café permit. A second tenant is interested in doing a sidewalk café permit as well. This could affect them. Discussion followed.

Trent Fellers, Council Member, inquired if the lighted piece would shut off at the time of closing. Mr. Johnson stated they do have the ability to control the hours of operation on the lighting of the tower & we haven’t set those hours yet but that probably is a good idea to have the lights shut down at 2 a.m. as a signal the park was closed.

This matter was taken under advisement.

APPROVING THE GRANT APPLICATION TO THE NEBRASKA GAME AND PARKS COMMISSION FOR A RECREATIONAL TRAILS PROGRAM PROJECT GRANT TO RENOVATE THE MURDOCK TRAIL FROM TOUZALIN AVE. TO 70TH STREET - Lynn Johnson, Parks & Recreation Department, came forward to state that these are Federal Transportation Enhancement Funds that are administered by the Nebraska Game & Parks Commission. One of the conditions of approval is that we secure resolution, from the City Council, authorizing submittal of the Grant Application, affirming the matching funding for the grant, indicating that the City will maintain & operate the facility once it’s completed, that we’ll comply with the provisions of the Grant Program, & that we’ll also comply with Federal accessibility requirements. The majority of the Murdock Trail is limestone & this will upgrade that trail to 10 ft. wide concrete. This is only trail in Lincoln that is not concrete. Mr. Camp stated this has a City cost of $56,000 whereas on the other two, it’s about $100,000. Any particular reason why there’s a difference? Mr. Johnson stated that it has to do with how we’re able to put together the matching funding. The matched funds for this project are $50,000 from the Great Plains Trail Network & about $5,900 from the Parks & Rec. CIP. Discussion followed.

This matter was taken under advisement.

APPROVING THE GRANT APPLICATION TO THE NEBRASKA GAME AND PARKS COMMISSION FOR A RECREATIONAL TRAILS PROGRAM PROJECT GRANT TO FUND THE PIONEERS PARK TRAIL - PHASE III TO COMPLETE CONSTRUCTION OF A TRAIL FROM THE SOUTHERN BORDER OF THE NATURE CENTER TO THE WESTERN EDGE OF THE PARK.

APPROVING THE GRANT APPLICATION TO THE CITY OF LINCOLN AND THE NEBRASKA GAME AND PARKS COMMISSION FOR CONSTRUCTION OF THE WILDERNESS PARK SOUTH BRIDGE NORTH OF SALTILLO ROAD - Lynn Johnson, Parks & Recreation Department, came forward to state this is similar to the previous item. The trail project in Pioneers Park is the third phase in a multi-phase project. This extends the trail from the eastern boundary of Pioneers Park Nature Center to the western edge of the park, provides access to a part of the park that a lot of people haven’t seen, and gives us access to a bridge that is going to be constructed for maintenance. The second project is replacement of a trail bridge in the southern end of Wilderness Park just north of Saltillo Road where we had a uniquely engineered bridge that failed about 3 or 4 years ago & this is to replace it.
Mr. Camp inquired why the City’s contribution would only be $50,000 on the first one but this shows $100,000. 
Mr. Johnson stated that the match for this grant is $149,850. There is $30,000 from Great Plains Trails Network, $70,000 of settlement funds associated with the failure of the original bridge, and $49,850 from the Parks & Rec. CIP.

This matter was taken under advisement.

APPROVING THE LABOR CONTRACT BETWEEN THE CITY OF LINCOLN AND THE LINCOLN CITY EMPLOYEES ASSOCIATION (LCEA) TO BE EFFECTIVE AUGUST 14, 2014 THROUGH AUGUST 31, 2016 - Doug McDaniel, Human Resources, came forward to state that this allows for a 2.25% salary increase for both years. We negotiated to limit voluntary elective schedules to 12 months whereas, previously, it was undefined. We also negotiated a new health care plan design.

This matter was taken under advisement.

APPROVING THE NAMING OF PROPERTY GENERALLY LOCATED ALONG THE OPPD RAILROAD LINE SOUTHWEST OF 70TH STREET AND PINE LAKE ROAD AS “JONATHAN GAPP GREENWAY” - Lynn Johnson, Parks & Recreation Department, came forward to state this is naming a piece of property that was acquired back in 2008. A portion of it was acquired for sanitary sewer easement & the remainder of the property was donated for open space. It will be a piece of property that will be associated with the extension, in the future, of the Beal Slough Trail. When the family donated the property, they requested that it be named in recognition of their son who is a survivor of childhood cancer. The original deed, when it was transferred to the City, had that provision in it. This request is that the property be formally named “Jonathan Gapp Park”. It was originally proposed as “Greenway”. We’ve had some additional conversations with the family & they really would like for it to be named “Park”. The Parks & Recreation Advisory Board has reviewed this & their recommending approval.

Mr. Camp inquired about maintenance costs.

Mr. Johnson replied that much of this land is floodplain & the majority of the use will be for the trail corridors. The Gapp Family did ask about developing a seating area there that could be kind of a quiet, contemplative place. They’re interested in doing some fundraising for that so this will have fairly minimal maintenance costs. The Gapp’s have planted a significant number of trees on this property.

Leirion Gaylor Baird, Council Member, stated that she was pleased to find out this was a celebration & not a memorial. Hope the family knows how grateful the City is for this gift.

This matter was taken under advisement.

(a) The basic wastewater use unit charge is hereby established as 185.9 cents.

(b) For any given residential property, the basic wastewater use charge for each billing cycle shall be determined by multiplying for each such cycle the total amount of water, in hundreds of cubic feet, metered for said property during a billing cycle chosen by the Director from the most recent past winter, by the basic wastewater use unit charge.

In the case of change of occupancy of residential property, if the Director reasonably determines that to compute the basic wastewater use charge for a given billing cycle upon the amount of water used by such property during such winter billing cycle would be inequitable either to the City or to the user, she shall use the average amount of water used by like users during such winter billing cycle to compute such charge.

(c) For any non-residential property, the basic wastewater use charge for a given billing cycle shall be determined by multiplying for each cycle the amount of water or wastewater, in hundreds of cubic feet, measured for said property during such cycle, by the basic wastewater use unit charge.

(d) Non-residential users shall be given credit, at the same rate, for water not discharged into the sanitary sewers provided such water is separately metered with the approval of the Public Utilities Department and at the customer’s expense.

WHEREAS, the basic wastewater use unit charge is hereby established as 185.9 cents.

**SERVICE CHARGE**

Regardless of whether a wastewater meter is used, there shall be a service charge per month to each property using the Lincoln Wastewater System, determined by the number and size of the water meters serving such property, to-wit:
