CITY TO RECYCLE TREES FOR 28TH YEAR

The City will accept trees for recycling at seven sites from Christmas Day through Sunday, January 11. The tree collection sites are:
- Ballard Park, 3901 N. 66th St.
- Oak Lake Park, three blocks south of Cornhusker on 1st Street
- University Place Park, 50th and Garland streets
- Holmes Lake Park, parking lot west of the north softball field
- Tierra Park, 29th and Tierra Drive
- Woods Park, 31st and “J” streets, southeast corner of the parking lot
- Hofeling Enterprises, 2200 S. Folsom Court (8 a.m. to 5 p.m. weekdays)

Hofeling Enterprises has again donated grinding services, and the tree mulch will be distributed free to Lincoln residents beginning Monday, January 19. The mulch is available from 8 a.m. to 5 p.m. weekdays at 2200 S. Folsom Court on a first-come, first-served basis.

The City Recycling Office reminds residents recycling their trees to remove plastic bags used for transport and put them in trash cans at the recycling sites. All nails, wires and tree stands must be removed.

The City of Lincoln began offering the tree recycling program in 1987 to keep large quantities of trees from going to the landfill. Lincoln’s tree recycling program is the oldest of its kind in Nebraska. In the last 27 years, the City has recycled an estimated 217,700 trees.

For more information on the tree recycling program or the City’s recycling program in general, call the Recycling Hotline at 402-441-8215 or visit recycle.lincoln.ne.gov.
LINCOLN RECYCLES DAY RAISES
$1,000 FOR LPS RECYCLING PROGRAM

The scrap metal recycling drive conducted in November as part of Lincoln Recycles Day raised
$1,000 for the Lincoln Public Schools (LPS) recycling program. Residents were asked to bring
scrap metal to Alter Metal Recycling or Sadoff Iron and Metal Company and to donate all or part
of the proceeds to benefit the LPS recycling program. The companies matched the public’s
donations and presented checks December 18 (photo attached).

“LPS would like to thank Alter Metal Recycling and Sadoff Iron and Metal Company for
supporting the LPS Recycling Program through their generous donations from the scrap metal
drive,” said Brittney Albin, LPS Recycling Program Coordinator. “The funds earned from the
community’s recycled metal will purchase new containers made from recycled metal, closing the
recycling loop.”

Lincoln Recycles Day 2014 activities also included the following events:
• Shredding Solutions and Recycling Enterprises collected 5,315 pounds of paper during a
  free document shredding event November 8.
• Hofeling Enterprises collected about 13 cubic yards of wood waste during a free
  collection event November 14.
• During November, the City Recycling Office visited two recycling drop-off sites to catch
  recyclers “green handed.” Twenty people received drawstring bags from the Public
  Works and Utilities Department, coupons from Amigos and Pepsi, rain gauges, lanyards,
  coasters and Recycling Office pencils, stickers and magnets. Gift bag winners included
  Karen Hough, Jessica Johnson, Ron Jones, Molly Kreifels, Teresa Otto and Christina
  Poe.

Since 1990, the network of drop-off sites has collected over 260 million pounds of recyclables.
More information on recycling is available at recycle.lincoln.ne.gov.

FLU ACTIVITY IS ON THE RISE

The Lincoln-Lancaster County Health Department (LLCHD) today reports that influenza has been on the increase over the past two weeks. Nine cases of flu have been confirmed in Lancaster County, and many people have flu-like illness. LLCHD also reports that an outbreak of pertussis (whooping cough) continues. Both illnesses are spread through coughing and sneezing in close contact with others. Both can cause more serious illness in the very young (especially infants), the very old and those with chronic health conditions.

“We strongly recommends that those at risk for serious illness from these infections, reduce their risk of exposure,” said Health Director Judy Halstead. “They should avoid crowds and being in close contact with others who have a cough or flu symptoms. Parents should be sure children have their pertussis and annual flu immunizations. Adults should have at least one adult pertussis immunization since childhood and an annual flu immunization.”

To reduce the risk of getting or spreading these illnesses, these practices are recommended:
• Cover your mouth and nose with a tissue or sleeve when you cough or sneeze.
• Wash hands thoroughly and frequently throughout the day.
• Stay home when you have fever, cough, sore throat, fatigue, chills and achiness.

Influenza is a highly infectious disease of the lungs that can cause mild to severe illness. The primary method for preventing influenza is a flu shot, and antibodies that protect against the flu virus develop about two weeks after vaccination. The Centers for Disease Control and Prevention recommends an annual flu vaccine for everyone six months and older. While some of the viruses spreading this season are different from what is in the vaccine, vaccination can still provide protection and might reduce serious complications.

Flu vaccination is especially important for those at high risk of having serious complications:
• Children under age five (especially those under two years of age)
• Adults age 65 years and older
• Pregnant women
• People who have HIV or AIDS
• People who have certain conditions including heart disease or those who have had a stroke, asthma, diabetes or cancer
• Those living in long-term care facilities

-more-
It is also important for those who live with or care for people at high risk to get vaccinated. This includes health care workers, household contacts and caregivers of children under age five, especially those under six months of age who are at high risk but are too young to get vaccinated.

Those needing a flu immunization should contact their health care providers or find a community flu immunization location. Those needing help obtaining a vaccination can call LLCHD at 402-441-8065. For more information, visit lincoln.ne.gov (keyword: flu).

CITIZENS URGED TO REPORT POTHOLES

Public Works and Utilities officials want to remind residents that potholes and other non-emergency street problems can be reported in four ways:

• Call the Pothole Hotline at 402-441-7646. If that line is full, callers can use the Neighborhood Hotline at 402-441-6300.
• Call the Street Maintenance Division of Public Works and Utilities at 402-441-7701. Street problems requiring immediate action should be reported to this number.
• Use the online form available at lincoln.ne.gov (keyword: pothole).
• Use your mobile phone to send a photo to the City’s ACTION center. The free application can be found in the Android Market and iTunes store (search for “Lincoln Action Center”). The message will automatically include GPS (global positioning system) information. This app should never be used while driving, and residents should never put themselves in danger to take a photo for the ACTION center.

Those reporting emergency situations should always use 911.

Motorists are urged to drive carefully. Public Works and Utilities officials appreciate the public’s patience as they work to repair the city’s streets.

-30-
Mayor Beutler will help cut the ribbon on a new van for the Aging Partners Lake Street Senior Center at 10 a.m. Friday, January 2 at the center in the lower level of St. James United Methodist Church, 2400 S. 11th Street.

The van was funded by a donation of more than $47,000 from the Schmieding Foundation, and representatives of the donor will speak at the event.
Actual collections for the fiscal year to date are 0.713% under projections for the year.

Subject: Snow and ice

I recently moved back to Lincoln after 40 years. I have lived in the DC area, Hudson Valley NY, white Plains NY, west VA on a Far, Omaha, Denver and south bend IN. All gets lots of snow and ice. In the northeast they have narrow winding roads and exponentially more traffic than Lincoln. But by far lincoln has the worst road and street response to snow and ice. At 9:15 am no sand on streets. Even heavily travelled street treacherous.

In my experience there s rational reason for this. Lives and property are at risk and it has a negative economic impact. I would like to dis discuss. This with by phone no emails.

Sincerely.

Comment or Question:
Time Warner Cable

This is a complaint. The level of service is atrocious. I just moved back from a relocation to Traverse City MI. Much to my dismay I just found out that although I have purchased services (phone, Internet, & cable) costing $141+, I have no access to "free" On Demand services. I understand the council is reviewing the request from another provider. I highly recommend you look very favorably on this application.

My provider in Michigan (Charter) provides a package: Internet (much faster); telephone; & cable (many more channels and "free" On Demand movies and prime time shows) for less money.

Your constituents deserve better.

Thank you for listening.

Sincerely

Harry and Sharol Miller

FOR IMMEDIATE RELEASE: January 2, 2015
FOR MORE INFORMATION: Deb Weber, Lincoln Arts Council, 402-434-2787

DEADLINE EXTENDED FOR
MAYOR’S ARTS AWARDS NOMINATIONS

The deadline for nominations for the 37th annual Mayor’s Arts Awards has been extended to Monday, January 12. The awards will be presented by the Lincoln Arts Council (LAC) Wednesday, June 10, 2015 at the Lied Center. The Mayor’s Arts Awards program formally recognizes artistic contributions and achievements in the Lincoln area. Nomination forms are available by calling the LAC at 402-434-2787 or printing a form from the LAC website, artscene.org. A list of previous winners also is available at that website.

A panel of arts professionals will select the winners for these awards:

- The Richard Hay Outstanding Arts Organization Award recognizes an arts group that has made significant contributions to Lincoln’s arts community over a period of years.
- The Artistic Achievement Award - Visual Arts recognizes excellence and accomplishment in any of the visual arts, including theatre and film.
- The Artistic Achievement Award - Youth recognizes excellence and accomplishment in any arts discipline by a young person age 18 or younger.
- The Artistic Achievement Award - Performing Arts recognizes excellence and accomplishment in any of the performing arts, including film.
- The Artistic Achievement Award - Literary Arts recognizes excellence and accomplishment in any literary form.
- The Gladys Lux Education Award recognizes special initiatives in or dedication to arts education.
- The Legacy of the Arts Award recognizes an individual age 55 and up actively involved in creating, teaching, sharing or inspiring artistic expression in any discipline.
- The Heart of the Arts Award recognizes an individual or organization for outstanding volunteer dedication to the arts or for making a major overall impact on the arts in Lincoln.
- The ArtScene Backstage Award recognized extraordinary service to the arts through behind-the-scenes efforts.
- The Outstanding Event Award recognizes a performance, exhibition or project in the previous year (2014) that will be notable in the community memory for years to come because of its content or cultural significance.
- The Benefactor of the Arts Award honors an individual, family, organization or business making significant financial contributions to the arts.

- more -

Mayor’s Arts Awards
• The **Lincoln Community Foundation Arts for Kids Award** honors an individual or organization from outside of the arts professions whose leadership has enhanced arts activities and experiences for children.

Nominators are asked to select a category or categories they feel would be most appropriate for their nominees, but the judges may consider the nominee for other categories as well. Nominations from the previous year are automatically resubmitted, and updates are accepted.

The public is encouraged to submit names of members of the arts community who have died since the last awards ceremony in May 2014 for memorial recognition.

Those interested in sponsorships for the event may contact the LAC at 402-434-2787.

STREET CONDITION UPDATE

For more information:
Public Works Snow Center -- 402-441-7644
Diane Gonzolas, Citizen Information Center -- 402-525-1520

Date: Friday, January 2, 2015
Time: 1 p.m.

With the National Weather Service predicting light snow and sleet possible in southeast Nebraska Saturday, City Public Works and Utilities street maintenance crews began applying anti-ice brine to all arterials as well as bus and school routes at 8 a.m. Friday. All tanker units have been deployed, and the anti-icing effort will continue throughout the day until all those routes have been covered.

Street Maintenance officials will continue to monitor the weather throughout the weekend and will be prepared to deploy additional resources as needed.
