Breakfast at Wimbledon Watch Party to Benefit Woods Park Tennis Campaign

LINCOLN, NE – The Woods Park Tennis Center Campaign, the Friends of Woods Tennis and the Lincoln Parks Foundation are presenting a “Breakfast at Wimbledon Watch Party,” from 8 a.m. -noon, Sunday, July 12 at the Railyard located in Lincoln’s West Haymarket.

The community is invited to attend this free event to watch the men’s singles finals aired live from Wimbledon, England. Founded in 1877, Wimbledon is the oldest tennis tournament in the world and is only one of four Grand Slam professional tennis events still played on grass courts.

The Breakfast at Wimbledon Watch Party will offer festive food and drink specials for purchase at Gate 25 and the Doughnut Hole. Everyone is encouraged to bring bag chair, wear “Wimbledon white” attire and watch the tennis on the big screens. All ages are welcome!

At the end of the 3rd set, there will be a brief live auction featuring 2 tickets for a one-day session during the first five days of the 2015 US Open in New York City, Monday, August 31-Friday, September 4, made available by the United States Tennis Association (USTA). Ticket package includes:

- Seating in the USTA President’s Courtside Box;
- Lunch in the USTA President’s Dining Room;
- Hospitality in the USTA President’s Suite during the session;
- Access to court side seating in Louis Armstrong Stadium;
- Access to all other courts at the USTA Billie Jean King National Tennis Center;
- Access to US Open bus transportation from the Grand Hyatt New York.

This USTA Presidential Suite ticket package is a novelty item that is not for sale on the open market and requires a minimum opening bid of $5,000.

Lincoln native Jack Sock, Honorary Chair of the campaign and currently 31st in the world rankings, is offering an autographed tennis racquet and a one-hour tennis lesson for the live auction.

Proceeds from the event will support the Woods Park Tennis Center campaign, which is raising $5.6 million to replace the indoor bubbles and make other improvements at the public tennis center located at 33rd and J Streets in Lincoln.

For more information about this event or the campaign, please call the Lincoln Parks Foundation at 402-441-8258 or visit: www.takingthegame.com

Mayor Chris Beutler will have an update on City street rehabilitation and construction at a news conference at 10 a.m. Thursday, July 9 in Room 303, third floor of the County-City Building, 555 S. 10th Street. The Mayor will also announce some street closures in connection with the July 16th Kenny Chesney concert at Pinnacle Bank Arena.
PROJECT TO CLOSE VANDORN FROM 40TH TO 48TH STREET
BEGINNING THURSDAY

Work continues on the Van Dorn Resurfacing Project. Beginning Thursday, Van Dorn Street from 40th Street to 48th Street will be closed. The roadway continues to be closed from 33rd Street to 40th Street.

Construction began in late May. The street is expected to reopen to traffic in August. Access to residences may be restricted at times, but driveway closures will not exceed 10 days.

The project includes the widening of Van Dorn to one lane of travel in each direction with a center turn lane, as well as the reconstruction of sidewalk curb ramps to meet ADA requirements.

The project is funded with fuel tax and wheel tax dollars. Pavers, Inc., is the contractor.

More information is available at lincoln.ne.gov (keyword: projects).

CITY MAKING HISTORIC INVESTMENT IN STREETS
Public will help decide future investment as Long Range Transportation Plan updated

Chris Beutler today announced that the City is planning to improve 24 miles of streets this year, more than double the number of miles completed in 2014 and one of the largest street construction investments in Lincoln’s history. He said the current “summer of progress” is possible because of the City’s commitment to invest money in roads.

“This summer, orange is the new black in Lincoln, Nebraska,” said Mayor Beutler. “Orange barricades are dotting streets across the City, signaling my Administration’s commitment to safe and smooth streets as a funding priority. We are spending more annually on roads than ever before. It is why in the last five years, we have improved over 60 miles of arterial streets and 400 blocks of residential streets, civic investments that help keep our community safe and our economy strong.”

This summer’s major projects include the recent completion of 27th and “O” streets, the near completion of Old Cheney from 70th to 82nd streets, and the widening project now under way on South 56th south of Old Cheney. Beutler said the City is scheduled to spend $55 million over the next two years in reconstructing, widening and improving major arterials.

Beutler said the City increased street construction revenues by $7 million annually in 2010. Part of the budget changes included increases in wheel tax revenues. The increased revenues have allowed some major projects to be completed years ahead of schedule. Projects moved up include last year’s improvements on North 33rd, the improvements now under way on N.W. 48th, 70th and Van Dorn streets and the current replacement of the Penny Bridges on Sheridan. This spring, when the final accounting of the Antelope Valley street projects resulted in savings of $10 million, those funds went to street maintenance, more than doubling our City’s two-year investment. The new funding speeded progress on North 84th, North and South 27th, Normal Boulevard, Superior and West “O.”

The Mayor said the City is also working with the Lancaster County Board to use funds from the Railroad Transportation Safety District to help finance the South Beltway as well as the North 33rd and Cornhusker project.

Mayor Beutler said the update of the City’s Long Range Transportation Plan (LRTP) is an opportunity for a public discussion about what’s next for Lincoln’s transportation network. The LRTP is scheduled to be updated next year, and the public process will begin this summer.

- more -
“The LRTP community engagement will help the public better understand what we are doing well in street construction and what needs more work,” Beutler said. “It will be an opportunity to discuss the pace at which we are building and repairing major streets, the need for regular maintenance and the need to repair neighborhood streets. If the community wants an even more aggressive arterial street program, we have to continue this accelerated pace, not for one year or five years, but every single year.”

The Mayor said the LRTP process will also provide an opportunity to discuss the changing face of transportation funding. The primary source of funds for streets used to be the federal gas tax, but it has not increased in 20 years. As a result, he said, Lincoln has had to rely more on local wheel tax funding to keep up with the need.

“Since the dawn of civilization, roads have been critical to success, creating economic vitality and a path for future success,” Beutler said. “Communities that have productively dealt with their roads challenges have thrived. We have remade our community and created a nationally recognized climate for business success and a high quality of life. If we can rise to the same level of accomplishment with our streets, Lincoln will continue to thrive in the decades to come.”

TO: Parks & Recreation Advisory Board, Mayor, City Council, City Clerk, Media
FROM: Lynn Johnson, Director, Lincoln Parks & Recreation Department
MEETING DATE: July 9, 2015
LOCATION: 2740 “A” Street – Parks & Recreation Dept. (Large Conference Room)
TIME: 4:00 – 6:30 p.m.
CHAIR: Peter Levitov

AGENDA

1. Call to Order and Recognition of ‘Open Meetings Act’

2. Comments from Public for Items Not Listed on the Agenda

3. Committee Reports:
   A. Futures Committee – Bob Ripley (Chair) 471-0419 or 488-5131
      • * Recommendation for approval of revised Antelope Park Triangle Land Use
        Plan and conditions of approval incorporating comments from the Board
        during the June 11 meeting.

   B. Golf Committee – June Golf Report included in Board member information for review

4. Meeting Adjourned – Parks & Recreation Advisory Board and Lincoln Parks Foundation
   Board annual tour and discussion:
   A. Depart from Parks & Recreation Administration Office
   B. Visit to N. 48th Street Landfill Site in consideration of future recreation facilities and
      activities.
   C. Visit to Van Dorn Park
      • Introduction of attendees
      • Light meal and beverages
      • Discussion of the history and current uses of Van Dorn Park
   D. Return to Parks & Recreation Administration Office via Peterson Park

5. Announcements:
   A. Party in the Parks at Union Plaza – Sunday, August 8, 2015, 4:00 – 7:00 p.m.
   B. Prairie Jazz Festival – Saturday, August 29, 2015, 3:00 – 8:00 p.m. – Tickets
      available from Pioneers Park Nature Center
   C. Volunteer Appreciation Event – Sunday, August 30, 2015, 5:00 – 7:00 p.m. – Sunken Gardens

* Denotes Action Items
**Parks & Recreation Advisory Board Action Item Fact Sheet**

Meeting Date: July 9, 2015

<table>
<thead>
<tr>
<th><strong>Request:</strong></th>
<th>Adoption of revised Antelope Park Triangle Proposed Land Use Plan Conditions of Approval</th>
</tr>
</thead>
</table>

**Discussion:** The Parks and Recreation Advisory Board approved the Antelope Park Triangle Proposed Land Use Plan and related conditions of approval as a conceptual plan during the regular meeting of June 11, 2015. There was discussion of the conditions of approval by Board members with suggestions for a number of modifications to the conditions. It was suggested that the minutes of the meeting reflect this discussion. Parks and Recreation Department staff recommend that the conditions of approval be formally amended to reflect the discussion by the Parks and Recreation Advisory Board so that there is a single document for reference in the future.

A strike through edit version of the proposed amended conditions of approval is attached for review, as well as a clean copy.

**Conformance with Adopted Plans and Guidelines:** The Comprehensive Plan identifies the planned expansion of the zoo within the Antelope Park Triangle.

**Staff Recommendation:** Approval.

**Parks & Recreation Advisory Board Action:**
Antelope Park Triangle Proposed Land Use Plan Conditions of Approval

Recommendation of Futures Committee - May 28, 2015
Approved as a conceptual plan by the Parks and Recreation Advisory Board on June 11, 2015.

Conditions are appended to the approval of the Antelope Park Triangle Proposed Land Use Plan in order to preserve the park-like aesthetic and appearance of the Antelope Park Triangle as well as to assure the citizens of Lincoln and visitors that scarce public land in central Lincoln is wisely used.

Future Parking, vehicular and pedestrian circulation

- If funds were available, the first priority would be to expand the existing central parking area with at-grade and below-grade parking decks that do not enlarge the current footprint of the surface parking lot, retaining perimeter green space (with a funding strategy for construction that could involve various local government entities, e.g. bonding, JPA, other tools).
- A second choice is to locate new parking south of Water Place Condominiums, with a pedestrian walkway from parking separate from the Rock Island Trail.
- Any parking solution should include replacing existing stalls lost to expansion as well as providing adequate parking for future needs.
- The preferred location for bus drop-off and parking is north of the Ager Building.
- The pedestrian walkway should be enhanced with landscaping and other features so that the Zoo entry experience begins at the parking lot and extends along the pedestrian walkway. The zoo entrance plaza should have a park-like character.
- Traffic planning related to parking should seek to assure the safety of pedestrians at street crossings and pedestrian paths accessing the zoo.
- Close-by parking must be maintained for staff who work at the Parks Administration Building, particularly those whose responsibilities take them away from the building and returning to the building the same day, along with customers, donors, volunteers and visitors to the Parks and Recreation Department and the Lincoln Parks Foundation.
Greenspace northeast of the intersection of 27th and A Street

- Retain publicly accessible parkland along 27th Street, generally west of the west face of the Ager building, and generally south of the south face of the Parks & Recreation Administration office (approximately 75 feet width along both 27th and A Streets), as approximately shown below:
Integrate publicly owned green space southeast of 27th and A Streets with overall planning for the Triangle for site landscape design and development.

Ager Building

- The building should be designated as a local historic landmark, and adaptive reuse of the building should respect this designation.
- The Parks and Recreation Department should work with community agencies and organizations, including the Lincoln Children’s Zoo, to assure that similar programming for pre-school age children and families is available in central Lincoln with provisions for financial support to low-income children and families.

Lady Liberty statue

- The statue should be returned to its historic location at 27th and A Streets, or alternatively in front of the Ager building on the west side.

Lincoln Parks Foundation donor recognition plaza (Liberty Plaza)

- The granite panels with donor recognition should be incorporated into a node in a prominent location, possibly along the walkway through the Triangle perimeter parkland, in front of Ager, or near the Hamann Rose Garden.

Preservation of existing public gardens and Cascade Fountain

- A conservation easement should be granted to the Lincoln Parks Foundation for the areas occupied by the public gardens, the fountain, and adequate land for related visitor parking. This conservation easement should include the existing lawn area east of the Hamann Rose Garden.

Future status of the Parks and Recreation Administration Building

- Future expansion plans for the zoo should respect the building and related parking and avoid creating an isolated alcove on the Triangle. Adequate landscaping should be provided to buffer the building and parking from incompatible views and activities.
- If the location of the building is needed for future expansion, adequate funding should be provided to relocate the administration building to a location in central Lincoln with visibility and adequate parking for walk-in visitors.

Phasing of zoo expansion

- The zoo should provide a phasing plan for logical expansion of zoo related facilities.

Future master plan and design review

- Master planning for expansion of the zoo should be done in consultation and partnership with the Parks and Recreation Advisory Board and the Urban Design Committee.
Memorandum

Date: June 30, 2015

To: City Clerk

From: Amy Hana Huffman, Planning Dept.

Re: Administrative Approvals

cc: Mayor Chris Beutler
    Planning Commission
    Geri Rorabaugh, Planning Dept.

This is a list of the administrative approvals by the Acting Planning Director from June 30, 2015 through July 6, 2015:

**Administrative Amendment No. 15026** to Change of Zone #05054B, Prairie Village North PUD, approved by the Acting Planning Director on July 2, 2015, requested by Clark Enersten Partners, to change the land use south of Adams Street from Office to Residential for 91 dwelling units and revise notes accordingly, generally located at N. 84th and Adams Streets.
The Telecommunications/Cable TV Advisory Board meeting scheduled for July 23 has been rescheduled for 4 p.m. Tuesday, August 25 in room 303 at the County City Building, 555 S. 10th Street.

Tom Lorenz, Pinnacle Bank Arena/SMG, 402-904-5610
Tessa Warner, Railyard/WRK, 402-477-6767

STREET CLOSURES PLANNED FOR CHESNEY CONCERT

To accommodate special events in connection with the July 16th Kenny Chesney concert at Pinnacle Bank Arena, Canopy Street will be closed from just north of “Q” Street to “R” Street from 3 p.m. to midnight. “R” Street will also be closed to through traffic, with barricades at 7th Street and just east of the Red One Parking garage. The concert begins at 8 p.m.

A “No Shoes Nation Pre-Party” is set for 2 to 8 p.m. in the Arena’s north festival lot. More information is available at pinnaclebankarena.com. The Railyard is also hosting a party from 4 to 8 p.m. More information is available at canopyst.com/railyard.

Drivers are advised that the fastest route to the garages south of the Arena is Arena Drive, with garage entrances at Arena Drive, “P”, “Q” and “R” streets. Driving through the Historic Haymarket is discouraged for those using Red 1, Green 2, Blue 3 and the Lumberworks garages. Reserved parking is available at parkandgo.org.

The drop-off area for those who need an ADA accessible route will be on “R” Street, just east of the Red 1 parking garage entrance. A u-turn will be permitted in front of the drop-off area, and drivers will be directed through the area. Additional drop-off areas can be found south of the post office and next to the south bound lane of 7th Street, adjacent to the Railyard. Passenger pick-up can also be arranged in these areas.
Dear Council of City of Lincoln:

We are the owners of 2030 N 29th Street, Lincoln, NE. We are writing to let you know that we do not agree with your decision of the sewerage backup at our house CLASSIFIED AS AN ACT OF God. The fact that the sewerage backed up at our property was due to the fact that Lincoln grew and the City’s capacity to hold the sewerage WASTE wasn’t big enough to hold all the SEWERAGE AND THE RAIN. HOW CAN THE SEWERAGE MIX WITH THE RAIN WATER? The City did not expand their facility for the growing population. We also don’t agree for the fact that the fund the City will provide for sewerage backup victims will only cover bottles of bleach used to clean up the mass after the contamination or minimum labor paid for THE LABOR OF cleaning up the mass for those who couldn’t afford to hire a cleaning company to do it. The fund should go to cover damages done to peoples homes to help cover the cost of restoring people’s homes to living condition. Caring City council should help people directly by paying for damages done to people’s homes.

Sincerely,

Ivan & Inna Strilkivsky
I. CITY CLERK

PRAIRIE JAZZ FESTIVAL SET FOR AUGUST

Tickets are now on sale for the inaugural Prairie Jazz Festival Saturday, August 29 at the tallgrass prairie at Pioneers Park Nature Center. The Friends of Pioneers Park Nature Center are hosting the event from 3 to 8 p.m., with music from 5 to 7:30 p.m. Performers include Annette Murrell with Jim Williamson opening for the Nebraska Jazz Orchestra.

Those attending will ride hayracks to the a wildflower-covered hillside for the concert. The one-room school house and historic Hudson cabin will be open, and the event will include activities, displays and art as well as food and drink sales.

The festival was the idea of former Nature Center Coordinator Nancy Furman. “There is no other place where you can experience jazz music in the open air of the prairie,” she said. “This will truly be a unique opportunity.” All proceeds from the event will go towards the development, programming and operation of the Nature Center.

“We are excited the Friends of Pioneers Park Nature Center are hosting this event for us,” said current Nature Center Coordinator Andrea Faas. “This is a special event that will bring many people from throughout the community to the Nature Center.”

Sponsors of the event include Brewsky’s in the Haymarket, Allstate, Lincoln Parks Foundation, Sandhills Publishing, Union Bank and Trust and the Berman Music Foundation.

General admission tickets are $40. Concert-goers may bring their own food (no drinks), chairs and blankets. Chairs can be rented for $4. VIP tickets are $100 and include premium chair seating and a catered picnic. Tickets and more information are available at prairiejazzfestival.org.

PUBLIC WORKS AND UTILITIES DEPARTMENT
StarTran, 710 “J” Street, Lincoln, NE 68508, 402-441-7185

FOR IMMEDIATE RELEASE: July 13, 2015
FOR MORE INFORMATION: Mike Davis, Transit Manager, 402-441-7185

STARTRAN RIDERSHIP INCREASE IS BEST IN STATE

StarTran has been recognized for having the highest percentage increase in ridership among urban public transit systems in Nebraska for 2014. The Federal Transit Administration Region VII presented an award of excellence to StarTran at the Nebraska Association of Transportation Providers Managers Workshop in June. StarTran ridership increased from 2,445,148 to 2,479,363 last calendar year, an increase of 1.38 percent.

“This award recognizes our loyal riders as well as the StarTran staff who have worked hard to increase ridership,” said Transit Manager Mike Davis. “As we proceed with the Transit Development Plan, we are looking at opportunities to improve our service to the community, and I encourage the public to participate in the planning process.”

The Transit Development Plan (TDP) will guide the delivery of public transit services in Lincoln over the next five years. The process includes a comprehensive evaluation of the current route design, service levels, ridership and customer amenities to help determine how effectively existing transit services are serving the community. The study is scheduled to be completed by December 2015, with changes implemented in the summer and fall of 2016. More information is available at lincoln.ne.gov (keyword: TDP). The public can email comments on the TDP to startraninfo@lincoln.ne.gov, fax ideas to 402-441-7055 or get on the mailing list by calling 402-441-7185.

More information on StarTran is available at startran.lincoln.ne.gov.

- 30 -
NOTICE: The Lincoln/Lancaster County Planning Commission will hold a public hearing on Wednesday, July 8, 2015, at 1:00 p.m., in Hearing Room 112 on the first floor of the County-City Building, 555 S. 10th St., Lincoln, Nebraska. For more information, call the Planning Department, (402) 441-7491.

**PLEASE NOTE:** The Planning Commission action is final action on any item with a notation of “FINAL ACTION”. Any aggrieved person may appeal Final Action of the Planning Commission to the City Council or County Board by filing a Notice of Appeal with the City Clerk or County Clerk within 14 days following the action of the Planning Commission.

The Planning Commission action on all other items is a recommendation to the City Council or County Board.

AGENDA

WEDNESDAY, JULY 8, 2015

[Commissioner Harris absent; Hove arrived at 1:57 p.m.]

Approval of minutes of the regular meeting held June 24, 2015. **APPROVED as amended: 5-0; Cornelius and Weber abstained; (Harris and Hove absent)**

1. **CONSENT AGENDA**
   (Public Hearing and Administrative Action):

   **SPECIAL PERMIT:**

   1.1 Special Permit No. 15030, for an 85-foot tall personal wireless facility, on property generally located at 3300 North 1st Street. **FINAL ACTION**.
   Staff recommendation: Conditional Approval
   Staff Planner: Brian Will, 402-441-6362, bwill@lincoln.ne.gov
   This application was removed from the Consent Agenda and had separate public hearing.
   The Planning Commission voted 8-0 to defer action on this application for two weeks to July 22, 2015, with continued public hearing limited to new testimony.

2. **REQUESTS FOR DEFERRAL:** None.
3. **ITEMS REMOVED FROM CONSENT AGENDA** - See Item 1.1 above.

4. **PUBLIC HEARING AND ADMINISTRATIVE ACTION**

   **CHANGE OF ZONE:**

   4.1 Change of Zone No. 15017, from H-2 Highway Business District to B-3 Commercial District on property generally located at 222 North 44th Street.
      **Staff recommendation: Approval**
      **Staff Planner: Paul Barnes, 402-441-6372, pbarnes@lincoln.ne.gov**
      **Planning Commission recommendation: APPROVAL; 8-0 (Harris absent).** Public hearing before the City Council tentatively scheduled for Monday, July 27, 2015, 5:30 p.m.

   **SPECIAL PERMIT:**

   4.2 Special Permit No. 15037, to increase the height above the 75-foot height limit of the B-4 zoning district, on property generally located at the northwest corner of the Canopy Street and "P" Street Intersection. **FINAL ACTION**.
      **Staff recommendation: Conditional Approval**
      **Staff Planner: Ed Zimmer, 402-441-6360, ezimmer@lincoln.ne.gov**
      **Planning Commission ‘final action’: CONDITIONAL APPROVAL, as set for in the staff report dated June 12, 2015: 8-0 (Harris absent).**
      **Resolution No. PC-01461.**

   **CHANGES OF ZONE AND RELATED SPECIAL PERMITS:**

   4.3a Change of Zone No. 15015, a change of zone from AG Agriculture District to R-3 Residential District, on property generally located at 5000 South 84th Street.
      **Staff recommendation: Approval**
      **Staff Planner: Brian Will, 402-441-6362, bwill@lincoln.ne.gov**
      **Planning Commission recommendation: APPROVAL; 8-0 (Harris absent).** Public hearing before the City Council tentatively scheduled for Monday, July 27, 2015, 5:30 p.m.
4.3b Special Permit No. 15028, a request for a Community Unit Plan to allow for the development of a 34-lot subdivision, with waivers to setbacks, lot width, lot area, and private roadway design standards, on property generally located at 5000 South 84th Street. **FINAL ACTION**

Staff recommendation: Conditional Approval
Staff Planner: Brian Will, 402-441-6362, bwill@lincoln.ne.gov
Planning Commission ‘final action’: CONDITIONAL APPROVAL, as set for in the amended staff report dated July 10, 2015: 7-1, Corr dissenting; (Harris absent). Resolution No. PC-01462.

4.4a Change of Zone No. 15014, from R-1 Residential to R-2 Residential, on property generally located southwest of the intersection of Old Cheney Road and Norman Road.
Staff recommendation: Conditional Approval
Staff Planner: Christy Eichorn, 402-441-7603, ceichorn@lincoln.ne.gov
Planning Commission recommendation: CONDITIONAL APPROVAL, as set forth in the staff report dated May 28, 2015; 8-0 (Harris absent).
Public hearing before the City Council tentatively scheduled for Monday, July 27, 2015, 5:30 p.m.

4.4b Special Permit No. 15035, to allow the construction of a residential healthcare facility for up to 285 residents and to allow waivers to the Zoning Ordinance and Subdivision Ordinance to adjust the height requirement, and eliminate block length and pedestrian easement requirements, on property generally located on the west portion of the Knolls Country Club, Norman Road and Old Cheney Road.
Staff recommendation: Conditional Approval
Staff Planner: Christy Eichorn, 402-441-7603, ceichorn@lincoln.ne.gov
Planning Commission recommendation: CONDITIONAL APPROVAL, as set forth in the amended staff report dated July 10, 2015; 8-0 (Harris absent). Public hearing before the City Council tentatively scheduled for Monday, July 27, 2015, 5:30 p.m.

AT THIS TIME, ANYONE WISHING TO SPEAK ON AN ITEM NOT ON THE AGENDA, MAY DO SO

ACCOMMODATION NOTICE

The City of Lincoln complies with Title VI of the Civil Rights Act of 1964 and Section 504 of the Rehabilitation Act of 1973 guidelines. Ensuring the public’s access to and participating in public meetings is a priority for the City of Lincoln. In the event you are in need of a reasonable accommodation in order to attend or participate in a public meeting conducted by the City of Lincoln, please contact the Director of Equity and Diversity, Lincoln Commission on Human Rights, at 402 441-7624 as soon as possible before the scheduled meeting date in order to make your request.
PLANNING COMMISSION FINAL ACTION
NOTIFICATION

TO: Mayor Chris Beutler
Lincoln City Council

FROM: Geri Rorabaugh, Planning

DATE: July 10, 2015

RE: Notice of final action by Planning Commission: July 8, 2015

Please be advised that on July 8, 2015, the Lincoln City-Lancaster County Planning Commission adopted the following resolutions:

Resolution No. PC-01461, approving SPECIAL PERMIT NO. 15037, to increase the height above the 75-foot height limit of the B-4 zoning district, on property legally described as the South 1/2 of Lot 3, Block 6, West Haymarket Addition, located in the SW 1/4 of Section 23-10-6, Lincoln, Lancaster County, Nebraska, generally located at the northwest corner of the Canopy Street and "P" Street Intersection.

Resolution No. PC-01462, approving SPECIAL PERMIT NO. 15028, as amended, a request for a Community Unit Plan to allow for the development of a 21-lot subdivision, with waivers to private roadway design standards, on property legally described as Lot 74 SW, located in the SW 1/4 of Sec. 11-9-7, Lincoln, Lancaster County, Nebraska, generally located at 5000 South 84th Street.

The Planning Commission action is final, unless appealed to the City Council by filing a notice of appeal with the City Clerk within 14 days of the action by the Planning Commission.

The Planning Commission Resolution may be accessed on the internet at www.lincoln.ne.gov (Keyword = PATS). Use the "Search Selection" screen and search by application number (i.e. SP15037, SP15028). The Resolution and Planning Department staff report are in the "Related Documents" under the application number.
Historic Preservation Commission

F:\Boards\HPC\AGENDA\2015\hpag0716.efz.docx
One of our goals at Lancaster County Weed Control is providing education to the public on noxious and invasive weeds. One of the keys to eradicating any noxious weed infestation is to be able to correctly identify the plant. With the help of 5 City TV we are currently working on producing video’s to help folks learn some key characteristics in noxious weed identification. Once finished we will put them on YouTube and link to our website. Education is the key to any successful program. When we started getting questions from landowners about where exactly we found the plant and what it looks like, I realized we need to do more than just include a brochure with the letters we send. In today’s society we would rather pick up our smartphone or tablet and watch a video instead of reading a brochure. On June 26th we went out to musk thistle and leafy spurge sites and shot the video. 5 City TV will edit the footage down to produce the final three to five minute video. We hope to have the video’s done later this year. If all goes well we plan on producing video’s on all the noxious weeds.

“In today’s society we would rather pick up our smartphone or tablet and watch a video instead of reading a brochure.”

Changes Happening At The Weed Control Office

Ashley McAllister’s last day will be July 15th. Ashley began working for Lancaster County during college as a seasonal inspector at Weed Control for two seasons. Upon receiving her degree she began her full-time career at General Assistance for a year and a half before coming back to Weed Control as Account Clerk III for the last two years. Ashley will be missed in our small office where she is always at the hub of activity and keeps us running at peak performance. Ashley married Brian Kouba on June 27th. They plan on making their home in Gothenburg and are expecting their first child in November. Congratulations Ashley! Thank you for all you’ve done for Lancaster County and GOOD LUCK during this exciting time in your life!!!

Inspection Activity Report

As of June 30, 2015, the Weed Control staff has completed 5,099 inspections on 2,961 properties. Weed abatement within the City of Lincoln accounted for 3,435 inspections on 1,853 properties while noxious weeds accounted for 1,664 inspections on 1,108 properties. We’ve received 833 complaints from the public wanting help getting neighboring properties controlled. In order to gain compliance we’ve sent 1,241 letters and 808 legal notices requiring control. A total of 66 enforcements have been completed by our contractors, totaling $12,934 in control cost.
Nebraska’s Noxious Weeds

It is the duty of each person who owns or controls land to effectively control noxious weeds on such land.

Noxious weed is a legal term used to denote a destructive or harmful weed for the purpose of regulation. The Director of Agriculture establishes which plants are noxious. These non-native plants compete aggressively with desirable plants and vegetation. Failure to control noxious weeds in this state is a serious problem which is detrimental to the production of crops and livestock, and to the welfare of residents of this state. Noxious weeds may also devalue land and reduce tax revenue.

- Musk Thistle
  - Height: 1½–8 ft
- Canada Thistle
  - Height: 1–3 ft
- Plumeless Thistle
  - Height: 1½–4½ ft
- Phragmites
  - Height: 5½–20 ft
- Leafy Spurge
  - Height: 3½–2½ ft
- Sericea Lespedeza
  - Height: 1½–4½ ft
- Japanese Knotweed
  - Height: 3½–10½ ft
- Giant Knotweed
  - Height: 6½–13½ ft
- Purple Loosestrife
  - Height: 2½–8½ ft
- Saltcedar
  - Height: 3½–20½ ft
- Spotted Knapweed
  - Height: 1½–3½ ft
- Diffuse Knapweed
  - Height: 1½–3½ ft
- Common Teasel
  - Height: 2½–6½ ft
- Cutleaf Teasel
  - Height: 4½–6½ ft

Good neighbors control noxious weeds — If you have questions or concerns about noxious weeds, please contact your local county noxious weed control authority, Nebraska Weed Control Association (www.neweat.org), or Nebraska Department of Agriculture.
AGENDA
LES ADMINISTRATIVE BOARD
Friday, July 17, 2015
9:30 a.m.
LES Board Room
1040 “O” Street

9:30 A.M.

Subject: Public Works Logo

Please stop spending money on the logo for the Public Works and Utilities department. This is something that should be done by the department employees.

Could someone please tell me who authorized the $8,000 contract with Archrival for this waste?

Did someone forget there are streets to repair?

Thanks

Dear Mr. Smith – While I disagree that an organization as large and complex as Public Works and Utilities should go without a common identifying and unifying symbol (much like our sister Department’s in the City e.g. Police, Fire, Health, and Parks) I certainly appreciate your fiscal sensitivity. The contract has been terminated.

With respect to street improvement, I hope you were able to catch Mayor’s press remarks on Thursday regarding our historic investment in streets this year and next. If not, here is a link. [http://lincoln.ne.gov/aspx/city/vod.aspx?vod=news%20conferences/news_july9_2015b.mov](http://lincoln.ne.gov/aspx/city/vod.aspx?vod=news%20conferences/news_july9_2015b.mov). Public Works is improving 24 miles of streets this year; more than double the miles completed in 2014. This is one of the largest street construction investments in Lincoln’s history! That’s in addition to the last 5 years where we improved over 60 miles of arterial streets and 400 blocks of residential.

For more information regarding street construction, please check out our webpage at [http://lincoln.ne.gov/city/pworks/projects/](http://lincoln.ne.gov/city/pworks/projects/).

Should you have any additional inquiries, feel free to contact me.

Sincerely,
Miki Esposito

Miki Esposito, Director  
Public Works & Utilities

MINUTES
DIRECTORS’ MEETING
JULY 13, 2015

Present: Trent Fellers, Chair; Leirion Gaylor Baird, Vice Chair; Jon Camp; Roy Christensen; Carl Eskridge; and Jane Raybould

Absent: Cyndi Lamm

Others Attending: Teresa Meier, City Clerk; Rick Hoppe, Chief of Staff; Jeff Kirkpatrick, City Attorney; Tom Casady, Public Safety Director; Lynn Johnson, Parks and Recreation Director; David Landis, Urban Development Director; and Mary Meyer, Council Secretary

Chair Fellers opened the meeting at 2:10 p.m. and announced the location of the Open Meetings Act

I. CITY CLERK
Meier announced her appointment of a new Deputy City Clerk, Sony Phan. Congratulations extended from the City Council, and others present.

In review of the agenda Meier stated under liquor resolutions, Item #22 has a request to withdraw, as it now will be an indoor event.

All Ordinances, Third Reading, were introduced by Lamm and now looking for another Council person to continue.

II. MAYOR
1. NEWS RECEIPT. Breakfast at Wimbledon Watch Party to benefit Woods Park Tennis Campaign.  
   a) Image of ticket.
2. NEWS ADVISORY. Mayor Beutler will hold a news conference on Thursday, July 9, 555 S. 10th Street, 10:00 a.m., to give an update on City street rehabilitation and construction.
3. NEWS RELEASE. Project to close Van Dorn from 40th to 48th Street
4. NEWS RELEASE. City making historic investment in streets.

III. PRESENTATIONS

Disaster Recovery Program – Rick Hoppe, Chief of Staff
On the 29th a number of people were impacted by back-up sewerage, and they then came to Council. The next day heard concerns from Council on confusion about the disaster recovery program. What elements were covered, and other general knowledge. Taking all concerns we took actions to try and help. A press released was issued to give people information, and on July 1st flyers were put in the doors of all property owners in the area asking them to attend a meeting July 8th at Huntington Elementary School. The meeting was successful with approximately 75 attending, along with Council Members Christensen, Lamm, and Raybould. There was still confusion about the program - what was covered, the application process. At the meeting answered questions for 2 hours and felt as if everyone attending was helped. Picked up about 20 applications while there, and think we’ll see more follow up.

Kirkpatrick added this morning we had 89 applicants. Estimate we’ll received another 15 today, and by day’s end will have over 100 applications. On the one page application we asked them to at least estimate what the damage will be, capped at $5,000. Some had $300/$400, while others asked what if can’t estimate now? Our reply was, if you don’t know for sure put down $5,000 and return your receipts for us to make the adjustment. Brought up because as we receive money has been set aside, just
as insurance companies set aside reserves. Currently at $467,000 for the money set aside.

As we look at the applications some will not be paid. For example, a person with insurance to cover a good portion of damage. They are not eligible under the program guidelines. We asked questions at the meeting about insurance and added if someone not sure of insurance submit an application and we’ll look at your individual situation. We prefer submissions and then a termination rather than assume ineligibility. Of the $467,000 we’ll know quickly a few will not be eligible.

Fellers asked is it different applications for the different storms, or one application? Kirkpatrick replied, one. A one page application which says the storm date, with some people checking both dates.

Camp heard 89 applications? Kirkpatrick answered, 89 as of this morning, and in the mail received approximately 15 plus. Camp asked if the 89 represents the $467,000? Kirkpatrick said they made the adjustment, the $467,000 represents 104. Camp asked how many are for both the May and October events? Kirkpatrick replied they have broken into dates yet.

Hoppe stated there were more double backups than anticipated. A high topic of conversation along with the amount. Camp stated if some are $300 to $400, but someone else has a $10,000, would it be $10,000 for both? Kirkpatrick replied one application for a duplex could result in $20,000.

Gaylor Baird asked for the geographical area covered. How many are close to the Teresa Street plant? How many are further in town? Kirkpatrick replied the majority are in the Teresa Street area. The meeting was held at Huntington Elementary as it was a convenient location. Gaylor Baird asked if he felt as if others should be told? Others who might need assistance? Kirkpatrick answered do feel good with the coverage we’ve received in the media. The TV and in the newspaper a number of times. A recent article mentioned the application process. All helps, although we noticed there were people who, when they received the postcard, didn’t have a clue. Hoppe added we did have a number of people come and meet from other areas. So, we think we’ve done a good job of identifying people with issues.

Kirkpatrick commented their hope is for people to get their applications in, and they’ll talk to their neighbors which will prompt a few more to check into it.

**Federal JAG Grant - Tom Casady, Public Safety Director**

Casady stated they applied for a Justice Assistance Grant. We have received Justice Assistance Grants since 1988 and required to announce. We also invite public comment, and comment from Council on the use of funds. Since the Justice Assistance Grants came we’ve used to support the Lincoln Lancaster County Narcotics Task Force, which is operated/managed by the Police Department. Our grant this year is $148,132.00, down $31,712.00 from last year, and declining steadily since the late 1990's. We use it to continue to operate a multi-agency task force. Lincoln Police Officers, a Lancaster County Deputy Sheriff, a UNL Police Officer, and the Lancaster County Attorney’s office for prosecution. The grant is awarded directly to the City, based on accommodation of our population and our violent program on crime rate formula that allocates a congressional formula which allocates an amount to each state.
Christensen asked how soon would we be receiving the grant money? Casady replied the new federal fiscal year which begins in October.

**Parks Facilities Annual Report Involving Alcohol Events - Lynn Johnson, Director Parks & Recreation**

Johnson distributed Report regarding fundraising events where alcoholic beverages served. When this ordinance passed in 2008 it designated specific facilities where alcohol could be served. A portion of the ordinance asks for an annual report to the Internal Liquor Control, and we always give to the City Council.

Johnson added the ordinance says the report is to be annually. In the past has been January and this year is July. Will see if I can do in January in the future. He commented he has spoken with some of the people at Woods Tennis and they are very appreciative of the Council action where Woods Park Tennis Center was added to the locations where people could be served at fundraising events.

Johnson stated he has had conversations with the Zoo and the Childrens’ Museum about looking in their direction. Camp stated, wine and beer.

Gaylor Baird asked how many events are there typically? One every year is average? Johnson replied one or two. Sometimes the Foundation will have one event and other times The Friends of Pioneers Park may have one or two events a year. So, believe the most we’ve had is three.

Raybould asked if these are specific fundraising events and not other events that serve alcohol? Thinking of Pinewood Bowl and concerts there, and doesn’t constitute fundraising. Johnson answered, it does not. These are events organized specifically for fundraising and always have a licensed caterer responsible for moderate consumption. Pinewood Bowl, part of SMG, has the ability through the ordinance to serve alcohol during concerts, and aren’t considered fundraising events. Certainly generate revenue but not considered fundraising.

**N Street Project - Dave Landis, Urban Development Director**

Landis stated two weeks ago the co-owner of our general contractor, John Haynes, asked if we were on schedule, with our reply being yes. Our obligation is to be finished October 1st and on the schedule you’ll see adjustments in pencil, representing places where they would start earlier. To the extent there might be differences being heard, we are accurate.

Landis continued saying this is broken into different areas. They’ll work in one area and then a different schedule, and another. But it is not where you see from one side of N Street to the other in a clear progression, which may be the source of some confusion.

Raybould asked if October or August? Landis replied that Ernie had told him October. Remember there’s signage, lights to be put up. This goes to August (referring to his handout) but in asking the project manager he said October.

Eskridge stated there’s not any of the western part of N Street listed. Landis stated if there’s more of this will ask and provide to Council.

**IV. DIRECTORS CORRESPONDENCE**
PARKS AND RECREATION
1. Parks and Recreation Advisory Board meeting agenda for July 9, 2015.
   a) Fact Sheet: Adoption of revised Antelope Park Triangle Proposed Land use Plan Conditions of Approval.
   b) Antelope Park Triangle Proposed Land use Plan Conditions of Approval.

PLANNING DEPARTMENT
1. Administrative Amendment No. 15026 approved by the Acting Planning Director on July 2, 2015.

TELECOMMUNICATIONS/CABLE TV ADVISORY BOARD
1. The Telecommunications/Cable TV Advisory Board meeting schedule for July 23, 2015 has been rescheduled to Tuesday, August 25, 2015.

URBAN DEVELOPMENT
1. NEWS RELEASE. Street closures planned for Chesney concert.
   a) Map of drop off site.

V. COUNCIL MEMBERS

VI. CORRESPONDENCE FROM CITIZENS
1. Ivan Strilkivsky writing with comments on City’s decision of sewage backup claim.

VII. ADJOURNMENT
Chair Fellers adjourned the meeting at 2:23 p.m.
