Comment or Question:
Please ban floating burning lanterns. Upon returning from the Black Hills, we counted 35 lanterns burning across the Lincoln sky. That is just what we saw in the 30 minutes it took to get across the city. Since that time, we have stopped leaving our home on the 4th of July including for the celebration put on by the city. We feel we are becoming prisoners in our home because we fear a catastrophe. This year while doing sparklers in our driveway, two lanterns floated by.

Pat Egan was quoted on TV as stating that people will do it anyway regardless of the ban. Besides being a cynical and dismissive response to the concerns of citizens, there are laws and regulations and they generally work well. Our city is already a battle zone with noise and nuisance. To continue to put our homes at risk of going up in flames is ABSOLUTE INSANITY.
