AMENDING THE PAY SCHEDULES FOR CERTAIN EMPLOYEE GROUPS BY ADJUSTING THE SCHEDULES OF ANNUAL, MONTHLY, BIWEEKLY AND HOURLY PAY RANGE EQUIVALENTS FOR EMPLOYEES WHOSE CLASSIFICATIONS ARE ASSIGNED TO THE PAY RANGES PREFIXED BY THE LETTER "A" TO BE EFFECTIVE AUGUST 13, 2015 - Doug McDaniel, Human Resources Director, came forward and stated the next 7 resolutions pertain to the annual increases for those in these pay classifications. All but 3 are represented by the Unions which are biannual contracts that were ratified last year. They are now going through the process of restating and approving the 2nd year of those contracts. He said that they don’t change the pay ranges, but only give a lump sum increase. For “M” class, an increase of 1.25; “X” class, an increase of 2.25; “E” class, an increase of 2.25 increase; “B” class, an increase of 3.0; “N” class, an increase of 2.25; “C” class, an increase of 2.25; “A” class, an increase of 2.25. The represented group, LCEA, would be first level management, professional and technical positions, accounting and billing supervisors, micro-computer support specialist I & II, system specialist I, II, III, graphics designer I, II, accountant, assistant city auditor, utilities service supervisor, buyer, operations supervisor, technical support specialist I, systems analyst programmer I, II. The PAGE contract is up for renewal next year. There will be no other economic changes because the contracts have already been ratified and we are just restating the 2nd year pay adjustments.

Council Member Camp asked Mr. McDaniel to explain the process the City goes through in negotiating contracts and why there are increases when, nationally, compensations are flat.

Mr. McDaniel, said the CIR (Commission on Industrial Relations) dictates that comparable cities are looked at within our array and governs how we do our increases. We use statistical analysis that drives how increases are negotiated and we are comparable with the increases given across 7 different cities within our array.

This matter was taken under advisement.
AMENDING SECTION 5.17.575 OF THE LINCOLN MUNICIPAL CODE RELATING TO THE TELECOMMUNICATION/CABLE TELEVISION ADVISORY BOARD TO PROVIDE THAT THE CITY COUNCIL SHALL APPOINT A CITY COUNCIL MEMBER TO SERVE AS ONE OF THE ELEVEN BOARD MEMBERS - Jeff Kirkpatrick, City Attorney, came forward and stated after Council discussion and the activity in this area with telecommunications, it would assist with communication if the Council had a representative on this advisory board. The reference to “chairperson” was removed as it implied that the Mayor would appoint the chairperson and that individual is actually elected by the board. Also, the reference of membership from the original board carrying over to the newly named board has been removed as this has already happened. This matter was taken under advisement.
