COMP. PLAN CONFORMANCE 15033 - APPROVING AN AMENDMENT TO THE ANTELOPE VALLEY REDEVELOPMENT PLAN TO ADD THE “ANTELOPE SQUARE REDEVELOPMENT PROJECT” TO INCLUDE THE REDEVELOPMENT OF A PORTION OF TWO BLOCKS INTO 24 ATTACHED, SINGLE-FAMILY, MIXED-INCOME RESIDENTIAL UNITS, ON PROPERTY GENERALLY LOCATED BETWEEN Q STREET, R STREET, NORTH 22ND STREET, AND NORTH 23RD STREET - Wynn Hjermstad, Urban Development Manager, came forward and stated this is an amendment to an existing Antelope Valley Redevelopment Plan. This is a two phase project with the first phase which consist of 10 units and an additional 14 units in the second phase. We will be using up to half of the units for 1st Time Home Buyers. This project has a total private investment of $5.1 Million dollars and $825,000.00 dollars from TIF, for traditional uses.

Roy Christensen, Council Member, inquired if this is for low income and if this would affect current residents in the area.

Ms. Hjermstad stated this is for low and moderate income not for poverty, there is a potential for current residents being priced out of the neighborhood. This will also increase property value for this area.

Leirion Gaylor Baird, Council Member, asked if Lincoln Public Schools supports TIF for this project.

Ms. Hjermstad stated that generally they support these small infill projects, they mainly have concerns with the larger residential projects and those are mainly towards the outside of town.

Ms. Gaylor Baird inquired how this project will help revitalize the Antelope Valley area.
David Cary, Planning Director, stated some work that has already been done to Antelope Valley is working on flood control, park improvements, and transportation improvements. The housing is meant to support downtown activities.

Roy Christensen, Council Member, inquired about the businesses that are currently in this area. Ms. Hjermastad stated that they have had discussions with businesses in this area and they are not wanting to sell at this time.

Thomas Huston, Cline Williams, Wright Johnson & Oldfather, 233 South 13th Street, Suite 1900, came forward on behalf of Antelope Square formed by Neighborworks Lincoln and Assurity and they are in support of this project. Discussion followed.

Ms. Gaylor Baird asked what the neighbors in the area were saying.

Mr. Huston stated they held meetings with the neighbors and there were no complaints stated and the meetings were very encouraging. Discussion followed.

Brett West, Developer with Assurity, came forward and stated that he is working on the design side of this project. Discussion followed.

This matter was taken under advisement.

AMENDING RESOLUTION A-89384 APPROVING USE PERMIT 107E TO INCLUDE DELETION OF THE CONDITION IN RESOLUTION A-78732 APPROVING USE PERMIT 107 THAT AT LEAST 35,000 SQUARE FEET OR 50% OF THE FLOOR AREA OF EACH BUILDING BE OCCUPIED BY A SINGLE TENANT - Bill Austin, Baylor & Evnen, 1248 O Street, Suite 600, came forward and stated that this is to delete the language and notes from a resolution that was passed in December. Discussion followed.

This matter was taken under advisement.

ACCEPTING THE REPORT OF NEW AND PENDING CLAIMS AGAINST THE CITY AND APPROVING DISPOSITION OF CLAIMS SET FORTH FOR THE PERIOD OF JANUARY 1-15, 2016 - Kaushal Trivedi, 600 Buffalo Creek Rd., came forward requesting that his claim for damages to his yard and sprinkler head by snow plow be covered by City. Mr. Trivedi did state that he was told it was on the City right-of-way and would like more clarification of City right-of-way.

Jeff Kirkpatrick, City Attorney, stated the damage to the property was done by a City snow plow on the City right-of-way. The City right-of-way is the responsibility of the property owner for upkeep, and the City is not responsible for damage to anything the property owner places in this area. If the damage is done by a company that the City has contracted, then it is the responsibility of the property owner to file claim with the contracted company for the damages. Discussion followed.

Mary Brown, 101 Centennial Mall South, Apt. 2, came forward requesting the City pay her claim of medical bills from an assault.

Mr. Kirkpatrick stated that Ms. Brown's claim is for medical bills from an assault case that the City Attorney will be prosecuting. The medical bills that Ms. Brown has for the assault is information that the City Attorney will use when prosecuting the offender. The City will request that the offender pay Ms. Brown's medical bills. Discussion followed.

This matter was taken under advisement.

CHANGE OF ZONE 15039 - APPLICATION OF JEFFERY & ELIZABETH HEERSPINK, TO DESIGNATE THE BETZ-VANANDEL HOUSES AS A LANDMARK, CHANGING THE ZONING DISTRICT FROM R-7 RESIDENTIAL TO R-7 RESIDENTIAL WITH LANDMARK OVERLAY, ON PROPERTY GENERALLY LOCATED AT 1037-1039 AND 1045 SOUTH 13TH STREET - Ed Zimmer, Planning Department, came forward to ask for approval. Mr. Zimmer stated these two houses are called American Four Square, built with brick in 1912. He has received an email from Matt Schaefer of the Neighborhood Association in approval.

Cyndi Lamm, Council Member, stated by adopting this as a landmark they would then be able to separate into two parcels.

Mr. Zimmer stated that there is already two parcels, the second parcel is small parking lot on the north side. The problem is the water service only allows one line per parcel and the line for the duplex is under the home and has a leak that needs to be fixed. Adding the landmark overlay then separating into two parcels would allow for a second water line so the leak could be repaired separately and they would each have separate water service.

Ms. Lamm asked what type of restrictions it would place on future owners of the property.

Mr. Zimmer stated that there would be guidelines for this property. If the property owner wanted to do something that was outside the guidelines and restrictions, after a set waiting period the owner would be able to make those changes. The owner in the end makes the decision.

Leirion Gaylor Baird, Council Member, asked what makes this a Landmark.

Mr. Zimmer stated this property meets two of three categories the first is a broad pattern of events (clustering of houses in the same area built similar to row houses at 11th & H), and architectural quality. Carl Eskridge, Council Member, asked Mr. Heerspinks what he was planning.

Jeff Heerspink stated he is only rushing this so that he would be able to fix leaky pipe, and does not have any plans on selling this property. Discussion followed.

This matter was taken under advisement.

AMENDING RESOLUTION A-89384 APPROVING USE PERMIT 107E TO INCLUDE DELETION OF THE CONDITION IN RESOLUTION A-78732 APPROVING USE PERMIT 107 THAT AT LEAST 35,000 SQUARE FEET OR 50% OF THE FLOOR AREA OF EACH BUILDING BE OCCUPIED BY A SINGLE TENANT

WHEREAS, William F. Austin, on behalf of Everett Investments and the Permittee, Firethorn Development Corporation, submitted an application designated as Use Permit No. 107E to amend Use Permit No. 107 for the purpose of eliminating the requirement [condition 1] set forth in the authorizing resolution [Resolution No. A-78732] that at least 35,000 square feet or 50% of the floor area of each building, whichever is greater, be occupied by a single tenant.

WHEREAS, Resolution No. A-89384 conditionally approved Use Permit No. 107E, by amending Use Permit No. 107, to remove the limitation in Resolution No. A-78732 on the maximum number of buildings allowed and to delete General Notes #19 and #20 from the site plan in order to eliminate the conditions prohibiting the sale of lots for speculative office space and requiring single users to occupy at least 35,000 square feet of floor area or 50% of the floor area of each building, on property generally located at South 84th Street and Firethorn Lane, legally described as follows:

Lot 3, Block 1, and Outlot C, Firethorn 17th Addition; Lots 1 and 2, and Outlot A, Firethorn 24th Addition; Lots 1 and 2, Firethorn 25th Addition; Outlot C, Firethorn 28th Addition; and Lot 3, Firethorn 41st Addition, all located in the Northwest Quarter of Section 2, Township 9 North, Range 7 East of the 6th P.M., Lincoln, Lancaster County, Nebraska.

WHEREAS, condition 8 of the conditions of approval for Use Permit No. 107E provides, in pertinent part, that "the terms and conditions of all resolutions approving previous permits (i.e. Use Permit Nos. 107 and 107A-107D) shall remain in force and effect except as specifically amended by this resolution."

WHEREAS, it has been determined that due to the language in condition 8 of Use Permit No. 107E, the deletion of General Notes #19 and #20 was not sufficient, in and of itself, to eliminate condition 1 of the conditions of approval for Use Permit No. 107 requiring that at least 35,000 square feet or 50% of the floor area of each building, whichever is greater, be occupied by a single tenant.

WHEREAS, Resolution No. A-89384 should be amended to correctly reflect the City Council's intent to amend Use Permit No. 107 to delete the requirement that at least 35,000 square feet or 50% of the floor area of each building be occupied by a single tenant.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Lincoln, Nebraska:

That Resolution No. A-89384 is hereby amended by amending condition 1 on page 2, lines 9-11 to read as follows:

1. This permit modifies Resolution No. A-78732 approving Use Permit No. 107 by deleting the limit on the number of buildings allowed, by deleting the condition that at least 35,000 square feet or 50% of the floor area of each building be occupied by a single tenant and deletes General Notes #19 and #20 from the site plan.
