This will also take out of the code the authority of the Pershing Manager to enter into agreements on behalf of the City which is not needed any longer.

Mr. Kirkpatrick said no.

The first would be removing the liquor portion that refers to another code section that has
already been repealed. The second is for holiday hours for employee classifications "N" and "X" which are Non-Union City Employees who are give Holiday hours and benefits of Union Employees to line up their contracts. Discussion followed. This matter was taken under advisement.

APPROVING THE ANTELOPE SQUARE REDEVELOPMENT AGREEMENT BETWEEN THE CITY OF LINCOLN AND ANTELOPE SQUARE, LLC RELATING TO THE REDEVELOPMENT OF PROPERTY BOUNDED BY 22ND STREET ON THE WEST, 23RD STREET ON THE EAST, R STREET ON THE NORTH, AND Q STREET ON THE SOUTH FOR THE CONSTRUCTION OF TWENTY-FOUR ATTACHED SINGLE FAMILY DWELLINGS. (RELATED ITEMS: 16R-28, 16R-29, 16-6); AMENDING THE FY 15/16 CIP TO AUTHORIZE AND APPROPRIATE $825,000.00 IN TIF FUNDS FOR THE ANTELOPE SQUARE REDEVELOPMENT PROJECT. (RELATED ITEMS: 16R-28, 16R-29, 16-6); AUTHORIZING THE ISSUANCE OF TAX ALLOCATION BONDS FOR THE ANTELOPE SQUARE REDEVELOPMENT PROJECT. (RELATED ITEMS: 16R-28, 16R-29, 16-6) - David Cary, Planning Director, came forward and stated that this is a project for 24 units of new housing in the Antelope Square Area. Ten of the units will be affordable housing for home ownership. This project is not for rentals. The developer has had two neighborhood meetings, and received letters of support as a result of those meetings. Planning Department has approved of this project. It will be done in two phases. December 2017, will be the first phase with the second phase starting in 2019. Jon Camp, Council Member, asked about the history of the discussion with the Lincoln School Board in the 56th area a few years ago and how this is different. Mr. Landis stated that this project is different from the one Mr. Camp is inquiring about a few years ago. The past project on 56th was a subdivision, and Lincoln Public Schools stated that this area was not an area with a long history of building that had been paying tax for decades that are now in need of being replaced. Lincoln Public Schools had a concern with new single dwelling homes like a subdivision that will produce children for the schools in the area and they would not have the tax base to support those children as they have increased costs. Mr. Landis stated that they are aware of what Lincoln Public Schools wants and the City has not repeated what Lincoln Public Schools had objected to in the past. Jane Raybould, Council Member, asked what the TIF funds would be used for. Mr. Landis stated that the TIF, in part, would be used for site acquisition, site prep, alley paving. Discussion followed. Tom Huston, Cline Williams Wright Johnson & Oldfather, 233 South 13th Street, Suite 1900, came forward on behalf of Antelope Square formed by NeighborWorks Lincoln and Assurity. One of the challenges is the assembly of the project, they currently have 8 sites and there were two other sites that the owners did not want to sell. This project has 24 units and at least 10 of those units will be for qualified buyers. Those units will look exactly like the other 14 units. Brett West, Developer with Assurity, 3042 Sheridan Blvd., came forward and stated phase one is 10 units and primarily faces the south where phase two the other 14 units will face the creek. The garages will be in the back and owner will be able to add a deck on top of the garage as an amenity. Mr. West stated that they are still working on some of the designs for this project. Joe Shaw, 2311 Q Street, came forward and stated that they are fans of this area and are in approval of the Antelope Square Project. Discussion followed.
Tim Fransic, 2511 T Street, came forward in favor of this project. Teri Pope-Gonzalez, 349 South 1st Street, came forward and inquired about TIF funds and site acquisitions and wanted to know if that would be the same as a bank loan.

Mr. Camp stated that it is not like a bank loan. Discussion followed.

Jane Kinsey, Watch Dogs of Lincoln, 6703 Hawkins Bend, came forward and stated that they do not have any problem with the development, they have problems with TIF funds being used for this project. They feel that the TIF funds are being handed out without knowing if the developer even needs it.

Shawn Ryba, Chief Operating Officer, NeighborWorks Lincoln, 4411 North Park Blvd., came forward to answer questions.

Leirion Gaylor Baird, Council Member, asked about the 10 units that will be for qualified buyers, and how NeighborWorks will support some of the folks who will be purchasing homes through the qualified buyer program, what NeighborWorks will be doing to help make it a successful endeavor for folks who haven’t gone through it before.

Mr. Ryba said what they value the most is engaging the community and walking them through the process, and value the input of residents when it comes to these sorts of projects. For the income eligible units, NeighborWorks offers a 9 hour Home Buyer Education Course. Folks that are 80% or lower, through this program, will get down payment and closing costs that will be forgiven after 10 years, for this project.

This matter was taken under advisement.

APPROVING THE SSH ARCHITECTURE REDEVELOPMENT AGREEMENT BETWEEN THE CITY OF LINCOLN AND KEVIN AND MARY HITTLE RELATING TO THE REDEVELOPMENT OF PROPERTY LOCATED AT 6234 AND 6240 BALLARD AVENUE FOR THE CONSTRUCTION OF A NEW, APPROXIMATELY 10,800 SQUARE FOOT, BUILDING. (RELATED ITEMS: 16R-30, 16R-31, 16-7);

AMENDING THE FY 15/16 CIP TO AUTHORIZE AND APPROPRIATE $110,000.00 IN TIF FUNDS FOR THE SSH ARCHITECTURE REDEVELOPMENT PROJECT. (RELATED ITEMS: 16R-30, 16R-31, 16-7);

AUTHORIZING THE ISSUANCE OF TAX ALLOCATION BONDS FOR THE SSH ARCHITECTURE REDEVELOPMENT PROJECT. (RELATED ITEMS: 16R-30, 16R-31, 16-7) - David Landis, Urban Development Director, came forward and stated that this is a 1 Million dollar project, and there is $110,000.00 in TIF funds. This project went to the Historic Preservation Commission because Havelock is a landmark district. If your project is within 300 feet of a landmark district your project goes to Historic Preservation Commission, who has voted to approve the project 6-0 in a recent meeting. Mr. Hittler, the Architect, and the City are continuing to have discussions on the design of this project. This will support, in general, the feeling of the Havelock area. The developer is responsible for all costs over any shortfall that might occur in the TIF process.

Jane Kinsey, Watch Dogs of Lincoln, 6703 Hawkins Bend, came forward and stated that they have concerns with the TIF being handed out. Ms. Kinsey stated that this project looks good, but has a problem with using TIF money.

Teri Pope-Gonzalez, 349 South 1st Street, came forward and inquired about what happens when the company defaults on the TIF.

Mr. Landis stated that the tax payers are not responsible for paying back the TIF. The agreements state that if there is a shortfall, the developer is responsible. If the bond holder cannot secure it from the developer, then the bond holder is at risk, and the City is in neither of those positions.

Carl Eskridge, Council Member, asked if this project is the empty lots behind Misty's and if anyone was displaced by this project.

Mr. Landis said that they are not displacing anyone with this project. Discussion followed.

This matter was taken under advisement.
