THE MINUTES OF THE CITY COUNCIL MEETING HELD
MONDAY, FEBRUARY 29, 2016 AT 5:30 P.M.

The Meeting was called to order at 5:30 p.m. Present: Council Chair Fellers; Council Members: Camp, Christensen, Eskridge, Gaylor Baird, Lamm, Raybould; City Clerk: Teresa Meier. Council Chair Fellers announced that a copy of the Open Meetings Law is posted at the back of the Chamber by the northwest door. He asked all present to stand and recite the Pledge of Allegiance and observe a moment of silent meditation.

READING OF THE MINUTES

RAYBOULD Having been appointed to read the minutes of the City Council proceedings of February 22, 2016, reported having done so, found same correct.
Seconded by Camp & carried by the following vote; AYES: Camp, Christensen, Eskridge, Fellers, Gaylor Baird, Lamm, Raybould; NAYS: None.

PUBLIC HEARING

APPLICATION OF GNS CORPORATION DBA CAPPY’S FOR A SPECIAL DESIGNATED LICENSE TO COVER AN OUTDOOR AREA MEASURING APPROXIMATELY 20 FEET BY 40 FEET AND AN INDOOR AREA MEASURING APPROXIMATELY 85 FEET BY 85 FEET AT GALA RECEPTION HALL AT 2602 PARK BOULEVARD ON MARCH 12, MARCH 19, MARCH 26, APRIL 16, APRIL 23, AND MAY 7, 2016 FROM 11:00 A.M. TO 2:00 A.M. - Investigator Conan Schafer, Police Department, came forward and stated that Cappy's SDL does meet all the requirements. Discussion followed.
This matter was taken under advisement.

DIRECTING SUBMITTAL TO THE ELECTORS OF THE CITY OF A PROPOSED GENERAL OBLIGATION BOND ISSUE FOR CONSTRUCTION OF IMPROVEMENTS TO THE CITY'S STORM SEWER SYSTEM AT THE MAY 10, 2016 PRIMARY ELECTION - Ben Higgins, Public Works, came forward and stated this bond approval is only for putting the Stormwater bond on the May 10 ballot for the public to consider. These projects have been planned for and are part of the Capital Improvement Plan (CIP). Mr. Higgins stated bond funds leverage other funds and projects are coordinated with other entities who are depending upon them to complete necessary work. Stormwater bonds are used to fund urban storm drainage projects, implementation of watershed projects, floodplain/floodprone area projects, stream rehabilitation of parks property, street drainage projects, water quality projects, watershed master plans, and emerald ash borer project. Discussion followed.
Lynn Johnson, Director of Parks & Rec., came forward and stated soon the emerald ash borer will arrive in Lincoln, if not treated the ash trees will die within 15 years. They would like to replace some of the ash trees to get ahead of the dying. Lincoln has around 14,000 ash trees with the highest concentrations in east and south Lincoln. We would like to leverage some of these grants with local funding to replace the ash trees.
Roy Christensen, Council Member, inquired if the plan is to replace trees in parks, City right of way, or both.
Mr. Johnson said both, with the focus on street trees. Discussion followed.
Cyndi Lamm, Council Member, asked Mr. Higgins if one of the projects on the current list, 56th and Fletcher, was approved in the 2012 Stormwater Bond, did we get the federal funds for this project in 2012.
Mr. Higgins said yes, it was on the 2012 Stormwater Bond list, but we did not make the cut for the federal funds needed to do this project.
Ms. Lamm asked if the funds were set aside for the 56th and Fletcher project, and what the funds were spent on if not for that project.
Mr. Higgins stated the funds were used on another project when we did not get the federal funds. Discussion followed.
Jane Raybould, Council Member, asked about the timing of the bond issue if approved by the voters, what happens in May, and how soon can these projects get started.
Mr. Higgins said it usually takes two or three months for the bonds to get sold. Once we get the funding we will start working with consultants getting scope of works ready to go. Some projects might be further along on design, it can vary from project to project depending on where they are with that particular project. Discussion followed.
Ms. Raybould inquired about the cost of starting some of the project now rather than later, since one of the studies suggests an increase in costs if we wait.
Mr. Johnson stated that one of the advantages of doing the projects now is we will not have to treat the trees, part of the strategy is to treat a declining number of trees over time. Some of the trees that we take out now and replace wont need to be treated that will save us cost. Our bids our currently very competitive for tree removal that cost will increase later.
Ms. Raybould stated that some of the funds will go towards the planting different type of tree and removal of trees, but inquired if any of the funds would be used in treatment.
Mr. Johnson stated that none of the money would go towards treatment of trees, it is just for removal and replacement. Replacement is a key so the trees have time to grow.

Carl Eskridge, Council Member, stated Council all received a letter from Lincoln Airport Authority concerning flooding in the area, what project would impact them.

Mr. Higgins stated it would be the Salt Creek Study in tier one.

Leirion Gaylor Baird, Council Member, inquired about the cost of the projects now, and if the cost would increase if the projects were delayed to a later time.

Mr. Higgins stated the longer you wait to fix these projects, over time, they will only get worse, and they will cost more money and at times even street closures. Discussion followed.

Mr. Johnson stated that he wanted to clarify one point that he made earlier, treatment of the ash trees in the future is not a long term strategy, it's a short term approach to stretch out the death curve. We have future treatment as part of our plan, although, it is not part of the solution.

Jon Camp, Council Member, inquired who decides where the money goes from projects that are not done.

Mr. Higgins stated they meet with the NRD every month and discuss projects that need to be done, as well as internal discussions on projects.

Mr. Christensen inquired if the money for the 2012 Bond was not spent on the projects it was meant for where the funds spent, and what assurances can we give the public that the projects they are voting on will get done and not something else.

Mr. Higgins stated all stormwater bond funds are spent on stormwater projects, we are not allowed to spend the funds on anything other than stormwater projects. Discussion followed.

Ms. Lamm stated on the list of projects the top items stated they are failing or in danger of failing, how long have we known this.

Mr. Higgins stated that we have known this for quite a while, although, we have to prioritize and sometimes these funds go to projects that are more critical. Discussion followed.

Mike Rogers, Bond Counsel, Gilmore & Bell Law, 450 Regency Pkwy, Suite 320, Omaha, came forward and stated that this bond issue, if approved, will go before the voters on May 10.

Scott Keene, Ameritas Investment Corp., 5900 O Street, came forward and stated if approved it generally takes 60 days to get the funds to start the projects.

Ms. Gaylor Baird inquired about the language in this bond and how it states projects expected to include, is that how we address the issue raised about projects that are listed as likely to happen for voters.

If for some reason federal funding or other sources don’t come through we legitimately use funding for other projects.

Mr. Rogers stated the resolution and the ballot language is very general. The resolution does call out a list of projects and indicates that the types of improvement shall include but not necessarily be limited to some or all of the improvements shown on Attachment 1, it indicates the expected use. It becomes challenging when you lock yourself into a specific list, because things do change over the course of time. This is the standard language for this type of bond.

James Moeller, 5552 Black Pool Road, came forward and stated he lives in the third district. When it rains the open ditch is bank full, with the last 8 rains it ran over. With newer construction in the area, their water also drains into this stream at a right angle, and it creates a whirlpool which is eating away at the back yards. At one of the units a block to the north, the eating away of the yard is to the back door of that residence. Mr. Moeller stated that this area is not on the list and he would like to have it added to the bond.

Ms. Raybould asked if the drainage problem is at 27th and Old Cheney.

Mr. Higgins stated that we have known this for quite a while, although, we have to prioritize and sometimes these funds go to projects that are more critical. Discussion followed.

Mr. Moeller stated that it is a block away and connects the two districts. Discussion followed.

Coby Mach, Lincoln Independent Business Association, 620 N. 48th Street, came forward expressing concern about the timing of the Stormwater Bond Proposal. This proposal is raising several issues. They are:

1. The current proposal does not replacing a previous bond this will result to a property tax increase.
2. LIBA believes a stormwater bond should be considered by voter only after they know if the new City budget contains a property tax increase or not.
3. LIBA believes the matter should be submitted to the public in November so the voters will know if there are other issues requiring funding.

Mr. Mach said that LIBA has ideas of where funds can come from instead of placing this on a bond issue, but at the vary least should remove the $2 Million dollars for the Emerald Ash Borer, and take immediate action for funding the 56th and Fletcher project.

Doug Murray, Road Builder Machinery & Supply, 5601 Fletcher Ave., came forward and stated that they have been at this location for 16 years. They have had water in their building 8 times over the last 15 years, and 4 of those times have been since 2012, from a two inch rain. This needs to be taken care of, they have spent thousands of dollars each time it floods.

Ms. Lamm asked if Mr. Murray had reported this flooding to the City.

Mr. Murray said every time. Discussion followed.

Rick Wagner, Tool & Design, 5801 North 57th Street, came forward and stated his business also gets flooded when it rains, and they are in favor of this being put on the May ballot. Discussion followed.
Approving a resolution requiring the annual publication of total wage and accepting the report of new and pending claims against the city and approving who are under $50,000 would list description of position and wage. Discussion followed.

Employees who make $50,000 and above would list their name, department, and total salary. Employees have been denied, and he has questions about this claim and how the damage occurred.

Kirkpatrick, City Attorney, came forward and stated there would be an amendment to take one of the items off the list, they have been contacted by an Attorney with further information on this claim.

DISPOSITION OF CLAIMS SET FORTH FOR THE PERIOD OF FEBRUARY 1-15, 2016 - Jeff Kirkpatrick, City Attorney, came forward and stated that we would be happy to provide more information on this claim.

This matter was taken under advisement.

ACCETING THE REPORT OF NEW AND PENDING CLAIMS AGAINST THE CITY AND APPROVING DISPOSITION OF CLAIMS SET FORTH FOR THE PERIOD OF FEBRUARY 1-15, 2016 - Jeff Kirkpatrick, City Attorney, came forward and stated there would be an amendment to take one of the items off the list, they have been contacted by an Attorney with further information on this claim.

Roy Christensen, Council Member, stated that he was contacted by Mr. Hoppe whose claim has been denied, and he has questions about this claim and how the damage occurred.

Mr. Kirkpatrick stated they would be happy to provide more information on this claim.

This matter was taken under advisement.

APPROVING A RESOLUTION REQUIRING THE ANNUAL PUBLICATION OF TOTAL WAGE AND SALARY INFORMATION FOR CITY OF LINCOLN EMPLOYEES - Jeff Kirkpatrick, City Attorney, came forward and stated this is resolution to provide pay information of Lincoln City Employees. Employees who make $50,000 and above would list their name, department, and total salary. Employees who are under $50,000 would list description of position and wage. Discussion followed.

This matter was taken under advisement.

Mike DeKalb, 6015 Huntington Ave., came forward and stated he is currently a Board Member on University Place Neighborhood Association and they are in favor of the bond. Mr. DeKalb stated this area in Northeast Lincoln is a lower point in the City and has flooding that needs to be addressed. This bond money is your matching money to be able to go to NRD for matching funds. Discussion followed.

Scott Josiah, Director of Nebraska Forest Service, came forward and stated he lives in Lincoln and wanted to mention the substantial service that trees provide in stormwater interception and management, and that helps reduce local flooding. Mr. Josiah also stated that he knows how fast trees fall apart that have the Emerald Ash Borers, then it quickly become a risk to life and property, and a legal liability. It is much easier, safer, and cheaper to remove a live tree, than a dead one. Mr. Josiah is in favor of this bond.

Derek Brookstrum, National Utility Contractors Association (NUCA), came forward and stated that they are in favor of the bond issue. If delayed to a future date you will lose an entire construction season, which would not be beneficial to anyone. Discussion followed.

Brian Egr, National Utility Contractors Association (NUCA), 8701 Colby, came forward in favor of this bond.

Marc Rosso, Lincoln Engineering Partnership for the American Council of Engineering Companies, came forward and stated that we need to think of public safety if we delay this bond until November, it will not be until next year when project can get started. Discussion followed.

Glenn Johnson, General Manager with the Lower Platte South Natural Resources District (LPSNRD), came forward and stated that they are in favor of this bond. Each spring in May the LPSNRD put together a budget for the year. If this bond is delayed to November, the LPSNRD will need to decide if they want to put money into the bond issue knowing that they may or may not have a partner for some of these projects, or wait until the next budget year to budget in the funds. Discussion followed.

Ms. Gaylor Baird asked what happens if only some of the projects are approved in the bond issue.

Mr. Johnson stated the NRD would need to decide what projects they could get done without a partner. Discussion followed.

Jane Kinsey, Watch Dogs of Lincoln, 6703 Hawkins Bend, came forward and stated they agree with LIBA on this bond. Watch Dogs would like to separate out the issue of the ash borer from this bond.

Discussion followed.

Ms. Gaylor Baird asked what happens if only some of the projects are approved in the bond issue.

Mr. Higgins stated that these projects will not get done if they do not have the funding for them, spring is the best time to do these bonds.

Ms. Gaylor Baird asked if the City would be faced with increased liability if the emerald ash borer problem does not have an adequate funding source or does not get addressed, what is the liability that we face.

Jeff Kirkpatrick, City Attorney, came forward and stated they would look at if it was a City tree, and was it foreseeable, a lot of times it is not. That would not be the defense in this case, if we have 10,000 ash trees across the City that are dead and we don't get them down before they fall, the City would be liable.

Mr. Christensen asked how the City would be liable without prior notice, if it had not been reported to the City that the tree was dead.

Mr. Kirkpatrick stated there is a legal principle about knew or should have known, the argument would be, if the tree had no leaves all summer it would be very obvious that it was dead.

Trent Fellers, Council Chair, also inquired about prior notice rules.

Mr. Kirkpatrick stated he understands the concern, although, the City has not had an issue like this when thousands of trees are dying within a short period of time. Discussion followed.

Ms. Lamm asked if there is any evidence that our trees have emerald ash borer.

Mr. Kirkpatrick stated that we do not.

Ms. Gaylor Baird asked how this stormwater bond would potentially prevent the kind of impact that we saw last May & October storms.

Donna Garden, Public Works Asst. Director, came forward and said when we have flooding storms there is infiltration from various places, and gets into our sanitary sewer system from streets flooding, there is an impact if we can reduce the flooding in areas to prevent this. Discussion followed.

This matter was taken under advisement.

SPECIAL PERMIT 04016A – APPEAL OF DEREK SCHROEDER AND DEREK ZIMMERMAN FROM THE PLANNING COMMISSION’S CONDITIONAL APPROVAL TO CONSTRUCT A MULTI-STORY, CLIMATE-CONTROLLED INDOOR SELF-STORAGE BUILDING AND INCREASE THE ALLOWABLE FLOOR AREA TO 197,200 SQ. FT., ON PROPERTY GENERALLY LOCATED AT NORTHWOODS DRIVE AND COLBY STREET - Andrew Willis, Cline Williams, Wright Johnson & Oldfather, 233 South 13th Street, Suite 1900, came forward and stated he is representing the Northern Lights Townhome Association, and they are not in favor of the special permit.

Carl Eskridge, Council Member, asked if there was any formal action taken by the Association to be presented to Council.

Mr. Willis stated that there is a petition.

Brock Zautke, 2000 Connor Place, came forward and stated that he is not in favor of this special permit. This special permit would impact property values, resale, and increase theft in the area neighborhood. Discussion followed.

This matter was taken under advisement.

APPROVING AN AGREEMENT BETWEEN THE CITY OF LINCOLN AND NEBRASKA DEPARTMENT OF ROADS FOR A FEDERAL-AID PROJECT GRANT IN THE AMOUNT OF $600,000.00 FOR THE IMPLEMENTATION OF A BIKE SHARE PROGRAM - David Cary, Acting Planning Director, came forward and stated this is to start a bike share program. With these grant funds and a $150,000 local match, non tax dollars, we would like approval on this project to move forward on the bidding process.

Jon Camp, Council Member, inquired about the fact that this will be a 10 year obligation on the Cities part since we would be accepting NDOR money.

Mr. Cary stated just a portion would be purchased with these funds that would be under the 10 year window. Future phases would not be under the 10 year requirement. Discussion followed.

Mr. Camp inquired on the potential liability of the City with this project.

Mr. Cary stated if there was a complete lack of funding and we had to suspend the program, which is not the case, there would need to be some correspondence with the State on how we would repay the federal funds.

Mr. Camp stated that the sponsorships are not committed to 10 years, they are normally one year.

Mr. Cary stated currently 1 of the sponsorships is a three year agreement, another is a two year agreement, and another is a one year agreement. A vendor will be hired to go out and procure those ongoing sponsorships, to have the ongoing stream of revenue. Discussion followed.

This matter was taken under advisement.

APPROVING (1) AMENDMENT TO THE MASTER SITE LEASE FROM THE CITY AND THE COUNTY OF LANCASTER, NEBRASKA TO THE LINCOLN-LANCASTER COUNTY PUBLIC BUILDING COMMISSION; (2) AMENDMENT TO THE MASTER LEASE AGREEMENT FROM THE COMMISSION TO THE COUNTY AND THE CITY; AND (3) THE ISSUANCE OF THE COMMISSION’S TAX SUPPORTED LEASE RENTAL REVENUE BONDS, SERIES 2016 - Mike Rogers, Bond Counsel, Gilmore & Bell Law, 450 Regency Pkwy, Suite 320, Omaha, came forward and stated these funds will be used for renovation of the Lancaster County Jail located at 605 South 9th Street, and renovation of the County Crisis Center located at 825 J Street, and would ask for approval of this amendment.

Scott Keene, Ameritas Investment Corp., came forward and stated they would like to take these bonds to market next week on Wednesday. Discussion followed.

This matter was taken under advisement.

AMENDING THE PAY SCHEDULE FOR THE EMPLOYEE GROUP WHOSE CLASSIFICATIONS ARE ASSIGNED TO THE PAY RANGE WHICH IS PREFIXED BY THE LETTER “M” BY REESTABLISHING THE PAY RANGE OF M56 AND ASSIGNING CLASS CODE 3017 TO THE EXISTING BATTALION CHIEF CLASSIFICATION FOR THOSE EMPLOYEES WORKING THE 56 HOUR WORK WEEK - Doug McDaniel, Human Resources Department, came forward and stated the purpose of this is to reestablish a practice and paygrade called M56. The M56 is to be used exclusively for Lincoln Fires Battalion Chiefs, those individuals that work a 56 hour work week.

Leirion Gaylor Baird, Council Chair, inquired if there was any fiscal impact from this change.

Mr. McDaniel said no. Discussion followed.

This matter was taken under advisement.

AMENDING TITLE 2 OF THE LINCOLN MUNICIPAL CODE RELATING TO OFFICERS, DEPARTMENTS AND PERSONNEL BY ADDING A NEW SECTION NUMBERED 2.04.060 REQUIRING THE REPORTING OF CONTRACTS TO THE CITY COUNCIL AND ADDING A NEW SECTION 2.18.080 REQUIRING THE PRE-QUALIFICATION OF FIRMS PROVIDING SERVICES TO THE CITY - Jane Raybould, Council Member, stated there is a process in place and we know it is working because our City is thriving. This ordinance would institute reporting on a monthly basis, on contracts for professional services that have been transacted, and will increase the transparency and accountability.

Jon Camp, Council Member, stated in his amendment there would be two changes, weekly reporting and knowing of contracts prior to them being approved. Discussion followed.

This matter was taken under advisement.
APPROVING A REAL ESTATE PURCHASE AGREEMENT BETWEEN THE CITY OF LINCOLN AND C STREET, LLC FOR THE SALE OF CITY OWNED PROPERTY GENERALLY LOCATED AT THE SOUTHWEST CORNER OF SUPERIOR STREET AND LEWIS AVENUE - David Landis, Urban Development Director, came forward and stated this is for the sale of land the City has owned for 45 years. It was donated to the City for a Library, we have no plans to use this land so we are requesting approval.

Carl Eskridge, Council Member, stated this land was given to the City for a Library, where will the sale proceeds go for this land after sold.

Mr. Landis stated that the money from the sale of this land would go into land acquisition fund. Discussion followed.

This matter was taken under advisement.

CLERK Read the following resolution, introduced by Carl Eskridge, who moved its adoption as amended:

WHEREAS, in order to fund necessary improvements to and extensions of the City of Lincoln’s existing storm water drainage and flood management system, and measures to achieve federal and state water quality standards, it is necessary to issue general obligation bonds and to levy a tax for the payment thereof; and

WHEREAS, it is in the best interests of the City to present the question of the issuance of such bonds and the levying of a tax to pay the same to the electors of the City at the statewide primary election to be held by the City on Tuesday, May 10, 2016. NOW, THEREFORE, BE IT RESOLVED by the City Council (the Council”) of the City as follows:

Section 1. The Council hereby finds and determines that:

a. It is necessary, desirable, advisable and in the best interests of the City to design, engineer, acquire, construct and/or furnish improvements and betterments to and extensions of its existing storm water drainage and flood management system, and measures to achieve federal and state water quality standards which improvements, betterments, extensions and measures (collectively, the “Improvements”) shall, without further action of the Council, be limited to, some or all of the improvements, betterments, extensions and measures generally described in Attachment 1A appended hereto and made a part hereof by reference.
b. The estimated cost to the City of completing the Improvements will be not less than $6,300,000, and in order to finance the cost thereof, it will be necessary for the City to issue its general obligation bonds in the principal amount of not to exceed $6,300,000, such bonds to be dated at the time of their issuance, and to become due and payable on such dates, bear interest at such rates, and to have such other terms as may be fixed by the City at the time of their issuance.

c. It will be necessary to cause to be levied and collected annually a tax in addition to all other taxes upon the taxable property in the City sufficient to pay the principal and interest accruing on such general obligation bonds as the same become due.

d. It is in the best interests of the citizens of the City to present the question of the issuance of such general obligation bonds and the levy of a tax to pay the same to the duly qualified electors of the City at the statewide primary election to be held on Tuesday, May 10, 2016.

Section 2. The following proposition shall be submitted to the qualified electors of the City at the city general election to be held on Tuesday, May 10, 2016.
