Jon Camp, Council Member, inquired about the restriction on liquor license and what happened with the infractions since then.

Mr. Rosiak said that this happened last Halloween, when someone called the police mistaking them for robbers or something. There was a hearing and they extended it since they felt there was no malicious intent.

Roy Christensen, Council Member, inquired about the background check and it was not done on Mr. Rosiak in the past, but it has been now, and there is quite a bit on here.

Mr. Rosiak stated everyone has a past, and running the business has changed that for him. Things have changed for him and all that he can do is just move forward with the business.

Mr. Camp asked for Conan Shafer to come forward to answer questions.

Conan Shafer, Police Investigator, came forward and stated that it is correct Mr. Rosiak did not receive a background check in the past because of his percent of ownership of the business. As the current manager an application was filled out and over half of the information about his record was not disclosed on the application.

Mr. Camp asked Investigator Schafer if he had information about the Halloween event.
Investigator Schafer stated that it was to promote a Halloween Party or Haunted House they were going to have and, while trying to attract business, there were calls to the police reporting they were in the street trying to stop traffic in masks. A few folks felt they were going to be robbed. They were found guilty of Disturbing the Peace for this infraction.

Mr. Camp asked if Investigator Schafer had any suggestions for this request.
Investigator Schafer said that he feels the Nebraska State Patrol will be having a show cause hearing on this matter. Discussion followed.

Mr. Kirkpatrick said one of the things that might have been noticed through the contract is the blank spaces. Those will be filled in, there were also a few other changes.
Bob Walla, Interim Purchasing Director, came forward and stated that the changes are minor. One is an error in missing an exhibit, and the other two are just clarifications of delivery times and payment. Other than these three changes we believe that the contract is complete. Discussion followed.
Ms. Gaylor Baird asked about the cost of this project starting at $20 Million dollars and now down to $9.1 Million dollars.
Tom Casady, Public Safety Director, came forward and said yes, the current cost will be between $9.8 and $9.4 Million dollars depending on whether we do the State option or not.
