PUBLIC HEARING

APPOINTING MARY M. CAMPBELL TO THE NEBRASKA CAPITOL ENVIRONS COMMISSION FOR A TERM EXPIRING JANUARY 9, 2019 - Mary Campbell, 4629 Hawthorn Drive, applicant, came forward and requested approval. Discussion followed.
This matter was taken under advisement.

APPLICATION OF LOU LOU'S LOUNGE, LLC DBA LOU LOU'S LOUNGE FOR A CLASS C LIQUOR LICENSE AT 5250 CORNHUSKER HIGHWAY;
MANAGER APPLICATION OF LINDEE L. SCHULTE FOR LOU LOU'S LOUNGE, LLC DBA LOU LOU'S LOUNGE AT 5250 CORNHUSKER HIGHWAY - Lindee Schulte, 8311 Windell Way, applicant, came forward and requested approval.
Roy Christensen, Council Member, stated his concern for Ms. Schulte's previous alcohol related convictions and also providing false information to a police officer.
Ms. Schulte stated her D.U.I's happened within 2 weeks of each other and that was 6 years ago and since then she has quit drinking. She has gone to treatment and is still in therapy. The false reporting to an officer was also alcohol related.
Mr. Christensen stated due to those offenses Ms. Schulte's application will automatically go to the State Liquor Commission.
Jane Raybould, Council Member, asked if Ms. Schulte has had any previous experience managing a bar.
Ms. Schulte stated she does not have experience managing a bar, but has managed and operated a cleaning company for 8 years.
Carl Eskridge, Council Member, asked who the prior owner of the bar is and if there was a business connection between Ms. Schulte and the previous owner.
Ms. Schulte stated Paul Holt was the prior owner and she has known him for about 4-5 months. She leases the bar and has also helped clean for his hotel.
This matter was taken under advisement.

APPROVING A CONTRACT BETWEEN THE CITY OF LINCOLN AND CAPITAL HUMANE SOCIETY FOR

ANIMAL SHELTER SERVICES, PURSUANT TO RFP NO. 16-083, FOR A FOUR-YEAR TERM

BEGINNING SEPTEMBER 1, 2016 THROUGH AUGUST 31, 2020, WITH THE OPTION TO RENEW

FOR ONE ADDITIONAL FOUR YEAR TERM - Judy Halstead, Lincoln Lancaster County Health

Department, came forward and stated negotiations on this contract started early this year due to going into a bi-annual budget and it was the plan to have this contract resolved before submitting the budget, which unfortunately did not happen. The current contract with Capital Humane Society is just a little over $524,000 a year. The contract beginning in the 2016-2017 year is $483,434, which is around $40,000 less than what was paid in the current year. In addition, year 2 will be around $26,000 less that what is currently being paid. Over the next 4 year term, there is a net savings of around $75,000. The City has tried to bring Capital Humane Society less animals and focus on bringing more animals home by attempting to identify the owner. If the animal is involved in an altercation with another animal, and that animal needs to be quarantined, they are allowing animals to be quarantined at home, on a home observation, instead of taking them to Capital Humane Society for the 10 day observation period if they are current on their rabies vaccination.

Leirion Gaylor Baird, Council Member, asked with the reduction in price will there be a reduction in service that has not already been in progress.

Ms. Halstead stated there will not be a reduction in services. Capital Humane Society will be continuing the same services that they have provided in the past. They will continue to provide shelter for a lost or stray animal and will hold for 3 days per statute. After the 3 days they can put the animal up for adoption if the owner does not come forward. Typically they will hold the animal a little longer than 3 days to allow owners more time in case an owner is out of town. If an animal is brought to them and there is concern for the animals health, they will perform a health assessment by a Veterinarian or Veterinarian Technician. They also assist if an animal has to be impounded due to an investigation such as a human bite investigation. They also assist with a stray animal who might have bit a human and need to be tested for rabies. All these services are the same from the previous contract, but the negotiation was based off previous volume and the work the City has done. Capital Humane Society has agreed to reduce what is currently being paid.

Carl Eskridge, Council Member asked if he were out of town and his pet got out and was taken care of by Capital Humane Society who would pay the cost for that service.

Ms. Halstead confirmed the owner would be the one responsible for paying Capital Humane Society. Capital Humane Society will then deduct that price off the bill for the City. In addition, if the animal gets out, Capital Humane Society will make sure the pet is licensed before being returned to the owner. Discussion Followed

Cyndi Lamm, Council Member, inquired about the cost for fiscal year 2018-2019, and 2019-2020 years of compensation are capped out at 3% increase of the previous year. The cost of the total project estimate includes the two years at the 3% cap.

Ms. Halstead confirmed the price estimate does include the 3% cap for the two years up to the maximum of $2 million. For years 3 and 4 of this agreement, Capital Humane Society will present the number of increased animals from the previous year and they will negotiate up to the 3% cap.

Trent Fellers, Council Member, asked what the funding source is for the agreement.

Ms. Halstead stated part are general fund dollars and depending on user fees. The majority of user fees are spent on animal control. Capital Humane Society is currently the only animal control that has capacity to take in the number of animals, which is around 3,000 that are picked up by the City.

This matter was taken under advisement.

APPROVING THE LABOR CONTRACT BETWEEN THE CITY OF LINCOLN AND LINCOLN POLICE

UNION (LPU) FOR A TERM EFFECTIVE AUGUST 13, 2015 THROUGH AUGUST 31, 2016 - Doug

McDanial, Human Resources, came forward and stated the change of the contract are the dates which is for one year and the dates of the Holiday's. In addition, there will be a 3% adjustment for Police Officers and 2.5% adjustment for Sergeants.

Roy Christensen, Council Member asked if there would be an adjustment with how long the contract will last in the future.

Mr. McDaniel stated it is their desire to negotiate across the City to negotiate a 2 year contract, to align with the biennial budget, but we have not been able to accomplish that.

Terry Pope-Gonzales, 349 S. 1st Street, came forward and inquired about officers working when the contract expired in 2015.

This matter was taken under advisement.

This matter was taken under advisement.
Mr. McDaniel stated under the rules of the State of Nebraska and Commission of Industrial Relations there is a Status Quo Order when a contract has not been ratified by the expiration date the status quo stays in place for up to one year. Discussion followed. This matter was taken under advisement.

APPROVING AN AGREEMENT BETWEEN THE CITY OF LINCOLN ON BEHALF OF THE LINCOLN PARKS AND RECREATION DEPARTMENT AND THE LINCOLN PARKS FOUNDATION TO PROVIDE FUNDING FOR THE WOODS PARK TENNIS CENTER RENOVATION PROJECT AND THE ASSOCIATED ENDOWMENT. (RELATED ITEMS 16R-91, 16R-92);

AMENDING THE FUNDING SHOWN FOR PARKS AND RECREATION CIP PROJECT 409417 WOODS PARK TENNIS CENTER BY ALLOCATING AN ADDITIONAL $1,250,000 OF PREVIOUSLY APPROPRIATED, BUT UNALLOCATED KENO FUNDS AND CHANGING AND INCREASING THE APPROPRIATION FROM $4,600,000 OF CAPITAL CAMPAIGN DONATIONS, IDENTIFIED AS OTHER FUNDS, TO $4,628,370 FOR THE WOODS PARK TENNIS CENTER PROJECT. (RELATED ITEMS 16R-91, 16R-92) - Lynn Johnson, Parks and Recreation, came forward and provided a letter from the Lincoln Parks and Recreation Association Advisory Board that shows their support for the project. The Parks Department asked the Advisory Board to review and prioritize potential future capital campaigns. The Woods Park Tennis Facility renovation was identified as the number one priority for capital projects. One action is the revised funding agreement between the City and the Lincoln Parks Foundation and the other action is the remaining City contribution that was reduced to $975,000. The amendments state the City will be actively involved in raising $275,000. The amendment now addresses the endowment and the construction contingency. The Lincoln Parks Foundation will set aside $600,000 to be used for both the endowment and the construction contingency. The dates by which the endowment will be put in place have also been amended to allow some extra time. The first $300,000 will be deposited into the endowment by the end of 2017 and the remaining funds that are available, either through additional fund-raising or that remain from the construction contingency will be deposited into the endowment no later than the end of 2019. The indenitification of the funding that is provided by the Foundation has been amended to the construction funds, the endowment and the construction contingency. There are also amendments to the capital improvement program, the amount of Keno funds directed to the project, and the amount of other funds has been increased which allows spending authority for the private donations and gives the City the ability to spend up to that specified amount should they come in.

Christie Dionisopoulos, 2421 Switchback Road, Executive Director of Lincoln Parks Foundation, came forward and stated the Parks Foundation Board met to approve the amended agreement and also approved a new resolution to make certain that they are committed to the full endowment amount of $600,000. The foundation wants to make sure all their Donor's are aware that they are fully committed to funding this project. Some of the funds are being put aside for the project construction contingency and when bids come in they will have a more accurate amount of what the construction contingency will be. The Foundation has anticipated having to raise addition funds to cover the contingency. There are strategies in place to help with additional donations. Discussion followed.

Mr. Johnson stated the importance of the action on the amendments and the CIP Agreement is that it allows the project to move forward into construction this summer which avoids any additional cost with winter weather. The City and the Foundation, both have additional fundraising to do. The City funding commitment being finalized is an important part of the project to allow Capital Campaign to continue to reach out to Donors to help the project get capped off.

Jon Camp, Council Member, inquired about the deadlines and if the money is not raised in time. Ms. Dionisopoulos stated their resolution also states that they will not pay out any funds from the endowment until it reaches $600,000.

Mr. Camp inquired about the dollar amount the Foundation pays out every year.

Ms. Dionisopoulos stated the endowment for this project is not established, but the other endowments the Foundation use pays out 4.5% a year. That is set aside into a temporarily restricted fund that is available for the project. If the money is not used, it stays in the account and continues to grow until it is needed.

Mr. Camp stated with the facility being new there will be very little that is needed in the beginning years of the project, but when things start needing repairs where will the funds come from if the endowment has not reached $600,000.

Ms. Dionisopoulos stated they would have to figure that out along the way, but it would not come from the endowment if it has not reached $600,000 which is where the additional fundraising would help.

Mr. Johnson stated if there is a repair that is needed it will not be Parks and Recreation responsibility. The responsibility would be The Friends of Woods Tennis as the operators of the facility and the group that is responsible for the long term management of the facility to come up with the funds and this could be a partnership between the Parks Foundation. Parks and Recreation would help out with support, but it would come from private funds to make any repairs that are needed until the endowment is fully funded.

Leirion Gaylor Baird, Council Member, inquired about maintenance needs on the building before the endowment is fully funded and the likelihood of the expenses becoming a reality.

Mr. Johnson explained the building is metal and about an acre in size with a concrete floor, basic restrooms, and a mechanical system and the soonest maintenance would probably be for the mechanical system. The next repair could potentially be the court resurfacing.
The Friends of Woods Tennis could potentially experience cost savings due to the new HVAC system and will be encouraged to put some of the extra funds aside to use as a contingency fund, but the system should last 10-15 years without needing any significant repairs.

Ms. Gaylor Baird inquired about the anticipated amount if the project does not get approved and does move into winter weather.

Mr. Johnson stated the number cannot be quantified, but if the situation arises, they would have the cost of winter concrete, winter concrete work, blanketing concrete and heating areas. If the project is postponed for a year, the price of materials and the price of labor could go up at least 3%. The schedule on this project was laid out with the anticipation of the project being approved some time in May. The big metal building has already been bid on with favorable bids. The bids have a 30 day expiration period which is currently at 15 days.

Ms. Gaylor Baird inquired about the Construction Manager at Risk model and how that can play into the numbers being on target of the estimates.

Mr. Johnson stated typically a Design Engineer Team would design the project and give cost estimates throughout the process to know where they think the cost will be and then Parks goes out for a bid. The contractor working on the project works side by side with the design firm. This allows the contractor to review the cost and look for cost savings.

Mr. Camp confirmed the endowment is only for capital and for large repairs, not for daily maintenance.

Mr. Johnson confirmed the Foundation has a fund statement that specifies exactly what the funds can be used for. The fund statement specifies this endowment is only to be used for large repairs.

Cyndi Lamm, Council Member, clarified that, based off the new agreement, the additional goal of $275,000 to be raised is anticipated to come from private funds and that it will not come from City revenue.

Mr. Johnson confirmed the $275,000 will be raised by private funding and not from City revenue.

Mr. Camp, Council Member, asked how often tennis courts have to be resurfaced.

Mr. Johnson stated typically courts have to be resurfaced about every 7 years. This project provides indoor courts which are protected from UV's and the weather. Ideally, that could protect the courts for 10-12 years.

Tim Hruza, Lincoln Independent Business Association, 5001 S. 65th Street, came forward with concern about additional park dollars being used for new construction instead of current part maintenance.

Jane Kinsey, Watchdogs, came forward and asked why The Friends of Woods Tennis is not being asked to raise more money.

Mr. Johnson stated this is a cooperative fundraising with the Parks and Recreation Department working with the two private groups. The Parks and Recreation Foundation is the fiscal sponsor of the campaign. They have helped organize the campaign and worked with the campaign volunteers to go out and solicit the donations. All donations have come to the Parks Foundation and are being held there and specifically identified for this project. This is a working relationship between the three entities working together cooperatively.

Rick Peo, City Attorney, came forward and stated the motion to amend is to reduce the amount of the Keno funds by $275,000. The City investment is going to be less than originally anticipated to be and the additional dollars are now to be raised by private donations.

Mr. Camp clarified The Friends of Woods Tennis will purchase a line of credit to ensure the funds do come in over the next few years while pledges are being made for donations.

Mr. Johnson stated more than half of the money is in place through the Parks Foundation and the remaining is anticipated to come in increments over the next 4 years. The Foundation Board has pledged to take out a line of credit to cover the expenses that it has through this agreement and will pay back the credit with pledge payments as they come in. Discussion followed.

This matter was taken under advisement.

APPROVING THE ESTABLISHMENT, EFFECTIVE 9/1/2016, OF THE DOWNTOWN CORE MANAGEMENT BUSINESS IMPROVEMENT DISTRICT WITHIN THE EXTERIOR BOUNDARIES OF AN AREA GENERALLY EXTENDING FROM N STREET ON THE SOUTH AND PINNACLE ARENA DRIVE ON THE WEST; THENCE NORTH AND NORTHEASTERLY ALONG PINNACLE ARENA DRIVE TO 8TH STREET; THENCE SOUTH ALONG 8TH STREET TO S STREET; THENCE EAST ALONG S STREET TO 9TH STREET; THENCE SOUTH ALONG 9TH STREET TO Q STREET; THENCE EAST ALONG Q STREET TO 10TH STREET; THENCE NORTH ALONG 10TH STREET TO A POINT APPROXIMATELY MID-BLOCK BETWEEN Q STREET AND R STREET; THENCE EAST ALONG SAID MID-BLOCK POINT TO 14TH STREET; THENCE SOUTH ALONG 14TH STREET TO Q STREET; THENCE EAST ALONG Q STREET TO CENTENNIAL MALL; THENCE SOUTH ALONG CENTENNIAL MALL TO M STREET; THENCE WEST ALONG M STREET TO 13TH STREET; THENCE SOUTH ALONG 13TH STREET TO L STREET; THENCE WEST ALONG L STREET TO 12TH STREET; THENCE NORTH ALONG 12TH STREET TO 13TH STREET; THENCE WEST ALONG M STREET TO 13TH STREET; THENCE NORTH ALONG 13TH STREET TO N STREET; THENCE WEST ALONG N STREET TO PINNACLE ARENA DRIVE, TO REPLACE THE EXISTING CORE BUSINESS IMPROVEMENT DISTRICT OVERLAY IN THE DOWNTOWN AREA WHICH EXPIRES ON 8/31/2016. (RELATED ITEMS: 16-44, 16-45, 16-46, 16-47);
APPROVING THE DISESTABLISHMENT OF THE WEST HAYMARKET/DOWNTOWN MANAGEMENT BUSINESS IMPROVEMENT DISTRICT, THE BOUNDARIES OF WHICH GENERALLY EXTEND ALONG THE EXTERIOR LINES OF PINNACLE ARENA DRIVE ON THE WEST AND NORTH, NORTH 8th AND NORTH 9th STREETS ON THE EAST, AND O AND N STREETS ON THE SOUTH, EFFECTIVE AUGUST 31, 2016. (RELATED ITEMS: 16-44, 16-45, 16-46, 16-47); APPROVING THE DISESTABLISHMENT OF THE WEST HAYMARKET/DOWNTOWN MANAGEMENT BUSINESS IMPROVEMENT DISTRICT, THE BOUNDARIES OF WHICH GENERALLY EXTEND ALONG THE EXTERIOR LINES OF PINNACLE ARENA DRIVE ON THE WEST AND NORTH, NORTH 10th STREET ON THE EAST, AND Q, R AND N STREETS ON THE SOUTH, EFFECTIVE AUGUST 31, 2016. (RELATED ITEMS: 16-44, 16-45, 16-46, 16-47) - Rick Peo, City Attorney, came forward and stated the request was made based on the recommendation of the Downtown Lincoln Business Improvement District Board. Two of the ordinances deal with the management districts. One could be called the base level of service and the second is for an enhanced level of service. The enhanced level is deemed the Core District. Management Business Districts have been in the Downtown Lincoln area since 1989. The two districts were recreated in 1999, then again in 2006. In 2006, the ordinance limited the term to 10 years, and the two districts will expire on August 31, 2016. In 2014, two Business Improvement Districts were created for management in the West Haymarket area. Those two districts do not have a sunset clause and will continue on indefinitely unless they are disestablished in the future. Due to the August expiration to the existing Downtown Management Improvement Districts, the new business improvement district has been created to allow the new Business Improvement Districts to manage purposes in Downtown Lincoln. The Business Improvement Advisory Board was created to come back with recommendations. These being created now, the boundaries were expanded on and is broader than the current Business Improvement Districts. The boundaries are large enough to incorporate the West Haymarket Area and the Downtown Lincoln Area. This will enable the two prior Business Improvement Districts to be disestablished to allow only 2 districts instead of 4 in order to monitor and perform special assessments. The Board has recommended creating an enlarged Core Management Business Improvement District and the Base Improvement District. Some properties will be in both districts and will pay for two assessments. There will be no functional changes with only having two districts except 4 properties are being added into the Core District. John Kay, 5921 Rolling Hills Boulevard, business and property owner in the current and proposed district, Chair of the Downtown Lincoln Improvement District Board, came forward and requested approval.

Terry Uland, Downtown Lincoln Association, came forward and stated typically this would be looked at when the budget is looked at year to year, but because this a 10 year renewal and there are a few changes, it is good to review. Todd Ogdan, 206 S. 13th Street, Deputy Director Downtown Lincoln Association, came forward and requested approval. Mr. Camp asked how the borders are decided and the process when the borders change. Mr. Uland stated typically that is decided when they are renewed. With the State Legislation changing they will be able to expand incrementally. Once the districts are consolidated, it will be easier to expand and they will not have to wait every 10 years when the Business Improvement Districts expire. If property owners come along, that can now be considered on an as needed basis.

Leirion Gaylor Baird, Council Member, asked how long this process has taken. Mr. Uland stated the first workshop was in October, 2014 and they have had a number of surveys, stake holder analysis, stake holder meetings and notifications. Mr. Kay stated there were open houses for all representative owners and open meetings for the Board. The Board felt there was merrit in adding four full blocks between 8th and 10th and N and O and two additional blocks between 9th and 11th and M and N. Bryan Sullivan, Embassy Suites Lincoln, Chair Downtown Lincoln Association Board, came forward to testify on behalf of the Board in support. Mr. Sullivan asked a number of individuals in the audience to stand who also are in support of the ordinance.

Brad Segal, President of Progressive Urban Management Association, 1201 E. Cofax Avenue, came forward in support. This matter was taken under advisement.
