1. Requesting transfer of operating appropriations.
2. Requesting increase in personnel (full time equivalents) appropriations.
3. Requesting transfer of capital improvement appropriations.
4. Requesting operational change not authorized during the budget process.
5. Requesting appropriations based on receipt of additional funds from outside sources.
6. Requesting use of Contingency funds.

HOW TO USE FISCAL IMPACT STATEMENT

NEED: There should be a detailed explanation of why a change to the previously approved budget is necessary. If the change will have any impact beyond the current fiscal year, it should also be noted.

FUTURE IMPACT: One of the boxes should be checked. An example of an item with ongoing impact would be a request for additional fte authorization that will also be requested in upcoming budgets. This would necessitate filling out the "Next Fiscal Year Annualized" column. An example of an item with limited impact would be asking for authorization to use salary savings for the one time purchase of equipment. If "Projected Completion Date" applies, please fill in.

REVENUES GENERATED: Please note if the request will affect current and future revenues.

LEGISLATIVE CHANGES: These boxes should be marked yes or no. Some of the actions this form is used for (transfer of capital improvement appropriations, Contingency Funds) require a City Council ordinance.

PERSONNEL (full time equivalents): Please note the number of fte's the request involves, if applicable.

PERSONNEL (cost), SUPPLIES, OTHER SERVICES AND CHARGES, EQUIPMENT: All entries in these boxes must have the business unit, object code, and object code description along with the dollar amount. Negative amounts must be indicated by brackets.

TOTAL EXPENDITURES: This box should contain the sum of the dollar amounts in the various expenditure categories.

SOURCE OF REVENUES: This box should contain the name of the fund the action is required for.

HOME FY 13/14 Program Income Received In Excess of Budgeted Amount

SEPTEMBER IS “NATIONAL PREPAREDNESS MONTH”

Lincoln-Lancaster County Emergency Management Director Jim Davidsaver today urged all residents to observe September as “National Preparedness Month.” National Preparedness Month is sponsored by the U.S. Department of Homeland Security’s “Ready” Campaign to encourage Americans to take simple steps to prepare for emergencies in their homes, businesses, schools and communities.

“There’s a saying in Emergency Management, ‘People don’t plan to fail. They fail to plan,’” Davidsaver said. “If you postpone your preparations until disaster strikes, it’s too late.”

Davidsaver said all residents are encouraged to assemble an emergency supply kit and develop a family emergency plan. “Every individual and family needs a plan to deal with natural or man-made emergencies,” he said. “If you do not have a plan, make one. If you do have a plan, review and update it at least once a year.”

Davidsaver offered these tips:

- A family preparedness kit should include a family-sized supply of food and water as well as essential medicines and first-aid supplies for at least three days. Plan for all members of your household, including pets.
- A family emergency response plan should be specific and emphasize communication among family members and external sources of information such as media.

Davidsaver said more information on emergency kits and plans is available online from many sources, including lancaster.ne.gov (keyword: emergency) and ready.gov. People can download the FEMA application at fema.gov/mobile-app, for instant access to preparedness information. A NOAA all-hazards radio is a great tool to alert and inform families of potential emergencies. Early and timely notification allows families to take necessary steps to protect themselves.

To promote community-wide preparedness, the department is hosting a Community Emergency Response Team (CERT) training session in early October. This training not only promotes self-sufficiency among community residents, it prepares people to provide support to first responders during a major disaster. For more information or to register for the CERT class, contact Teri Roberts at Volunteer Partners, 402-435-2100 or teri@volunteerpartners.org.
Davidsaver thanked local media outlets for their commitment to keep community residents informed in emergency situations in and around Lancaster County. He also thanked the Nebraska Emergency Management’s (NEMA) Citizen Corps Council for promoting National Preparedness Month.

Davidsaver said local agencies have been working with Volunteer Partners and Community Organizations Active in Disaster (COAD) to make preparedness information available through business newsletters, organizational flyers and social media outlets.

The weekly topics for National Preparedness Month are as follows:

- August 28 through September 3 – Kickoff to National Preparedness Month. Find resources to promote National Preparedness Month at ready.gov/september.

- September 4 through 10 - Preparing Family and Friends. Make a family emergency plan using information at ready.gov/make-a-plan.

- September 11 through 17 - Preparing Through Service. Observe the anniversary of the 9-11 terror attacks, get involved in your community and coordinate planning with neighbors. More information is available at ready.gov/volunteer.

- September 18 through 24 -- Individual Preparedness. Take individual steps to prepare for a disaster by downloading the FEMA app at fema.gov/mobile-app.

- September 25 through 30 - Lead up to National PrepareAthon Day. Be counted and register your preparedness event for National PrepareAthon Day at community.fema.gov.

CAPITAL CITY READY FOR GAME-DAY TRAFFIC

Mayor Chris Beutler said Lincoln is ready to welcome Husker fans to the Capital City for another season of Nebraska football. The first of the Huskers’ seven home games starts at 7 p.m. Saturday, September 3 against Fresno State.

Those entering Lincoln on southbound I-180/9th Street, are strongly encouraged to use “N” Street and Pinnacle Arena Drive to access the Haymarket, the Haymarket parking garages and Pinnacle Bank Arena. To improve traffic flow, the following changes will be in effect before and after the games:

- Two hours before kickoff, southbound 9th Street will be closed starting at the roundabout at 9th Street and Salt Creek Roadway near Memorial Stadium. The street will reopen once vehicles have left the Stadium area after the game.
- Salt Creek Roadway will have lane restrictions at 14th Street to better manage traffic congestion.
- 16th Street from “X” to “W” streets will be one-way southbound following the game.

Pre-paid parking in the Haymarket and other City garages can be reserved through parkandgo.org. Rates for the four West Haymarket garages are $20, and the other rates vary by garage. Limited parking will be available for $25 in the VIP Parking Garage attached to the southwest side of Pinnacle Bank Arena. Parking garages available in the West Haymarket area include the following:

- Red 1, 555 “R” Street
- Green 2, 530 “P” Street
- Blue 3, 535 “P” Street
- Lumberworks, 700 “N” Street

To avoid game day traffic and parking challenges, City officials recommend visiting lincoln.ne.gov for maps and street construction information, arriving early, celebrating downtown after games and using these City services:

- Travel to and from games on StarTran’s Big Red Express (startran.lincoln.ne.gov).
- Purchase a $10 tag for all-day, on-street parking in metered stalls from any City parking employee wearing a Park & Go shirt at City-operated parking facilities.

(More information on the Big Red Express and parking follows this release.)
Other game-day events include the Haymarket Farmers Market every Saturday through October 15 and Railyard entertainment and activities on Fridays and Saturdays. The Cube in the Railyard will show football games all day on Saturdays.

The area of the Haymarket Farmers Market will close from 5:30 a.m. to 1:30 p.m. every Saturday through October 15. North 7th and 8th streets as well as Canopy Street will close from “P” to “Q” streets. “P” Street will close from 7th to 8th Street and “Q” Street will close from 7th to Canopy streets.

Vehicles will be subject to towing if parked on job sites or driving lanes on streets or in unfinished areas. Parking meters are enforced Saturdays from 8 a.m. to 6 p.m. The following fine system is in effect:

- If the ticket is paid online within seven days from when it is written, the fine is $9.
- If the ticket is paid in person or through the mail within seven days, the fine is $10.
- If the ticket is paid after seven days, the fine is $25 in person or by mail or $24 online.

Vehicles towed by order of the Police or a Parking Control Officer are subject to a $50 towing fine in addition to the $49.53 required to retrieve a vehicle from the impoundment lot. The towing fine does not apply to cars towed from private lots.

On football game days, Interstate 80 exits at I-180/Downtown and 27th Street can be very congested, so visitors are encouraged to use other routes into Lincoln:

- From the east, take the Hwy. 6/Cornhusker Hwy. exit 409. Turn south at State Fair Park Drive and west on Salt Creek Roadway to reach Memorial Stadium, the Champion’s Club and parking facilities east of the stadium and in the Haymarket.
- From the west, use exit I-80 at Homestead Expressway/Hwy. 77 South, then go east on Rosa Parks Way.
- Those using I-80 who plan to park in the Haymarket Park lots will experience less congestion if they enter Lincoln using the airport exit 399.
- The I-80 westbound on-ramp from Highway 6/West “O” Street has been permanently closed. Motorists should use the N.W. 48th Street interchange. The eastbound I-80 off-ramp in this area also has been permanently closed.

Other traffic reminders:

- Stadium Drive west of the stadium will be closed to all vehicular traffic. Passenger drop-off and pick-up will not be allowed in front of the Stadium before or after the game. Fans can be dropped off and picked up at 10th and Charleston streets and 12th and “R” streets.
- Only StarTran buses and those using UNL lots 12, 22 and 23 or handicapped parking will be allowed west of 16th Street on Vine.
- Charter buses will park on “W” Street between 14th and 16th streets.
- Construction is ongoing on “Q” Street, from 16th to 13th Streets. The intersection of 14th and “Q” Streets will be a three-way stop, which may cause traffic delays in that area.
- Lanes will be reduced on “P” Street from Centennial Mall to 17th Street. There also will be lane reductions on 17th Street from “O” to “Q” Streets.

Those choosing to ride bicycles to the game have several options. The “N” Street Cycle Track is a protected bikeway for the exclusive use of cyclists on the south side of “N” Street from 23rd Street to Arena Drive. Downtown bike lanes are on 14th Street from “L” to “R” streets and on 11th Street from “Q” to “D” streets. Bike UNL is offering free bike valet service for all home games. Cyclists can drop off their bikes on the east side of Cook Pavilion near 14th and “W” streets two hours prior to kickoff. For more information, visit bike.unl.edu/bikevalet or call 402-472-4777.
The City of Lincoln and the Nebraska Department of Roads (NDOR) partner together to improve the traffic experience during game day. The City provides traffic control on Lincoln streets while NDOR helps coordinate traffic on I-180 and I-80. Coordination efforts include traffic planning, pre- and post-game messaging, planned lane and ramp closures and sharing of incidents with all parties involved as they happen.

Other general reminders:

- Drinking alcohol is prohibited on City streets, parking lots, garages and sidewalks, including the trail between Haymarket Park and 8th Street.
- The sale of tickets, souvenirs or other items is not allowed on City streets or sidewalks. Officers will issue citations for violations that inhibit the use of the street or sidewalk. The sale of food, flowers or balloons requires a sidewalk vendor permit.
- Lock your vehicle and move valuable items out of sight to prevent theft.
- Backpacks and umbrellas are not allowed in Memorial Stadium.

**BIG RED EXPRESS**

In addition to its regular routes, StarTran will provide its Big Red Express service on Husker game days starting two hours before kickoff from six locations:

- The City Municipal Service Center (I-80 airport, exit 399), 949 W. Bond (take first right north of McDonald’s)
- Southeast Community College, 88th and “O” streets, south parking lot
- Holmes Lake, 70th Street and Normal, north end of lake
- Gateway Mall, 61st and “O” streets, north of JC Penney
- SouthPointe Pavilions, 27th and Pine Lake Road, south of Von Maur
- North Star High School (I-80 airport exit 403), 5801 N. 33rd St. (six blocks east of 27th Street and Folkways Blvd.)

Buses will drop off on and depart from “R” Street between 12th to 14th streets. The last bus will leave the lot 45 minutes prior to kickoff. The cost is $5 each way, and passengers will need exact change. Electronic signs will help direct fans to the Big Red Express locations. Big Red Express season tickets, good for round-trip travel for all home games, are available for $50, a $20 savings, at StarTran, 710 “J” Street; the SouthPointe Pavilions office; Scheel’s at SouthPointe; or at the lots on game day. For more information, call 402-476-1234 or visit startran.lincoln.ne.gov.

**PARKING**

The City recommends reserving reduced-price, pre-paid, event parking through lincoln.ne.gov, and through parkandgo.org. Football parking locations and fees are:

- County-City lots - North (10th and “K”), South (701 S. 10th) and West (802 “J”) - $15 on site and $10 online
- Carriage Park (1120 “L”), Cornhusker Square (1220 “L”) and Center Park (1100 “N”) - $20 on site, $15 online
- Haymarket (9th and “Q”), Lincoln Station South (7th and “P”), Market Place (10th and “Q”), Que Place (1111 “Q”), Red 1 (555 “R”), Green 2 (530 “P”), Blue 3 (535 “P”), University Square (101 N. 14th), Larson Building (1317 “Q”), West Depot Lot (676 “O”), Lumberworks (700 “N”) - $25 on site, $20 online
- Sun Valley and Charleston St. Lot near Oak Lake Park - vehicle parking is $10 on site and online; RV parking is $50 on site and $45 online
- “N” Street Gravel Lot, “N” Street and Arena Drive - vehicle parking is $25 on site only; RV parking is $70 on site and $65 online
• 14th and New Hampshire lot - vehicle parking is $10, and RV parking is $20 (game-day purchase only)

Grills are not allowed in City garages. Grills are allowed at the 14th and New Hampshire lot and at the Sun Valley and Charleston lot. Fans planning to stay Friday night on City property must purchase their parking online and display the permit in their RV overnight. RV parking is not allowed at the Haymarket Park baseball/softball complex.

A number of private lots are available. Rates vary, and some offer season passes. Vehicles blocking driveways, parked too close to the intersection, parked on public right of way or interfering with vehicle or pedestrian traffic will be towed.

UNL parking lots will be available for use six hours prior to kick off. Game-day parking information and maps are available at parking.unl.edu/ (keyword: football). Parking is available at the following University areas on game day:

• 17th and “R” garage - $20 day of game, $140 season
• 19th and Vine garage - $20 day of game, $140 season
• 15th and Vine streets - $20
• 1410 “Q” St. - $20
• 16th and “X” streets - $20
• Anderson Hall, 16th St. between “P” and “Q” streets - $20
• Beadle Center, 19th St. north of “S” St. - $20
• 900 North 22nd St. - $20
• 22nd and Vine streets - $20
• 23rd and “W” streets - $20
• 1700 “Y” St - $20
• 14th and Court streets - $10
• 16th and Court streets - $10
• 14th Street Military Avenue - $10

Wheelchair accessible parking is available for $20 per vehicle at UNL Lot 5, Stadium Drive and Salt Creek Roadway. Handicapped parking is available at:

• Mabel Lee Hall (vans only) - $20
• 14th and R streets - $20
• 14th and Avery garage - $20, with free cart shuttle
• 14th and “U” streets, east of Morrill Hall - $20
• 14th St. between Vine and “W” streets, free on-street parking where available
• 17th and “R” garage - $20 with bus service to East and West Stadium

PUBLIC COMMENTS FOR ITEMS NOT LISTED ON THE AGENDA: Kendall Weiers attended the Parks & Recreation Advisory Board meeting simply out of curiosity.

COMMITTEE REPORTS:

- Fees & Facilities Committee – Justin Carlson (Chair) 261-6328

  * JJ Yost presented an overview of the proposal from Lincoln Midget Football to develop additional fields and parking in the southern portion of Sampson Park, and provided an aerial photo outlining the area. Mike Selvage representing Lincoln Midget Football also discussed the proposed plan for development two regulation size football fields, along with a small maintenance/storage building and restrooms. JJ Yost added that most of the area is within the Salt Creek floodplain, with the field development a good use of the land. Lynn Johnson informed the Board that funding for the project will follow the process for Allied Organizations fundraising for a facility on Parks & Recreation land, and with approval from the PRAB the master plan will then be forwarded to the Lincoln Parks Foundation for approval of a fundraising campaign. The cost of the project is estimated at $1.5 million with an endowment amount yet to be determined. Following additional discussion, a motion was made by Justin Carlson and seconded by Larry Hudkins to approve the proposed master plan for additional sports fields, parking and related improvements associated with Midget Football Fields at Sampson Field. Upon roll call vote members voted as follows: “Yes”: Bradley Brandt, Justin Carlson, Roy Christensen, Jim Crook, Larry Hudkins, Peter Levitov, Sherry Nelson, Anne Pagel, Robert Ripley, Joe Tidball, Kathi Wieskamp. “No”: None. Motion carried.
• **Futures Committee** – Jeff Schwebke (Chair) 261-6328
  * Nothing to report at this time.

• **Golf Report** – Brad Brandt (Chair) 473-9619
  * The June and July Golf reports were reviewed by Board members with no questions or comments. Brad Brandt also conveyed ongoing concerns with hole #15 at Holmes Golf Course due to flooding issues, and that a site visit was recently made. A golf architect will be reviewing the site as well. Rounds and revenue numbers continue to be up from previous years.

• **Executive Committee** – Anne Pagel (Chair) 570-9194
  * Lincoln Parks Foundation Report, Executive Director Christie Dionisopoulos:
    > Woods Tennis Campaign – Goal has been reached, with a total of 419 donors! Demolition has begun with ground-breaking planned for mid-September, with the entire project scheduled to be complete by first of May, 2017. The project and endowment are now both fully funded.
    > Centennial Mall – Dedication is scheduled for Sunday, October 9, 2016, with a 1:00 – 3:00 p.m. event being planned.

  * Anne Pagel provided a brief introduction and Lynn Johnson included additional details for a dedication of the “Groundwater Colossus” sculpture at Union Plaza to the retiring Lower Platte South Natural Resources District General Manager Glenn Johnson, who has provided 44 years of community service and partnership with the City of Lincoln on numerous projects. A motion was made by Justin Carlson and seconded by Bob Ripley to approve the dedication recommendation as presented. Upon roll call, members voted as follows: **“Yes”**: Bradley Brandt, Justin Carlson, Roy Christensen, Jim Crook, Larry Hudkins, Peter Levitov, Sherry Nelson, Anne Pagel, Robert Ripley, Joe Tidball, Kathi Wieskamp. **“No”**: None. Motion carried.

**STAFF REPORT:**
Terry Genrich updated the Board members on various events throughout the summer, including free family activities during “Play in the Parks”. The program has been extremely successful with large numbers of participants in Water Fitness at Irvingdale Pool, Water Exploration at a variety of pools, free canoeing at Holmes Lake with lines of people waiting for a turn, and the Belmont Family in the Park. Through a grant from the Community Health Endowment, a “Move More Lincoln” wellness program was held providing tai chi, yoga, and zoomba, and coming soon will be Yoga In the Parks on Sunday mornings during the month of September. On the upcoming Saturday, August 13th from 4:00 to 7:00 p.m., will be the final “Party on the Plaza” at Union Plaza, with a theme of Lincoln Luau.

**ANNOUNCEMENTS:**
Volunteer Appreciation will be held on Sunday, August 21st, at Ager Golf Course, with foot golf and a small put-put golf course. Dog Splash will also be held on the same date at Star City Shores.

Meeting adjourned at 4:50 p.m.

| **Discussion:** | Caroline Butler of High Level Happiness has approached the Parks and Recreation Department with a proposal to develop a community tree house in a public park to enhance opportunities for children in recreate in and to interact with nature. Ms. Butler envisions a wooden platform placed with a grouping of mature trees. She has applied to a national grant funding source for financial support for the project. |

| **Concept Images of a Community Tree House shared by Caroline Butler** |

A master plan has been developed for the Belmont Park, located northwesterly of No. 14th and Judson Streets (west of Belmont Recreation Center and Belmont Elementary School). The plan emphasizes opportunities for “play in nature”. The Lower Platter South Natural Resources District has been a partner in development of the master plan and in phased implementation of projects envisioned by the master plan, including a boardwalk over a water quality wetland and nature-themed play equipment. An elevated platform structure taking advantage of sloping topography in the park that could be used as an activity setting and outdoor classroom is included in the master plan. The community tree house envisioned by Ms. Butler has similarities to the elevated platform structure in the Belmont Park natural play area master plan.

| **Conformance with Adopted Plans and Guidelines:** | As noted above the community tree house envisioned by Ms. Butler is consistent with the Belmont Park natural play area master plan. |

| **Staff Recommendation:** | Approval of the project in concept, with a recommendation to continuing working with Ms. Butler in exploring development of a community tree house in Belmont Park. The following are recommendations regarding design of a community tree house: |

- The structure should be constructed of durable materials that require minimal maintenance.
- The structure should be an elevated, roofed platform with a maximum size of 400 square feet.
- Placement and design of the structure should take advantage of sloping topography on the site to minimize ramping.
- Play features should not be integrated into the design of the structure.
- The appearance of the structure should complement and be harmonious with existing park features in Belmont Park.
- An endowment should be established for ongoing care of the structure based on life-cycle costs and a maintenance program to keep the structure in good repair. |

It should be noted that the design for a tree house structure will need to comply with local building codes, and that a building permit will be required for construction.

MEMORANDUM
August 28, 2016
TO: Lincoln Municipal Golf Committee
FR: Lynn Johnson, Parks and Recreation Director and Casey Crittenden, Golf Maintenance Coordinator
Cc: Parks and Recreation Advisory Board
RE: August Golf Report

The purpose of this memo is to provide a monthly status report regarding the Lincoln City Golf Program.

Course Maintenance
It’s still August but the temperatures have been favorable for golf course recovery. Crews are starting to lose part time staff and we are asking for golfers to be patience throughout the fall as some work may be delayed due to smaller work force.

Employees have been busy with many tasks preparing for fall. They include but are not limited to the following.

- Greens aeration
- Tee aeration and overseeding
- Fairway aeration and overseeding
- Fertilization of fairway and tees
- Spot seeding
- Irrigation head replacement and mainline repairs
- Spraying greens with plant protectants
- Weed control
- Tree and landscape work
- Mowing of native areas
- Equipment maintenance
- Topdressing greens
- Driving range seeding and filling divots
- Golf cart maintenance
- Bunker maintenance
- Drainage work

Golf maintenance crews and golf pros were treated to an appreciation lunch on August 25th provided by Matt Herman. We express our appreciated to Matt for his support of our Lincoln municipal golf courses and staff.

Aeration of Highlands, Pioneers, Mahoney and Holmes are all scheduled to begin soon.
Highlands: Sept 6 & 7
Pioneers: Sept 12 & 13
Mahoney: Sept 19 & 20
Holmes: Sept 26 & 27

Capital Improvements
Repairs of the Mahoney driving range net are scheduled to begin late August. JB and Jay have been working out the details. Repairs will require the range to be closed for periods of time. Daily repairs will conclude by 3pm so range will be open late afternoon and evening. Wind will be a factor in getting repairs done in a timely manner; repairs will be delayed if windy conditions occur.

Casey met with golf course architect Bill Love on Friday August 19th to discuss the issues we are having with # 15 at Holmes Golf Course. Mr. Love will be sending information for review at upcoming golf advisory committee meeting. We plan to get work in motion on making modifications to #15 during the upcoming fall months.

Work on pump station upgrades at Holmes are being bid with work anticipated during upcoming fall months.

Marketing and Promotions
Fall promotions and special pricing are as follows:
• **Fall Weekend Special Coupons** - $5 off a 9-hole round, $10 off an 18-hole round. Valid September 1 through October 31.

• **Fall Any Day Special Coupons** – $5 off a 9-hole round, $10 off an 18-hole round. Valid October 1 through December 31.

• **Husker Game Day Special** - $25 for all day play with cart. September 10 and 17, October 1 and 22, November 12 and 19.

• **Lincoln City Golf Golfer Appreciation Weekend** – 18 holes with cart for $25. Food and merchandise specials at each course. October 15 and 16.

• **Fall special pricing at Ager Golf Course** - $6 for 9-holes for everyone beginning in September.

We are investigating promoting weddings at Holmes Golf Course on the lawn west of the clubhouse.

Request:  Recommendation regarding a master plan for a disc golf course in Roper East Park

Discussion:  Roper East Park is located along the east side of I-180 between approximately Belmont Street on the south and Benton Street on the North. The park is bisected by Adams Street. A stream channel stabilization channel project was recently completed along Lynn Creek in Roper West Park on the opposite side of I-180 from Roper East Park. The disc golf course in Roper West Park was temporarily relocated to Roper East Park during construction activities. The Lincoln Flying Disc Club (LFDC) is proposing to establish Groveland a permanent disc golf course in Roper East Park. The new permanent course would serve local residents, and also aid in bringing disc golf tournaments to Lincoln. The LFDC has been working with the Lincoln Parks Foundation to raise funds for the new disc golf course.

A copy of the proposed master plan for the proposed disc golf course in Roper East Park is attached. The layout includes 18 holes with two tees each. The course layout utilizes the area of the park north of Adams Street and does not displace other recreation facilities. Visitors to the disc golf course will utilize the existing parking area accessed from Judson and Groveland Streets. A portable restroom will be placed near the parking lot,

The LFDC would like to install the new disc golf course in Roper East Park during the upcoming fall months so that it is ready for play in the spring of 2017.

The LFDC would also like to improve the disc golf course in Roper West Park in the future.

Conformance with Adopted Plans and Guidelines:  A disc golf course is an appropriate recreation facility for a community park. Roper East Park is designated as a community park facility.

5. Other topics for discussion.
Council members,

I urge you to stand strong against the Mayor and his unwillingness to compromise on September 12. Please vote against raising the levy so that this can be settled in the courts. I feel the council did enough to work with the budget that it did not deserve a veto. I'm hoping in the future that the rules can be relaxed to allow a simple majority to override a mayoral veto. Otherwise, this mayor or any future mayor has no reason to compromise under the current rules, which is clearly biased against necessary checks and balances. Thank you for your time.

Mr. Camp,
I am not in favor of your proposals for changing the Mayor’s budget. I believe you should support the budget as he presented it. I am a retired person but I still do not feel that this increase in taxes will impact us in a large negative way.

PLEASE SUPPORT THE MAYOR’S BUDGET that was discussed and supported by so many people from the community. Don’t pass the buck to another year. Pay for what we need now!

I am writing you about the post I just saw on the Journal Star’s Facebook page about the wild tigers at our State Fair. I am so disgusted by this. The state of Nebraska needs to step up and ban all wild animal acts forever. Tigers, bears, elephants, monkeys, giraffes, wolves, lions, gorillas and so on do NOT belong in cages being beaten into submission to perform some ridiculous trick we don’t need to see in the first place. I am so appalled that we are allowing this to go on in our city. I am begging you and all of your council members to get an ordinance in place so this NEVER happens again. In this day and age the human race understands what is going on behind the curtains, we have seen the abuse, the beatings, the starvation, the babies being ripped away from their mothers before ever getting to bond with them. How can anyone allow these traveling circuses to exist? Who thought it was a good financial move to pay them to come here? The people have spoken and Ringling Bros. has agreed to stop the elephant shows. After doing some reading it appears as though the trainer in Lincoln may have received these tortured tigers from Ringling. Does that sound like a better life to you? We have to stop supporting these animal abusers and put them out of business forever. Let’s send a message, let’s be better than this.

What can I do to help this process? I will do it. I will do it yesterday.

Thank you for your time.

Sincerely,

Jeanette M. Strahm

Randy,
Thank you for your email. I recognize that you are frustrated. Please realize that my votes are not motivated by the party with which I am registered to vote. The city does continue to move forward, even with the council adopted budget. With a $5.5 Million dollar raise from the people in tax revenues alone, along with millions more in revenue from increases contained within the budget, I simply feel it is fiscally prudent and responsible for our city to live within its means. Failing to do so over the last 7 years has resulted in the city paying approximately $1 million dollars in interest each year. Holding the line on tax increases and living within our means is a wise strategy and if we had been doing so for the past several years, there would now be an extra $1 Million to be used in the budget to benefit our citizens rather than banks. Quite frankly, I find this frustrating.

Thank you again for your email. Please do not hesitate to contact me with any future concerns you may have.

Sincerely,
Cyndi Lamm

Comment or Question:
You must start controlling expenses better and cut costs rather than putting the burden on Lincoln residents. You must show more accountability in spending matters in this city.

Taxes are much to high in this city. Please do not support the mayors proposal in his new budget to increase city taxes. Do what you can to decrease city spending and taxes...please.

I just read today’s article in the *Lincoln Journal Star*. Please reconsider your position. We own our home, but according to my calculations, we’d be paying only $15.00 a year and that will be well worth it to help maintain and improve the city for our kids and grandchildren. The recycling program makes so much sense to put in place now. Please stop playing politics with our town. We love it and want it to continue to prosper.
