PUBLIC INVITED TO CELEBRATE ARBOR DAY APRIL 25
Lincoln again named a Tree City USA

The public is invited to the City’s Arbor Day celebration at 9:30 a.m. Tuesday, April 25 at Wysong Elementary School, 7901 Blanchard Blvd. Wysong students will provide entertainment for the event and Parks and Recreation Director Lynn Johnson will read a Mayoral proclamation. Those attending will have the opportunity to help plant new trees at the school. In the event of inclement weather the celebration will move to the school gymnasium.

Arbor Day was founded in Nebraska in 1872 by J. Sterling Morton, a former U.S. Secretary of Agriculture. The official observance in 2017 is Friday, April 28. State offices will be closed that day, but City offices will be open.

For the 40th consecutive year, the National Arbor Day Foundation has named Lincoln a “Tree City USA.” Lincoln also again received a Tree City Growth Award for practicing higher levels of tree management. The City Parks and Recreation Department manages more than 125,000 public trees in golf courses and parks and along streets.

For more information on the City Forestry Division, visit parks.lincoln.ne.gov or call 402-441-7035. The website includes information on requesting a no-cost permit to plant street trees.

The Tree City USA program is sponsored by the nonprofit Arbor Day Foundation in cooperation with the National Association of State Foresters and the USDA Forest Service. More information is available at arborday.org/treecityusa.

WORKSHOPS TO FOCUS ON PHYSICAL ACTIVITY
Parks and Recreation received instructor training grant for program

Aging Partners and the Lincoln Parks and Recreation Department invite senior citizens and the public to a series of free workshops on staying physically active. The Active Living Every Day (ALED) workshops are from 9:30 to 10:30 a.m. Tuesdays from May 2 through July 25 at the “F” Street Recreation Center, 1225 “F” Street. Registration is required by calling Aging Partners at 402-441-7575 by 5 p.m. on the Friday before the session.

“By learning the skills necessary to become and stay physically active, people are encouraged to make simple lifestyle changes that incorporate activity into everyday life,” said Peggy Apthorpe, Aging Partners Health and Fitness Director. “Those who’ve taken part in the workshop in other parts of the country report they are exercising more, eating healthier and burning calories. Blood pressure, blood sugar levels and sleep also improved.”

Participants will learn how to create an activity plan that fits their preferences and lifestyle, with tasks like housekeeping and shopping incorporated into the plan. The workshops will also address the causes of inactivity and help participants overcome those challenges. Participants can attend as many workshops as they want, and are encouraged to attend as many as possible.

Aging Partners is partnering with the Lincoln Parks and Recreation to present the workshops, which are made possible by an instructor training grant from the National Recreation and Park Association (NRPA) and the Centers for Disease Control and Prevention. Parks and Recreation is one of only 46 similar agencies to receive the ALED grant. The ALED program is based on discoveries that physical activity need not be strenuous or time consuming to benefit health, and people are more likely to become and stay physically active when taught the appropriate lifestyle skills.

More information on Aging Partners is available at aging.lincoln.ne.gov. More information on Lincoln Parks and Recreation can be found at parks.lincoln.ne.gov. More information on the NRPA is available at nrpa.org.
Dear Lincoln City Council Members,

Recently, representatives from the City Planning Department made a presentation to neighborhoods on Accessory Dwelling Units ("ADUs"). The Near South Neighborhood Association much appreciates receiving that information about potential zoning changes, which expand the rules allowing ADUs as in-fill on residential lots. After serious discussion and examination of the matter, the Near South Neighborhood Association ("NSNA") board voted unanimously on April 10, 2017, to support no expansion of present ADU zoning ordinances.

The Board’s position is based on the following points:

- Current zoning already accommodates present and foreseeable ADU needs (e.g. Historic Designation properties, duplexes, adjoining residences, planned developments like Fallbrook). There is no demonstrated need for this kind of expansive zoning change with its potential negative impacts. Current demand is extremely low (3-4 inquiries a year) and future demand is speculative.

- According to local realtors and other resources, ADUs appeal to a small and limited market, actually driving down the value of the property. Increased demands on parking, infrastructure, noise and other negative impacts are also major concerns.

- Planning department proposes that good design and an owner occupancy requirement satisfy any negative impacts. We disagree. A meaningful plan for enforcement is completely absent. How is owner occupancy enforced? Neighbors policing neighbors is not effective.

- NSNA worked hard with the support of the City to downzone in response to past planning missteps. According to the current Comprehensive Plan, future infill should be appropriately placed – NOT rezoned as an option for every backyard in a neighborhood.

- Most newer developments have covenants prohibiting ADUs. So, the impact falls on Lincoln’s core neighborhoods that already bear the challenges of slip-in apartments, commonly considered a failure of past planning. ADUs feel like the next slip-ins.

- The tiny house movement should be distinguished. We do not object to new, well-planned tiny home neighborhoods.

- Nor do we object to good, affordable housing, but the proposed ADUs are not affordable homes. Instead, they negatively impact the affordable housing that currently exists all throughout older neighborhoods.

- Finally, we respectfully request City planners, the Planning Commission and City Council assist in reversing the planning mistakes of the past, specifically with respect to slip-ins. That is an effort we
would whole-heartedly support. If ADUs were part of a plan that resulted in the removal of slip-ins, replaced by homes and ADUs with good design, compatible with the historic nature of core neighborhoods, while significantly reducing density, NSNA would very likely support such a plan.

Based on these concerns, we respectfully request that the City not support expanding the zoning concerning ADUs. The present zoning already meets Lincoln’s needs without negatively impacting neighborhoods.

Thank you,
James Friedman, President

TWO LIBRARIES TO CLOSE TEMPORARILY FOR CARPET REPLACEMENT

Two branches of Lincoln City Libraries (LCL) will be temporarily closed in April and May for carpet installation. All programs and events scheduled during the closings have been cancelled. Book drops also will be closed, and materials may be returned to other LCL locations. Schedules are as follows:

- Gere Branch, 2400 S. 56th Street, will close April 16 and is scheduled to reopen Tuesday, May 2. Holds may be picked up at South Branch Library, 2675 South Street. Summer reading volunteers may return applications to South Branch and sign up for volunteer training at that time. No donations of used books will be accepted during this closure.

- Anderson Branch, 3635 Touzalin Avenue, will close May 1 and is scheduled to reopen Monday, May 8. Holds may be picked up at Bethany Branch, 1810 N. Cotner. Summer reading volunteers may return applications to Bethany Branch.

If the carpeting projects are delayed or completed ahead of schedule, libraries will resume operations accordingly. For updates, visit lincolnlibraries.org.

OPEN HOUSE SET FOR WATERSHED MASTER PLANS

The public is invited to an open house Thursday, April 20 on three comprehensive watershed management plans. The event is from 5 to 7 p.m. at the Educare Center in Belmont Elementary School, 3425 North 14th Street. Parking is available in the main lot, north of the Educare Center. City staff and consulting engineers will be available to discuss the goals and objectives of the project. The public will also have the opportunity to view current maps and provide feedback. No formal presentations are planned.

The Salt Creek North Tributaries and Creeks Watershed Master Plans will include Oak Creek, Lynn Creek and North Salt Creek. The plans will identify projects needed for stream stability, calculate minimum stream corridors, and review hydrologic conditions in areas near potential development. The project is a joint effort between the City Public Works and Utilities Department and the Lower Platte South Natural Resources District.

This is the first of three public information meetings designed to inform citizens and gather information about the master plans. For more information, visit lincoln.ne.gov (keyword: northtribs) or contact Tim Zach, Public Works and Utilities, at 402-441-7018 or tzach@lincoln.ne.gov
Health Warning – Air Pollution
Sensitive Individuals Warned to Avoid Smoke

The Lincoln-Lancaster County Health Department (LLCHD) issued a Health Warning this morning for people with certain health conditions because of smoke in the air from agricultural burning. Yesterday south winds blew smoke from burning in Kansas and impacted Lincoln. This morning, that same smoke is now being pushed back into Lincoln by north winds. Officials hope that levels will decrease as the morning progresses. Levels of smoke in the air at six this morning were still unhealthy for people with asthma, lung disease, other respiratory conditions or heart disease as well as older adults and children. LLCHD advises that these people to avoid the smoke by staying indoors and avoid strenuous physical activity.

"The main impact should be early this morning and air quality should improve through the day," Holmes said. "Smoke is made up of tiny particles and gases. When these are breathed into the lungs, they can cause asthma attacks, worsen chronic bronchitis and emphysema, and cause angina in some people with heart disease." People are advised to keep windows and doors closed and use the "re-circulate" setting when using a vehicle air conditioner. Those who experience difficulty breathing, coughing, tightness in the chest or angina should contact a medical provider.

The LLCHD monitors air quality 24 hours a day, and the Air Quality Index (AQI) at lincoln.ne.gov (keyword: air, click on air quality link) is updated hourly. The AQI is now in the orange category, meaning the air quality is unhealthy for people with certain health conditions, such as heart disease, asthma or lung disease, and for young children and older adults.

OPEN HOUSE SET FOR 10TH STREET BRIDGE REPLACEMENT

The public is invited to an open house Wednesday, April 26 on replacement of the 10th Street bridge over Salt Creek. The meeting is from 4:30 to 6 p.m. at the Indian Center, 1100 Military Road. Parking is available on the south side of the building. No formal presentations are planned. Those attending will be able to discuss the construction schedule and project phasing with representatives from Hawkins Construction, Spee Lewis Engineers and City staff.

Work on the project is scheduled to begin May 8 with the closure of 10th Street between Military Road and Sun Valley Blvd. In addition to the bridge replacement, the project includes reconstruction of the Haymarket Park Trail under 10th Street and reconstruction of the intersection at 10th Street and Military Road. The project is expected to be completed in mid-summer 2018.

During the 10th Street closure, access to area residences and businesses will be maintained, but traffic will be detoured to Cornhusker Highway, Antelope Valley Parkway and Military Road. The Haymarket Park Trail will be detoured to 9th Street, Court Street, 10th Street and Military Road.

The Public Works and Utilities Department appreciates the public’s patience during this project. For more information on the project, visit lincoln.ne.gov (keyword: 10th) or contact Kris Humphrey, Public Works and Utilities, at 402-326-1176 or khumphrey@lincoln.ne.gov.

STREET IMPROVEMENT PROJECTS TO BEGIN APRIL 17  
Work to be completed under lane closures

Beginning Monday, April 17, traffic on sections of Superior and 27th streets will be reduced to one lane in each direction for repair work. The two projects are expected to be completed by mid-November. Project details include:

- Superior from 27th to 33rd streets will be reduced to single eastbound and westbound lanes. Additional lane closures will restrict left and right turns into the businesses on the north side at the Industrial and Superior intersection. Access will be maintained at the other driveways in this area. Work will continue to move east on Superior Street to Cornhusker Highway.
- Traffic on 27th Street from Holdrege to Center streets will be reduced to single northbound and southbound lanes. Work will continue to move north on 27th Street to Fletcher Avenue.

Work on both projects will continue to be completed under lane closures with a minimum of one lane of traffic open in each direction. Turn lanes may be temporarily closed throughout the project. Access will be maintained to businesses, but may be limited at times. Pedestrians and bicyclists may be directed to alternate crossings while repairs are made in the crosswalks.

The project includes repairing or replacing concrete panels and curbs; sealing joints and cracks; replacing asphalt areas with concrete; replacing damaged storm drainage inlet tops; utility adjustments; and restoration of traffic signal elements impacted by the work.

The Public Works and Utilities Department appreciates the public’s patience during these projects. More information is available at lincoln.ne.gov (keyword: superior) and lincoln.ne.gov (keyword: 27th). Public Works and Utilities contacts for the projects are:

RE: Notice of final action by Planning Commission: April 12, 2017

Please be advised that on April 12, 2017, the Lincoln City-Lancaster County Planning Commission adopted the following resolutions:

Resolution No. PC-01546, approving COMPREHENSIVE PLAN CONFORMANCE NO. 17005, as to conformance with the 2040 Lincoln-Lancaster County Comprehensive Plan, the request for a conservation easement by the Lower Platte South Natural Resources District, of approximately 36 acres, more or less, for the preservation of flood storage and natural resources, legally described as Lot 54 SE, located in the SE 1/4 of Section 23-9-6, Lincoln, Lancaster County, Nebraska, generally located west of South 14th Street and Yankee Hill Road;

Resolution No. PC-01547, approving SPECIAL PERMIT NO. 494F, to expand the Harbour West Meadows CUP (Community Unit Plan) to allow a new waiver of Section 27.63.120(e) for construction of carports in the required setback from roadways, on property legally described as Lots 83 and 84 I.T., located in the NE 1/4 of Section 34-10-6, Lincoln, Lancaster County, Nebraska, generally located at 1440 West Plum Street; and

Resolution No. PC-01548, approving USE PERMIT NO. 15002A, to add 120 dwelling units on 12.23 acres, more or less, on property legally described as Outlot I, Highlands Coalition, located in the SW 1/4 of Section 3-10-6 and SE 1/4 of Section 4-10-6, Lincoln, Lancaster County, Nebraska, generally located at NW 12th Street southwest of Isaac Drive.

The Planning Commission action on these applications is final, unless appealed to the City Council by filing a notice of appeal with the City Clerk within 14 days of the action by the Planning Commission.

The Planning Commission Resolution may be accessed on the internet at www.lincoln.ne.gov (Keyword = PATS). Use the “Search Selection” screen and search by application number (i.e. CPC17005, SP494F, UP15002A). The Resolution and Planning Department staff report are in the “Related Documents” under the application number.

APPROVAL OF MINUTES

Mr. Bowers asked if there were any additions or corrections to the Minutes.

Motion: Moved by Dr. Miller that the February 14, 2017 Minutes be approved as printed. Second by Dr. Doster. Motion carried by a 6-0 roll call vote.

II. PUBLIC SESSION

IV. DEPARTMENT REPORTS

A. Health Director Update

Ms. Halstead provided an update on the Public Health Accreditation Board and the Department’s request for accreditation. Department staff have been busy preparing for the site visitors who will be at the Department April 20-21, 2017. A mock site visit has been scheduled for March 16, 2017 for staff. She asked Board of Health members to be available April 20th at 1:00 PM to meet with site reviewers. A review for that visit will be held at the April 11, 2017 Board of Health meeting.

Ms. Halstead stated the Health Director’s position has been posted both locally and nationally. Applications will be accepted through March 31, 2017. Ms. Halstead’s last day at the Department will be Wednesday, May 3, 2017.
Ms. Halstead provided an update on the hazardous waste facility that is being constructed at the 48th Street Landfill. Construction is expected to be completed in May, 2017. A tour for the Board of Health will be arranged in the near future.

Ms. Halstead provided an update on the IM Healthy Soynut Butter recall in the community. An advisory was sent to schools, child care centers and parents advising them of the recall. Two centers had served the soynut butter to their children. A physician’s advisory was also issued. Staff did a wonderful job working with the schools, centers and parents.

Mr. Timmons provided an update on flu activity in the community. He stated Influenza A cases are decreasing but Influenza B cases are increasing. The Centers for Disease Control is advising individuals that it is still not too late to receive a flu shot.

Mr. Randa asked whether the Health Department is still screening refugees. Ms. Haberman replied yes and stated the Department expects about 200 additional patients to serves before September 30, 2017.

V. CURRENT BUSINESS (Action Items)

A. Election of Officers

Mr. Bowers stated nominations for officers for the Board of Health for 2017-2018 are: President – Craig Strong and Vice-President – James Michael Bowers. Mr. Bowers asked if there were any other nominations from the floor. Ms. Halstead read an email from Col. Strong indicating his desire to continue to serve as President, if elected. Mr. Bowers also indicted his desire to serve as Vice-President, if elected.

Motion: Moved by Dr. Doster that nominations for Board of Health officers for 2017-2018 be closed. Second by Dr. Peterson. Motion carried by a 7-0 roll call vote.

Motion: Moved by Dr. Doster that the Board of Health elect Col. Craig Strong as President and James Michael Bowers as Vice-President of the Board of Health for 2017-2018. Second by Dr. Miller. Motion carried by a 7-0 roll call vote.

B. Proposed Policy 225.20 – Child Care Center Variances

Mr. Daniel reviewed the proposed policy stating any child care center owner may apply to the Health Director for a variance to modify or waive the requirements of the Lincoln Municipal Code. The variance request must address how the health and safety of the children will be alternately addressed by modifying the relevant code section and that the proposal does not compromise the health and safety of the children in care.
Motion: Moved by Dr. Miller that the Board of Health approve Policy 225.20 – Child Care Center Variances. Second by Dr. Petersen. Motion carried by a 7-0 roll call vote.

C. LB 441 – Letter of Support – Medicaid Assistance Act

Ms. Halstead stated the Board of Health had asked that a letter of support be drafted for LB 441 – Medicaid Assistance Act at their February meeting. Ms. Halstead reviewed the proposed letter and stated the bill is still in Committee. She stated Senator Morfeld will be asking for an executive session with the Health and Human Services Committee to address the bill. Mr. Avery stated he did not believe the Legislative Bill would advance. He stated he did not think a letter from the Board would help. Dr. Petersen stated the bill is considered by some to be controversial and would impact the entire state and did not think we should support it. Dr. Miller & Mr. Bowers expressed their support for LB 441.

Motion: Moved by Dr. Miller that the Board of Health send a letter of support to the Nebraska Legislature in support of LB 441 – Medicaid Assistance Act. Mr. Bowers asked whether he could second the motion. Mr. Sieh stated no as he was chairing the meeting. Motion died for a lack of a second.

VI. CURRENT BUSINESS (Information Items)

A. Legislative Update

Ms. Halstead provided an update on key legislative bills the Department is following. They include: LB 333 – Eliminating the State’s Disability Program – this would impact the General Assistance Program – this bill is still in Committee; LB 368 – Repeals the Helmet Law – the bill advanced from Committee and Senator Lowe made it a priority bill. He failed to secure enough votes to invoke cloture. Senator Hilkemann led the filibuster; LB 438 – Increase cigarette and tobacco taxes and provide for the distribution of funds. This would provide additional funding to local health departments, tobacco programs and increase funding for home visitation. – Hearing March 17, 2017; LB 327 – Appropriate funds for the expenses of the State of Nebraska (budget bill) – A 10% proposed cut by HHS to local health departments was reinstated by the Appropriations Committee. There would be approximately a 3% cut to Medicaid providers and it would reduce the adult dental cap from $1,000 per year to $500 per year. – Hearing March 13, 2017. Ms. Halstead testified in support of reinstating the 10% by the Appropriations Committee on behalf of the Friends of Public Health.

B. Accreditation Update

Ms. Halstead reviewed the accreditation timeline. Health Department staff will hold a mock site interview on March 16, 2017. She stated the Public Health Accreditation Board (PHA) site reviewers are now reviewing the 333 documents submitted by the Department. The Board of Health will receive training for the April 20th meeting with the PHAB site visitors on April 11, 2017 – 5:00 PM. The Board of Health will meet with the PHAB site visitors at 1:00 PM on April 20,
2017. The Community Representatives group will meet with the site visitors on Friday, April 21, 2017. The PHAB site reviewers will submit their report on May 5, 2017. Ms. Halstead thanked Ms. Burke for all of her good work serving as the Department Accreditation Coordinator.

VII. FUTURE BUSINESS

LINCOLN-LANCASTER COUNTY HEALTH
DEPARTMENT REPORT

TO THE LINCOLN-LANCASTER COUNTY
BOARD OF HEALTH

MARCH, 2017

HEALTH DIRECTOR’S OFFICE

The Health Director continues to coordinate state legislative activities for the Department and the Mayor’s Office. The Mayor’s Office Legislative Review Team meets weekly during the legislative session. The Health Director and Board of Health President Craig Strong, attended the Friends of Public Health legislative breakfast meeting on March 2, 2017. She also testified on the Department of Health and Human Services budget hearing at the Appropriations Committee on March 13th and attended the LB 437 Revenue Committee hearing on March 17th.

The Health Director and Management staff participated in a Public Health Accreditation Board Mock Site Visit on March 16, 2017. Staff are awaiting initial questions from the site visitors prior to their official site visit that takes place on Thursday and Friday, April 20-21, 2017.

The Health Director met with the new City Finance Director, Brandon Kauffman, and provided an orientation to the Health Department and Fiscal Operations.

The Health Director and key staff attended the Mayor’s News Conference on the City’s launching of the Open Data and Performance Management website. The website will give the public better access to City data and information on performance management.

The Parks & Recreation Department and Parks & Recreation Foundation offices relocated to the 3rd floor of the Health Department building on March 25th.

The Health Director attended the Community Health Endowment Annual Board of Trustees Retreat on March, 2017. She also participated in the Endowment’s Administration Committee Meeting.

The Health Director and Animal Control management staff met with Capital Humane Society staff regarding disaster preparedness.

The Health Director continues to work with the University of Nebraska Medical Center’s College of Public Health on arrangements for classes to be held at the Health Department. The second class – Bio Statistics – is scheduled for the fall semester.
ANIMAL CONTROL

Animal Control staff continue to refine the new server based system for dispatch and field operations. Online licensing was improved and our customers are using the online licensing option at an increasing rate.

The Manager met with staff from the Citizens Information Center to develop new strategies to promote the benefits of licensing your pet. The “Tag It” brand and logo will be used around Lincoln with simple messages promoting pet license sales. Currently, the owner of a dog or cat that is spayed or neutered, pays $21 for a pet license. People over 62 years of age pay $18.

To view the Animal Control videos visit our website http://lincoln.ne.gov/city/health/animal/

You can also view this and other Animal Control news on our Facebook page.

Animal Control staff, and staff from Health Promotion, Data and Evaluation and the Capital Humane Society continue work on our local Animal Preparedness Plan. An After Action report was completed and is being reviewed for recommendations to improve and expand our existing plan. Staff will be writing Memorandums of Understanding (MOUs) that will be used to define roles and responsibilities, and potential resources of our partner agencies and organizations. Staff will meet with the Director of the Lancaster County Event Center to discuss pet intake and sheltering.

Animal Control Officers picked up a bat from a local residence in Lincoln that tested positive for the rabies virus. The case was turned over to the Communicable Disease Program and they completed the necessary follow up.

COMMUNITY HEALTH SERVICES

CULTURAL COMPETENCY

Because the goal of the CHS Division is to assure vulnerable populations are connected to care, it is critical that staff are knowledgeable about cultural beliefs about health, illness, and health care. Language and culture affect all stages of health care access—from making an appointment to filling a prescription. Acculturation challenges include stress, isolation, and new responsibilities. Additionally, cultural beliefs about health care directly affected the person’s expectation of care. These factors may contribute to delayed care and directly influence short and long-term health.
This month, Faeza Osso, Community Outreach Specialist in our Refugee Health Program, and Hayder Murad, Interpreter & Cultural Liaison, presented “Who are the Yezidi?” to CHS staff. Both Faeza and Haydar have personal experience as members of this population. Learning objectives for participants were:

1) Increase your knowledge of Yezidi history.
2) Increase your knowledge of Yezidi traditions and practices.
3) Increase your knowledge of war and genocide experienced by the Yezidi people.
4) Increase your knowledge about health care and disease experiences among the Yezidi people.

Participants rated all learning objectives as achieved and rated Faeza and Haydar as “very helpful” in assisting participants in increasing their knowledge – the highest ratings possible for all learning objectives and the speakers.

There are an estimated 400+ Yezidi families who have settled in Lancaster County in recent years, so our ability to provide culturally informed services is vital. Doing so, impacts short-term services (e.g. lab and refugee health assessments which are completed in the first 90 days after arrival), and helps to continue to build trust in services we offer with a longer duration (e.g. home visiting, Vaccine Clinic, etc.).

A special thanks to Faeza Osso and Hayder Murad for sharing their knowledge and experience!

**MEDICAL HOME CONNECTION FOR AT-RISK POPULATIONS**

This month, two partnerships were strengthened in our goal to connect vulnerable populations to a medical home; continued work with the Diabetes Supports for the Poor & Uninsured group and with a new CABHI grant (Cooperative Agreements to Benefit Homeless Individuals). As reported last month, the Diabetes Supports for the Poor & Uninsured group continues to plan with county and state corrections, parole and probation, to identify effective diabetes management strategies for people recently released from corrections who reside in Lancaster inmates treated for symptoms of diabetes or who had a diagnosis of diabetes at Lancaster County Corrections. Not all people in this group need a connection to diabetes supplies, diabetes medications and/or a medical home. The Diabetes group believes we have the capacity to serve this estimated number through our Community Health Endowment of Lincoln (CHE) grant, in addition to those we already serve. The program is an interim solution for people who are trying to establish a new medical home. Approximately 3 months of testing supplies and critical diabetes medications are offered at a greatly reduced price or no cost to the patient through CHE and/or Clinic with a Heart donation funds. At the same time, experienced Information and Referral (I&R) nurses at LLCHD work to connect the patient to a stabilizing and affordable urgent care service, if needed, and ultimately to a medical home. I&R has had a 75% success rate of connection to a medical home and/or health insurance in the past two years of piloting this effort. We believe we can expand the program successfully based on this outcome with similar populations who, like the recently released, experience a multitude of competing needs.
The Diabetes Supports for the Poor & Uninsured group approved of utilizing I&R nurses as the “access point” for expanding our services to people recently released. Within hours of approving I&R as an access point, we received our first referral.

CABHI is a SAMHSA grant (Substance Abuse and Mental Health Services Administration) which Region V Systems was awarded for three years. CABHI provides “housing first” services for those who are chronically homeless and who have a mental health and/or substance abuse issue. The premise of the model, is to house people first, and then provide other needed services, such as access to food, counseling, employment, and education. Region V and CenterPointe provide housing and mental health and/or substance abuse treatment. The grant started January 5th of this year and nearly all of the 60 vouchers have been distributed. Peer support specialists and case managers from CenterPointe and the Mental Health Association of NE work to connect clients to services. CHS approached CABHI to provide assistance with this program, connecting clients to a medical home via I&R nurses. All I&R nurses are Certified Application Counselors in the Health Insurance Marketplace and are specifically trained and experienced in assisting eligible people with NE Medicaid and Lancaster County General Assistance applications and, for those not eligible, connecting them to an appropriate medical home. In addition, nurses can triage urgent needs. Active symptoms or concerns about health are typically the motivation for people who do not routinely use health care to seek help. CABHI staff were welcoming of I&R’s assistance and we have received our first request to help a client.

A special thanks to Bernice Afuh and Anita King for developing these opportunities!

Our February caseload was 3864 participants. We saw 1031 participants at our satellite Cornhusker Clinic location in the month of February. This is a 13.6% increase in participation at this location in the last year. The month of February was a big mentoring month for LLCHD WIC with 8 students/residents in our clinic. Exclusive breastfeeding rates at the satellite clinic are the highest they have been since rolling out the new computer system April—May 2015 (12.8%).

ENVIRONMENTAL PUBLIC HEALTH

Waste Management: Nuisance/Solid Waste Complaints

Goals

Protect human health and the environment by assuring proper management and disposal of wastes and preventing illness and disease caused by improper waste management.

Methods/Strategies

Receive complaints and send letters to property owners and tenants; Investigate complaints; Issue warning notices; Abate nuisance conditions

Indicator

Resolve 90% of nuisance complaints involving garbage within 30 days.

Indicator Description

This indicator measures how quickly the Health Department responds to nuisance complaints.

Indicator Rationale

Garbage presents unique public health risks due to serving as a food source for rodents and insects which can carry disease. Quick action to resolve garbage complaints reduces public health risks in our community.
Funding/Source

Waste Hauler Occupation Tax (100%)

Comparison

83% of garbage complaints were resolved within 30 days in FY16. This compares to low of 56% in FY08 to a high or 94% in FY11.

In June of 2011, the City of Lincoln changed LMC 8.32 to require owners of rental property (duplex and single family) to provide for garbage service. For the years FY08-FY11 there was an average of 621 garbage complaints. For the years FY12-FY15, there was an average of 412 garbage complaints. Education on, and enforcement of, this new ordinance resulted in a 34% reduction of garbage complaints. FY15 had the lowest number of garbage complaints (383) and the lowest number of complaints on no garbage service (178) in the past 8 years.

**Description**

The public reports garbage and other nuisance complaints to the Health Department. In most cases, a letter is mailed to both property owner & tenant informing them of the complaint, directing them to abate the conditions, and asking them to complete & return a post card. If no response is received indicating action has been taken, staff inspects the property, and issue official warning notices if appropriate. In most cases, resolution is obtained, but abatement of the conditions is necessary between 20 and 40 times each year. Costs are charged as a lien (special assessment) against the property. Higher priority complaints include garbage, stagnant water, mosquitoes, sewage discharge, standing water, water safety, and unfenced backyard pools, since they present the highest public health risk. The number of complicated nuisance complaint cases the present multiple problems and require collaboration with several agencies has increased in the past five years.

**Partnerships & Efficiency**

Mailing notices instead of field investigation of every complaint was instituted years ago as a cost savings measure. This approach has proven to decrease the number of complaints with no findings, but delays response to problem nuisance conditions. Health is part of the City’s Problem Resolution Team and attends the Mayor’s Neighborhood Roundtable. Health works closely with Building and Safety and Weed Control to address all complaints on properties. Health staff makes referrals to other agencies as appropriate.

**Water Quality: Property Transfer Reviews**

**Goals**

Protect human health by preventing waterborne illness, and preventing ground and surface water pollution.

**Methods/Strategies**

Train and permit Property Transfer Inspectors; Review Property Transfer Inspector’s inspection reports; Issue approval or denial; Provide consultation to resolve problems; Assure failed systems are replaced or repaired and meet current regulations.
**Indicator**

100% of property transfers are inspected to assure that wells and private wastewater treatment systems meet public health water and sewage criteria.

**Indicator Description**

Property Transfer regulations require that prior to sale, each property that has a private well or sewage system must be inspected to determine compliance with state and local regulations created to protect public health.

**Indicator Rationale**

Failed sewage systems and contaminated wells pose risks to human health and our environment. When conditions present a health risk or significant risk of contamination of the environment, the Health Department follows up to assure that corrections have been made.

**Funding/Source (1)**

100% of direct field costs were funded by user fees.

![Property Transfer Reviews](chart)

**Comparison**

The number of Property Transfers has remained in the 175 to 200 range over the past five years. The first two quarters of FY17 had a record level of 98 property transfers.

**Description**

The Property Transfer regulations (LMC 24.42 and County Resolution R-13-0064) require that prior to sale, each property that has a private well or sewage system must be inspected. Inspections are conducted by private businesses that are trained and permitted by the Health Department. The Property Transfer Inspectors send the inspection report to the Health Department for review. The current review fee is $215. A “Denial” is issued if either the well or sewage system has significant deficiencies. This does not stop the sale of the property, but informs the seller and buyer of what issues may be present. When conditions present a health risk or significant risk of contamination of the environment, the Health Department follows up to assure that corrections have been made. In FY16, ten (10) failed sewage systems and fifteen (15) wells that were contaminated or had significant deficiencies were required to be repaired or replaced to protect human health and our environment.(3) Numerous other violations have also been corrected and human health has been protected from bacterial and Nitrate contaminated water. About 55% of the properties are in the County/Village jurisdictions and 45% in the City 3-mile jurisdiction.
HEALTH PROMOTION, DATA & EVALUATION

Mock Accreditation Site Visit

To prepare us for our actual PHAB site visit on April 20 and 21, Pat Lopez, Jeff Soukup, Gregg Moser, and Colleen Svoboda conducted a mock site visit and served as reviewers of the 12 domains on March 16. About 70 Department staff were directly involved with the mock site visit, which was conducted in the same manner as the PHAB site visit will be. The site visit team's overall impression of the health department is that it has a committed and professional staff, has a solid foundation for a culture of quality improvement, and has the trust and recognition of the community as a public health expert.

Emergency Preparedness

Staff conducted a 3 hour Pet Sheltering Table Top Exercise with community partners that included Animal Control, Humane Society and Lancaster County Event Center, among many others. The purpose of this exercise was to provide an opportunity for agencies and organizations to discuss pet sheltering lead and support roles and to work as a team to assess their ability to manage people and pets sheltering together. Over 20 participated in the exercise.

Chronic Disease Prevention

The annual City/County Employee Wellness Fair was held on February 22 at the City County Building. There were 56 vendors from the local area that provided information about nutrition, physical activity, tobacco cessation, stress management and much more. About 300 employees participated. The energy was lively as people came through and interacted with vendors. Positive feedback was received from both vendors and attendees. 100% of vendors who filled out the evaluation forms want to return next year. Similarly, 100% of fair attendees who filled out an evaluation marked that they would come again next year.

The second set of two of the eight graduate students working on their Registered Dietitian certification with LLCHD worked with City TV Channel 10 Health to put together a series of social media messages addressing “Food Myths” by recording videos on March 10. The messages began airing in late February. The remaining 4 interns will develop presentations and be taped by Channel 10 Health over the course of the next 5 months.

Injury Prevention

Staff attended the Nebraska Occupant Protection Assessment for the NE Office of Highway Safety. NOHS is required to conduct these audits due to Nebraska not having a primary seat belt law. Logistics about child passenger safety efforts were shared with the group of auditors and
sponsorship of events, recruitment of techs, recertification, and funding were some of the topics discussed.

**Media**

Staff presented a noon-time forum for Channel 8 viewers on Colon Cancer Awareness Month on March 6th. The following media outreach for colon cancer awareness month was also implemented in March.

- Star City Health Insert – March 9
- Neighborhood Extra – March 4 & 18
- Lincoln Journal Star – Daily 31 days
- Marcus Theaters PSA – all theaters/before all movies in month of March

**INFORMATION & FISCAL MANAGEMENT**

Information Management staff continue to work closely with Animal Control staff to develop reports and fine tune work processes with the new software.

The Fiscal Office Supervisor has been meeting with the Management Team of each Division to review FY 2017 fiscal activity and budgets.

Division staff participated in the PHAB mock site visit and reviewed documentation submitted related to Department operations. This is both in preparation for the site visit and also part of the Division effort to provide training opportunities for staff regarding public health practice.

CALL TO ORDER:
The February 23, 2017, meeting of the Commission on Human Rights was called to order at 4:01 p.m. by Micheal Q. Thompson, Chair.

ROLL CALL:
The roll call was called and documented as follows.

MEMBERS PRESENT:
Commissioners: Micheal Q. Thompson (Chair), Amanda Baron (Vice-Chair), Carlos Garcia, Jaine Merliss, Susan Oldfield, Bennie Shobe, and Melanie Ways. Quorum was present.

MEMBERS ABSENT:
Commissioners: Jon Rehm was absent.

STAFF PRESENT:
LCHR: Kimberley Taylor-Riley, Margie Nichols, Abigail Littrell, Francisca Beltran, Jocelyn Golden and Peg Dillon.

APPROVAL OF JANUARY 26, 2017, MINUTES:
A motion was made by Oldfield and seconded by Baron to approve the minutes of the previous meeting.

Hearing no discussion, Chairperson Thompson, asked for the roll call. Voting “aye” was: Thompson, Baron, Garcia, Merliss, Oldfield, Shobe, and Ways. Motion carried.

APPROVAL OF FEBRUARY 23, 2017, AGENDA:
Chair Thompson noted that Case LCHR NO.: 16-1104-049-E-R was withdrawn from the agenda. A motion was made by Baron and seconded by Shobe to approve the meeting agenda.

Hearing no discussion, Chairperson Thompson, asked for the roll call. Voting “aye” was: Thompson, Baron, Garcia, Merliss, Oldfield, Shobe, and Ways. Motion carried.
CASE DISPOSITIONS:

LCHR #16-0810-035-E-R
A motion was made by Ways and seconded by Baron to recommend a finding of reasonable cause that Respondent subjected Complainant to different terms and conditions of employment based on sex and reasonable cause that Respondent retaliated against Complainant for engaging in protected activity.

Littrell updated the Commissioners on additional information provided by Respondent. Complainant said she had informed Respondent about her restrictions due to her pregnancy and a witness testified she heard that conversation. Littrell said the witness made the statement without being prompted. Littrell stated Respondent said Complainant was lifting more than 20 pounds even with the assistance of co-workers and that the heart monitor she was required to carry was more than 20 pounds. Respondent continues to deny that Complainant gave them medical documentation of her lifting restriction.

Littrell stated there was an employee who was given light duty work in Lincoln. She said when the Chief Executive Officer learned of this, he reprimanded the supervisor who allowed the employee to perform light duty in Lincoln because, according to Respondent policy, light duty was only allowed in Omaha.

Merliss asked if Respondent must provide the reasonable accommodation requested by the employee. Littrell said that the Respondent is required to make accommodations for pregnant women if it makes accommodations for other employees who are temporarily disabled. Under a traditional disability accommodation analysis, Respondent usually has to demonstrate that the reasonable accommodation requested constitutes an undue burden.

There was discussion about the light duty allowed in Lincoln and whether that was evidence there was light duty available even though Respondent policy doesn’t allow it.

There was further discussion about how much the Complainant believed she was lifting when she was working. Littrell said co-workers assisted her and she was comfortable with the weight she was lifting. Ways asked if the new supervisor was the only reason that Complainant was questioned about documentation of her disability and lifting restrictions. Littrell said Complainant’s co-worker emailed Respondent about Complainant’s continued need for an accommodation.

Garcia and Shobe asked about Respondent’s light duty policy. Littrell said Commissioners should consider whether the offered accommodation was reasonable and if light duty was offered to other disabled employees who were not pregnant.

Baron asked whether a reasonable accommodation request must be documented. Littrell said Complainant stated she was accommodated and Respondent denies accommodating the Complainant.
Hearing no further discussion, Chairperson Thompson, asked for the roll call. Voting “aye” was: Baron, Garcia, Oldfield, and Ways. Voting no was Thompson, Merliss and Shobe. Motion carried for reasonable cause.

**LCHR #16-0826-038-E-R**

A motion was made by Oldfield and seconded by Merliss to recommend a finding of **no reasonable cause** on both allegations.

Garcia asked if the Respondent has any employees that are disabled. Nichols said they did not have any disabled employees at that location.

Shobe asked about the application and if it was modified to include the correct job classification. Ways asked if the Complainant was able to apply for the job he wanted. Nichols said Complainant would say that he applied for the job he wanted and then applied for a job he didn’t want to see if it would appear in their system.

Baron asked if there was a computer available for perspective employees. Nichols said she was told that there is a kiosk available at all locations.

Ways asked about the Complainant answering no to the question of being able to lift a certain weight. Nichols said since the Complainant’s application did not come to their attention this did not come up for discussion. However, she stated Respondent said Complainant would not be disqualified based on that answer.

Hearing no further discussion, Chairperson Thompson, asked for the roll call. Voting “aye” was: Thompson, Baron, Garcia, Merliss, Oldfield, Shobe, and Ways. Motion carried.

**LCHR #16-0909-042-E-R**

A motion was made by Ways and seconded by Oldfield to recommend a finding of **reasonable cause** that Respondent failed to make a reasonable accommodation for Complainant’s disability and discharged Complainant based on disability.

Shobe asked about reasonable accommodation in this case. Littrell said Complainant was injured at work and said he told the boss he needed a newer truck to drive because of his disability. The Complainant was then always assigned a newer truck to drive. Respondent said Complainant never asked for a reasonable accommodation and was not given any special truck to drive. There was no documentation in Complainant’s personnel file evidencing he was given an accommodation. Garcia asked about Complainant’s workplace injury. Littrell responded it was not disputed Complainant was injured at work several years prior. However, Respondent and Complainant agreed he was released to work with no restrictions.

Littrell said the other employees reported that senior drivers were given the better trucks to drive. She added Respondent said employees generally drive the same truck daily, but they can be assigned to any truck based on the need for each day’s jobs.
Oldfield asked if there were any ongoing issues with Complainant’s work performance. Littrell said there were none documented. She said it was a fact that Complainant refused to drive the truck he was assigned and was fired because of it. Littrell said Respondent explained it needed to use Complainant’s usual truck to train newer drivers.

Garcia asked how often Complainant was assigned to drive a newer truck. Littrell said that in the past year Complainant drove an older truck twice. Littrell said Respondent denied giving him a newer truck as an accommodation and he usually got a newer truck due to his seniority.

Hearing no further discussion, Chairperson Thompson, asked for the roll call. Voting “aye” was: Baron, Garcia, Oldfield, and Ways. Voting no was Thompson, Merliss and Shobe. Motion carried for reasonable cause.

A motion was made by Ways and seconded by Baron to recommend a finding of no reasonable cause that Respondent discharged Complainant based on age.

Baron said she noted potential bias in some email evidence in this case. Oldfield asked about the age of the driver who replaced the Complainant. Littrell said Complainant had not yet been replaced.

Hearing no further discussion, Chairperson Thompson, asked for the roll call. Voting “aye” was: Thompson, Baron, Garcia, Merliss, Oldfield, Shobe, and Ways. Motion carried.

**LCHR #16-1010-044-E-R**
A motion was made by Baron and seconded by Ways to recommend a finding of no reasonable cause on all allegations.

Shobe expressed concern about the characterization of the Complainant. Nichols stated several witnesses said that the Complainant used the descriptive words about herself.

Nichols said because the Respondent’s business was new, it hadn’t created written records of disciplinary actions. Nichols talked with the owners about types of records that should be kept regarding interactions with employees.

Baron asked about the text messages included in the case summary. There was discussion about what the Respondent intended by texts written to Complainant and if it could be interpreted as a termination notification. Nichols stated Respondent said it had not terminated in those texts.

Garcia asked if there is any evidence of other employees being a “no call/no show” and not being terminated. Nichols said there was one other employee also terminated for being a “no call/no show” and another employee due to his making a racist comment.

Hearing no further discussion, Chairperson Thompson, asked for the roll call. Voting “aye” was: Thompson, Baron, Garcia, Merliss, Oldfield, Shobe, and Ways. Motion carried.
Administrative Closures:

**LCHR #16-0914-043-E-R**
A motion was made by Shobe and seconded by Oldfield to recommend approval of the Administrative Closure as a failure to cooperate.

Hearing no discussion, Chairperson Thompson, asked for the roll call. Voting “aye” was: Thompson, Baron, Garcia, Merliss, Oldfield, Shobe, and Ways. Motion carried.

Old Business:

**Outreach**
Beltran updated Commissioners on outreach activities: Indigo Book Store will stock the Dan Barry books; the Mena project at the Good Neighbor Center; Centro Americas has some immigrant issues and is helping with power of attorney forms; and Applesseed will train on these forms also.

**Civil Rights Conference – Gerald Henderson Award**
Beltran handed out brochures for the conference. Beltran asked for nominations for the Gerald Henderson Human Rights Award.

**RFP – HUD Grant Update**
Taylor-Riley updated Commissioners on the project. She stated there was now an approved vendor to develop the new advertising project and logo for the Commission.

**FHAP Conference Call**
Taylor-Riley explained this is a quarterly call with the U.S. Department of Housing and Urban Development for our Region. Taylor-Riley stated LCHR was commended for the closure timeframe and reasonable cause findings.

**IAOHRA Mid-year Meeting – Washington DC**
Taylor-Riley said she would be traveling to Washington, D.C. for mid-year board meetings on February 27th & 28th.

New Business:

**Legislative Update**
Taylor-Riley updated Commissioners on the following: Gender identity and sexual orientation protections in employment legislative hearing was held on February 22nd; and Taylor-Riley testified. The Constitutional Amendment being proposed to require voter ID, hearing will be March 2nd; LB 505 regarding refugee resettlement agencies will also be heard on March 2nd.

**Training Update**
Nichols and Taylor-Riley both attended fair housing and employment training sponsored by the Omaha Human Rights and Relations Department. Nichols stated she also attended a Leadership Challenge training seminar in California.
New commissioner
Commissioners welcomed Jaine Merliss to the Commission.

PUBLIC COMMENT:
No public comment.

The meeting was adjourned at 5:39 p.m.

Next Meeting:
Thursday, March 30, 2017, at 4:00 p.m.
555 S. 10th Street, 1st Floor, Council Chambers
Good Morning Sir,

My name is Eric Bohnenkamp and I am currently a Student Government (ASUN) Senator at UNL.

I am contacting you and other Lincoln City Council members to address an issue that is of mutual concern. Recently, student government representatives and our student constituents have recognized a need to address crosswalk safety concerns on both the city and east campuses. Although it is Nebraska state law, many crosswalks experience instances in which drivers fail to yield to pedestrians. This is a problem that can never be fully alleviated, nonetheless we are searching for a sound solution that can raise situational awareness of drivers as well as increase the safety of students and staff at UNL.

We are proposing crosswalk signs that can be erected in the medians of at least two crosswalks on campus. While there are currently signs on the curbs and sides of the road, these proposed signs would instead be erected in the center of crosswalks. These signs would not impede traffic, but would be a more obvious reminder to drivers that entering the crosswalk while there are pedestrians crossing is Nebraska state law. Attached to this email is an image of the proposed sign.

The full-time staff of ASUN directed myself and other student representatives to contact you and other Lincoln City Council members for assistance in this matter. We are hopeful that you can work with us in improving safety on campus and in the City of Lincoln. I know that the City Council and ASUN are both committed to the safety of students at UNL and therefore we are requesting any assistance and resources that the City could lend us in improving safety on campus.

Thank you for your time and consideration and please contact me at your earliest convenience.

Very Respectfully,

Eric Bohnenkamp

Dear Ms. Hakenkamp:

Thanks for writing Mayor Beutler about you and your friend’s unfortunate experience in attempting to book a Handivan ride. I am happy to investigate this problem and will be in touch with you as soon as I have more information on the incident and see what I can do to make up for the trouble this has caused you both.

Your time in bringing this matter to the attention of the Mayor’s office is greatly appreciated. We strive to provide exemplary service to the residents of Lincoln and welcome this opportunity to improve City of Lincoln services like the Handivan. Please feel free to contact us any time you have questions or concerns.

Sincerely,

Subject: Handivan bus service

I am a friendly visitor for a lady who is in a motorized wheelchair. Last Wed, April 5th, we called for transportation on the handivan for this Wed, the 12th. We placed the call at around 2:45p.m and was placed on hold and asked to wait. At 3:45, I had to leave, still on hold. She was on hold until the office closed that day. The message that looped that entire time never changed. No mention of “we are experiencing high volume, if this call is regarding.............please hang up and call tomorrow” She was never able to schedule the van until later when in fact this Wed was already full. This was my introduction to the reality of available transportation for the disabled in Lincoln, Ne. Needless to say, I was not impressed. It’s understandable that the service needs to prioritize needs but to not even get through for hours seems like poor management not to mention, disrespectful. Respectfully reported, Karen Hakenkamp

Comments: I stopped at Pier 1 yesterday afternoon. It had been a while since I had been to the mall. I purchased a few items and as I was checking out I noticed that 42 cents for a parking fee was added to the total of my purchase. When I asked the clerk what that was for, she said I would need to visit with the manager. The manager explained that the city of Lincoln is building the garage for Scheels. All stores are charging a parking fee to offset the construction as well as you will pay to park there once its finished. My question then was if I have someone drop me off do I have to pay to park and she said yes, if you purchase anything you have to pay the parking fee. Realizing that when you park downtown you get the first hour free and then the total price per day is $11.25, I feel this is excessive. If you shop for several hours, have lunch etc. then you could exceed the $11.25 per day charge. I won't be shopping at Southpointe anymore. There are enough other places to shop that you don't have to pay the high fees that are associated with shopping at that Lincoln mall. With higher taxes and things like this it is almost too expensive to live in Lincoln anymore.
