Meeting Date: December 14, 2017

<p>Request: Recommendation regarding naming of the new dog run in Peterson Park as Stransky Dog Run</p>
<p>Discussion: Pursuant to the Lincoln Parks and Recreation Dog Use Facilities Master Plan adopted in 2016, two new dog runs are currently under development and the dog run serving northwest Lincoln has been moved from Oak Creek Park to Roper East Park. Development of the new facilities and relocation of the northwest quadrant facility results in establishment of one dog run in each quadrant of the city as envisioned by the master plan.</p> <p>Through a partnership between Friends of the Dog Runs, the Lincoln Parks and Recreation Foundation and Lincoln Parks and Recreation, a community fundraising effort was initiated in 2017. A gift of \$200,000 to assist with development of the new dog run at Peterson Park was received from the Leonard and Angeleen Stransky Charitable Trust. In recognition of this significant gift, it is recommended that the new dog run at Peterson Park be named Stransky Dog run as depicted below:</p> <p style="text-align: center;">Stransky Dog Run at Peterson Park</p> <p style="text-align: center;">Leonard & Angeleen Stransky Charitable Trust</p>
