WHEREAS, the real property adjacent to the area included within the site plan for this indoor sports facility, training center, and parking lot will not be adversely affected; and

WHEREAS, said site plan together with the terms and conditions hereinafter set forth are consistent with the intent and purpose of Title 27 of the Lincoln Municipal Code to promote the public health, safety, and general welfare.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Lincoln, Nebraska:

That the application of Lincoln Sports Facility, LLC, hereinafter referred to as "Permittee", to construct a Planned Service Commercial Development for an indoor sports facility, training center, and parking lot with associated waivers to parking requirements, reduced internal setbacks, and dead-end street requirements on the property legally described above, be and the same is hereby granted under the provisions of Section 27.63.470 of the Lincoln Municipal Code upon condition that construction and operation of said additional parking lot be in strict compliance with said application, the site plan, and the following additional express terms, conditions, and requirements:

1. This permit approves a Planned Service Commercial Development for an indoor sports facility, training center, and parking lot with waivers to allow for required parking to be
calculated at the rate of one stall per 300 square feet of building space, waiver of internal building setbacks throughout the Special Permit Area, and waiver of the requirement that all dead-end streets have a sixty-foot radius turnaround.

2. The approval of this Special Permit is conditioned on the approval of the following associated applications:
   a. Change of Zone 18001; and
   b. Comprehensive Plan Conformance 18005.

3. Before receiving building permits or before a final plat is approved:
   a. The Permittee shall cause to be prepared and submitted to the Planning Department a revised and reproducible final plot plan including 3 copies with all required revisions as listed below.

   i. Resubmit the Lincoln Sports Complex Drainage and Grading Concept Plan with revised Site Improvement Notes to include the following:
      a. Detention is being requested to be waived, due to being adjacent to a major creek.
      b. Final design including grading, drainage, wetland impacts, floodplain requirements, stormwater quality requirements shall be submitted to minimize impacts to wetlands and the floodplain prior to the Final Approved Plans prior to building permit.

   ii. Submit building elevations and a landscape plan for approval by the Director of Planning after review by the Urban Design Committee prior to building permit. Street trees must be provided along West O Street per city spacing standards.

   iii. Required revisions to the site plan:
      a. Designate the area of the existing Utility easement to be released where proposed buildings overlap easement.
      b. Add a note with total parking stall count.
      c. Label private roadway.
      d. Remove parking stall layout for Lot 1 or show compliance with parking lot standards.
      e. Label 15’ Utility easement along north property line of Lot 6.
      f. Provide parking access easement along north property line of Lot 6 and 2.
      g. Add a note that any beer garden on Lot 1 will fall entirely within Lot 1.
      h. Show H-4 setback on site plan along exterior property lines.
      i. Label all existing Utility easements.
j. Add a note that cul-de-sac for private streets is waived.

k. Add to the General Notes, "Signs need not be shown on this site plan, but all signs within the Special Permit area shall comply with Chapter 27.69 of the Lincoln Zoning Ordinance and must be approved by Building & Safety Department prior to installation."

b. Permittee shall provide verification from the Register of Deeds that the letter of acceptance as required by the approval of the special permit has been recorded with the Register of Deeds.

c. Permittee shall submit an application for release of easement if any of the existing easements fall under the proposed buildings.

d. Permittee shall provide verification of Lincoln Electric System (L.E.S) easements.

e. Permittee shall provide verification that an avigation and noise easement to the Lincoln Airport Authority on all or that part of the land located within the Airport Environs Noise District has been received by the Lincoln Airport Authority.

f. Due to the proximity of the rail line, prior to the issuance of a building permit, the Permittee shall develop an emergency response plan to the satisfaction of the Lincoln-Lancaster County Health Department (LLCHD), both written and drawn, including a house-in-place scenario and an off-site evacuation plan.

g. The electrical breaker switch of the sports facility’s heating, ventilation and air conditioning (HVAC) system shall be clearly marked and readily accessible at all times to the sports facility’s staff, or the Permittee shall equip the building with not more than two emergency shut-off switches so the HVAC system can be immediately shut down in the case of a hazardous chemical spill on the rail line to the satisfaction of the LLCHD. The shut-off switch shall be located so that it is easily accessible at all times to the sports facility’s staff. The sports facility’s staff shall be trained on how to locate and operate the electrical breaker switch or the emergency shut-off switch.

h. Permittee shall provide proof that the site plan and all related documents have been sent to Nebraska Game and Parks for review.
i. The construction plans must substantially comply with the approved plans.

4. All privately-owned improvements, including landscaping, shall be permanently maintained by the Permittee or an appropriately established association approved by the City.

5. The physical location of all setbacks and yards, buildings, parking and circulation elements, and similar matters must be in substantial compliance with the location of said items as shown on the approved site plan.

6. The terms, conditions, and requirements of this resolution shall run with the land and be binding upon the Permittee, its successors, and assigns.

7. The Permittee shall sign and return the City's letter of acceptance to the City Clerk. This step should be completed within 60 days following the approval of the special permit. The City Clerk shall file a copy of the resolution approving the special permit and the letter of acceptance with the Register of Deeds, filing fees therefor to be paid in advance by the Permittee. Building permits will be issued unless the letter of acceptance has been filed.
