

Michael Hatfield
Commissioners' Award of Excellence
February 2017

Michael Hatfield has been selected as the Commissioners' Award of Excellence winner for February 2017. Michael works as a Correctional Officer and began working for the County on January 18, 2001. He was nominated by Paul Fanning and Tom Korecky, Correctional Officers, in the category of Productivity.

In their nomination, Officers Fanning and Korecky stated, "Officer Michael Hatfield has been assigned to the third shift PSW position since October 2016. During his time as the PSW Officer he has shown himself to be a valuable asset to the department and the PSW team. Some of Officer Hatfield's job duties include supervising janitorial and laundry inmate work crews during third shift hours. These work crews have set duties they are to complete every night. Officer Hatfield uses these work crews efficiently and maintains high standards for the work crews under his supervision. Officer Hatfield personally reviews and inspects each crew's work after completion. Officer Hatfield is also known for giving a lending hand, completing some work himself to show and train the work crew in proper techniques and methods. This training can include proper buffing techniques, sweeping and mopping

floors, cleaning restrooms, and even dusting door frames. Officer Hatfield keeps detailed logs of which duties are completed each night and which cleaning and hygiene supplies are used. Officer Hatfield continues to hold himself to high standards, and he encourages the work crews to do the same. Many officers and supervisors around the facility have taken notice and appreciate his enthusiasm and outstanding work ethic."

For these reasons, we are pleased to award Michael Hatfield with the Commissioners' Award of Excellence for the month of February 2017.
