LANCASTER COUNTY
CLERK

Lancaster county clerk,

On the week of April 10th, 2017 I came home to find a letter from Mr. Coulter stating that while walking the lawn he had accidentally hit one of the lawn sprinkler heads. After communicating with Mr. Coulter I hired a J&J home improvements to fix the head which they did on May 1st, 2017. I have attached the letter that was left along with the invoice for the repair.

Thank you for your consideration of reimbursement,

Michael S. Cejka
