This contract is subject to the standard conditions agreed to in the original application and the signed certified assurances. The Nebraska Commission on Law Enforcement and Criminal Justice (Crime Commission) will disburse funds to the subrecipient provided funds are available from the Legislature. In addition, the subrecipient must comply with the Crime Commission guidelines and the following special conditions:

1. **Records Retention**

The Crime Commission shall have access to all project related materials for the purposes of audit and examinations. All records shall be retained for five (5) years from the date of the final fiscal report, unless an audit is in progress or the findings of a completed audit have not been resolved satisfactorily.

2. **Audits**

- a) All audits will comply with the Single Audit Act of 1984, as amended. Audits for private non-profit agencies shall comply with Circular A-133.
- b) Agencies and organizations receiving federal funds from various sources totaling \$500,000 or more during the subrecipient's fiscal year are required to have an annual audit. Total cost of the audit must be prorated among funding sources. Agencies and organizations receiving federal funds from various sources totaling less than \$500,000 during the subrecipient's fiscal year are not required to have an annual audit. However, a complete agency audit complying with the Single Audit Act of 1984, as amended, is highly recommended once every three years for private non-profit agencies receiving funding from the Crime Commission.
- c) One (1) copy of the audit that includes a letter of findings is required to be submitted to the Crime Commission, if it is not part of the audit.

3. **Accounting Procedures**

- a) Subrecipients shall implement and maintain an accounting system which accurately reflects income received expenditures and documentation of expenditures. Each source of income must be accounted for separately and a clear audit trail for each source of funding must be maintained.
- b) Matching funds need not be applied at the exact time or in the required proportion to the obligation of state funds. However, the full match share must be obligated by the end of the project period. Accounting records are to be available for monitors and audits.
- c) A private non-profit agency awarded funds shall have two (2) members of the Board of Directors review, on a quarterly basis, all expenditures for the agency. This review shall include, but is not limited to, checks written for the period, deposits, assurance of a balanced checkbook, review of the entries in the agency's ledgers, and review of the income received from funding agencies and donations.
- d) If at any time an impropriety is found in the accounting or use of any funds received by the subrecipient, the Crime Commission must be notified immediately and informed about how the agency will address the problem.
- e) The subrecipient will maintain time records that comply with the Office of Management and Budget (OMB) A-87 Circular to clearly document the hourly activity of each grant funded or match funded position to show the actual percentage of time charged to the funding source. Records will be maintained by the subrecipient to document any differences between budgeted and actual state and match personnel grant costs. Timesheets for grant funded positions should include the signature of the employee and their supervisor. Refer to OMB circulars: <http://www.whitehouse.gov/omb/circulars/>. If there are additional requirements from the Department of Administrative Services, the Crime Commission will notify subrecipients accordingly.

- f) State, county, and tribal guidelines must be followed for the purchase of equipment or services, and for the property management or disposal of equipment purchased with state funds. Property records for equipment purchased must be maintained which include a description, serial number, source, title holder, acquisition date, cost, percentage of state dollars funded, location, and use and condition of the equipment. Subrecipients must adhere to written procurement procedures. All contracts that are written must go through a procurement process. Counties must adhere to Nebraska Revised Statute 23-3108. State agencies must follow the procurement process that is governed by DAS: http://das.nebraska.gov/materiel/purchase_bureau/agency-info.html. All other entities must follow their written procurement process and if a procurement process is not in place, then the entity must use Nebraska's procurement process governed by DAS.

Contingencies are located within the summary comment sheet provided to the applicant after the Office of Violence Prevention Advisory Council meeting. The process for completing contingencies is outlined within the memorandum letter to each subrecipient that provides final approval from the Crime Commission. Grant funds will not be released until all contingencies are addressed, submitted to the Crime Commission, and approved by the Director of the Office of Violence Prevention.
- d) Subrecipient agrees to comply with requirements regarding registration with the System for Award Management (SAM) (or with a successor government-wide system officially designated by OMB and OJP), if applicable. The subrecipient must maintain a Data Universal Numbering System (DUNS) number.
