The Parties further recognize that the Sponsor may terminate this Grant Contract in whole or in part immediately upon written notice to Grantee if grant funds do not receive sufficient budget approval or appropriations. The date Project Monitor sends the written notice of termination shall be the date of termination. Neither the Sponsor nor its employees shall be deemed agents of the Grantee, and neither the Grantee nor its employees shall be deemed to be agents of the Sponsor.

21. Hold Harmless: To the fullest extent permitted by law the Grantee shall indemnify, defend, and hold harmless the Sponsor, its elected officials, officers, employees, agents, consultants, and employees, from and against claims, damages, losses and expenses, including but not limited to attorney fees, arising out of or resulting from performance of the Project, provided that such claim, damage, loss or expense is attributable to bodily injury, sickness, disease or death, to injury to or destruction of tangible or intangible property, but only to the extent caused by the negligent, wrongful, or intentional acts or omissions of the Grantee, a subcontractor of Grantee, anyone directly or indirectly employed by them or anyone for whose acts they may be liable, regardless of whether or not such claim, damage, loss or expense is caused in part by

the negligence of a party indemnified hereunder. In the event the claim, damage, loss or expense is caused in part by the negligence of a party indemnified hereunder, the indemnification by the Grantee shall be prorated based on the extent of the liability of the party indemnified hereunder. Such obligation shall not be construed to negate, abridge, or reduce obligations of indemnity which would otherwise exist as to a party or person described in this Paragraph. Nothing herein shall be construed to be a waiver of sovereign immunity by the Sponsor.

22. Insurance Requirements: The Grantee shall, prior to beginning work, provide proof of insurance coverage in a form satisfactory to the Sponsor, which shall not withhold approval unreasonably. The coverages and minimum levels required by this contract are set forth below and shall be in effect for all times that work is being done pursuant to this Contract. Grantee shall not discriminate against any employee or applicant for employment to be employed in the performance of this Paragraph pursuant to the requirements of state law and 8 U.S.C. § 1324b. Grantee shall require any subcontractor to comply with the provisions of this Paragraph.

24. Forbearance Not Waiver: Sponsor's failure or neglect to enforce any of its rights under this Grant Contract shall not be deemed to be a waiver of Sponsor's rights.

However:

1. The insurance afforded to such additional insured only applies to the extent permitted by law; and
2. If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

B. With respect to the insurance afforded to these additional insureds, the following additional exclusions apply:

This insurance does not apply to "bodily injury" or "property damage" occurring after:

1. All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or
2. That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

C. With respect to the insurance afforded to these additional insureds, the following is added to **Section III – Limits Of Insurance:**

If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance:

1. Required by the contract or agreement; or

2. Available under the applicable Limits of Insurance shown in the Declarations;
whichever is less.

This endorsement shall not increase the applicable Limits of Insurance shown in the Declarations.
