4) PUBLIC HEARING:

- A. Public hearing regarding a petition from ten percent of the property owners within the relevant portions of Hidden Valley Acres and Hidden Valley Acres First Addition in Lancaster County, Nebraska and formation of the Hidden Valley Acres Road Improvement District for the paving of Prairie Rim Road, Deer Valley Lane, Wind River Trail, South 107th Street, Ellenridge Road and South 109th Street. (See correlating item 5B)**

The Chair opened the public hearing.

Michael Rierden, Attorney, was administered the oath and appeared on behalf of the proposed district. He discussed the process and reasons for developing a Road Improvement District (RID).

The following property owners were administered the oath and appeared in support of the RID:

Todd Blome, 6421 Prairie Rim Road
Todd Schupe, 10800 Ellenridge Road
Brian Kramer, 6800 Prairie Rim Road
Judy Reiners, 6521 Prairie Rim Road
Tom Mann, 6501 Prairie Rim Road

The stated benefits included a decrease in dust and noise, improved quality of life and safety, and a potential cost savings to the County due to less road maintenance.

Pamela Feser, 11000 Aspen Canyon Road, was administered the oath. She appeared in opposition of the RID stating she would receive no direct benefit. Feser said her property is located at an intersection and does not feel paving the road to the intersection is required. She stated because the special assessment is on a per lot basis her property could potentially be assessed a second time if another RID was created.

Avery inquired what authority the Board would have in removing the second special assessment fee.

Dave Derbin, Deputy County Attorney, said he did not believe the Board would have authority over the special assessment but he would have to review the state statutes regarding RIDs.

No one appeared in a neutral position.

Nebraska State Bar Association Volunteer Lawyers Project

Direct Case Placement: The core of the VLP has been matching volunteer attorneys with individuals who need assistance on a pro bono or reduced fee basis. VLP offers direct case placement through its network of pro bono attorneys, but the intake process and referral source has changed. VLP no longer has the staff to operate a separate intake hotline/process. Referrals and intakes will now be received in the following ways:

Referrals from Self Help Centers: Clients who visit the Self-Help Centers have legal issues/situations where staff would advise them to seek legal counsel rather than proceeding as a pro se litigant. VLP staff will conduct a client intake, check conflicts and work

to place the case through VLP's volunteer network.

Referrals from Domestic Violence Shelters: VLP serves victims of domestic violence. Domestic violence shelters will contact VLP directly to complete the intake process. VLP staff will check for conflicts and work to place the case through VLP's volunteer network.

Referrals from Legal Aid of Nebraska (LAN): VLP will accept 40 referrals a month from LAN. To be accepted by VLP, the referrals must be sent with a completed LAN intake and fall within the VLP priorities.

*Referrals from private attorneys where there is not a self-help desk located in their community.

**The Self Help Center is located inside the courthouse: Lancaster County, open Monday 10:00am-2:00pm and Thursday 9:00am-1:00pm.
