### Project Summary

#### Clerk Storage

The subject equipment will be covered by a Certificate of Warranty from Spacesaver for the first full year of service, once System Acceptance has been received. This type of equipment does require regular maintenance. To continue to obtain quality results from the equipment we recommend approval of a MSS PM Agreement. This will insure that your investment is taken care of properly by factory trained personnel, and you can expect maximum life usage from your equipment. If you have any questions, please let us know. Response is required for factory records.
