Subject: FW: Bid 17-233 Sheriff Uniform Clothing and Accessories question on your proposal

From: John A. Vik

Subject: RE: Bid 17-233 Sheriff Uniform Clothing and Accessories question on your proposal

Shelly,

Our award recommendations and justifications are attached (in yellow to the right side of the sheet).

Bottom line we understand we'll need to order from multiple vendors; but in the spirit of efficiency and cost savings associated with single vendors for like uniform items, we've requested some exceptions to the low bid prices on some line items. It's basically broken into 1) Traditional Uniform (Ryders), 2) Winter Outerwear (Don's), 3) ArmorSkin Uniform (Don's), 4) ArmorSkin Accessories/Hat (Bob Barker), 5) Custom Badge/Nametag/Collar Brass (Don's), and 6) Uniform Accessories (Ryders). The only special exception would be that we'd like to award a primary & secondary (dual) award to Ryders and Don's for our custom uniform patch (line 60). Under these recommendations both would be responsible for delivering different types of shirts (Ryders for traditional and Don's for ArmorSkin). Both styles need patches attached. This would allow both companies to make patches to attach to their respective shirts and save us the time and money of having to ship patches from one vendor to the other every time we order a shirt. We also decided to cancel our request for line 19 as we don't believe we'll need that style of hat in the coming year.

For the record, these are good faith estimates on quantities from us but there is always some give and take depending upon needs. The overall contract estimate exceeds our budget approval for uniforms ... Problem is 1) we added a number of lines to the previous contract to better reflect our actual item needs but quantities were estimates and 2) we don't know the unit prices until they come back from the bid. Contract \$35,000 – our budget of \$22,500.
