

AGREEMENT

THIS AGREEMENT is made and entered into by and between the County of Lancaster, Nebraska, hereinafter referred to as "County," Region V Systems, hereinafter referred to as "Region V," and The Bridge Behavioral Health hereinafter referred to as "The Bridge". Collectively the County, Region V, and The Bridge may be referred to as "Parties," and individually each may be referred to as a "Party."

WHEREAS, County, pursuant to the provisions of state law, has established a department known as the Mental Health Crisis Center ("Crisis Center"), a 16-bed licensed mental health facility which provides temporary custody, stabilization, centralized screening, emergency evaluation and crisis intervention for acutely mentally ill adults who have been placed in emergency protective custody (EPC) pursuant to the provisions of the Nebraska Mental Health Commitment Act, Neb. Rev. Stat. § 71-901 et. seq.;

WHEREAS, Region V is a political subdivision of the State of Nebraska, pursuant to the provisions of the Nebraska Behavioral Health Services Act, Neb. Rev. Stat. § 71-801 et. seq., and is responsible for development and coordination of publicly funded behavioral health services within the 16 southeastern Nebraska counties identified in Neb. Rev. Stat. § 71-807(5) pursuant to the rules and regulations adopted and promulgated by the Department of Health and Human Services;

WHEREAS, Region V, pursuant to Neb. Rev. Stat. § 71-809 and the Interlocal Cooperation Act, Neb. Rev. Stat. § 13-801 et. seq., has entered into contracts with the 16 counties identified in Neb. Rev. Stat. § 71-807(5) to provide an appropriate facility in which to detain persons from those counties who have been placed in emergency protective custody pending their hearings before the appropriate mental health boards, as required by Neb. Rev. Stat. § 71-919;

WHEREAS, in order to meet the needs of those counties for such facilities, Region V has contracted with the County to detain such persons at the Crisis Center;

WHEREAS, the number of individuals requiring services at the Crisis Center exceeds the capacity of the facility;

WHEREAS, The Bridge is a Nebraska not for profit corporation which operates a licensed health care facility at which it maintains a substance abuse treatment program with the ability to provide emergency detoxification services and involuntary detention of individuals under the influence of alcohol or drugs in accordance with the provisions of Neb. Rev. Stat. §§ 53-1,121 and 71-919;

WHEREAS, Region V presently contracts with The Bridge to provide services to individuals with substance abuse problems; and

WHEREAS, the Parties mutually desire to have The Bridge assist the County and Region V by including in the services it presently provides, the detention of individuals who are in Emergency Protective Custody in cases in which detention at The Bridge is appropriate;

NOW, THEREFORE, in consideration of the mutual covenants and promises hereinafter set forth, it is agreed as follows by the Parties hereto.

1. The Bridge will assume the safekeeping, care and sustenance of individuals who have been placed in Emergency Protective Custody by law enforcement, and are referred to it by the Crisis Center. Referrals to The Bridge shall include those individuals who are under the influence of alcohol and/or drugs, and those individuals whose placement at Crisis Center is related to a history of alcohol and drug problems. In cases of alcohol intoxication, referrals shall be limited to individuals whose blood alcohol content (BAC) is not greater than .50. Referrals to The Bridge shall also be limited to individuals whose medical, mental health, security, and other needs do not exceed the capabilities of The Bridge. Transportation to The Bridge shall be coordinated by the Crisis Center.
2. In those cases in which referrals are made by phone, and individuals are transported directly to The Bridge, The Bridge shall be responsible for obtaining all necessary documentation and information from the admitting law enforcement officer, and forwarding the same to the Crisis Center as soon as reasonably possible.
3. Upon admission of an individual to its facility, The Bridge shall provide the individual safekeeping, care, sustenance and related services appropriate to his or her condition, needs and situation. The Bridge shall be responsible for the provision and cost of medical services that are routinely provided by The Bridge staff (including contract staff) to individuals receiving emergency detoxification services at its facility. Medical services that are not routinely provided by The Bridge staff shall be the responsibility of the Crisis Center, which shall also be responsible for the costs of such services. The Bridge shall also provide detoxification services, including the availability of a licensed alcohol and drug counselor (LADC) to assist in performing any evaluations or assessments of the individual.
4. Within 36 hours after an individual is admitted to The Bridge, the Crisis Center shall provide a mental health professional to evaluate the individual as required by Neb. Rev. Stat. § 71-919. The Bridge shall make a LADC available to assist in that evaluation. If that evaluation indicates that continued custody is warranted pursuant to the provisions of the Nebraska Mental Health Commitment Act, and that the reasons justifying the continued custody are related to substance abuse, then The Bridge shall continue to detain the individual until the time of his or her hearing before the Mental Health Board. Such detention shall be appropriate to the individual's condition, needs and situation. During the period of such detention, individuals shall be afforded reasonable access to their legal representatives and others as necessary to prepare for their hearings before the mental health board.
5. The Bridge shall also assume the safekeeping, care and sustenance of individuals with substance abuse problems who have been committed by a Mental Health Board to an outpatient substance abuse treatment program, and who are referred by the Crisis Center for lodging pending the ability of the treatment facility to accept them into the program. Such lodging shall be appropriate to each individual's condition, needs and situation. In the event a committed individual becomes absent without authorization from The Bridge, The Bridge shall immediately notify the Nebraska State Patrol, the Lancaster County District Court Clerk and the Crisis Center.

6. The Bridge shall not be obligated to accept or retain custody of any individual whose physical condition, mental condition, or behavior make continued detention there inappropriate. In the event of a medical emergency, The Bridge shall immediately contact an ambulance service and have the individual transported to a hospital for emergency treatment. In the event of any other emergency, The Bridge shall immediately contact the appropriate law enforcement agency (Lincoln Police or Lancaster County Sheriff's Office) and have the individual transported to the appropriate facility. In either event, The Bridge shall notify the Crisis Center as soon as reasonably practicable of the transfer of the individual and the circumstances giving rise to the transfer. In all non-emergency situations The Bridge shall contact the Crisis Center if it believes that a transfer is warranted. Staff of the Crisis Center and The Bridge shall cooperate in identifying and evaluating all pertinent factors relating to the proposed transfer. The Crisis Center shall be responsible for determining whether the transfer is necessary, and, if so, for taking the necessary steps to affect such transfer.
7. Except as expressly provided in Paragraph 6 above, The Bridge shall not be responsible for providing or arranging any transportation for individuals to and from its facility. Except for the emergency situations addressed in said Paragraph 6, the Crisis Center shall be responsible for coordinating transportation of individuals to and from The Bridge facility.
8. The Bridge shall be responsible for providing the Crisis Center and Region V with all necessary information regarding the status of individuals detained pursuant to this Agreement. Such information shall be provided in a timely manner based upon the particular needs of the Crisis Center and Region V.
9. The Crisis Center shall be responsible for providing centralized screening and coordination services with respect to all individuals receiving services pursuant to this Agreement.  - 1) the Referring County shall provide all transportation to the Crisis Center or The Bridge; and
