Rachelle J. Hinze

Subject: FW: 17-162 uniform accessories bid

From: Angela M. Koziol
Sent: Friday, August 11, 2017 2:08 PM
To: Rachelle J. Hinze
Subject: 17-162 uniform accessories bid

Here is the breakdown on the uniform accessories bid 17-162:

These below items need to be re-bid due to no bids:

- Line 8, 14, 15, 22, 24, 26-36
-
- Line 13-Over budget item. Was only 1 bidder & their price was higher than current pricing. **Re-Bid.**
 - **Line 18**- Lawmen's pricing is lower than Sioux Sales. But I don't want to order just 2 items from Lawmen's. Can we re-bid this?
 - **Line 37**-This is the 2nd item Lawmen's bid that is lower than SS. Can we re-bid 18 & 37?

Line item 1 was also a "no bid" but from what I'm hearing, we have decided not to order this name badge any more. This can be removed.

Everything highlighted in yellow is who the item is awarded to.

REMOVE #1-no longer needed

Do not rebid.

Hill Security Products

The ultimate in key safety!

Since 1959
The Original Key Safe!

This is the Original Key Safe! If it doesn't say OKAY'S, it's not the original. Since 1959 it has been without equal for the safety of your keys. Locksmiths, prison guards, security personnel, postal workers, casino workers, janitors and police officers carry their keys on OKAY'S Key Safes. They are very popular with professional businessmen as well. The OKAY'S Key Safe is secure, convenient, handy, dependable and made in the USA! The 39-NXB (black) is non-reflective and comes with a black key ring.

11-KN (Nickel)
11-KB (Black Special Order)

The KEY KEEPER is hand made using top grain dyed leather and two nickel-plated OKAY'S KEY SAFES. It was designed to fit most duty belts. The KEY KEEPER has been popular with correctional workers at federal prisons. Workers say that they like the convenience of keeping their key chains and chits all together, ready to slide on or off their belt as one unit.

The KEY KEEPER may also be special ordered with the black OKAY'S KEY SAFES.

OKAY'S KEE PAL is designed to fit any belt up to 2 1/2 inches. Worn as shown, it is without equal in security. It has proven its dependability by its use in federal and state prisons throughout the United States.
